Part 2: List of Required Fiscal-Related Attachments and Assurances		
For competitive applications, the application will not be reviewed and scored if any of the required attachments do not accompany the application when it is submitted. Applicants will not be permitted to submit required attachments, or any revisions to those required attachments, after the closing date of the grant. Attach all required attachments to the back of the application as an appendix.		
1 <input checked="" type="checkbox"/>	Proof of Nonprofit Status	
	Required for all open-enrollment charter schools sponsored by a nonprofit organization: Check box to indicate that proof of nonprofit status is attached. (See Part 1: General and Fiscal Guidelines and Part 3: Schedule Instructions for acceptable proof.)	
2 <input checked="" type="checkbox"/>	Assurance of Financial Stability	
	Required for all independent school districts, open-enrollment charter schools, and education service centers: Check box to indicate assurance that audit requirements have been met. All public school districts, open-enrollment charter schools, and education service centers must be in compliance with submitting the required annual audit for the immediate prior fiscal year to TEA in the time and manner requested by TEA, and the audit must be determined by the TEA Division of Financial Audits to be in compliance with the applicable audit standards. TEA reserves the right to ensure that all applicants are deemed by TEA to be financially stable at the initial time of preliminary selection for funding to receive a grant award. The TEA Division of Financial Audits will determine financial stability based on the required annual audit for the immediate prior fiscal year.	
3 <input checked="" type="checkbox"/>	Assurance of Submittal of Reviewer Information Form	
	Required for all applicants: Check box to indicate assurance that reviewer information form will be submitted. All applicants are required to complete the Reviewer Information Form and to submit it online by Thursday, May 6, 2010 . (See Part 2: Program Guidelines, "Reviewer Information Form," for instructions on how to access and submit the form.)

Texas Title I Priority Schools Grant		
Schedule #4—Program Summary and Application Requirements		
Part 1: Grant Program Information:		
Summary of Program: Purpose and Goals		
<p>School Improvement Grants, authorized under section 1003(g) of Title I of the Elementary and Secondary Education Act of 1965 (Title I or ESEA) as amended by ARRA, are grants, through the Texas Education Agency, to local educational agencies (LEAs) for use in Title I schools identified for improvement, corrective action, or restructuring and other eligible campuses that demonstrate the greatest need for the funds and the strongest commitment to use the funds to provide adequate resources in order to raise substantially the achievement of their students so as to enable the schools to make adequate yearly progress and exit improvement status. Under the final requirements, as amended through the interim final requirements published in the Federal Register in January 2010 school improvement funds are to be focused on each State's "Tier I" and "Tier II" schools.</p> <p>Tier I schools are a State's persistently lowest-achieving Title I schools in improvement, corrective action, or restructuring and certain Title I eligible elementary schools that are as low achieving as the State's other Tier I schools. Tier II schools are a State's persistently-lowest achieving secondary schools that are eligible for, but do not receive, Title I, Part A funds and certain additional Title I eligible secondary schools that are as low achieving as the State's other Tier II schools or that have had a graduation rate below 60 percent over a number of years. An LEA may also use school improvement funds in Title I schools in improvement, corrective action, or restructuring that are not identified as persistently lowest-achieving schools and certain additional Title I eligible schools ("Tier III schools").</p> <p>In the Tier I and Tier II schools an LEA chooses to serve, the LEA must implement one of four school intervention models: turnaround model, restart model, school closure, or transformation model.</p>		
Allowable Activities		
<p>Tier I and Tier II Grantees</p> <ul style="list-style-type: none"> ■ Grantees must expend grant funds for the required activities delineated for the selected intervention model as defined in the final federal regulations. ■ Grantees may expend grant funds for the permissible activities delineated for the selected intervention model as defined in the final federal regulations. ■ Grantees may expend grant funds for other school improvement activities deemed needed to address identified needs not addressed by the intervention model selected. <p>Tier III Grantees</p> <ul style="list-style-type: none"> ■ Tier III grantees may select one of the four intervention models in the federal regulations or the state's Tier III Transformation Model. ■ If selecting one of the four models in the federal regulations, grantees must expend grant funds for the required activities delineated for the selected intervention model as defined in the final federal regulations. Grantees may expend grant funds for the permissible activities delineated for the selected intervention model as defined in the final federal regulations. ■ Grantees may expend grant funds for other school improvement activities deemed needed to address identified needs not addressed by the intervention model selected. <p>In addition, a Tier I, Tier II, Tier III grantee campus that has implemented, in whole or in part, either the Turnaround, Restart, or Transformation models within the last two years may continue or complete the implementation of the intervention model with the TTIPS grant funds. For example, if a grantee campus has replaced its principal within the last two years, the LEA/campus will not be required to hire another new principal. An LEA/campus that receives TTIPS SIG funds in accordance with this flexibility must fully implement the selected model as required by the final federal requirements. In other words, if the school had been implementing the model only in part, it must use the funds it receives to expand its implementation so that it fully complies with the federal regulatory requirements.</p> <p>The detailed required and permissible activities for each intervention model, as defined in the final federal regulations are listed on Schedule #4—Program Requirements and are incorporated by reference herein.</p>

Part 2: Statutory Requirements			
#	Requirement Description – Federal Statutory Requirements	Primary Component Where Described	
18	If the LEA/campus selects to implement the turnaround model , the campus may implement the following federal requirements. a. Any of the required and permissible activities under the transformation model; or b. A new school model (e.g., themed, dual language academy).	Program Assurances	
19	If the LEA/campus selects to implement the school closure model , the campus must implement the following requirement. a. Enroll the students who attended that school in other schools in the LEA that are higher achieving within reasonable proximity to the closed school and may include, but are not limited to, charter schools or new schools for which achievement data are not yet available. b. A grant for school closure is a one-year grant without the possibility of continued funding.	Program Assurances	
20	If the LEA/campus selects to implement the restart model , the campus must implement the following federal requirements. a. Convert or close and reopen the school under a charter school operator, a charter management organization (CMO), or an education management organization (EMO) that has been selected through a rigorous review process. A CMO is a non-profit organization that operates or manages charter schools by centralizing or sharing certain functions and resources among schools. An EMO is a for-profit or non-profit organization that provides "whole-school operation" services to an LEA. b. Enroll, within the grades it serves, any former student who wishes to attend the school.	Program Assurances	
21	If the LEA/campus selects to implement the transformation model , the campus must implement the following federal requirements. 1. Develop and increase teacher and school leader effectiveness. (A) Replace the principal who led the school prior to commencement of the transformation model; (B) Use rigorous, transparent, and equitable evaluation systems for teachers and principals that-- (1) Take into account data on student growth as a significant factor as well as other factors such as multiple observation-based assessments of performance and ongoing collections of professional practice reflective of student achievement and increased high school graduation rates; and (2) Are designed and developed with teacher and principal involvement; (C) Identify and reward school leaders, teachers, and other staff who, in implementing this model, have increased student achievement and high school graduation rates and identify and remove those who, after ample opportunities have been provided for them to improve their professional practice, have not done so; (D) Provide staff ongoing, high-quality, job-embedded professional development (e.g., regarding subject-specific pedagogy, instruction that reflects a deeper understanding of the community served by the school, or differentiated instruction) that is aligned with the school's comprehensive instructional program and	Program Assurances

Comprehensive instructional reform strategies. (A) Use data to identify and implement an instructional program that is research-based and vertically aligned from one grade to the next as well as aligned with State academic standards; and (B) Promote the continuous use of student data (such as from formative, interim, and summative assessments) to inform and differentiate instruction in order to meet the academic needs of individual students. 3. Increasing learning time and creating community-oriented schools. (A) Establish schedules and strategies that provide increased learning time; and (B) Provide ongoing mechanisms for family and community engagement. 4. Providing operational flexibility and sustained support. (A) Give the school sufficient operational flexibility (such as staffing, calendars/time, and budgeting) to implement fully a comprehensive approach to substantially improve student achievement outcomes and increase high school graduation rates; and (B) Ensure that the school receives ongoing, intensive technical assistance and related support from the LEA, the SEA, or a designated external lead partner organization (such as a school turnaround organization or an EMO).	Program Assurances	
22	An LEA may also implement other strategies to develop teachers' and school leaders' effectiveness, such as-- (A) Provide additional compensation to attract and retain staff with the skills necessary to meet the needs of the students in a transformation school; (B) Institute a system for measuring changes in instructional practices resulting from professional development; or (C) Ensure that the school is not required to accept a teacher without the mutual consent of the teacher and principal, regardless of the teacher's seniority. #	Statutory Assurance Description		
1	Applicant provides assurance that financial assistance provided under the grant program will supplement, and not supplant, the amount of state and local funds allocated to the campus.		
2	Applicant provides assurance that it will use its TTIPS Grant to implement fully and effectively an intervention in each Tier I and Tier II school that the LEA commits to serve consistent with the final federal requirements.		
3	Applicant provides assurance that it will establish annual goals for student achievement on the State's assessments in both reading/language arts and mathematics and measure progress on the leading indicators in section III of the final federal requirements in order to monitor each Tier I and Tier II school that it serves with school improvement funds, and establish goals (approved by the TEA) to hold accountable its Tier III schools that receive school improvement funds.		
4	Applicant provides assurance that it will, if it implements a restart model in a Tier I or Tier II school, include in its contract or agreement terms and provisions to hold the charter operator, charter management organization, or education management organization accountable for complying with the final federal requirements.		
5	Applicant provides assurance that it will report to the TEA the school-level data required under section III of the final federal requirements.		
6	Applicant provides assurance that it will participate in any evaluation of the grant conducted by the U.S. Department of Education, including its contractors, or the Texas Education Agency, including its contractors.

1	Before full implementation funds are made available, the grantee must demonstrate that all early implementation activities have been completed. Successful completion of the early implementation will be measured in the Quarterly Implementation Reports (QIR), the Model Selection and Description Report, and through participation in TEA technical assistance. <ul style="list-style-type: none"> a. The Model Selection and Description Report must be submitted to TEA no later than February 1, 2011. This report may be submitted at any time prior to the deadline. Grantees must demonstrate successful completion of the following activities: <ul style="list-style-type: none"> i. Comprehensive Needs Assessment process. ii. Establish the grant budget by the required categories. iii. Identification and Selection of the intervention model. iv. Development of activities to implement selected intervention model. v. Development of Timeline of Grant Activities.

#	TEA Assurance Description		
2	The applicant provides assurance that the LEA will designate an individual or office with primary responsibilities for supporting the LEA/campus' school improvement efforts. This individual/office will have primary responsibility and authority for ensuring the effective implementation of the grant option approved by TEA; serve as the district liaison to TEA and those providing technical assistance and/or contracted service to the LEA/campus as part of the approved grant.		
3	The applicant provides assurance that a team from the grantee LEA/campus will attend and participate in grant orientation meetings, technical assistance meetings, other periodic meetings of grantees, the Texas School Improvement Conference, and sharing of best practices.		
4	For the LEAs selecting the TEA Designed Models the applicant provide assurances that it will participate in and make use of technical assistance and coaching support provided by TEA, SIRC, and/or its subcontractors.		
5	The applicant will establish or provide evidence of a system of formative assessment aligned to the Texas Essential Knowledge and Skills which provides robust, targeted data to evaluate the effectiveness of the LEA's curriculum and its alignment with instruction occurring on the campus; assesses progress on student groups' academic achievement at the campus level; and guide instructional decisions by teachers for individual students.		
6	The applicant will participate in a formative assessment of the LEA's capacity and commitment to carry out the grant intervention models.		
7	The applicant will provide access for onsite visits to the LEA and campus by TEA, SIRC and its contractors.		
8	The applicant, if selecting the Restart Model, agrees to contract only with CMO or EMO providers on the State's approved list of CMO and EMO providers.		
9	The applicant, if selecting the Turnaround Model or Transformation Model (Tiers I and Tiers II only) agrees to the participation of the campus principal or principal candidates in a formative assessment of their turnaround leadership capacity.		
10	If the LEA/Tier III campus selects to implement the <u>transformation model</u> , the campus assures That it will it implement the following federal requirements. 1. Develop and increase teacher and school leader effectiveness. A. Evaluate the effectiveness of the current principal and use the results of the evaluation to determine whether the principal should be replaced, be retained on the campus, or be provided leadership coaching or training. B. Identify and reward school leaders, teachers, and other staff who, in implementing this model, have increased student achievement and high school graduation rates and identify and remove those who, after ample opportunities have been provided for them to improve their professional practice, have not done so; C. Provide staff ongoing, high-quality, job-embedded professional development (e.g., regarding subject-specific pedagogy, instruction that reflects a deeper understanding of the community served by the school, or differentiated instruction) that is aligned with the school's comprehensive instructional program and designed with school staff to ensure they are equipped to facilitate effective teaching and learning and have the capacity to successfully implement school reform strategies; and D. Implement such strategies as financial incentives, increased opportunities for promotion and career growth, and more flexible work conditions that are designed to recruit, place, and retain staff with the skills necessary to meet the needs of the students in a transformation school based on rigorous, transparent, and equitable evaluation systems for teachers and principals: 1. Takes into account data on student growth as a factor as well as other factors such as multiple observation-based assessments of student performance and ongoing collections of professional practice reflective of student achievement and increased high school graduation rates; and 2. Are designed and developed and with teacher and principal involvement

10	2. Comprehensive instructional reform strategies. A. Use data to identify and implement an instructional program that is research-based and vertically aligned from one grade to the next as well as aligned with State academic standards; and B. Promote the continuous use of student data (such as from formative, interim, and summative assessments) to inform and differentiate instruction in order to meet the academic needs of individual students. 3. Increasing learning time and creating community-oriented schools. A. Establish schedules and strategies that provide increased learning time; and B. Provide ongoing mechanisms for family and community engagement. 4. Providing operational flexibility and sustained support. A. Give the school sufficient operational flexibility (such as staffing, calendars/time, and budgeting) to implement fully a comprehensive approach to substantially improve student achievement outcomes and increase high school graduation rates; and B. Ensure that the school receives ongoing, intensive technical assistance and related support from the LEA, the SEA, or a designated external lead partner organization (such as a school turnaround organization or an EMO).		
11	An LEA may also implement other strategies to develop teachers' and school leaders' effectiveness, such as-- (A) Provide additional compensation to attract and retain staff with the skills necessary to meet the needs of the students in a transformation school; (B) Institute a system for measuring changes in instructional practices resulting from professional development; or (C) Ensure that the school is not required to accept a teacher without the mutual consent of the teacher and principal, regardless of the teacher's seniority.		
12	An LEA may also implement comprehensive instructional reform strategies, such as-- (A) Conduct periodic reviews to ensure that the curriculum is being implemented with fidelity, is having the intended impact on student achievement, and is modified if ineffective; (B) Implement a school wide "response-to-intervention" model; (C) Provide additional supports and professional development to teachers and principals in order to implement effective strategies to support students with disabilities in the least restrictive environment and to ensure that limited English proficient students acquire language skills to master academic content; (D) Use and integrate technology-based supports and interventions as part of the instructional program; and (E) In secondary schools-- (1) Increase rigor by offering opportunities for students to enroll in advanced coursework (such as advanced Placement; International Baccalaureate; or science, technology, engineering, and mathematics courses, especially those that incorporate rigorous and relevant project-, inquiry-, or design-based contextual learning opportunities), early-college high schools, dual enrollment programs, or thematic learning academies that prepare students for college and careers, including by providing appropriate supports designed to ensure that low-achieving students can take advantage of these programs and coursework; (2) Improve student transition from middle to high school through summer transition programs or freshman academies; (3) Increase graduation rates through, for example, credit-recovery programs, re-engagement strategies, smaller learning communities, competency-based instruction and performance-based assessments, and acceleration of basic reading and mathematics skills; or (4) Establish early-warning systems to identify students who may be at risk of failing to achieve to high standards or graduate.

