Assist States to make available special education and related services for children with disabilities age 3 through 5 years, and at a State's discretion, to 2 year old children with disabilities who will reach age three during the school year.

Examples of activities supported by IDEA Part B ARRA funds conducted by LEAs during the quarter are the hiring of teachers, paraprofessionals, and related services personnel, contracting for related services, the provision of professional development, the purchase of supplies and materials and assistive technology.

The potential outcome from the use of IDEA Part B ARRA funds is the creation of jobs and the saving of current jobs. Other potential outcomes are better equipped teachers who receive professional development, access to the general curriculum through assistive technology and appropriate supplemental curriculum materials, and increasing the continuum of placement options as well as improved student performance.
