Shared Services Arrangements Shared services arrangements (SSAs) are **not** permitted for this grant**Statutory/Program Assurances**

The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances.

Check each of the following boxes to indicate your compliance.

- The applicant provides assurance that program funds will supplement (increase the level of service), and not supplant (replace) state mandates, State Board of Education rules, and activities previously conducted with state or local funds. The applicant provides assurance that state or local funds may not be decreased or diverted for other purposes merely because of the availability of these funds. The applicant provides assurance that program services and activities to be funded from this LOI will be supplementary to existing services and activities and will not be used for any services or activities required by state law, State Board of Education rules, or local policy.
- The applicant provides assurance that the application does not contain any information that would be protected by the Family Educational Rights and Privacy Act (FERPA) from general release to the public.
- The applicant provides assurance to adhere to all the Statutory and TEA Program requirements as noted in the 2023-2025 Texas Center for Student Supports LOI Program Guidelines.
- The applicant provides assurance to adhere to all the Performance Measures, as noted in the 2023-2025 Texas Center for Student Supports LOI Program Guidelines, and shall provide to TEA, upon request, any performance data necessary to assess the success of the program.
- The applicant will formally establish the Texas Center for Student Support (TCSS).
- The applicant will dedicate a full-time director level position or above with personnel approved by TEA to lead the planning, execution, and implementation of all TCSS functions.
- The applicant will contract with a technical assistance provider or set of providers to develop a TEA aligned student support team framework that includes protocols for team operation, recommendations for team staffing, standardized forms, resources, and tools that LEAs will use to support their student support teams.
- The applicant will contract with a technical assistance provider or set of providers to develop a parent and family engagement playbook with resources and tools that LEAs can use to partner and build support with parents and families prior to a student support team assessment, and during the student support implementation process, to facilitate a student support partnership with families.
- The applicant will contract with a technical assistance provider or set of providers to establish and implement a campus leader, teacher, parent/family, and student advisory group and use subgroup focus groups to provide feedback and input on needs for services and support and on products developed for the Student Support Program.
- The applicant will contract with a technical assistance provider or set of providers to develop and implement job-embedded professional learning, technical assistance, and coaching to support LEAs with establishing and implementing student support team structures.
- The applicant will contract with a technical assistance provider or set of providers to develop and implement a data reporting system to gather and analyze data to monitor efficacy of the implementation of the Student Support Program, including student support team structure, quality of support leading to positive outcomes, and data related to increases in desired outcomes (e.g. increase in student support team referrals for nonacademic needs, increase in effective supports received by students, reduction in disciplinary incidents, reduction in bullying and harassment, increase in referrals for mental health services, reduction in removals from class, etc.).

Statutory/Program Assurances Cont'd

- The applicant will provide timely response to requests from TEA for information and data regarding program development, implementation, and performance and evaluation measures.
- The applicant will establish a collaborative partnership through contract procurement with the University of Texas at Austin Behavior Sciences and Policy Institute, and with the Texas Institute for Excellence in Mental Health (TIEMH) at the University of Texas at Austin, to develop the Student Support Program.
- The applicant will develop a plan to sustain the TCSS to support ESCs and LEAs beyond the life of the grant cycle.
