The Honorable Rick Perry, Governor of Texas
The Honorable David Dewhurst, Lieutenant Governor of Texas
The Honorable Joe Straus, Speaker of the House
Members of the Texas Legislature

I am pleased to provide to the 82nd Texas Legislature Senate Bill 300 section 25.112(g) of the Texas Education Code requested report. The reports contain the number of applications for exceptions under subsection (d) submitted by each school district and for each application indicate whether the application was granted or denied. At the end of each report gives a breakdown of the report level by region, district and campus counts. Also the report gives the grade level totals per grade, per number of classes and the approval year period and total.

This report is now transmitted to you as required by state law.

Respectfully submitted,

Robert Scott
Commissioner of Education