13	An LEA may also implement other strategies that extend learning time and create community-oriented schools, such as-- A. Partner with parents and parent organizations, faith- and community-based organizations, health clinics, other State or local agencies, and others to create safe school environments that meet students' social, emotional, and health needs; B. Extend or restructure the school day so as to add time for such strategies as advisory periods that build relationships between students, faculty, and other school staff; C. Implement approaches to improve school climate and discipline, such as implementing a system of positive behavioral supports or taking steps to eliminate bullying and student harassment; or D. Expand the school program to offer full-day kindergarten or pre-kindergarten.	
14	The LEA may also implement other strategies for providing operational flexibility and intensive support, such as-- A. Allow the school to be run under a new governance arrangement, such as a turnaround division within the LEA or SEA; or B. Implement a per-pupil school-based budget formula that is weighted based on student needs.	
15	The LEA/campus assures TEA that data to meet the following federal requirements will be available and reported as requested. a. Number of minutes within the school year. b. Average scale scores on State assessments in reading/language arts and in mathematics, by grade, for the "all students" group, for each achievement quartile, and for each subgroup. c. Number and percentage of students completing advanced coursework (e.g., AP/IB), early-college high schools, or dual enrollment classes. (High Schools Only) d. College enrollment rates. (High Schools Only) e. Teacher Attendance Rate f. Student Completion Rate g. Student Drop-Out Rate h. Locally developed competencies created to identify teacher strengths/weaknesses i. Types of support offered to teachers j. Types of on-going, job-embedded professional development for teachers k. Types of on-going, job-embedded professional development for administrators l. Strategies to increase parent/community involvement m. Strategies which increase student learning time

Texas Title I Priority Schools Grant Schedule #4B—Program Description		
Part 1: Comprehensive Needs Assessment Cont.		
Section C: Process Responses are limited to the space provided, front side only, with a font size no smaller than 9 point (Arial or Verdana).		
Describe, in detail, the process the LEA and campus followed/will follow to identify the needs of the campus.		
<p>State and federal law both outline the requirement for schools to conduct a comprehensive needs assessment as part of the planning and decision making process. Texas Education Codes stipulates that "the plan must include provisions for a comprehensive needs assessment addressing student performance on the <i>student achievement</i> indicators, and other appropriate measures of performance..... Campus led committees to assess the academic achievement of each student in the school using the <i>student achievement</i> indicator system. The school Administration has attended Comprehensive Needs Assessment training and has identified committees that were focused on gathering data for assigned category area. The committees are comprised of the superintendent, principal, teachers, parents, and students. A Campus Improvement Team for SBCISD attended a Regional Workshop at Educational School Center (ESC) Two in Edinburg Texas for TTIPS grant development on April 20, 2010 that included the Title I Director, Dr. Margarita Greer, the Assistant Superintendent of Instruction, Mrs. Celeste Sanchez, and the Director of Technology, Mr. Dallas Smetter. Campuses were asked to develop a Campus Needs Assessment and include it for the grant (see Appendix C: TTIPS Campus Needs Assessment). The district also decided to split fund staff and maximize resources by collaborating on TTIPS costs with Professional Development, conferences, programs, and hardware whenever possible in an overall district plan discussed in the management section. However, each site would customize each grant for the respective needs of each campus. The Campus Improvement Team (CIT) is composed of: La Encantada Elementary Instructional Staff, Support Staff and Administration, Parent Group from the community, Student Achievement Group, School Culture and Climate Group, Curriculum, Instruction and Assessment Group, Family and Community Involvement Group, School Context and Organization Group, Technology Group, Staff Quality, Recruitment and Retention Group, and Community Business.</p> <p>On April 1, 2010, a faculty meeting was held to discuss the comprehensive needs assessment. Eight committees were formed for the purpose of planning for the 2010-2011 school year. Committee members were each assigned one component of the needs assessment. The committees met on April 6, 15, 21, and 26 to complete their task. NCLB mandates longitudinal review of data, therefore, we reviewed documents from 2007-08 to present. With this assignment, the following documents were reviewed: Personnel Counts, AEIS Report for 2008-2009, Daily Attendance Control Totals, At-Risk Reports, Weekly Enrollment Reports. Additionally, DMAC Reports for TAKS data, e.g.: TAKS, TAKS-M, TAKS-Alt scores, TELPAS scores, benchmark scores, SAT10 scores, APRENDA Scores, TPRI, Tejas Lee, student attendance, discipline referrals, classroom schedules, tutorials, Attendance sheets for tutorials, walk through documents, instructional processes taking place, in addition to surveys for staff and students. Further, Campus Demographic Data and Walkthrough data reports were analyzed. Staff daily schedules were analyzed, as well as duty rosters, and schedules for all support staff services. In order to determine our needs in the area of technology, a survey was conducted and the results were analyzed, as well as STaR chart data, and the budget amounts and expenditures were also analyzed.</p> <p>San Benito is a Title I school wide district and addresses the needs of the entire school utilizing Title I funds for programs that provide services to children identified by the school as failing, or most at risk of failing, to meet the state's challenging student academic achievement standards on the basis of multiple, educationally related objective criteria established the LEA and supplemented by the school. To conduct their comprehensive needs assessment, the school first reviewed the purpose and outcomes for conducting the process. Then they established committees for each area to be reviewed ensuring expertise in each one. Next they determined the types of data to be collected and analyzed and examined multiple sources of data to identify the priority needs and direction for school. Data collected informs the school on the impact of programs, instruction, and related resources regarding student achievement and is being used to develop a campus profile. Once they determined the data collection, they determined the areas of priority and summarized the campus needs. The final step consisted of meeting with the grant design team on May 14 and 25, 2010. The comprehensive needs assessment identified strengths and weakness and specify priorities for addressing student achievement and meeting challenging academic and performance standards. Although data are gathered at specific points during the school year, this process is continuous and ongoing to ensure that progress toward the goals and objectives is being made.</p> <p>The TTIPS committees focused on several areas in performing the needs assessment: Demographics of the campus; Student achievement ; School culture and climate; Staff Quality, recruitment, and retention; Curriculum, instruction and assessment; Family and community involvement; School organization; Technology</p>

Texas Title I Priority Schools Grant Schedule #4B—Program Description		
Part 2: Project Management		
Section A: LEA (District) Capacity Responses are limited to <i>one page each</i> , front side only, with a font size no smaller than 9 point (Arial or Verdana).		
Capacity -- Describe the LEA's capacity to use grant funds to provide adequate resources and related services/support to the campus to implement, fully and effectively, the required activities of the school intervention model.		
<p>San Benito CISD has the capacity to use grant funds to provide adequate resources and related services/support to La Encantada Elementary to implement, fully and effectively, the required activities of the school Tier III Transformation Model. Important educational decisions regarding management organization at La Encantada involve compiling data and discussing it among teachers through grade level meetings and school committees. Data collected includes TAKS, TPRI/Tejas Lee, SAT 10/Aprenda, CPALLS, benchmark results, and daily/weekly assessments. The structure to maintain effective communication is in place and ready for Proyecto CULTURAL.</p>		
<p>Seamless Management: Pre-Post NOGA As a preemptive measure of responsible management, La Encantada Elementary School (LEES) organized a Campus Grant Design Team to conceptualize the program to be implemented. The team conducted a Comprehensive Needs Assessment (CNA) of the campus and matched the design elements (e.g., resources and related services/support) of the program to the needs. The Design Team will be instrumental during grant implementation as some of the Design Team members will evolve to be part of the Grant Management Team. The Assistant Superintendent for Curriculum & Instruction, campus principal, counselor, and lead teachers involved in the Design process are those individuals which will be part of the Grant Management Team.</p>		
<p>Grant Management Team Personnel includes:</p> <ul style="list-style-type: none"> • The Grant Shepherd • The Grant Coordinator • Executive Secretary • Campus Secretary 		
<p>Ancillary Management Team Personnel includes:</p> <ul style="list-style-type: none"> • Social Worker • Tutors • Technology Coaches • Transitional College / Career Coordinator 		
<p>Campus Principal Leadership Capacities The principal and teacher team (resumes in appendix) have the capacity to deliver grant funds to implement the required activities of the school transformational model. The principal has a Masters of Education Administration with a certification in Mid-Management and has the capacity to: conduct classroom walkthroughs in PDAS and through a district classroom walkthrough system using a PALM; analyze and use data to develop plans and programs to improve instruction; facilitate the planning and application of emerging technologies in classrooms; assist teachers in designing learning experiences for students by providing specific feedback following both formal and informal observations; establish and foster an environment of collaborative and participatory management conducive to positive staff morale and team-building; encourage personnel and professional growth and leadership among the staff; and effectively involve parents in school matters. The principal will ensure adequate resources and related services are implemented according to the design of the project, proper training on all products and services delivered through programming activities will be sought. The Project Shepherd will monitor expenditures on a weekly basis and frequently perform random walk-throughs to check for proper implementation practices. The organizational structure and feedback model of the program lends itself to high capacity management. To maximize the effectiveness of services, the Proyecto CULTURAL Management Team will remain cognizant of and sensitive to the unique culture of the community. Community customs (i.e., Cafe con Leche events, Chalupa Nights) will be embraced and used to disseminate and gather program information to students' parents.</p>		
<p>Part of a Larger Vision LEES is part of larger vision SBCISD has for the Texas Title I Priority Schools Grant. The San Benito CISD is applying to serve six Tier III schools (through separate applications for other campuses: San Benito HS, Miller Jordan MS, Berta Cabaza MS, La Paloma ES, Frank Roberts ES) and has the management capacity to serve each of these campuses. Should two or more campuses be awarded the TTIPS Grant, the Project Shepherd will be split funded with the other campuses awarded. The management plan is structurally sound and flexible enough to adapt to the final number of campuses. Post NOGA amendments will reflect the budgetary and programmatic implications posed by the final number campuses awarded TTIPS. Possibly sharing a Grant Shepherd with other TTIPS campuses in the district will in no way compromise the integrity of the management plan; Proyecto CULTURAL has the managerial capacity of being successfully implemented without its sister TTIPS campuses.</p>

<p>Texas Title I Priority Schools Grant Schedule #4B—Program Description</p>		
<p>Part 2: Project Management Cont.</p>		
<p>Section A: LEA (District) Capacity Responses are limited to one page each, front side only, with a font size no smaller than 9 point (Arial or Verdana).</p>		
<p>Partnership/Involvement of Others – Describe how the LEA/campus consulted with relevant stakeholders (students, staff, parents, community) regarding this application and proposed implementation of a school intervention model.</p>		
<p>Relevant stakeholders (i.e., students, staff, parents and community) were consulted in the development of this application and proposed implementation of the Tier III Transformation Model. The Assistant Superintendent of C & I methodically developed a timeline of meetings with stakeholders to occur regarding the program's development; TTIPS plans were presented (5/14/10), reviewed (5/24/10), revised (5/24-29/10), and finalized (5/29/10). As part of the aforementioned CNA, the community was surveyed to gain insight as to what issues the community perceives to exist.</p>		
<p>Proyecto CULTURAL is a collaborative partnership between LEES staff, local community organizations, businesses, and institutes of higher education seeking to improve student academic achievement through the use of SBR strategies to reform the manner in which instruction is delivered, ultimately improving digital literacy and student achievement. Partnerships with UTB/TSC, and ESC 1 will provide specialized PD workshops for instructors and teachers. An advisory council will be implemented and will coordinate activities funded with technology-related activities supported with funds from other sources or partnerships. Surveys measuring personnel attitudes and perceptions regarding technology related trainings revealed personnel were unanimously most pleased and gained most knowledge when the trainings came internally from SBCISD's Instructional and Informational Technology departments - as opposed to contracting external entities to deliver the trainings. The involvement of interdepartmental training will be used to strengthen the technological skills of instructors and teachers.</p>		
<p>Partnerships have been formed with local agencies to support and provide assistance with Proyecto CULTURAL. Several partners have agreed to join forces with SBCISD to improve academic performance, increase teacher quality, improve school climate, increase leadership effective, and increase the use of data to drive instruction, increase parent and community involvement and increase learning time.</p>		
<p>Major Proyecto CULTURAL Partners Professional development incentives, resources and services to help enhance student academic performance and collaborative services are three commitments that will be offered on behalf of Proyecto CULTURAL partners (<i>full list in appendix</i>).</p>

