The board shall adopt rules to provide for a full and complete investigation of textbooks for each subject in the foundation curriculum at least every six years. The adoption of textbooks for a subject in the foundation curriculum may be extended beyond the six-year period only if the content of textbooks for a subject is sufficiently current.

- (d) At least 24 months before the beginning of the school year for which textbooks for a particular subject and grade level will be purchased under the review and adoption cycle adopted by the board, the board shall publish notice of the review and adoption cycle for those textbooks.
- (e) The board shall designate a request for production of textbooks in a subject area and grade level by the school year in which the textbooks are intended to be made available in classrooms and not by the school year in which the board makes the request for production.
- (f) The board shall amend any request for production issued for the purchase of textbooks to conform to the textbook funding levels provided by the General Appropriations Act for the year of implementation.

 - (1) the publisher of the textbook to pay a fee to the board to cover the cost of the midcycle review and adoption of the textbook;
 - (2) the publisher of the textbook to enter into a contract with the board concerning the textbook for a term that ends at the same time as any contract entered into by the board for another textbook for the same subject and grade level; and
 - (3) a commitment from the publisher to provide the textbook to school districts in the manner specified by the publisher, which may include:
 - (A) providing the textbook to any district in a regional education service center area identified by the publisher; or
 - (B) providing a certain maximum number of textbooks specified by the publisher.
- (b) Sections 31.023 and 31.024 apply to a textbook adopted under this section. Section 31.027 does not apply to a textbook adopted under this section.

Texas Education Code, §31.023, Textbook Lists:

The nonconforming list includes each textbook submitted for the subject and grade level that:
 - (1) meets applicable physical specifications adopted by the State Board of Education;
 - (2) contains material covering at least half, but not all, of the elements of the essential knowledge and skills of the subject and grade level in the student version of the textbook, as well as in the teacher version of the textbook; and

- (b) Not later than December 1 of the year preceding the school year for which the textbooks for a particular subject and grade level will be purchased under the cycle adopted by the board under Section 31.022, the board shall provide the lists of adopted textbooks to each school district. Each nonconforming list must include the reasons an adopted textbook is not eligible for the conforming list.
