Commissioner

TO THE CHARTER SCHOOL ADMINISTRATOR ADDRESSED:

Subject: 2006-07 ADA and FTE Estimate

Enclosed you will find a report of the attendance data that will be used to calculate the Estimate of State Aid report and payments for 2006-07 until we receive the Superintendent's First Six-Week attendance data via the Foundation School Program Payment (FSP) System.

If the charter school anticipates a significant change in attendance from what is indicated on this report in the first 2006-07 attendance reporting period, please download and complete the 2006-07 ADA and FTE Estimate Template from the TEA website at:

http://www.tea.state.tx.us/school.finance/charter/

Please e-mail the completed ADA and FTE Estimate Template to nora.rainey@tea.state.tx.us and fax a signed copy of the Resident District or State Average Report by Thursday, August 3, 2006 to Nora Rainey at (512) 936-2313. The template must be e-mailed and faxed or the estimate will not be processed.

This report would normally include an Estimate of State Aid for the 2006-07 school year; however, due to the changes of House Bill 1 (passed during the third called session of 79th Texas Legislature), we do not yet have sufficient information to provide the charter school with those funding estimates at this time. Once the information is available, we will forward the charter school a preliminary Estimate of State Aid report for the 2006-07 school year.

If you have any questions please contact Nora Rainey or Kathryn Jones at (512) 463-9238.

Sincerely,

Lisa Dawn-Fisher, Director
School Finance
