Audiologist Report

Hearing Impaired Temporary Certification Examination Exemption

Section D - Type and Severity of Impairment continued

Estimate of Severity of Impairment Based Upon:

Puretone Audiometry	Date	ABR Date

Other (specify)

Section E - Audiologist Findings

Primary language of the person being evaluated ◯ Lip Reading ◯ Sign Language ◯ Spoken Language

Based on my evaluation the person for whom this evaluation was completed has a hearing impairment so severe that the person cannot process linguistic information with or without amplification. ◯ Yes ◯ No

For the purpose of determining if a written test should be taken to assess the individual's subject knowledge to become a teacher, we are focusing on the individual's processing of written linguistics (written language).

***Note**: Attach audiogram or other related forms (or true copies)*

Hearing History of person being evaluated.

Age at which hearing loss was apparent	Age at which hearing loss was medically addressed
