Directory Purpose

The Texas Migrant Education Program (MEP) developed this directory in an effort to foster migrant program coordination within Texas and throughout the states that receive migrant students from Texas. It is intended to facilitate the access of migrant education program staff to other migrant education program personnel and any appropriate information needed to better serve the migrant children of Texas.

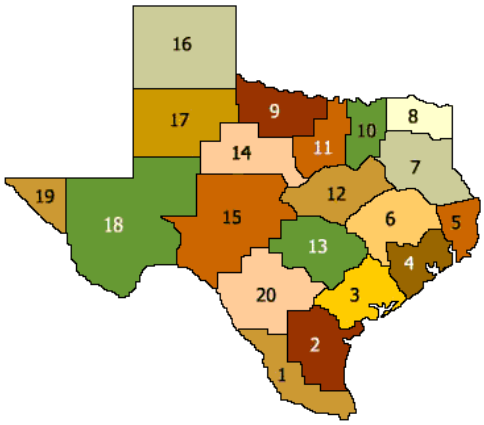
As part of the Texas Education Agency's Division of NCLB Program Coordination, the Texas Migrant Education Program provides supplemental resources aimed at helping migrant students achieve academic success, as outlined in Title I, Part C of the No Child Left Behind Act of 2001.

Directory Format

The contact information to follow is grouped into several categories.

1. Texas MEP State Contacts: State MEP staff manages and coordinates program policy, activities and statewide trainings.
2. Texas MEP Special Project Contacts: Special Projects are funded directly by the State to provide statewide resources in targeted need areas.
3. Texas MEP Grant Award Contacts: The Texas MEP is part of several grant awards designed to meet unmet needs of migrant youth in mathematics, literacy and who are out-of-school.
4. Texas MEP Regional Education Service Center (ESC) Contacts: Regional agencies (identified by number in Figure 1 below) are charged with actively recruiting migrant children in all the school districts within each of their regions. Some ESCs may opt to establish a Shared Services Arrangement (SSA) in order to serve as the fiscal agent and program lead for school districts that wish to provide supplemental services for migrant children but do not have the resources to independently operate a program.

Figure 1



Region	Headquarters	Region	Headquarters
1	Edinburg	11	Fort Worth
2	Corpus Christi	12	Waco
3	Victoria	13	Austin
4	Houston	14	Abilene
5	Beaumont	15	San Angelo
6	Huntsville	16	Amarillo
7	Kilgore	17	Lubbock
8	Mount Pleasant	18	Midland
9	Wichita Falls	19	El Paso
10	Richardson	20	San Antonio

5. Texas MEP School District Contacts:

- Independent Project Districts: These are school districts which independently operate MEP projects. Each project must carry out all components of the district's Migrant Education Program, such as recruitment, data entry and management, coordination of services, direct services and inter/intra-state data transfer, to name a few.
- Shared Services Arrangement (SSA) Member Districts: When a contractual agreement is established between a Regional Education Service Center and a school district or districts whereby the ESC serves as the fiscal agent and program lead for the MEP, the districts involved are referred to as SSA-member districts.

School district contact information is grouped according to the ESC region in which it is located.

For a comprehensive list of all schools and school districts in the State of Texas, please refer to the Texas Education Agency's electronic directory located online at:

Texas MEP State Contacts

The Migrant Education Program (MEP) in Texas is administered at the state level by the Texas MEP at the Texas Education Agency. Statewide program coordination conducted at the state level includes program and policy development, training for Identification and Recruitment (ID&R) and the New Generation System (NGS), coordination of special projects and administration of the service delivery plan, which includes allowable program activities and requirements.

If you have questions about the administration of the Texas MEP at the state level, please contact the appropriate staff member listed below.

The Texas MEP is located in the Division of NCLB Program Coordination at the Texas Education Agency.

Texas MEP Special Project Contacts

The Texas MEP offers grants to operate projects to assist school districts in addressing migrant student needs in distance learning and through coordination of information, resources and services for migrant students who move within and outside the state. To learn more, visit the websites below.

The mission of the Migrant Student Graduation Enhancement Program is to help Texas migrant students graduate from high school by providing opportunities to earn credit at any time and any place. The program offers 46 distance learning courses that are aligned with the Texas Essential Knowledge and Skills and help migrant students prepare for the Texas Assessment of Knowledge and Skills (TAKS).

Texas Migrant Interstate Program (TMIP)

The mission of the Texas Migrant Interstate Program (TMIP) is to help reduce the effects of educational disruption that Texas' mobile, migrant children often face as they move within or outside the state. The TMIP's certified bilingual counselors provide assistance to migrant students, their families, school counselors and other school staff in order to ensure critical information exchange, appropriate course placement and secondary credit accrual needed for on-time graduation from high school. The TMIP coordinates with receiving states so that students migrating from Texas can take the Texas Assessment of Knowledge and Skills (TAKS) outside the state when needed for grade level promotion (grades 3, 5 and 8) or to meet graduation requirements (exit level).

Texas MEP Grant Award Contacts

The Texas MEP is part of two multi-state consortium grants from the United States Department of Education (USDE) and one literacy grant from a non-profit organization. These grants will help districts address the unmet needs of out-of-school youth (OSY), increase student achievement in mathematics and encourage literacy. To learn more, contact the programs, the State Texas MEP staff or visit their websites.

Opportunities for Success for Out-of-School Youth (OSY) – New in 2008!

The OSY Migrant Education Program Consortium Incentive Grant was designed to help and encourage states, policy makers and educators to provide services to the growing population of migrant out-of-school youth who tend to have great educational needs.

The goal of the OSY project is to design and implement a system to identify, recruit, assess, develop and deliver services to migrant out-of-school youth, provide professional development to support these activities and integrate OSY services into State plans to elevate the quantity and quality of services to this large, underserved population. **If you have questions about working with out-of-school migrant youth** or want to learn more about this grant, please contact the project coordinator.

Project SMART: Mathematics Achievement=Success (MAS)

Formerly *Math Plus*

MAS is a summer migrant program designed to increase migrant student achievement in mathematics through high-quality K-12 curriculum, instruction, assessment, innovative uses of technology, professional development and parent involvement through interstate and intrastate collaboration.

Beyond offering a high-quality curriculum in both classroom and home-based settings, MAS provides technology tools to support the delivery of instruction for teachers and students and meaningful migrant parent involvement activities and materials to enhance student achievement.

Districts may choose to participate in MAS by selecting the activity in the NCLB Consolidated Application for Federal Funding. To learn more about the MAS program, contact the program directly.

Texas Migrant Reading is Fundamental (RIF) Program

RIF is the oldest and largest nonprofit children's literacy foundation in the nation. The mission of RIF is to:

- Provide new, free books and literacy resources to children and their families.
- Motivate children to read.
- Generate community support for literacy.

Each year, from April through June, the Texas MEP successfully distributes high quality, inexpensive books to thousands of migrant children throughout the state. To participate, districts work with the regional ESC migrant staff to order books from the designated RIF book supplier and to hold RIF book distribution events where each eligible migrant child participates in a motivational activity and selects a book to keep. Each participating child attends two separate book distribution events.

The Texas Migrant RIF program is designed to be supplemental to any other RIF services already provided at many school districts throughout Texas.

For more information about the Texas Migrant RIF program, contact the Texas MEP at (512) 463-9374.

To learn more about the national RIF organization and its various programs, visit their website at http://www.rif.org/.
