19 Texas Administrative Code §66.54(i):

(i) A publisher shall provide a list of all corrections necessary to each student and teacher component of an instructional materials submission. The list must be in a format designated by the commissioner of education and filed on or before the deadline specified in the schedule of adoption procedures. If no corrections are necessary, the publisher shall file a letter stating this on or before the deadline in the schedule for submitting the list of corrections. On or before the deadline for submitting lists of corrections, publishers shall submit certification that all instructional materials have been edited for accuracy, content, and compliance with requirements of the proclamation.

The undersigned certifies that:

1. The above instructional material program submitted for adoption in the State of Texas has been edited for accuracy, content, and compliance with the requirements of Proclamation 2014 of the State Board of Education.

2. The list(s) of corrections to be filed in accordance with 19 TAC Section 66.54(i) identifies all errors to be corrected by the publisher in instructional materials submitted for adoption.

Publishers must complete a separate certification for each instructional material program. In addition, each certification must be notarized. Please refer to the Publisher Handbook for more information.