Texas Title I Priority Schools Grant Schedule #4B—Program Description		
Part 2: Project Management Cont.		
Section A: LEA (District) Capacity Responses are limited to one page each , front side only, with a font size no smaller than 9 point (Arial or Verdana).		
Management of Grant Activities – Describe how the LEA and campus will modify its practices and/or policies, as necessary, to ensure its implementation of the intervention(s) fully and effectively.		
<p>The LEES will adhere to the practices and policies of the SBCISD already in place during the implementation of the intervention of the program. The policies to be impacted by the implementation of the transformation process are few and have been deemed necessary by the Site-Based Decision Making Committee. Should the program come across any other unforeseen needs for practice and/or policy modification, the Assistant Superintendent of C & I will oversee the process. She will ensure the matter is dealt with in a timely manner as to preserve the integrity of the transformation process and assure proper practice/policy modification if necessary. All program activities will be subject to SBCISD's Acceptable Use, Code of Conduct, Secondary Grading, Online, Textbook, and Copyright Policies; also, interventions implemented will be consistent with the final federal requirements.</p> <p>An area of policy to be impacted by the program is regarding Student Conduct /Discipline. Non-cooperative and disruptive behavior in the classroom has been a growing issue at LEES and a reformed classroom management system needs to be set in place in order to alleviate this disruptive behavior. Another area of policy to be effected is associated with Extracurricular eligibility/participation policy as 40% of students surveyed in the (CNA) feel they are not given the opportunity to participate in school activities such as clubs and sports. Grant management will examine this current policy to find what about it can be modified to make extracurricular activities more inclusive and appealing to students.</p> <p>The Grant Shepherd</p> <p>At the helm of the policy modification process and all other project activities will be a dedicated full time grant shepherd. The Shepherd must have an understanding of current district policies and practices prior to beginning the program. The Project Shepherd will be responsible for detecting, reporting, and implementing policy/practice changes in the program. The SBCISD will begin reviewing applications for the Project Shepherd position immediately after it has been confirmed that the grant has been awarded. The Shepherd is a full-time position that performs the professional and administrative work necessary to support the goals of Proyecto CULTURAL. This position is responsible for coordinating, implementing and managing the activities of the project; it reports to the SBCISD and works closely with the principal, teachers, tech coaches, and administrative staff.</p> <p>Qualifications:</p> <ul style="list-style-type: none"> • Must have Masters degree (Ph.D. preferred) with a minimum 6 yrs. educational experience, 2-3yrs. project management experience including organizing and implementing assigned projects and logistical planning; and experience interacting with and communicating with diverse populations. • Additional experience may be substituted for the degree requirement. • Independent, self-motivated, proactive thinker. • Proven critical thinking skills and ability to manage multiple tasks simultaneously. • Detailed-oriented. • Team player; ability to work well with people in a professional environment. • Excellent writing and presentation skills. • Strong computer and internet research skills. <p>Major Proyecto CULTURAL Management Activities include:</p> <ul style="list-style-type: none"> • Hire grant personnel: Grant Shepherd, Grant Coordinator, Technology Coaches, Social Worker • Adequately train grant personnel for the job at hand • Implement recruitment process • Disseminate policy, procedure, and planning information to personnel • Disseminate policy and procedure, and planning information to parents and students • Contact partners, confirm services to be delivered and commit services to dates • Establish council advisory board contacts • Coordinate meeting dates with councils and develop action plans for them • Ensure support services are in place • Ensure technology / supplies is purchased • Ensure newly acquired technology is secured and deemed policy compliant by IT teams • Develop an annual timeline for program implementation, external evaluation and TEA reports • Provide on-site orientation for students and parents to include program goals and objectives, activity schedules, and terms and conditions statements from students/parents • Develop and initiate program promotional campaign • Coordinate training schedule • Policy Monitoring / Modification Processes

Part 2: Project Management Cont.		
Section A: LEA (District) Capacity Responses are limited to one page each , front side only, with a font size no smaller than 9 point (Arial or Verdana).		
Resource Management – Describe how the LEA/campus will align other resources (federal, state, local, and community) with the school improvement intervention.		
<p>Proyecto CULTURAL will align with federal, state, local and community resources to maximize the positive effects of the intervention at the campus. The <i>transformation model</i> will reach out to partner with current programs being implemented in the SBCISD, community councils, business councils, parent councils, Institutes of Higher Education (IHE), and social agencies. The management plan is designed to achieve the objectives of the proposed project on time and within budget, with appropriate timelines, and milestones for accomplishing project tasks.</p> <p>In both the Management Organizational Structure (in section <i>Program Continuation and Sustainability</i>) and the Partnerships and Resources Diagram (in section <i>External Providers</i>), the full vision of Proyecto CULTURAL is put on paper. With the Management Organization Structure SBCISD has created a sound and efficient staff system that will allow the execution of this program. The Partnerships and Resource Diagram shows you how the project has aligned with federal, state, local and community resources. It is divided into five sections: IHEs (Local/Community), SBCISD integration through existing programs (Federal/State/Local/Community), Social Services (Local/Community), Councils (Local/Community), and the TTIPS management team (Local).</p> <p>Proyecto CULTURAL will be merging with all current grant programs such as the 21st CCLC, GEAR UP, Intensive Summer Program, and Reading First. Doing this will take each of these existing programs to a new level and transform the campus to meet its expectations to improve academic performance, increase teacher quality, improve school climate, increase leadership effectiveness, and increase the use of data to drive instruction, increase parent and community involvement and increase learning time. In addition, Region One's TEEM courses (a complete list of courses is on the following page) will also be implemented into the Proyecto CULTURAL providing professional development for campus/district leaders, teachers, staff, students, community members, and parents. Providing this additional training will make the utilization of all resources more efficient and effective because there are courses ranging from building effective leaders to establish effective partnerships with colleges.</p> <p>All of the major partners collaborating with SBCISD are local and will work with the Grant Shepherd and Grant Coordinator to ensure on-going collaboration and participation. This is the same for all councils and social services; all councils, organizations, businesses, governments, and offices will maintain communication and collaboration through the Grant Shepherd. Continuous internal communication ensures contributing resources are utilized fully and effectively.</p>		
Federal, State, and Local Resources include: <ul style="list-style-type: none"> • Title IID - Technology funds • Migrant Education • Career And Technology Education (CATE) Programs • Special Education / Bilingual Education / ESL Program • 21st CCLC - Afterschool Grant • Bond Projects • Challenger Learning Center • Chess Program • Naval Junior Reserve Officer Training Corps • Counseling Services • Community Oriented Policing Services (COPS) Program • Alternative Education Placement

<p><i>* The term "project manager" is closely associated to business roles within SBCISD management, thus for the sake of adapting to the local language and established understandings of supplementary organizational structures in SBCISD, the "project manager", will be referred to as the "project coordinator". This switch in terms is only to maintain consistency and to avoid confusion regarding established roles. The responsibilities, expectations, and qualifications of the grant manager will not be affected by the change of name.</i></p>

Schedule #4B—Program Description

Part 2: Project Management Cont.

Section A: LEA (District) Capacity Responses are limited to **one page each**, front side only, with a font size no smaller than 9 point (Arial or Verdana).

Program Continuation and Sustainability – Describe how the LEA will sustain the campus reforms after the funding period ends.

The campus reform initiative undertaken by SBCISD at LEES will continue beyond the term of the grant. **Proyecto CULTURAL** is a program designed to primarily utilize knowledge and professional development to reach the goals of this program and transform the management structure. A long term action plan is critical to transforming the campus. For this reason, SBCISD will rely on local partnerships, state and federal funds to sustain campus reform after the funding period ends. The SBCISD has assigned a full time grant shepherd to oversee the incremental integration of these funding streams into sustaining the program. This individual is charged with the responsibility of supporting the campus school improvement efforts.

Beyond ensuring financial sustainability, the organizational structure of the program will require continuation. The qualifications, experience, and certifications of **Proyecto CULTURAL** personnel and external consultants are of sufficient quality and depth to ensure successful implementation (resumes in appendix). The grant administrators will be able to set priorities, plan instruction, allocate time, and establish high expectations for student achievement and behavior. Project teachers will foster higher student learning gains by providing technology instruction that meets individual needs and monitor learning and use their findings to adjust instruction so that all students achieve. **Proyecto CULTURAL** teachers and administrators involved will be well informed of all aspects of program plans; that roles and responsibilities of all participants are clearly defined; and plans are in place to keep all program participants informed of project progress, problems, and changes. The structure and implementation of key management individuals and offices is detailed in the diagram below:

External Providers -- Describe how the LEA will recruit, screen, and select external providers to ensure their quality.

The LEES administration External Providers will be subject to current external contractual protocol and the approval process of SBCISD administration. The Design Team screened the historical success records and overall effectiveness of external partners with SBCISD in determining their involvement with **Proyecto CULTURAL**. The recruitment process began by screening providers' scientifically based merit, practicality, and cost effectiveness.

The external evaluator contractor for the program will develop a qualitative and quantitative data gathering process that allows precise measurement, including semi-structured interviews with a sample of teachers, parents, students and staff.

The TTIPS Management Team has recruited Institutes of Higher Education (TSTC and UTB) and agencies of social services through this selection process. Social services include the city governments, city offices, local organizations/clubs, local providers.

The TTIPS Management Team will be led by the Grant Shepherd. The Shepherd will be the liaison between SBCISD and external providers, the overseer of quality control, and initiator of the refinement process (as demonstrated below). The Partnership and Resources diagram below illustrates the external and intradistrict network SBCISD envisions for **Proyecto CULTURAL** to be a part:

Site Visits – If the intervention program includes site visits to other campuses successfully implementing the intervention model, describe the process for selecting the locations and the expected outcomes of the site visit.		
<p>The SBCISD does plan on conducting site visits to other campuses successfully implementing the intervention model. As mentioned in previous sections, there will be other SBCISD campuses applying for the TTIPS grant. Should any other SBCISD campuses be awarded, <i>site visits</i> to those TTIPS campuses will be made frequently by the campus-level management team. The Grant Shepherd and Grant Coordinator will research which campuses (outside of SBCISD) are implementing the intervention model and have elements which could potentially contribute to Proyecto CULTURAL. The outcomes of the site visits will be contingent on which <i>sites</i> are selected; outcomes will be developed by the Grant Shepherd and/or Grant Coordinator prior to visiting the selected site. Prospective <i>sites</i> must meet conditions to be considered for <i>site visits</i>; the <i>site(s)</i> must:</p> <ol style="list-style-type: none"> 1) have an economically disadvantaged student population (or similar socioeconomic characteristic); 2) share similar cultural background; 3) be within reasonable traveling distance; and 4) be capable to produce practical outcomes <p>If any condition is not met, a reasonable explanation for the <i>visit</i> must be presented to and reviewed by the Assistant Superintendent of C & I. Furthermore, the grant management and implementation team will visit exemplary intradistrict campuses (<i>sites</i>).</p> <p>Expected Site Visitations Outcomes:</p> <ul style="list-style-type: none"> • Identify core subject targets for comparisons • Insight to the strategies used by the campus to address the critical success factors • Applicable and replicable management practices • Applicable and replicable implementation practices • Interviews with teachers and students; • Establish relationships with other grant managers and shepherds • Maintain open lines of communication • Be prepared to share, gather, and analyze data • Well documented events of the visitation • Technological Capacities Profile analysis • Findings will be incorporated into the refinement and evaluation process

<p>To design La Encantada Elementary School's Performance Assessment and Evaluation (Tier III) Plan for Proyecto CULTURAL (Creative Utilization of Language and Teaching Unifying and Rewarding Academic Lessons), the Campus Improvement Team (CIT) met to discuss TT1PS grant objectives. Members were assigned the task of reviewing data to develop a comprehensive needs assessment for the purpose of planning for 2010-2011 school year. Members were given the task to lead the review and analyze documents for the different areas. In turn, each team member leading one of the tasks was to recruit other staff or community members to participate in their committee. NCLB mandates longitudinal review of data, therefore, documents were reviewed from 2007-08 to present.</p> <p>The District recognized its capacity to support the Texas Tier III Transformation model at La Encantada Elementary School based on the process outlined by the Center on Innovation & Improvement. By implementing Project PROYECTO CULTURAL, SBCISD will implement school reform at the La Encantada Elementary School and turn the campus around with improvement in administration and teacher quality and student performance.</p> <p>Selecting a school intervention model that aligns to the identified needs of the campus required conducting a Comprehensive Needs Assessment, analyzing their campus needs and evaluating the probability of success against the proposed models. The District is cognizant of the fact that millions of dollars have been spent in an effort to fine-tune our knowledge of how children learn and how to effectively facilitate their learning. Additionally, vast sums of money have also been aimed to figure out what America's children need to be able to complete in today's global economy and in a "flat world" workforce. School reform initiatives are designed to generate concrete information about good educational and pedagogical practice and have been piloted as demonstration projects for at least 15 years. As for teacher education reform initiatives, policymakers have also become increasingly aware of our need for true highly qualified teachers, school support personnel, and administrators who can effectively prepare students with diverse learning needs necessary to succeed in the 21st century. This has led to restructuring of beginner educators' training and continued professional development for administrators, beginning teachers and veterans alike.</p> <p>SBCISD Superintendent and principals were advised by Region One concerning the State Improvement Grant funding in early Spring and attended an Overview of the Texas Title 1 Priority State grants at the Region One Educational Service Center in Edinburg. To fulfill its intended purpose, the District then formed a TT1PS Decision-Making Team comprised of campus administration, district administration, teachers, parents, community based organizations, school board members, and students. Once identified, the Decision making team met to answer the narrowing questions. Each of the models was considered. The District considered the campus needs through the site based decision making team who gathered to select a suitable model given factors such as past achievement results, past improvement efforts, and community context. In doing so, other factors such as access to external partners and providers needed for successful implementation; suitability in terms of the district's policy environment, its' contextual factors such as availability of staff replacement, availability of schools to receive students of a school that closes and the district's ability to fully support the implementation and provide effective oversight. Further consideration took into account the District's performance predictors such as their special education population, retention rate, need for flexible scheduling; areas of need in Math & Science; STaR Chart reports, technology need for integration with curriculum and vertical and horizontal technology alignment.</p> <p>Available options under consideration for the District were the Closure, Restart, Turnaround, and Transformation Models. The campus has recently within the last year lost its principal and a new principal who has been employed at the campus is taking his place. SBCISD has two additional middle school campuses for each grade level but does not have one or higher achieving school to which students from a campus under consideration for closure may attend. Therefore, the school campus could not be considered for Closure.</p>

