			Item Response Information	
431	450	20	Item Reporting Category Numbers	The number at each position indicates the reporting category measured by the corresponding item. For example, the value in the first position, position 431, indicates the reporting category measured by item 1. The second position, position 432, indicates the reporting category measured by item 2, and so on.
451	498	48	Blank	
499	518	20	Item Student Responses	The character in each position indicates the student's response to the corresponding item. The student's response to item 1 is in the first position, the student's response to item 2 is in the second position, and so on. If a student responds correctly to the first presentation of an item, an "A" will be present (the student receives a score point of 2). If the student responds correctly to the second presentation of the item, a "B" will be present (the student receives a score point of 1). If the student does not respond or responds incorrectly to the second presentation, a "C" will be present (the student receives a score point of 0). An asterisk (*) indicates that the response was left blank.
