Dear Mr. Davis:

Auditors from the Division of Financial Audits conducted a review of the Title XIV ARRA grant (NOGA ID: 10557001174902) grant (the grant) awarded to Cushing ISD (CDN: 174-902) (the subrecipient). The review was conducted through written correspondence and was limited to the records provided by the subrecipient in response to the auditors' formal correspondence dated June 18, 2010 and other informal inquiries. This correspondence and its attachments constitute the auditor's letter of observations.

Although the records submitted by the subrecipient remain subject to review by appropriate federal and/or state oversight entities, auditors consider this review closed. You will be notified in the event a follow up to the review is scheduled. We appreciate your cooperation during the conduct of our correspondence review. Should you have any questions, please contact Lance McMillan (512) 463-9095.

Sincerely,

## **Attachment A: Summary of Audit Objectives, Scope and Methodology**

### **Objectives**

The review was focused on the following objectives:

1. Whether the subrecipient's financial records accurately and completely accounted for the obligation, receipt, expenditure, and use of the grant funds.
2. Whether the subrecipient obligated, expended, received, and used grant funds in accordance with the purpose for which those funds were appropriated or otherwise authorized by laws, rules and regulations.
3. Whether the subrecipient complied with the reporting requirements of ARRA.

### **Scope and Methodology**

Auditors focused their review on the subrecipient's compliance with certain fiscal and reporting requirements applicable to the grant awarded to the subrecipient by the Texas Education Agency pursuant to American Recovery and Reinvestment Act of 2009 (ARRA). However, auditors did not intend to scrutinize and did not examine every facet of the subrecipient's administration of the grant. Accordingly, the auditors' inquiry was limited to the records provided by the subrecipient. Auditors reviewed the subrecipient's records to determine if the subrecipient's fiscal and reporting requirements applicable to the grant funds were met.

### **General Conclusion**

Based upon their review of the subrecipient's records, auditors observed that the subrecipient adequately implemented certain fiscal controls to ensure the proper administration of the grant and to facilitate its compliance with the requirements promulgated by the United States Department of Education in Section 80.20 of Title 34 of the Code of Federal Regulations (34 CFR 80.20) and reporting requirements of ARRA.
