Private School Assessment Costs for 2012-13

September 24, 2012

Dear Dr. Zyskowski,

In accordance with the Texas Education Code, Pearson certifies that the attached prices per private school student do not exceed the prices for administering the same assessment to a student enrolled in a Texas public school district.

In 2012, there were 20 private schools that administered the state-wide student assessment.

Sincerely,

David Clark, Ed.D.
