

**Item 7:**  
**Adoption of Review of 19 TAC Chapter 250,**  
**Agency Administration**

**DISCUSSION AND ACTION**

**SUMMARY:** Texas Government Code, §2001.039, establishes a four-year rule review cycle for all state agency rules, including State Board for Educator Certification (SBEC) rules. This item presents for SBEC approval the adoption of the review of 19 TAC Chapter 250, Agency Administration. The rules being reviewed establish procedures for SBEC purchasing, rulemaking, training and education of employees, and negotiation and mediation relating to certain contract disputes.

**STATUTORY AUTHORITY:** Statutory authority for the rule review is Texas Government Code, §2001.039. The statutory authority for 19 TAC Chapter 250 is the Texas Education Code (TEC), §§21.040(5) and (6), and 21.041(a) and (b)(1), and Texas Government Code, §§572.051, 2155.076, and 2161.003, for Subchapter A; the TEC, §21.041(b)(1), and Texas Government Code, §2001.021, for Subchapter B; the TEC, §21.040(5), and Texas Government Code, §656.048 and §656.102, for Subchapter C; and the TEC, §21.041(b)(1), and Texas Government Code, §2260.052(c), for Subchapter D.

**PREVIOUS BOARD ACTION:** The SBEC adopted the review of 19 TAC Chapter 250 in January 2001, finding that the reasons for initially adopting the rules continue to exist. A majority of the rules in 19 TAC Chapter 250 were adopted to be effective February 3, 2000, with the exception of §§250.40-250.49, which were adopted to be effective June 10, 2001. Sections 250.1-250.3 were amended to be effective March 30, 2005. The review of 19 TAC Chapter 250, Agency Administration, was presented to the SBEC for discussion in February 2010.

**BACKGROUND INFORMATION AND SIGNIFICANT ISSUES:** The SBEC rules in 19 TAC Chapter 250 establish procedures for SBEC purchasing, rulemaking, training and education of employees, and negotiation and mediation relating to certain contract disputes. Section 250.20, Petition for Adoption of Rules, provides procedures for interested persons to file a petition seeking to propose or amend an SBEC rule, as authorized by the Texas Government Code, §2001.021.

Revisions are recommended to the SBEC rules in 19 TAC Chapter 250 and are presented for discussion and action as a separate item in this agenda.

The rules currently in effect in 19 TAC Chapter 250 are shown in Attachment II.

**RULE REVIEW:** The SBEC filed the notice of proposed review of 19 TAC Chapter 250, Agency Administration, with the *Texas Register* following the February 2010 SBEC meeting. If authorized by the SBEC, the TEA will file the notice of adopted review with the *Texas Register* following the April 2010 SBEC meeting. The notice of adopted review will state that the SBEC finds the reasons for adopting 19 TAC Chapter 250, Subchapters A and B, continue to exist and that the reasons for adopting Subchapters C and D do not continue to exist. Any public comments received during the review of 19 TAC Chapter 250 will also be filed.

The filing of the notice of adopted review would not preclude any amendments that may be proposed at different dates through a separate rulemaking process.

**FISCAL IMPACT:** None.

**PUBLIC AND STUDENT BENEFIT:** The review of 19 TAC Chapter 250 will result in the adoption of rules reflecting current law and the transfer of all SBEC administrative functions to the TEA.

**PROCEDURAL AND REPORTING IMPLICATIONS:** None.

**LOCALLY MAINTAINED PAPERWORK REQUIREMENTS:** None.

**PUBLIC COMMENTS:** Following the February 2010 SBEC meeting, notice of the proposed review of 19 TAC Chapter 250 was filed with the *Texas Register* initiating the official public comment period for the review. At the time this item was prepared, no comments had been received regarding this review. Any public comments received will be provided to the SBEC during the April 2010 meeting.

**ALTERNATIVES:** None.

**OTHER COMMENTS AND RELATED ISSUES:** A separate item is presented for discussion and action in this agenda to propose revisions to 19 TAC Chapter 250, Agency Administration.

**ASSOCIATE COMMISSIONER'S RECOMMENDATION:** I recommend that the State Board for Educator Certification:

Adopt the review of 19 TAC Chapter 250, Agency Administration.

Respectfully submitted,

Educator and Student Policy Initiatives

- (a) A state agency shall review and consider for readoption each of its rules in accordance with this section.
- (b) A state agency shall review a rule not later than the fourth anniversary of the date on which the rule takes effect and every four years after that date.   - (2) The appeal shall be limited to a review of the procurement coordinator's determination.
  - (3) The executive director shall request one or more members of the executive staff council to review the staff services officer's determination and to provide the executive director with a written recommendation for disposition. - (1) A petitioner whose petition has been denied by the executive director shall have one more opportunity to refile a corrected petition in accordance with the requirements of this section. - (e) Petition. A petition for rulemaking filed under this section shall include the following items:

  - (i) the full text of the rule being amended;
  - (ii) deleted text inside brackets and stricken through; and