<p>The SBCIS has access to educational providers, however providers who could work in the area are perhaps limited, and there are no alternative schools with capacity to serve all grade levels. Therefore Restart would not a viable option.</p> <p>Next, they considered the Turnaround Option. The District does not have the capacity to replace 50% of the staff on this targeted middle school campus. This campus has a new principal who has been at this position for less than a year and the District does not need to replace. It also considered its willingness and ability to grant the school operational flexibility (e.g., staffing, calendar, budget). The committee conceded it is willing and able to establish schedules and implement strategies to provide increased learning time. The District is also willing to provide appropriate social/emotional and community-oriented services and to support strategies (financial incentives, increased opportunities for promotion, and flexible work conditions) designed to recruit and retain staff.</p> <p>Lastly, the District considered its fourth option, the Transformation Model. The Decision-Making team considered the District's willingness and ability to grant the school operational flexibility (e.g., staffing, calendar, budget), and its ability to increase and provide ongoing mechanisms for parent/community engagement. The District is willing to develop and utilize rigorous, transparent, and equitable evaluation systems for teachers and principals designed with teacher and principal involvement and can ensure that the school receives ongoing intensive technical assistance. The District is also supportive of strategies (financial incentives, increased opportunities for promotion, and flexible work conditions) designed to recruit and retain staff and is willing and able to establish schedules and implement strategies to provide increased learning time.</p> <p>Once the narrowing questions were considered and the options were addressed, the next steps for the District were to Collect data and revisit their Comprehensive Needs Assessment to assess their campus needs. A communication plan was created and stakeholders were engaged to solicit feedback and input concerning the proposed project. Missing data was also collected to make a case for the final decision.</p> <p>The following metrics constitute the leading indicators for the improvement program and were all taken into consideration in making the model selection :</p> <ul style="list-style-type: none"> ➤ Number of minutes within the school year; ➤ Student participation rate on State assessments in reading/language arts and in mathematics, by student subgroup; ➤ Dropout rate; ➤ Student attendance rate; ➤ Discipline incidents; ➤ Truants; ➤ Distribution of teachers by performance level on an LEA's teacher evaluation system; and ➤ Teacher attendance rate. <p>Based on the research and after careful consideration on each option, the District feels confident that the Texas Tier III Transformation model under Option 2: Extended Implementation is the best suited model for San Benito's La Encantada Elementary School.</p> <p>San Benito is city at the tip of Texas, 10 minutes from the Mexican border alongside the Rio Grande River. It has a growing population of 25,572 in 2008. About one quarter of the population has less than a high school diploma; 16% have an Associate's Degree or higher and 80% of the population speak Spanish at home. A relatively young population with a median age of 31, a little more than half of the people in Santa Rosa are employed and 9.6% are unemployed and actively looking for work. A large number of the working population, about 90%, commutes 20 minutes one-way to their jobs. In 2008, the median income was \$32,379 with a per capita of \$12,328 and 27% of the families were living in poverty.</p>

La Encantada Elementary School proposes Project PROYECTO CULTURAL to begin to address the campus needs. La Encantada is a Title I School-wide regular school that serves approximately 524 students in grades PK-5 with 25 teachers with an average of 14 years experience. The teacher to student ratio is 21:1. The Campus is Academically Acceptable and Meets AYP as per TEA Accountability and for 2009-10

The San Benito ISD serves approximately 10,983 students at separate campuses. The High School and Middle Schools are located strategically throughout town and are implementing an afterschool grants to support the students' and community needs. Students from the Elementary campuses feed into three middle schools and those all feed into the 9th grade Veteran's Memorial 9th grade campus which is located about a mile down the road from the one High School where all San Benito High School students attend except for those in the three alternative juvenile or boot camp centers.

The most recent preliminary TAKS results indicate SBCISD has two campuses Exemplary, 11 Recognized, and 4 Acceptable. Overall preliminary TAKS results for the 2009-2010 school year are as follows:

The Texas Tier III Transformation Project will be implemented over a three year period. La Encantada Elementary School has not implemented any significant reform nor is it in receipt of technical assistance and resources to support Reform Efforts. It would require appropriate time to make operational and staffing decisions and would therefore opt for LEA Option 2: **Extended Implementation**.

Timeline: 2010-2011: Year 1 will commence Fall I with meetings of the campus committees to continue the dialogue for model selection and description report. In July of 2010 upon receiving preliminary notice of grant award, La Encantada would request technical assistance from SIRC and begin to weigh its options and research its intended model with District Snapshot. The Campus will also make plans to attend TEA required trainings to be determined in the near future. In November, 2010, La Encantada will submit the first quarterly report to TEA.

In the Spring of 2011, a decision will be announced on the status of the principal which SBCISD has elected to keep and develop as an administrator with the flexibility under the Texas model. Decisions will also be made on whether to replace or retain key staff and the District will identify key stakeholders and community partners. The Campus will designate personnel to lead the transformation project. The campus will begin implementation of the TT1PS grant and make use of the spring semester to complete the comprehensive needs assessment with the Snapshot provided by SIRC; research the options for the model and choose the model option that is best fit for the campus needs.

Section B: Model Selection Process Cont. Responses are limited to five pages , front side only, with a font size no smaller than 9 point (Arial or Verdana).		
<p>By February 1, 2011 La Encantada Elementary will have submitted the model selection and description report. With the approval of the model selection report, TEA will then release the remaining seventy-five percent of the first year grant allocation allowing the spring semester to make staffing and planning decisions needed to implement the Texas Tier III Transformation model.</p> <p>Summer I will initiate the identifying of teachers as leaders who will attend summer seminar training required by the grant and other professional development growth seminars. The campus will develop their Job-Embedded Professional Development Plan for Year 1 and complete the first quarter (90-day) action plan. Although a NOGA will not be issued, in August 2010, San Benito's La Encantada Elementary School, upon receiving preliminary notice of grant award from TEA, will begin implementation of TT1PS grant with 25% of the first year grant funds and begin the Model Selection and Description Report to submit to TEA before February 1, 2011 for the release of the remaining 75% of the first year grant award amount.</p> <p>Year 2: Fall II, La Encantada Elementary will hit the ground running with the continued use of technical assistance and begin the implementation of schoolwide positive behavior support (PBS) interventions and enhanced social service support. The Lead teachers will begin collecting observation data to guide professional development and student interventions. Teachers will sign up for online courses and review their progress toward the goals set in the 90-day action plans.</p> <p>In Spring II, the campus will review the behavioral data and PEIMS to analyze PBS implementation and implement targeted professional development based on classroom observation data as well as student data. They will write the next 90-day action plan.</p> <p>During Summer II in 2012, La Encantada Elementary will continue with technical assistance and summer training; they will review and revise their professional development plans and needs assessment. Progress toward goals in the prior 90-day action plan will be analyzed and teacher leaders will select action research topics. The busy summer will see the campus committee developing a plan for classroom interventions for positive behavior support and a new action plan. They will also attend the National Staff Development Council Summer Conference where teacher leaders and administrators are equipped with valuable tools to bring the most powerful forms of professional learning to all the teachers with whom they work. At the conference, school-based administrators will learn from both the outstanding and innovative work of their peers and the perspectives of national leaders. Staff will become skilled in assisting their colleagues in data-driven decision making and in planning, implementing, and assessing the impact of their lessons. At the conclusion of the conference San Benito La Encantada Elementary leaders will more deeply understand the attributes of high-functioning school teams and learning communities and the actions they can take as leaders in their settings to make such collaboration a reality.</p> <p>Year three timeline will be much the same continuing with quarterly implementation reports.</p> <p>Fall III will begin Year 3 with a new administration of the Campus Snapshot and a revision of the implementation and plan along with the updated professional development plan. San Benito's La Encantada Elementary School will begin action research projects, continue with the online courses, and write a new action plan.</p> <p>During Spring II the campus will continue with activities and in the final Summer III in 2013, they will present action research and conduct an intense data review and process evaluation through an external evaluator with a Doctorate Degree. Results of the evaluation will reveal what worked and what areas SRISD still needs to focus on. The campus will develop a plan to continue use of teacher leaders as instructional resources for the campus</p> <p>Project STEPS' three year grant will end on June 30, 2013 and by July 31, 2013 the final implementation report on the grant will be submitted to the Texas Education Agency.</p>

Section D: Improvement Activities and Timeline

On the following pages of charts applicants should describe all other school improvement activities that will be incorporated with the model to be selected.

For each additional improvement activity entered, enter the Critical Success Factor Code(s) from this table, enter the LEA/campus' rationale for including the activity, provide the supporting research that indicates the activity will be effective, and indicate the beginning and ending date of the activity.

1 - Improve Academic Performance, including (but not limited to) Reading/ELA and Math

- A. Data-driven instruction
- B. Curriculum Alignment (both horizontal and vertical)
- C. On-going Monitoring of Instruction

2 - Increase the Use of Quality Data to Drive Instruction

- A. Data Disaggregation/Training
- B. Data-driven Decisions
- C. On-going Communication

3 - Increase Leadership Effectiveness

- A. On-going Job Embedded Professional Development
- B. Operational Flexibility
- C. Resource/Data Utilization

4 - Increase Learning Time

- A. Flexible Scheduling
- B. Instructionally-focused Calendar
- C. Staff Collaborative Planning

5 - Increase Parent/Community Involvement

- A. Increased Opportunities for Input
- B. Effective Communication
- C. Accessible Community Services

6 - Improve School Climate

- A. Increased Attendance
- B. Decreased Discipline Referrals
- C. Increased Involvement in Extra/Co-Curricular Activities

7 - Increase Teacher Quality

- A. Locally Developed Appraisal Instruments
- B. On-going Job Embedded Professional Development
- C. Recruitment/Retention Strategies

B	Use data to plot progress	Accountability	Teachers can use data to analyze their instruction in light of student progress toward Standards Duke et al. (2005)	8/1/2010	06/30/2013
C	Introduce or continue use of instant assessment tools	It is too time consuming for a teacher on his/her own to collect the data that can be collected instantly as the tests are administered.	Assessment refers to all those activities undertaken by teachers -- and by their students in assessing themselves -- that provide information to be used as feedback to modify teaching and learning activities (Black & William, 1998).	8/1/2011	06/30/2013
B	Self Assessment of Progress	Administration can Review teachers progress on curriculum	In 1998, Black and William found that students learn at a higher level when teachers conduct regular diagnostic classroom assessments focused on learning.	2/1/2011	06/30/2013
B	Student Assessment	Administration can monitor student progress by class	A 2000 study by Fullan found that in successful schools, teachers meet together regularly to review student work and revise instructional practices accordingly.	2/1/2011	06/30/2013
B	Improve TAKS data plan	Influence scores on TAKS	A 2002 study by Schmoker reported that results are "virtually inevitable" when teachers use student assessment data to design strategies targeted at specific goals.	2/1/2010	06/30/2013
A	Report performance by demographics	Gauge achievement gaps	To create schools that are responsive to diversity, connected to the realities of today's world, and driven by a focus on success for all students, more systemic reform strategies are needed, and new capacities must be developed. One of these capacities is the strategic use of data to support student success and school improvement (Bernhardt, 2002; Coddling & Rothman, 1999).	8/1/2010	06/30/2013

B	Reports of achievement to community	The ultimate success of the school improvement process is measured by advances in student knowledge, skills, behaviors, and attitudes	Despite the current attention given to student assessment, relatively little has been written on the use and reporting of assessment results. Even less research exists on the effectiveness of alternative strategies for using and reporting student assessment results. Yet public reporting of large-scale assessment results generates some of the largest complaints about student assessment.	2/1/2011	06/30/2013
B	Improve use of Standardized test reviews	Show increase in results	A 2002 study by Schmoker reported that results are "virtually inevitable" when teachers use student assessment data to design strategies targeted at specific goals.	2/1/2011	06/30/2013

Critical Success Factor 3: Increase Leadership Effectiveness					
CSF Milestone	Additional Improvement Activity	Rationale	Supporting Research	Timeline Begin Date	Timeline End Date
A	Attend National Conferences for turnaround models	Acquire tools to bring the most powerful forms of professional learning to all the teachers with whom they work.	The Wallace Foundation 2008 Report <i>Becoming a Leader</i> suggests that training programs have four essential elements (1) Principal training programs should be more selective, more focused on improvement of instruction, more closely tied to the needs of districts, and provide more relevant internship experiences; (2) Leadership preparation should not end when new principals are hired, but should continue with high-quality mentoring and career-long growth opportunities; (3) Because of the likely added costs, resources for improving preparation should be directed at programs with proven benefits; and (4) Better leadership training is essential, but state and districts should also address the conditions that support or undermine leadership	8/1/2011	06/30/2013
B	Participate in summer curriculum vertical alignment	Make good use of training time available for specific purpose	In a study by Marzano (2000) it was discovered that curriculum alignment is by far the most important school-level factor in successful school improvement	8/1/2011	8/1/2011
A	C Scope End of Course STARR test training	The new testing system will replace the TAKS beginning in the 2011 school year	The grade 3-8 STAAR tests in reading and mathematics, by law, must be linked from grade to grade to performance expectations for the English III and Algebra II end-of-course assessments.	8/1/2011	8/1/2011

