Improve Low-Performing Schools

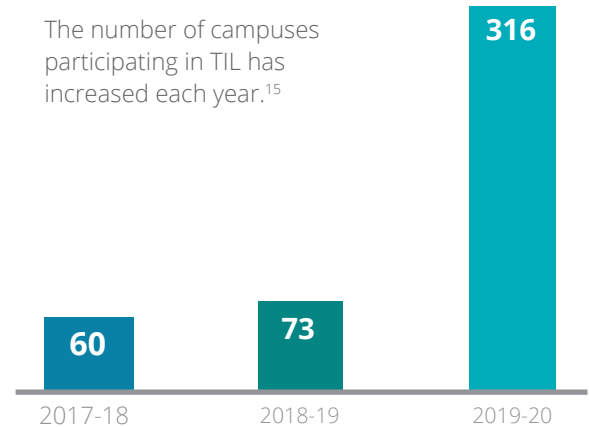

EDUCATIONAL SERVICE CENTERS SUPPORT SCHOOL IMPROVEMENT

TEXAS INSTRUCTIONAL LEADERSHIP (TIL)

In Texas, 20 regional education service centers (ESCs) work in close collaboration with school systems to improve the lowest performing schools in their respective regions. Texas Instructional Leadership (TIL) is a service offered by the ESCs that works to build the capacity of school principals and those who support them (including their supervisors) through professional development, implementation support, and coaching so that they can continuously improve instruction for all students.

117% increase in A/B ratings¹⁴

The number of campuses participating in TIL has increased each year.¹⁵
