Texas Education Code §31.151(a):

A publisher or manufacturer of instructional materials:

(9) shall submit to the State Board of Education an affidavit certifying any instructional material the publisher or manufacturer offers in this state to be free of factual errors at the time the publisher executes the contract required by Section 31.026.

19 Texas Administrative Code §66.54:

(j) One complete electronic sample copy in an open file format or closed format of each student and teacher component of adopted instructional materials that incorporate all corrections required by the SBOE shall be filed with the commissioner of education on or before the date specified in the schedule of adoption procedures. The complete sample copies filed with the TEA must be representative of the final program. In addition, each publisher shall file an affidavit signed by an official of the company verifying that all corrections required by the commissioner of education and SBOE have been made.

The undersigned certifies that all factual errors noted in all lists of factual and editorial corrections filed in accordance with 19 TAC §66.54(i) have been corrected in the instructional material program listed above and that all instructional materials filed with the Texas Education Agency on or before May 2, 2014 are free of factual errors and are representative of the final program.

Publishers must complete a separate affidavit for each instructional material program. In addition, each affidavit must be notarized. Please refer to the Publisher Handbook for more information.