A	Attend Target Distributed Leadership Training	Emphasize the distinction in roles	"A 'one-size-fits-all' posture toward leadership training or methods and styles of school leadership serves neither principals nor schools well as different schools have different leadership needs, and policy and practice need to support a variety of leadership models" (Portin et al., 2003).	8/1/2011	8/1/2011
B	Establish Common planning periods	Core Area Teachers get to confer at same time for scheduling purposes and professional development activities	A 2000 study by Fullan found that in successful schools, teachers meet together regularly to review student work and revise instructional practices accordingly.	8/1/2011	8/1/2011
C	Attend SIRC TT1PS workshops for core areas	Tier III Texas Model provides for technical assistance	2001 study published by Just for the Kids found that in high-performing schools, teachers in all subject areas help students learn to read and write.	8/1/2011	8/1/2011

Section D: Improvement Activities and Timeline (cont.)					
Critical Success Factor 4: Increase Learning Time					
CSF Milestone	Additional Improvement Activity	Rationale	Supporting Research	Timeline Begin Date	Timeline End Date
A	Add time before and after school to extend learning day	More learning time leads to increased performance	An evaluation of the 21 st Century Community Learning Centers Program in Louisiana found that the impact of this afterschool program was an effect size of 0.13 on a combined measure of reading, math, and language test scores (Jenner & Jenner, 2007).	8/1/2011	06/30/2013
B	Implement tutoring as a requirement for students who are at risk of failing	After school tutoring will be mandatory for at risk students	In a review of four studies of afterschool programs, Kane (2004) concluded that the expected impact of an extra hour of instruction delivered in an afterschool setting over a school year equals an effect size of 0.05 in reading and math.	8/1/2011	06/30/2013
A	Incentives for group performance in afterschool tutoring activities	Incentives offer a sense of competition	Appropriate incentives may be effective in changing student performance on comprehensive cumulative examinations (Sansgiry, BPharm, Lemke, Szilagyi, 2006.)	8/1/2011	06/30/2013
B	Assign higher class tutors to assist lower class	Peer tutoring increases academic performance of both the tutor and the tutee	Mentees in elementary or middle school benefit from having an older student help them through the challenges of moving to a new school and the accompanying changes in social relationships that brings. High school mentors build personal skills and confidence that can help prepare them for their lives after high school. Their involvement in the program can also be a meaningful addition to applications for colleges and future jobs (Garringer & MacRae, 2008)	2/1/2011	06/30/2013

Critical Success Factor 4: Increase Learning Time					
CSF Milestone	Additional Improvement Activity	Rationale	Supporting Research	Timeline Begin Date	Timeline End Date
B	Involve parents in their children's academics	Parents will provide a productive environment for doing homework	Research shows that if a child is having difficulty with homework, parents should become involved by paying close attention. If a child is doing well in school, parents should consider shifting their efforts to providing support for their child's own choices about how to do homework. Parents should avoid interfering in the independent completion of assignments	8/1/2011	06/30/2013
C	Cooperative learning	Cooperative learning increases learning	Students involved in small groups are likely to be interacting with others more often than those in larger groups. Since competition often makes students reluctant to participate because they fear losing, students are freed from this negative pressure and become more willing to spend time on learning. The positive incentive of contributing to the success of the group is also an inducement to spend more time in learning activities. When students are unsuccessful, their peers have incentives to help them become successful.	8/1/2011	06/30/2013
B	Assign homework and project based learning	Increases the amount of scheduled time available for educational activities	In 1995, Newmann and Wehlage found that high-performing schools engage students in various kinds of "hands on" learning tied to thoughtful discourse on rigorous academic topics.		06/30/2013

B	Teachers communicate effectively with parents	Get both parties "on the same page" where it concerns student	According to Newmann and Wehlage (1995) parent involvement is associated with higher levels of achievement.	8/1/2010	06/30/2013
A B C	Create Parenting Skills Classes	Increase parents' ability to deal with children at their level	According to Newmann and Wehlage (1995) parent involvement is associated with higher levels of achievement.	2/1/2011	06/30/2013
B	Create Awareness through Outreach to solicit family and community involvement	Involve parents and community in school functions	Epstein (1995) points out that the involvement of families in schools leads to overlapping spheres of influence between the home, school, and community	2/1/2011	06/30/2013
C	Partner with Boys and Girls Club	Increase options and activities for student extracurricular activities	There is a strong association between student involvement in extracurricular activities and improved attendance, behavior and academic performance (Black, 2002; Fredricks & Eccles, 2006; Fujita, 2006; Holloway, 2002).	2/1/2011	06/30/2013
A C	Include programs with 21 st Century Afterschool	Maximize and leverage resources	There is a strong association between student involvement in extracurricular activities and improved attendance, behavior and academic performance (Black, 2002; Fredricks & Eccles, 2006; Fujita, 2006; Holloway, 2002).	2/1/2011	06/30/2013
A C	Get on School Board Agenda to report progress	Parent/student accountability	A school wide instructional leadership team with an advisory council and distributed leadership will focus on instructional issues as studies showed that student achievement is more likely to improve where leadership is distributed throughout the school community (Silns and Mulford, 2002, Riordan, 2003, Spillane, Halverson, and Diamond, 200, Supovitz, and Poglinico, 2001)	2/1/2011	06/30/2013

A B	Increase Family Communication Links with Phone, internet and website	Increase awareness of school functions and activities and establishes avenue for communication	Center on Families, Communities, Schools, and Children's Learning (1994) reports that parents are more likely to participate in schools if they receive information from teachers about classroom activities, the progress of their children, and how to work with their children at home	8/1/2010	06/30/2013
A B	Increase family communication	Engage parents and family in student's academic and social life	The administration to include teachers will work directly with parents or other adult family members to help ensure family support and assignments for learning at home as this is associated with higher levels of achievement (Newmann and Wehlage, 1995).		
C	Coordinate with local social and health service providers to help meet family needs	Serve the child's emotional as well as educational needs	A 2001 study published by Just for the Kids found that successful schools have an action plan that is understood, supported, and periodically reviewed by the entire school community.	2/1/2011	06/30/2013
C	Adult parent education classes (including GED, adult literacy, and ESL programs).	Increase literacy levels of community	Student involvement in community service experiences linked to classroom instruction is associated with a number of positive outcomes including increasing student achievement, increased sense of civic responsibility, and more positive perceptions of school.	2/1/2011	06/30/2013

B	Hire Social Worker	Deal with day to day situations with students and identify learning and other limitations and operate as a link among the school, the students, their families, and the community's social services	School social workers make a broad impact: They often reduce the number of school dropouts, or they may coordinate agency services for students and their families, and increasingly they develop strategies to prevent school violence www.cec.sped.org	8/1/2011	B
C	Collaborate with 21 st Century program for increased enrichment programs	Leverage and maximize resources to increase student inclusion	Participation in after school programs is influencing academic performance in a number of ways, including better attitudes toward school and higher educational aspirations; higher school attendance rates and lower tardiness rates; less disciplinary action, such as suspension; lower dropout rates; better performance in school, as measured by achievement test scores and grades; significant gains in academic achievement test scores; greater on-time promotion; improved homework completion; and deeper engagement in learning (Harvard Family Research Project, 2009).	8/1/2011	C

B C	Increase parental involvement activities	Engage with children's academics	In a positive school climate that encourages family involvement, the parents' perceptions of the school improve. Evidence suggests that sustained use of SWPBS practices can alter the trajectory of at-risk children toward destructive outcomes, and prevent the onset of risk behavior in typically developing children. It is expected that effective and sustained implementation of SWPBS will create a more responsive school climate that supports the twin goals of schooling for all children: academic achievement and social development (Horner, Sugai, Todd, & Lewis-Palmer, in press; Walker et al., 1996).	8/1/2010	06/30/2013
A C	Incentives for perfect attendance and performance by groups	Competition increases performance	Offering attendance incentive such as coupons for fast food restaurants resulted in high attendance at tutoring sessions in South Carolina's Anderson District One. They also maintain the successful Tutoring Success! Program which has helped improve attendance for at-risk children (Pew Foundation). From 1988-1993, the Dollywood Foundation's "Buddy Program" was an incentive program that pairs seventh and eighth graders with one another for counsel and support. Each partner received a \$500 scholarship after graduating from high school, and participants were eligible to compete for other scholarships from the foundation. The Foundation continues to offer a literacy program for at-risk kids through its Imagination Library.	8/1/2011	06/30/2013

B	Kagan Structures	Kagan Coaching offers specific and immediate feedback as teachers teach.	In Winter 2004, Dr. Jean Maddox, Principal of Foster Road Elementary shared with Kagan the good news that her school had the highest academic growth points in their district. Jean identified Kagan Cooperative Learning as a "leading method for academic gain, social development, and improving ethnic relationships." Texas Title I Priority Schools Grant
Schedule #4B—Program Description

Part 4: Waiver Requests

Applicants must check the waivers in which the LEA/campus intends to implement.

- ☐ Extending the period of availability of school improvement funds.
This waiver extends the "life" of the funds for two additional years; allowing the state to fund the grant period for three years to the LEA on behalf of the eligible campus, as long as the campus meets the requirements of implementation of the grant program.

Note: Since TEA has requested and received a waiver of the period of availability of these school improvement grant funds, this waiver automatically applies to all LEAs in the State and must be checked.

- ☐ "Starting over" in the school improvement timeline for Tier I and Tier II Title I participating schools implementing a turnaround or restart model.
Under this waiver, the LEA with an eligible Tier I or Tier II campus implementing the turnaround model or restart model may have their School Improvement status reset regardless of the actual AYP status and other school improvement interventions, such as School Choice and Supplemental Education Services (SES) would not be applicable. This waiver allows the campus two years to effectively implement the selected turnaround or restart model of reform without additional statutory school improvement interventions being required.
- ☐ Implementing a school wide program in a Tier I or Tier II Title I participating school that does not meet the 40 percent poverty eligibility threshold.
This waiver allows a Tier I Title I campus that otherwise does not qualify to operate a Schoolwide program to do so in order to implement the Tier I reform model selected.

Section A: Ongoing Monitoring/Continuous Improvement – Describe the LEA/campus/ process for providing on-going monitoring of grant activities to ensure continuous improvement		
<p>La Encantada's Elementary School Performance Assessment and Evaluation Plan for Project PROYECTO CULTURAL (Creative Utilization of Language and Teaching Unifying and Rewarding Academic Lessons)</p> <p>includes providing an Ongoing Monitoring and Continuous Improvement process to ensure that the grant meets and exceeds the grant goals and objectives designed in the Transformation Model. La Encantada Elementary is a Title I schools identified for improvement, corrective action, and restructuring and demonstrates the greatest need for the funds (See Campus Needs Assessment) and the strongest commitment (See Memorandums of Understanding) to use the funds to provide adequate resources in order to raise substantially the achievement of the students so as to enable the school to make adequate yearly progress and exit improvement status. Project PROYECTO CULTURAL impacts all seven Critical Success Factors (CSF).</p> <p>The transformation model designed by La Encantada Elementary as an LEA/campus in need of foundational technical assistance will provide continuous improvements for the following requirements;</p> <ol style="list-style-type: none"> 1. The principal will take action yearly on low performing professionals through monthly teacher observations, quarterly benchmark reviews, weekly departmental and meetings and weekly grant staff meetings to discuss attendance at Professional development events, community events, parent and community engagement, increased learning time with the 21st CCLC after school program, and monitoring overall teacher morale and school climate. Project PROYECTO CULTURAL aims to develop and increase teacher and school leader effectiveness by replacing the principal who led the school prior to commencement of the transformation model. The use of rigorous, transparent, and equitable evaluation systems for teachers and principals that take into account data on student growth as a significant factor as well as other factors will include multiple observation-based assessments of performance and ongoing collections of professional practice reflective of student achievement that are designed and developed with teacher and principal involvement. The project will identify and reward school leaders, teachers, and other staff each semester who, in implementing this model, have increased student achievement and attended the required professional development workshops assigned to them. More importantly the principal and grant coordinator will identify and remove those who, after ample opportunities have been provided for them to improve their professional practice, have not done so as poor classroom observations will immediately turn into growth plans with a teacher in needs of improvement status report given to the Superintendent's office. The SBCISD TTIPS grant Shepherd, the campus based coordinator and principal will daily discuss the grant's implementation, refinement and sustainability. A web forum will be created in the SBCISD website for TTIPS staff and teachers to review and input daily. 2. The principal will provide staff ongoing, high-quality, job-embedded professional development daily, through weekly and monthly events that are aligned with the school's comprehensive instructional program and designed with school staff to ensure they are equipped to facilitate effective teaching and learning and have the capacity to successfully implement school reform strategies. All incentives will be reviewed through surveys and staff meetings to measure the impact of increasing the CSF. Both the Educational Service Center in Region One in Edinburg Texas has provided an extensive listing of quality available TTIPS PD with onsite monitoring that is aligned with the 7 Critical Success factors. Immediate evaluations of these PD workshops will be provided for feedback to grant personnel. Another continuous improvement idea was the use of an online PD program (PD360) that allows for instant PD downloads of quality streaming videos and training giving new teachers instant access to PD during their conference periods. 3. The program will have constant and comprehensive use of data to identify and implement an instructional program that is research-based and vertically aligned from one grade to the next as well as aligned with State academic standards and promote the continuous use of student data with formative, interim, and summative assessments to inform and differentiate classroom instruction regularly. 4. The grant coordinator will monitor attendance weekly and review 21st CCLC After School Program (ASP) monthly reports and will help provide continuous feedback on the quality increased learning time for new community-oriented schools. ASP schedules and strategies will be reviewed weekly to ensure that increased learning time is efficient and effective with high family and community engagement. The project ensures that the school receives ongoing, intensive technical assistance and related support from the LEA, the SEA, and the external evaluation team that are familiar with turnaround models through both quarterly formative and yearly summative reports provided by the external evaluation and research team (Dr. Noe Ramirez).

