Statutory/Program Assurances

The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances.

Check each of the following boxes to indicate your compliance.

1. The applicant provides assurance that program funds will supplement (increase the level of service), and not supplant (replace) state mandates, State Board of Education rules, and activities previously conducted with state or local funds. The applicant provides assurance that state or local funds may not be decreased or diverted for other purposes merely because of the availability of these funds. The applicant provides assurance that program services and activities to be funded from this LOI will be supplementary to existing services and activities and will not be used for any services or activities required by state law, State Board of Education rules, or local policy.
2. The applicant provides assurance that the application does not contain any information that would be protected by the Family Educational Rights and Privacy Act (FERPA) from general release to the public.
3. The applicant provides assurance to adhere to all the Statutory and TEA Program requirements as noted in the 2021-2022 Summer Career and Technical Education Grant Program Guidelines.
4. The applicant provides assurance to adhere to all the Performance Measures, as noted in the 2021-2022 Summer Career and Technical Education Grant Program Guidelines, and shall provide to TEA, upon request, any performance data necessary to assess the success of the program.
5. The applicant provides assurance that curriculum will be appropriately aligned to regional labor market supported CTE programs of study.
6. The applicant provides assurance to provide data to TEA on student completion of courses through a special collection process run by TEA.
7. The applicant assures that any Electronic Information Resources (EIR) produced as part of this agreement will comply with the State of Texas Accessibility requirements as specified in 1 TAC 206, 1 TAC Chapter 213, Federal Section 508 standards, and the WCAG 2.0 AA Accessibility Guidelines.

Summary of Program

Provide an overview of the program to be implemented with grant funds. Include the overall mission and specific needs of the organization. Describe how the program will address the mission and needs. **NOTE: If applying for both Focus Areas, applicant must CLEARLY distinguish between the two in your response.**

Hitchcock Independent School District along with Hitchcock High Schools mission is to produce good, responsible, productive citizens prepared to face all challenges in our ever changing world, by providing students with a diversified, quality education through varied learning experiences. Hitchcock High school will offer a Summer Bridge program for incoming 9th grade students. This bridge program will help the students entering high school to learn more about our CTE programs of study, the world of work, and college and career opportunities for them. As a part of this bridge program the students will earn one high school credit from the introductory course of Principles of Health Science. This program will meet the needs of the students by providing them with a varied and diversified learning experience.

Qualifications and Experience for Key Personnel

Outline the required qualifications and experience for primary project personnel and any external consultants projected to be involved in the implementation and delivery of the program. Include whether the position is existing or proposed.

Title and Responsibilities of Position	Required Qualifications and Experience
Health Science Teacher	TEA certified Health Science teacher

Goals, Objectives, and Strategies

Describe the major goals/objectives of the proposed program. What activities/strategies will be implemented to meet those goals/objectives? **NOTE: If applying for both Focus Areas, applicant must CLEARLY distinguish between the two in your response.**

The major goal of the Hitchcock High School Summer CTE Bridge program will be to enlighten the students of all the CTE clusters that Hitchcock ISD offers. They will be encouraged to explore each cluster and the certifications that they can earn. The goal of the program is to ensure that the students have the opportunity to pursue meaningful careers after high school. Receiving instruction in the Principles of Health Science class will help students to realize if Health Science is a field they would like to go into.

Performance and Evaluation Measures

Describe the performance measures identified for this program which are related to student outcomes and are consistent with the purpose of the program. Include the tools used to measure performance, as well as the processes that will be used to ensure the effectiveness of project objectives and strategies. **NOTE: If applying for both Focus Areas, applicant must CLEARLY distinguish between the two in your response.**

Hitchcock ISD along with Hitchcock High School will keep track of student enrollment for this program by conducting a daily attendance count. A report will be made at the end of the program indicating enrolled students, student demographics, the number of students completing the program and the number of students receiving one High School credit for the Introduction to Health Sciences class.

Budget Narrative

Describe how the proposed budget will meet the needs and goals of the program, including for staffing, supplies and materials, contracts, travel, etc. If applicable, include a high-level snapshot of funds currently allocated to similar programs. Include a short narrative describing how adjustments will be made in the future to meet needs. **NOTE: If applying for both Focus Areas, applicant must CLEARLY distinguish between the two in your response.**

The proposed budget will be used to fund the teacher to teach the Bridge program along with the Introduction to Health Science class. Funds will also be used to purchase any needed supplies and materials.

Program Requirements

1. **Focus Area 1:** Applicants must specify which program(s) of study and the CTE course(s) in the program(s) of study that will be offered (see <https://tea.texas.gov/academics/college-career-and-military-prep/career-and-technical-education/cte-programs-of-study> for a list of the approved statewide programs of study). Include the number of students who be engaged and supported in this focus area.

Students will explore all CTE clusters that Hitchcock ISD offers, this includes, Health Science, Manufacturing/Welding, Auto Tech, Hospitality & Tourism/Culinary Arts, Business Management and Agricultural Food & Natural Science/Animal Science, Environmental and Natural resources and Floral Design. They will complete the course Principles of Health Science from the Health Science cluster to receive one High School credit.

2. **Focus Area 2:** Applicants must specify business and industry partners who will be involved in the program. Additionally, specify the work-based learning model(s) which will be utilized and the number of students who will be engaged and supported.
