

Chapter 41 Wealth Equalization

School Year 2018–2019

Final Official Chapter 41 Status Notification List

Important Notes:

1. The Texas Education Agency (TEA) provides preliminary notification of potential Chapter 41 status annually in May so that any school district that needs to proceed with its tax ratification process before the official July 15 notification can plan for the election.
2. Annually in July, the TEA provides official notification to districts with property wealth per student in weighted average daily attendance (WADA) that is above the equalized wealth level of \$319,500 established by the Texas Education Code, §41.002(a)(3). Once a district receives official notice of Chapter 41 status, it must notify the TEA of whether it charges tuition.
3. The following list shows all school districts that were officially notified in July (see note 2), updated with final 2017 final property values from the PTAD and excluding those districts that fall below the equalized wealth level because they do NOT charge tuition. (The TEA determines whether a district charges tuition based on the district's self-reporting of whether it charges tuition.)
4. Districts appearing on this list do not necessarily owe recapture. A list of the Chapter 41 recapture paid by districts from 1994–2018 is available on the Chapter 41 Wealth Equalization web page at http://tea.texas.gov/Finance_and_Grants/State_Funding/Chapter_41_Wealth_Equalization/Chapter__41_Wealth_Equalization/.