Schedule #4C—Performance Assessment and Evaluation

Part 1: Component Description. By submitting this application, the applicant agrees to comply with any reporting and evaluation requirements that TEA may establish and to submit the reports in the format TEA requests. (Response limited to one page each, font size no smaller than 9 pt, Arial or Verdana)

Section B: Formative Evaluation- Describe the LEA/campus' process for formative evaluation, including how the results of the evaluation will be used to improve the grant program

La Encantada Elementary includes a **Formative Evaluation Plan** that will be conducted as a basis for improvement that includes a data collection process, a reporting process and a review process. The evaluation will examine the conduct of the project and issue a determination of the effectiveness of the planning, design, implementation, and evaluation of **PROYECTO CULTURAL**. Project evaluation meetings will be conducted periodically at a minimum of four quarterly per year. Formative assessments will be administered to measure technical skill levels and level of preparedness to gauge improvement plan. Classroom and project observations will highlight methods to improve teaching, technology integration, and student success as the ultimate outcome. All data will be used to improve, refine, and correct deficiencies in TTIPS strategies. Evaluation results will be available to the San Benito Consolidated Independent School District (SBCISD) community and vested stakeholders as well the Texas Education Agency and Educational Regional Center One (ESC1). A second element of the program is continuous evaluation and tracking. Every year, Project **PROYECTO CULTURAL** teachers, counselors, mentors, and program directors work together to strengthen the program. The methods of evaluation will provide high quality implementation data and performance feedback, and permit periodic assessment of progress toward achieving intended outcomes to include a minimum of monthly updates by program director with both formative and summative reports included in a yearly external evaluation plan that allows for unbiased support from a company or entities that work with helping turnaround schools. The external evaluators will help refine the proposed plan with onsite support for the evaluation methods in conjunction with the TTIPS plan described in the application. During this phase the evaluation methods will be refined by soliciting input from staff directly involved in the implementation of the project and other partnership stakeholders, including the **District Shepherd, Grant Coordinators, Principals, Social Workers, Technology Coaches, Teacher Tutors, College mentors and additional teachers** hired by the grant. The TTIPS steering committee comprised of campus based representatives will meet monthly with the evaluation team and will be spearheaded by **Mrs. Gracie Martinez**, Campus Principal, and **Mrs. Celeste Sanchez**, Assistant Superintendent of Schools. Other ways of communicating project results and outcomes during the implementation and refinement phases and at the end of the project will be identified and deemed as necessary. As the project enters these phases, the project is monitored, and all viable avenues for communicating the project results are identified by project staff. With respect to communicating the project results and outcomes, the evaluator proposes to submit monthly and/or quarterly reports to the project director. These reports will be followed with the evaluator's submittal of a comprehensive evaluation report, professionally bound and in electronic versions, at the termination of the project. SBCISD Board members, as well as administrators, will receive access to all grant reports and make corrective action in grant development as with prior grants in order make periodic assessments of grant progress. **La Encantada Elementary** assures TEA that the following data to meet the following federal requirements will be available and reported as requested in both **formative and summative Project PROYECTO CULTURAL** reports;

- ✓ Number of minutes within the school year to include agenda meeting notes from TTIPS meetings.
- ✓ Average scale scores on State assessments in reading/language arts and in mathematics, by grade, for the "all students" group, for each achievement quartile, and for each subgroup.
- ✓ Number and percentage of students completing advanced coursework (e.g., AP/IB), early-college high schools, or dual enrollment classes from the TTIPS High School and accelerated recovery data from MS.
- ✓ College enrollment rates for the TTIPS SBCISD High Schools with college mentors participating in grant
- ✓ Teacher Attendance Rate
- ✓ Student Completion Rate
- ✓ Student Drop-Out Rate
- ✓ Locally developed competencies created to identify teacher strengths/weaknesses
- ✓ Types of support offered to teachers
- ✓ Types of on-going, job-embedded professional development for teachers
- ✓ Types of on-going, job-embedded professional development for administrators
- ✓ Strategies to increase parent/community involvement
- ✓ Strategies which increase student learning time

Section C: Qualitative and Quantitative Data Collection Methods- Describe the LEA/campus' process for data collection methods to be implemented and 1) how the data will be disaggregated; 2) used to improve instruction; and 3) obtain continuous improvement results		
<p>Project PROYECTO CULTURAL will provide both a Qualitative and Quantitative Data Collection Plan that includes collecting and utilizing various methodological data collection methods (i.e. surveys, interviews, focus groups, structured observations, etc.) at La Encantada Elementary. Dr. Noe Ramirez, external evaluator will use a research team to meet quarterly with the design teams to collect qualitative and quantitative data that allows precise measurement, including semi-structured interviews with a sample of teachers, parents, students and staff. The methodology identified to collect and analyze data will be rigorous, systemic, statistical and descriptive. A complete research study (experimental and quasi-experimental) between TTIPS and control sites to ensure the effectiveness of the program strategies and the enhancements of the TTIPS 7 CSF alignment for academic success specifically targeting one of the poorest geographical rural areas in Cameron County where eligible SBCISD TTIPS sites (6) average 84 % economically disadvantaged serving 99% underserved Hispanic students. In addition, these evaluation methods will be used to improve the quality of instruction and obtain continuous improvement results and help decipher the disaggregated data results that occur immediately after each benchmark and TAKS examination. To ensure an unbiased and thorough evaluation plan, the evaluation plan will utilize independent experienced consultants as external evaluators and neither the program developers (SBCISD Design Teams) nor the project implementer (Project Director and staff) will evaluate the impact of the project; Dr. Ramirez, in conjunction with project staff and other stakeholders, will develop objective performance measures which will include data collection instruments, to be developed and collected monthly by staff during the project's Year1 phase, that capture data on variables that will inform the project on the extent to which the proposed goals have been realized. The use of qualitative methods for data collection will involve project staff, in conjunction with the project evaluator, conducting focus groups to collect data from project stakeholders and to develop a comprehensive analysis of the project needs and progress in meeting its intended goals. Sets of open-ended questions will be developed during the Year 1 implementation phase of the grant, and refined during the project's 2nd and 3rd year components, which will serve as guides for qualitative data collection. During Year 1 of the implementation phase, the project university evaluators and research team, in conjunction with project staff, will identify the items that will be utilized to conduct focus groups with project stakeholders. The items to be identified for qualitative data collection will be framed in accordance with the type and number of stakeholders involved in the project. At this time five (5) stakeholders are being proposed for participation as respondents in the focus groups and they involve: (1) project staff directly involved in the implementation of the project; (2) personnel from the schools including principals; (3) the Leadership Team; (4) participants; and (5) mentors. The analysis of data will vary by the type of rigorous data collected for the project. SPSS software will be utilized to analyze quantitative data by developing data files that comprise coding of variables that are targeted for data collection and will serve to inform the project on the extent to which its goals have been achieved during the Year 1 implementation phase and Year 2 – Year 3 refinement and sustainability phases. Data from the instruments, to be administered during the project's planning and intervention phases, will be entered into the SPSS file from which analysis can be developed. Various statistical procedures will be utilized using SPSS: (1) frequency distributions and descriptive statistics will be used to present summaries of data that reflect on the project's progress and serve as recordings of data generated by the project; (2) t-test and Analysis of Variance (ANOVA) will be used to analyze differences, in accordance to nominal and interval-level data, between performance measures on the experimental and control groups; (2) Chi-square and other procedures such as Spearman's Rho will be used to conduct analysis of ordinal-level data such as ethnicity and grade, gender or school classification status; and (3) multiple regression to predict the extent to which the level of participation in the infusion of leadership strategies in school K-12, as innovative strategies, impact academic achievement. Comparatively, qualitative data that is collected, i.e., via focus groups and data collection instruments, will be analyzed utilizing NVivo software for qualitative data analysis and/or by reviewing of transcripts from focus groups which will be developed from (field) notes to be audio-recorded and/or through note-taking by support staff serving as research assistants in the project. Therefore, strict quarterly meetings will occur at the Assistant's Superintendent Board Room to discuss and collect the required data. The meeting will involve all awarded TTIPS sites with separate meeting appointments for each campus to discuss the TTIPS progress quarterly and to submit all data for evaluation input with the grant evaluation team. Formative reports will be given to the district from these meetings to improve instruction and provide continuous improvements.</p>

Part 2: Process for Development of Performance Goals		
Describe the process to be implemented to develop the campus' performance goals. Include the groups participating in the development of the goals. Responses are limited to two pages , front side only, with a font size no smaller than 9 point (Arial or Verdana).		
<p>La Encantada Elementary School created a Process for Development Plan for PROYECTO CULTURAL (Creative Utilization of Language and Teaching Unifying and Rewarding Academic Lessons) that helped establish the Program Goals and Objectives that included a specific support process of the grant design and another for the actual development of the specific strategic process towards the objectives that stemmed from a comprehensive needs assessment and a thorough review of campus reports by a highly qualified team of professionals involved in the Campus Needs Assessment Teams (8 Teams). On April 1, 2010, a faculty meeting was held to discuss the comprehensive needs assessment. Eight committees were formed for the purpose of planning for the 2010-2011 school year. Committee members were each assigned one component of the needs assessment. The committees met on April 6, 15, 21, and 26 to complete their task. Programs Considered:</p> <ul style="list-style-type: none"> • For instructional purposes, the CScope timeline is implanted on our campus as science, social studies, and math are utilized completely throughout the campus in grades K-2. Timelines, but not all lessons, are utilized in 3rd-5th which is purchasing the kits will add uniformity to the C&I initiative. • La Encantada Elementary provides instruction for special education students through inclusion and resource. We have one special education teacher who goes into the classroom and provides assistance to students with special needs. In addition, resource services in the areas of math and reading for students needing instruction below grade level are provided as content mastery are required to meet student needs. • La Encantada Elementary provides services to two students identified with dyslexia. The program implemented on our campus <i>Scottish Wright</i>. Dyslexia services are provided 5 times a weeks for one hour. • San Benito CISD implements the Transitional Bilingual program-late exit with 47% LEP student enrollment. This program serves students identified as students of limited English proficiency in both English and Spanish, or another language, and transfers a student to English-only instruction; academic growth is accelerated through cognately challenging academic work in the student's first language along with meaningful academic content taught through the student's second language, English. The challenge is to promote high levels of academic achievement and full academic language and full academic language proficiency in the student's first language and English. Students transitioned to early or students that are not provided the appropriate instructional process and support never lose their identity as LEP. Our goal is to ensure academic and language proficiency and success to master all subject areas, and meet the state exit criteria. • In addition, the Language Assessment Proficiency Committee (LPAC) composed of an administrator, bilingual teacher, language teacher, and parent must determine the student's language proficiency level based on student performance in their primary language, in the English language, teacher ratings, and other data available. The LPAC members are trained annually in order to be knowledgeable of the latest requirements, and ensure that the best recommendations for our students are made. • NCLB requires that all LEP students show at least one level of growth in English language every year. This is demonstrated through TELPAS. All LEP students, including those with parent denials must take the TELPAS test each year which reports the reading proficiency as beginner, intermediate, advanced, and advanced high. <p>With these program considerations, the following documents were reviewed for the development of program goals; Personnel Counts, PEIMS Disaggregation of Student Data, List of Migrant Students, AEIS Report for 2008-2009, Special Program Student Reports, Daily Attendance Control Totals, At-Risk Reports, Weekly Enrollment Reports. Additionally, DMAC Reports for TAKS data, TAKS-M, TAKS-Alt scores, TELPAS scores, benchmark scores, SAT scores, APRENDAS Scores, TPRI, Tejas Lee, PK assessments, student attendance, discipline referrals, classroom schedules, tutorials, Attendance sheets for tutorials, walk through documents, Staff Development Department Report Cards, NCLB Highly Qualified Reports, Surveys for Curriculum and Instruction, and Walkthrough data reports. Staff daily schedules were analyzed, as well as duty rosters, and schedules for all support staff services. STaR chart data were analyzed, as to determine technology needs. On May 14, 2010, the team met with the SBCISD Central Office and the district grant writers to finalize their plans.</p> <p>Specific Strategic Process and Goals</p> <ol style="list-style-type: none"> 9. Improve Academic Performance – Improve Student Achievement in Reading/ELA (Grades 3rd-5th) to 90% passing TAKS using Imagine Learning, Netbooks and E-instruction programs; Improve Student Achievement in Mathematics (Grades 3rd-5th) to 90% passing TAKS; Improve Student Achievement in Science (Grades 5th) to 90% passing TAKS with Sci-tech labs, and National Science Center; Improve Student Achievement in Writing (Grades 4th) to 95% passing Assessment; Improve Student Achievement in College/Career Readiness (5th graders) to 85% passing Assessment. 10. PROYECTO CULTURAL Support Process (5)

1. Establish strong relationships with key stakeholders, both internally and externally that includes looking for community based organizations, colleges and partners that could contribute toward the success. Add Scientifically Based Research and Best Practices for turnaround schools that include vendors, activities and strategies with effective outcomes that include student services, technology, professional development, and community engagement with evidence based interventions. 2. Align grant funding by collaborating with effective existing programs and services that merit support. Considerable effort was made to have budgetary meetings to discuss what priority levels and funding amounts could be placed on new personnel, services and supplies to include the most efficient yet most appropriate PD available. 3 Enhance grant-development expertise among faculty and administrators by providing quality PD opportunities and incentives as change agents as well as completion of certification in respective fields. Provide the best technology support and training for both teachers and students to allow SBCISD to bridge the digital divide as some sites experience up to 85% of their students with no access to the internet at home. Campus Wi-Fi towers are planned and full tech classrooms with net books cows will set a new standard for integrated classroom technology integration modeled after Vision 2020 grant. 4. Enhance efficiency and effectiveness of grant development and management processes. Design 100% dedicated staff to ensure that the new work is accomplished with accountability. Design oversight support so that leadership is supported by central office and external support. 5. Increase grant development strategies across the Campus with council development. Evaluate everything with specific statistical analysis, SBR not just quantitative reports of attendees, numbers or workshops that have limited impact on the goals and objectives of Project PROYECTO CULTURAL.

