Attachment A: Summary of Audit Objectives, Scope and Methodology

Objectives

The review was focused on the following objectives:

1. Whether the subrecipient's financial records accurately and completely accounted for the obligation, receipt, expenditure, and use of the grant funds.
2. Whether the subrecipient obligated, expended, received, and used grant funds in accordance with the purpose for which those funds were appropriated or otherwise authorized by laws, rules and regulations.
3. Whether the subrecipient complied with the reporting requirements of ARRA.

Scope and Methodology

Auditors focused their review on the subrecipient's compliance with certain fiscal and reporting requirements applicable to the ARRA Title XIV SFSF grant awarded to the subrecipient by the Texas Education Agency. However, auditors did not intend to scrutinize and did not examine every facet of the subrecipient's administration of the grant. Accordingly, the auditors' inquiry was limited to the records provided by the subrecipient. Auditors reviewed the subrecipient's records to determine if the subrecipient's fiscal and reporting requirements applicable to grant funds were met.

General Observation

Based upon their review of the subrecipient's records, auditors observed that the subrecipient adequately implemented certain fiscal controls to ensure the proper administration of the grant and to facilitate its compliance with the requirements promulgated by the United States Department of Education in Section 80.20 of Title 34 of the Code of Federal Regulations (34 CFR 80.20) and reporting requirements of ARRA. The auditors' observations are discussed in Attachment B.

Recommendation to Subrecipient

Please review this letter carefully and take appropriate corrective actions to address the auditors' observations, recommendations and required actions.

Attachment B: Auditors' Observations

Observations on Subrecipient's Administration of ARRA awards: Auditors examined detailed general ledger created and maintained by the subrecipient and assessed subrecipient's internal controls over quality of data, budgetary process and the use of ARRA funds. Based on their review of the documents provided by the subrecipient in response to their correspondence and other inquiries, auditors noted following observations.

1. The subrecipient maintained a detailed general ledger that complied with FASRG and 34 CFR74.21/ 80.20(b)(2).
2. The subrecipient utilized its budget and encumbrance accounting systems to maintain effective control over the obligation and expenditure of grant funds that enabled it to compare budgeted amounts for the grant to the actual expenditures incurred and outlays of grant funds in accordance with 34 CFR 74.21/80.20(b)(4).

Observations on ARRA Reporting Requirements: Auditors reviewed documentation in support of the quarterly report filed for the quarter ended March 31, 2010 and noted that the following observations.

Observation #1. Auditors noted that the subrecipient did not report any vendors with payment exceeding \$25,000 on the quarterly report filed for the quarter ended March 31, 2010. However, auditors examined the detailed general ledger and noted that the subrecipient reclassified \$51,000 to AM Lab Design. This amount reclassified may be based on accumulation of past expenditures paid to the AM Lab Design. However, the subrecipient should ensure that all payments exceeding \$25,000 made to vendors from the original funding source that were subsequently reclassified/recoded to ARRA grant funds should be reported on the quarterly report filed by the subrecipient

Observations on ARRA Infrastructure Expenditures: The subrecipient did not have any budgeted expenditures for infrastructure projects budgeted from ARRA funds.
