The ADA by Region/District tab shows the District's ADA (Revised) broken out by district name and ESC affiliated region. The drop-down items at the top allow the user to search and filter on specific items, such as Region, District, and Charter or any combination thereof. To reset the sheet (whether copied or web-enabled), go to the Data Menu of Excel, choose Filter, then under that menu Show All. Where ADA is missing it has not been reported. Regional ADA's are roll-ups (summaries) of total ESC Regional ADAs for the year. On the tab labeled ADA regional totals, this sheet shows a quick reference to ADA totals among the 20 ESC regions.