SCHEDULE #6A GENERAL PROVISIONS & ASSURANCES	TEXAS EDUCATION AGENCY Standard Application System School Years 2010-2013	031-912 County-District No.
Texas Title I Priority Schools Grant		

Statement of provisions and assurances for the program(s) in this application:

A. Terms defined: As used in these Provisions and Assurances,

- Contract means the entire document, and all of TEA's attachments, appendices, schedules (including but not limited to the General Provisions and the Special Provisions), amendments and extensions of or to the Standard Contract;
- Agency or TEA means the Texas Education Agency;
- Contractor means the party or parties to this contract other than Agency; including its or their officers, directors, employees, agents, representatives, consultants and subcontractors, and subcontractors' officers, directors, employees, agents, representatives and consultants;
- Project Administrator means the person representing Agency or Contractor, as indicated by the contract, for the purposes of administering the contract project;
- Contract Project means the purpose intended to be achieved through the contract of which these Provisions and Assurances are a part;
- Applicant means the same as Contractor;
- SAS means the Standard Application System of which the application document is a part;
- "Application" means the entire package submitted by the Applicant including the schedules contained in the application and so indicated on the General Information page of the application package;
- Amendment means an application that is revised in budget categories and/or in program activities. It includes both the original application and any subsequent amendments; or extensions thereto;
- Works means all tangible or intangible material, products, ideas, documents or works of authorship prepared or created by Contractor for or on behalf of TEA at any time after the beginning date of the Contract (Works includes but is not limited to computer software, data, information, images, illustrations, designs, graphics, drawings, educational materials, assessment forms, testing materials, logos, trademarks, patentable materials, etc.); and,
- Intellectual Property Rights means the worldwide intangible legal rights or interests evidenced by or embodied in: (a) any idea, design, concept, method, process, technique, apparatus, invention, discovery, or improvement, including any patents, trade secrets, and know-how; (b) any work of authorship, including any copyrights, moral rights or neighboring rights; (c) any trademark, service mark, trade dress, trade name, or other indicia of source or origin; (d) domain name registrations; and (e) any other similar rights. The Intellectual Property Rights of a party include all worldwide intangible legal rights or interests that the party may have acquired by assignment or license with the right to grant sublicenses.
- Grant means the same as Contract;
- Grantee means the same as Contractor;
- Grantor means the same as Agency; and
- DCC means the Document Control Center of Agency.

B. Contingency: This contract is executed by Agency subject to the availability of funds appropriated by legislative act for the purposes stated. All amendments and/or extensions or subsequent contracts entered into for the same or continued purposes are executed contingent upon the availability of appropriated funds. Notwithstanding any other provision in this contract or any other document, this contract is void upon appropriated funds becoming unavailable. In addition, this contract may be terminated by Agency at any time for any reason upon notice to Contractor. Expenditures and/or activities for which Contractor may claim reimbursement shall not be accrued or claimed subsequent to receipt of such notice from Agency. This contract may be extended or otherwise amended only by formal written amendment properly executed by both Agency and Contractor. No other agreement, written or oral, purporting to alter or amend this contract shall be valid.

C. Contractor's Application: Furnished to Agency in response to a request for application, is incorporated in this contract by reference for all necessary purposes. It is specifically provided, however, that the provisions of this contract shall prevail in all cases of conflict arising from the terms of Contractor's application whether such application is a written part of this contract or is attached as a separate document.

D. Requirements, Terms, Conditions, and Assurances: Which are stated in the Request for Application, in response to which Applicant is submitting this application, are incorporated herein by reference for all purposes although the current General Provisions shall prevail in the event of conflict. The instructions to the Standard Application System, as well as the General and Fiscal Guidelines and Program Guidelines, are incorporated herein by reference.

- E. Signature Authority; Final Expression; Superseding Document:** Applicant certifies that the person signing this application has been properly delegated this authority. The Contract represents the final and complete expression of the terms of agreement between the parties. The Contract supersedes any previous understandings or negotiations between the parties. Any representations, oral statements, promises or warranties that differ from the Contract shall have no force or effect. The Contract may be modified, amended or extended only by formal written amendment properly executed by both TEA and Contractor.
- F. State of Texas Laws:** In the conduct of the contract project, Contractor shall be subject to Texas State Board of Education and Commissioner rules pertaining to this contract and the contract project and to the laws of the State of Texas governing this contract and the contract project. This contract constitutes the entire agreement between Agency and Contractor for the accomplishment of the contract project. This contract shall be interpreted according to the laws of the State of Texas except as may be otherwise provided for in this contract.
- G. Monitoring:** Desk reviews or on-site monitoring reviews may be conducted by Agency to determine compliance with the approved application and the applicable statute(s), law(s), regulations, and guidelines.
- H. Sanctions for Failure to Perform or for Noncompliance:** If Contractor, in Agency's sole determination, fails or refuses for any reason to comply with or perform any of its obligations under this contract, Agency may impose such sanctions as it may deem appropriate. This includes but is not limited to the withholding of payments to Contractor until Contractor complies; the cancellation, termination, or suspension of this contract in whole or in part; and the seeking of other remedies as may be provided by this contract or by law. Any cancellation, termination, or suspension of this contract, if imposed, shall become effective at the close of business on the day of Contractor's receipt of written notice thereof from Agency.
- I. Contract Cancellation, etc.:** If this contract is canceled, terminated, or suspended by Agency prior to its expiration date, the reasonable monetary value of services properly performed by Contractor pursuant to this contract prior to such cancellation, termination or suspension shall be determined by Agency and paid to Contractor as soon as reasonably possible.
- J. Indemnification:**
For local educational agencies (LEAs), regional education service centers (ESCs), and institutions of higher education (IHEs) and state agencies: Contractor, to the extent permitted by law, shall hold Agency harmless from and shall indemnify Agency against any and all claims, demands, and causes of action of whatever kind or nature asserted by any third party and occurring or in any way incident to, arising from, or in connection with, any acts of Contractor, its agents, employees, and subcontractors, done in the conduct of the contract project.
For all other grantees, subgrantees, contractors, and subcontractors, including nonprofit organizations and for-profit businesses: Contractor shall hold Agency harmless from and shall indemnify Agency against any and all claims, demands, and causes of action of whatever kind or nature asserted by any third party and occurring or in any way incident to, arising from, or in connection with, any acts of Contractor, its agents, employees, and subcontractors, done in the conduct of the contract project.
- K. Encumbrances/Obligations and Liquidations:** All encumbrances/obligations shall occur on or between the beginning and ending dates of the contract. All goods must be received and all services rendered between the beginning and ending dates of the contract. The contractor must liquidate (record as an expenditure) all obligations (encumbrances) incurred under the contract no later than 30 days after the ending date of the contract, to coincide with the submission of the final expenditure report, due 30 days after the ending date of the contract. In no manner shall encumbrances be considered or reflected as accounts payable or as expenditures, and an encumbrance cannot be considered an expenditure or accounts payable until the goods have been received and the services have been rendered. Obligations that are liquidated and recognized as expenditures must meet the allowable cost principles in OMB Circular A-87, A-21, or A-122 (as applicable) and program rules, regulations, and guidelines contained elsewhere. This applies to all grant programs, including state and federal, discretionary and formula.

Texas Title I Priority Schools Grant		

- L. Financial Management and Accounting:** Grantee assures it will maintain a financial management system that complies with federal standards established in 34 CFR 80.20 and 74.21 and that provides for accurate, current, and complete disclosure of the financial results of each grant project. The financial management system records will identify adequately the source and application of funds and will contain information pertaining to grant awards, authorizations, obligations, unobligated balances, assets, outlays (i.e., expenditures), income, and interest. Fiscal control and accounting procedures will permit the tracing of funds to a level of expenditure adequate to establish that funds have been used in accordance with the approved grant application. The applicant agrees to maintain effective control over and accountability for all funds, property, and other assets. Public school districts, open enrollment charter schools, and regional education service centers in Texas must comply with the accounting requirements in the Financial Accounting and Reporting (FAR) module of the *Financial Accountability System Resource Guide*, Texas Education Agency (34 CFR 74.21; 34 CFR 80.20; TEA *Financial Accountability System Resource Guide*).
- M. Expenditure Reports:** Contractor shall submit expenditure reports in the time and manner requested by Agency as specified in the instructions to the Standard Application System (SAS) which are incorporated by reference. Unless otherwise specified, interim reports are due to TEA within 15 days after the end of each reporting period. Unless otherwise specified, the final expenditure report is due within 30 days after the ending date of the grant. Revised expenditure reports, where the grantee is claiming additional expenditures beyond that originally requested, must be submitted within 60 days after the ending date of the grant, or as specified in the applicable Program Guidelines.
- N. Refunds Due to TEA:** If Agency determines that Agency is due a refund of money paid to Contractor pursuant to this contract, Contractor shall pay the money due to Agency within 30 days of Contractor's receipt of written notice that such money is due to Agency. If Contractor fails to make timely payment, Agency may obtain such money from Contractor by any means permitted by law, including but not limited to offset, counterclaim, cancellation, termination, suspension, total withholding, and/or disapproval of all or any subsequent applications for said funds.
- O. Records Retention:** Contractor shall maintain its records and accounts in a manner which shall assure a full accounting for all funds received and expended by Contractor in connection with the contract project. These records and accounts shall be retained by Contractor and made available for programmatic or financial audit by Agency and by others authorized by law or regulation to make such an audit for a period of not less than five years from the date of completion of the contract project or the date of the receipt by Agency of Contractor's final claim for payment or final expenditure report in connection with this contract, whichever is later. If an audit has been announced, the records shall be retained until such audit has been completed.
- Contractor understands that acceptance of funds under this contract acts as acceptance of the authority of the State Auditor's office, or any successor agency, to conduct an audit or investigation in connection with those funds. Contractor further agrees to cooperate fully with the State Auditor's Office or its successor in the conduct of the audit or investigation, including providing all records requested. Contractor will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Contractor and the requirements to cooperate is included in any subcontract it awards.
- P. Time and Effort Recordkeeping:** For those personnel whose salaries are prorated between or among different funding sources, time and effort records will be maintained by Applicant that will confirm the services provided within each funding source. Applicant must adjust payroll records and expenditures based on this documentation. This requirement applies to all projects, regardless of funding source, unless otherwise specified. For federally funded projects, time and effort records must be in accordance with the requirements in the applicable OMB cost principles.
- Q. Forms, Assurances, and Reports:** Contractor shall timely make and file with the proper authorities all forms, assurances and reports required by federal laws and regulations. Agency shall be responsible for reporting to the proper authorities any failure by Contractor to comply with the foregoing laws and regulations coming to Agency's attention, and may deny payment or recover payments made by Agency to Contractor in the event of Contractor's failure so to comply.
- R. Intellectual Property Ownership:** Contractor agrees that all Works are, upon creation, works made for hire and the sole property of TEA. If the Works are, under applicable law, not considered works made for hire, Contractor hereby assigns to TEA all worldwide ownership of all rights, including the Intellectual Property Rights, in the Works, without the necessity of any further consideration, and TEA can obtain and hold in its own name all such rights to the Works. Contractor agrees to maintain written agreements with all officers, directors, employees, agents, representatives and subcontractors engaged by Contractor for the Contract Project, granting Contractor rights sufficient to support the performance and grant of rights to TEA by Contractor. Copies of such agreements shall be provided to TEA promptly upon request.

SCHEDULE #6A – cont. GENERAL PROVISIONS & ASSURANCES	TEXAS EDUCATION AGENCY Standard Application System School Years 2010-2013	<u>031-912</u> County-District No.
Texas Title I Priority Schools Grant		

Contractor warrants that (i) it has the authority to grant the rights herein granted, (ii) it has not assigned or transferred any right, title, or interest to the Works or Intellectual Property Rights that would conflict with its obligations under the Contract, and Contractor will not enter into any such agreements, and (iii) the Works will be original and will not infringe any intellectual property rights of any other person or entity. These warranties will survive the termination of the Contract. If any preexisting rights are embodied in the Works, Contractor grants to TEA the irrevocable, perpetual, non-exclusive, worldwide, royalty-free right and license to (i) use, execute, reproduce, display, perform, distribute copies of, and prepare derivative works based upon such preexisting rights and any derivative works thereof and (ii) authorize others to do any or all of the foregoing. Contractor agrees to notify TEA on delivery of the Works if they include any such preexisting rights. On request, Contractor will provide TEA with documentation indicating a third party's written approval for Contractor to use any preexisting rights that may be embodied or reflected in the Works.

For School Districts and Nonprofit Organizations: The foregoing Intellectual Property Ownership provisions apply to any school districts, nonprofit organizations, and their employees, agents, representatives, consultants and subcontractors. If a school district or nonprofit organization or any of its subcontractor(s) wish to obtain a license agreement to use, advertise, offer for sale, sell, distribute, publicly display, publicly perform or reproduce the Works, or make derivative works from the Works, then express written permission must first be obtained from the TEA Copyright Office.

For Education Service Centers (ESCs): The foregoing Intellectual Property Ownership provisions apply to an Education Service Center (ESC) and its employees, agents, representatives, consultants, and subcontractors. If an ESC or any of its subcontractor(s) wish to obtain a license agreement to use, advertise, offer for sale, sell, distribute, publicly display, publicly perform or reproduce the Works, or make derivative works from the Works, then express written permission must first be obtained from the TEA Copyright Office.

For Colleges and Universities: The foregoing Intellectual Property Ownership provisions apply to any colleges and universities and their employees, agents, representatives, consultants, and subcontractors; provided, that for all Works and derivative works created or conceived by colleges or universities under the Contract, they are granted a non-exclusive, non-transferable, royalty-free license to use the Works for their own academic and educational purposes only. The license for academic and educational purposes specifically excludes advertising, offering for sale, selling, distributing, publicly displaying, publicly performing, or reproducing the Works, or making derivative works from the Works that are created or conceived under this Contract and colleges and universities and their employees, agents, representatives, consultants, and subcontractors are prohibited from engaging in these uses and activities with regard to the Works unless the prior express written permission of the TEA Copyright Office is obtained.

- S. Unfair Business Practices:** By signing this Contract, Contractor, if other than a state agency, certifies that Contractor, within the preceding 12 months, has not been found guilty, in a judicial or state agency administrative proceeding, of unfair business practices. Contractor, if other than a state agency, also certifies that no officer of its company has, within the preceding 12 months, served as an officer in another company which has been found, in a judicial or state agency administrative proceeding, to be guilty of unfair business practices.