- (4) Suggested effective date. Subject to applicable statute and rule, the desired effective date should be stated.
- (5) Reasoned justification. The petition shall provide a reasoned justification for the proposed rule in narrative form with sufficient particularity to fully inform the board and the public of the following items:
  - (A) a summary of the rule;
  - (B) the factual basis for the rule;
  - (C) the purpose of the rule, including a statement explaining the desired effect to be achieved by the proposed rule;
  - (D) how the rule would work in practice;
  - (E) the premises for the rule;
  - (F) data or information considered in formulating the rule; and
  - (G) analyses of relevant factors and reasons why the rule was found to be appropriate, including an explanation as to why the means set out in the rule to achieve the desired effect is the best method for achieving that effect.
- (6) Fiscal impact statement. A description of the estimated fiscal impact of the rule that includes the following information:
  - (A) the additional estimated cost to the state and to local governments expected as a result of enforcing or administering the rule;
  - (B) the estimated reductions in costs to the state and to local governments as a result of enforcing or administering the rule;
  - (C) the estimated loss or increase in revenue to the state or to local governments as a result of enforcing or administering the rule; and
  - (D) if applicable, that enforcing or administering the rule does not have foreseeable implications relating to cost or revenues of the state or local governments.
- (7) Public benefit statement. An explanation about public benefits and costs for each year of the first five years that the rule would be in effect:
  - (A) the public benefits expected as a result of adoption of the proposed rule;
  - (B) the probable economic cost to persons required to comply with the rule; and
  - (C) a determination of whether the proposed rule may affect a local economy; if so, the petition must describe in detail the probable effect of the rule on employment in each geographic area affected by the rule for each year of the first five years that the rule will be in effect.
- (8) Signatures. The petitioner and the attorney or other representative of the petitioner must sign the petition.

- (f) Not later than the 60th day after the date the executive director receives a petition under this section, the board shall:
- (1) deny the petition in writing, stating the reasons for denial; or
  - (2) initiate a rulemaking proceeding.
- (g) Without limitation to the reasons for denial set out below, the board may deny a petition on the following grounds:
- (1) the board does not have jurisdiction or authority to propose or to adopt the rule petitioned for;

  - (2) Limitations on the settlement authority, if any, of a representative participating in a negotiation or mediation shall be disclosed as soon as possible by that individual to a representative of the other party.

  - (3) Contested case hearing: "Both parties agree that if any unresolved issues remain following negotiation and mediation efforts, the contractor shall request an administrative hearing in accordance with SBEC's contested hearing procedures relating to certain contract disputes. The contractor's failure to request such a hearing is a waiver of claim as to the unresolved issues."
- (b) In each contract with SBEC, a contractor shall designate a representative to receive papers delivered under this subchapter.
- (c) Even in the absence of a contractual provision to do so, SBEC and the contractor may apply the procedures in this subchapter to resolve a breach of contract claim if they agree in writing to do so, subject to the limitations imposed by §250.40(c) of this title (relating to General).

    - (B) Unless expressly authorized by the disclosing party, the mediator may not disclose to either party information given in confidence by the other and shall at all times maintain confidentiality with respect to communications relating to the subject matter of the dispute.
  - (2) SBEC and the contractor should decide whether, and to what extent, knowledge and experience in mediation of the subject matter at issue would be required or preferred of the mediator.
  - (3) A volunteer mediator shall have, if applicable, the qualified immunity prescribed by Civil Practice and Remedies Code, §154.055, which provides that a person appointed to facilitate an alternative dispute resolution procedure under this subchapter, or appointed by the parties whether before or after the institution of formal judicial proceedings, who is a volunteer and who does not act with wanton and willful disregard of the rights, safety, or property of another, is immune from civil liability for any act or omission within the course and scope of his or her duties or functions as mediator. For purposes of this paragraph, a volunteer mediator is a person who does not receive compensation in excess of reimbursement for expenses incurred or a stipend intended as reimbursement for expenses incurred.
- (d) Source of Mediator. Subject to the requirements of subsection (c) of this section, relating to qualifications, standards, and immunity of mediator, SBEC and the contractor may obtain the services of a mediator through an agreement with:

- (f) Confidentiality of mediation. A mediation conducted under this subchapter is confidential in accordance with §2009.054, Government Code, relating to confidentiality of certain records and communications made during alternative dispute resolution procedures. Unless the parties agree otherwise, all matters, including the conduct and demeanor of the parties and their counsel during the settlement process, are confidential and may never be disclosed to anyone, including an appointing ALJ.
- (g) Each participant in the mediation, including the mediator, is subject to the requirements of Family Code, Chapter 261, Subchapter B, relating to reports of child abuse or neglect, and of Human Resources Code, Chapter 48, Subchapter C, relating to reports of abuse, neglect, or exploitation of elderly or disabled persons.
- (h) Any settlement agreement reached during a mediation shall be signed by representatives of the contractor and the unit of state government, and shall describe any procedures that the parties must follow to obtain final and binding approval of the agreement.
- (i) Costs of mediation. Unless SBEC and the contractor agree otherwise, the costs of the mediation process itself shall be divided equally between the parties. - (a) If mediation does not resolve all disputed issues, the contractor may request SBEC to refer the dispute to SOAH. On its own initiative, with or without a request from the contractor, SBEC may refer the dispute to SOAH. Before the dispute may be referred to SOAH for contested case proceedings, SBEC or the contractor must determine that mediation has failed to resolve the dispute in whole or in part and deliver written notification of such determination to the other party.
- (b) The contractor's request under this section must be in writing and received by SBEC within 30 days after SBEC or the contractor receives written notification from the other party that mediation has failed to resolve the dispute in whole or in part. The request must:
  - (1) state the factual and legal basis for the claim or counterclaim; and
  - (2) request that the claim be referred to the State Office of Administrative Hearings for a contested case hearing.
- (c) SBEC's notice of intent to refer the dispute to SOAH must be in writing and received by the contractor within 30 days after SBEC or the contractor receives written notification from the other party that mediation has failed to resolve the dispute in whole or in part. The notice must:
  - (1) state the factual and legal basis for the claim or counterclaim; and
  - (2) state that the matter is being referred to the State Office of Administrative Hearings for a contested case hearing.
- (d) Within 20 days of receiving the contractor's request for referral of the dispute to SOAH or of delivering to the contractor SBEC's intent to refer the dispute to SOAH, SBEC shall deliver to SOAH a request to docket the dispute for a contested case hearing. Proceedings before SOAH shall be governed by the APA and applicable SOAH rules and procedures.
