[a]Texas Assessment of Knowledge and Skills.

[b]Exit Level assessments to meet graduation requirement

[c]English Language Arts includes reading, which is required by the federal No Child Left Behind Act and by the state, and writing, which is required by the state only.

[d]The No Child Left Behind Act requires the assessment of reading and mathematics in at least one high school grade.

[e]State-Developed Alternative Assessment

[f]The Texas English Language Proficiency Assessment System is required by the federal No Child Left Behind Act.

[g]Reading Proficiency Tests in English

[h]Texas Observation Protocols assess the language proficiency of English language learners in listening, speaking, writing, and reading (K–2 only).

[i]An end-of-course exam is available for Algebra I, but this exam is not associated with a particular grade level and is voluntary for districts.

State Required Only

Federally Required Only