Contractor, whether a state agency or not a state agency, certifies that no funds provided under this Contract shall be used to purchase supplies, equipment, or services from any companies found to be guilty of unfair business practices within 12 months from the determination of guilt.

- T. Subcontracting:** Contractor shall not assign or subcontract any of its rights or responsibilities under this contract, except as may be otherwise provided for in this application, without prior formal written amendment to this contract properly executed by both Agency and Contractor.
- U. Use of Consultants:** Notwithstanding any other provision of this application, Applicant shall not use or pay any consultant in the conduct of this application if the services to be rendered by any such consultant can be provided by Applicant's employees.
- V. Capital Outlay:** If Contractor purchases capital outlay (furniture and/or equipment) to accomplish the objective(s) of the project, title will remain with Contractor for the period of the contract. Agency reserves the right to transfer capital outlay items for contract noncompliance during the contract period or as needed after the ending date of the contract. This provision applies to any and all furniture and/or equipment regardless of unit price and how the item is classified in Contractor's accounting record.

Texas Title I Priority Schools Grant		

- W. Agency Property (terms):** In the event of loss, damage or destruction of any property owned by or loaned by Agency while in the custody or control of Contractor, its employees, agents, consultants or subcontractors, Contractor shall indemnify Agency and pay to Agency the full value of or the full cost of repair or replacement of such property, whichever is the greater, within 30 days of Contractor's receipt of written notice of Agency's determination of the amount due. This applies whether the property is developed or purchased by Contractor pursuant to this contract or is provided by Agency to Contractor for use in the contract project. If Contractor fails to make timely payment, Agency may obtain such money from Contractor by any means permitted by law, including but not limited to offset or counterclaim against any money otherwise due to Contractor by Agency.
- X. Travel Costs:** Amounts authorized for maximum recovery for travel and per diem costs against any state or federal funding source are restricted to those amounts which are approved in the State of Texas Appropriations Bill in effect for the particular funding period. Any amount over this limit must come from local funding sources. Applicant must recover funds at a lesser rate if local policy amounts are less than the maximum allowed by the state. Out-of-state travel may not exceed the federal government rate for the locale. Travel allowances are not allowable costs.
- Y. Funds for Religious Worship, Instruction:** No funds will be used to pay for religious worship, instruction, or proselytization, or for any equipment or supplies for such, or for any construction, remodeling, repair, operation, or maintenance of any facility or part of a facility to be used for religious worship, instruction, or proselytization (34 CFR 76.532 and P. L. 107-110, section 9505).
- Z. Disclosure of Gifts and Campaign Contributions:** The grantee shall file disclosures of gifts and campaign contributions as required by State Board of Education Operating Rule 4.3, which is incorporated as if set out in full. The grantee has a continuing obligation to make disclosures through the term of the contract. Failure to comply with State Board of Education Operating Rule 4.3 is grounds for canceling the grant.
- AA. Submission of Audit Reports to TEA:** Grantees which are public school districts and open enrollment charter schools agree to submit the required annual audit report, including the reporting package required under OMB Circular A-133, if an audit is required to be conducted in accordance with OMB Circular A-133, to the TEA Division of School Financial Audits in the time and manner requested by the Agency.
- Grantees which are **nonprofit organizations (other than charter schools) and universities/colleges** that expend \$500,000 or more total in federal awards in any fiscal year and are thus required to conduct a Single Audit or program-specific audit in accordance with the requirements in OMB Circular A-133, agree to submit a copy of such audit to TEA when the schedule of findings and questioned costs disclosed audit findings relating to any federal awards provided by TEA. A copy of such audit shall also be submitted to TEA if the summary schedule of prior audit findings reported the status of any audit findings relating to any federal awards provided by TEA.
- A **nonprofit organization or university/college** grantee shall provide written notification to TEA that an audit was conducted in accordance with OMB Circular A-133 when the schedule of findings and questioned costs disclosed no audit findings related to any federal awards provided by TEA or when the summary schedule of prior audit findings did not report on the status of any prior audit findings related to any federal awards provided by TEA. Nonprofit organizations (other than charter schools) and universities/colleges shall submit the audit report to the TEA Division of Discretionary Grants. Audit reports must be submitted to TEA within 30 days of receipt of the report from the auditor. Failure to submit a copy of the audit to TEA could result in a reduction of funds paid to the grantee, a refund to TEA, termination of the grant, and/or ineligibility to receive additional grant awards from TEA.
- BB. Federal Rules, Laws, and Regulations That Apply to all Federal Programs:** Contractor shall be subject to and shall abide by all federal laws, rules and regulations pertaining to the contract project, including but not limited to:
- Americans With Disabilities Act**, P. L. 101-336, 42 U.S.C. sec. 12101, and the regulations effectuating its provisions contained in 28 CFR Parts 35 and 36, 29 CFR Part 1630, and 47 CFR Parts 0 and 64;
 - Title VI of the Civil Rights Act of 1964**, as amended (prohibition of discrimination by race, color, or national origin), and the regulations effectuating its provisions contained in 34 CFR Part 100;
 - Title IX of the Education Amendments of 1972**, as amended (prohibition of sex discrimination in educational institutions) and the regulations effectuating its provisions contained in 34 CFR Part 106, if Contractor is an educational institution;
 - Section 504 of the Rehabilitation Act of 1973**, as amended (nondiscrimination on the basis of handicapping condition), and the regulations effectuating its provisions contained in 34 CFR Part 104 and 105;

SCHEDULE #6A – cont. GENERAL PROVISIONS & ASSURANCES	TEXAS EDUCATION AGENCY Standard Application System School Years 2010-2013	031-912 County-District No.
Texas Title I Priority Schools Grant		

5. the **Age Discrimination Act of 1975**, as amended (prohibition of discrimination on basis of age), and any regulations issued thereunder, including the provisions contained in 34 CFR Part 110;
6. the **Family Educational Rights and Privacy Act (FERPA) of 1975**, as amended (ensures access to educational records for students and parents while protecting the privacy of such records), and any regulations issued thereunder, including **Privacy Rights of Parents and Students** (34 CFR Part 99), if Contractor is an educational institution (20 USC 1232g);
7. Section 509 of H.R. 5233 as incorporated by reference in P. L. 99-500 and P. L. 99-591 (**prohibition against the use of federal grant funds to influence legislation pending before Congress**);
8. **Pro-Children Act of 2001**, which states that no person shall permit smoking within any indoor facility owned or leased or contracted and utilized for the provision of routine or regular kindergarten, elementary, or secondary education or library services to children [P. L. 107-110, Section 4303(a)]. In addition, no person shall permit smoking within any indoor facility (or portion of such a facility) owned or leased or contracted and utilized for the provision of regular or routine health care or day care or early childhood development (Head Start) services [P. L. 107-110, Section 4303(b)(1)]. Any failure to comply with a prohibition in this Act shall be considered to be a violation of this Act and any person subject to such prohibition who commits such violation may be liable to the United States for a civil penalty, as determined by the Secretary of Education (P. L. 107-110, Section 4303(e)(1)).
9. **Fair Labor Standards Act (29 USC 207)**, **Davis Bacon Act (40 USC 276(a))**, and **Contract Work Hours and Safety Standards Act (40 USC 327 et seq.)**, as applicable, and their implementing regulations in 29 CFR 500-899, 29 CFR Parts 1,3,5, and 7, and 29 CFR Parts 5 and 1926, respectively.
10. **Buy America Act**: Contractor certifies that it is in compliance with the Buy America Act in that each end product purchased under any federally funded supply contract exceeding \$2,500 is considered to have been substantially produced or manufactured in the United States. End products exempt from this requirement are those for which the cost would be unreasonable, products manufactured in the U. S. that are not of satisfactory quality, or products for which the agency head determines that domestic preference would be inconsistent with the public interest. Contractor also certifies that documentation will be maintained that documents compliance with this requirement (FAR 25.1-.2).
11. P.L. 103-227, Title X, Miscellaneous Provisions of the GOALS 2000: Educate America Act; P.L. 103-382, Title XIV, General Provisions of the Elementary and Secondary Education Act, as amended; and General Education Provisions Act, as amended.

CC. Federal Regulations Applicable to All Federal Programs:

1. **For Local Educational Agencies (LEAs)**: 28 CFR 35 Subparts A-E, 28 CFR 36 Subparts C & D, Appendix A, 29 CFR 1630, 34 CFR 75 or 76 as applicable, 77, 79, 80, 81, 82, 85, 97, 98, 99, 104, 47 CFR 0 and 64, and OMB Circulars A-87 (Cost Principles), A-133 (Audits), and A-102 (Uniform Administrative Requirements);
2. **For Education Service Centers (ESCs)**: 28 CFR 35 Subparts A-E, 28 CFR 36 Subparts C & D, Appendix A, 29 CFR 1630, 34 CFR 75 or 76 as applicable, 77, 79, 80, 81, 82, 85, 97, 98, 99, 104, 47 CFR 0 and 64, and OMB Circulars A-87 (Cost Principles), A-133 (Audits), and A-102 (Uniform Administrative Requirements);
3. **For Institutions of Higher Education (IHEs)**: 28 CFR 35 Subparts A-E, 28 CFR 36 Subparts C & D, Appendix A, 29 CFR 1630, 34 CFR 74, 77, 79, 81, 82, 85, 86, 97, 98, 99, 104, 47 CFR 0 and 64, and OMB Circulars A-21 (Cost Principles), A-133 (Audits), and A-110 (Uniform Administrative Requirements);
4. **For Nonprofit Organizations**: 28 CFR 35 Subparts A-E, 28 CFR 36 Subparts C & D, Appendix A, 29 CFR 1630, 34 CFR 74, 77, 79, 81, 82, 85, 97, 98, 99, 104, 47 CFR 0 and 64, and OMB Circulars A-122 (Cost Principles), A-133 (Audits), and A-110 (Uniform Administrative Requirements);
5. **For State Agencies**: 28 CFR 35 Subparts A-E, 28 CFR 36 Subparts C & D, Appendix A, 29 CFR 1630, 34 CFR 76, 80, 81, 82, 85, 97, 98, 99, 104, 47 CFR 0 and 64, OMB Circulars A-87 (Cost Principles), A-133 (Audits), and A-102 (Uniform Administrative Requirements); and
6. **For Commercial (for-profit) Organizations**: 29 CFR 1630 and 48 CFR Part 31.

DD. General Education Provisions Act (GEPA), as Amended, Applicable to All Federal Programs Funded or Administered Through or By the U. S. Department of Education:

1. **Participation in Planning**: Applicant will provide reasonable opportunities for the participation by teachers, parents, and other interested parties, organizations, and individuals in the planning for and operation of each program described in this application (20 USC 1232(e)).

SCHEDULE #6A – cont. GENERAL PROVISIONS & ASSURANCES	TEXAS EDUCATION AGENCY Standard Application System School Years 2010-2013	<u>031-912</u> County-District No.
Texas Title I Priority Schools Grant		

2. **Availability of Information:** Any application, evaluation, periodic program plan, or report relating to each program described in this application will be made readily available to parents and other members of the general public (20 USC 1232(e)).
 3. **Sharing of Information:** Contractor certifies that it has adopted effective procedures for acquiring and disseminating to teachers and administrators participating in each program described in this application significant information from educational research, demonstrations, and similar projects, and for adopting, where appropriate, promising educational practices developed through such projects (20 USC 1232(e)).
 4. **Prohibition of Funds for Busing:** The applicant certifies that no federal funds (except for funds appropriated specifically for this purpose) will be used for the transportation of students or teachers (or for the purchase of equipment for such transportation) in order to overcome racial imbalance in any school or school system, or for the transportation of students or teachers (or for the purchase of equipment for such transportation) in order to carry out a plan of racial desegregation of any school or school system (20 USC 1228).
 5. **Direct Financial Benefit:** Contractor certifies that funds expended under any federal program will not be used to acquire equipment (including computer software) in any instance in which such acquisition results in a direct financial benefit to any organization representing the interests of the purchasing entity or its employees or any affiliate of such an organization [20 USC 1232(b)(8)].
- EE. Payment for Services:** Payment for service(s) described in this Contract is contingent upon satisfactory completion of the service(s). Satisfaction will be determined by TEA's Project Administrator, in his sole discretion but in accordance with reasonable standards and upon advice of his superiors in TEA, if necessary.
- FF. Family Code Applicability:** By signing this Contract, Contractor, if other than a state agency, certifies that under Section 231.006, Family Code, that Contractor is not ineligible to receive payment under this Contract and acknowledges that this Contract may be terminated and payment may be withheld if this certification is inaccurate. TEA reserves the right to terminate this Contract if Contractor is found to be ineligible to receive payment. If Contractor is found to be ineligible to receive payment and the Contract is terminated, Contractor is liable to TEA for attorney's fees, the costs necessary to complete the Contract, including the cost of advertising and awarding a second contract, and any other damages or relief provided by law or equity.
- GG. Interpretation:** In the case of conflicts arising in the interpretation of wording and/or meaning of various sections, parts, Appendices, General Provisions, Special Provisions, Exhibits, and Attachments or other documents, the TEA Contract and its General Provisions, Appendices and Special Provisions shall take precedence over all other documents which are a part of this contract.
- HH. Registered Lobbyists:** No state or federal funds transferred to a contractor/grantee may be used to hire a registered lobbyist.
- II. Test Administration and Security:** This contract is executed by Agency subject to assurance by Contractor that it has at all times been and shall remain in full compliance with Title 19, Texas Administrative Code Chapter 101, and all requirements and procedures for maintaining test security specified in any test administration materials in the possession or control of Contractor, or any school, campus, or program operated by Contractor. Notwithstanding any other provision in this contract or any other document, this contract is void upon notice by Agency, in its sole discretion, that Contractor or any school, campus, or program operated by Contractor has at any time committed a material violation of Title 19, Texas Administrative Code Chapter 101, or any requirement or procedure for maintaining test security specified in any test administration materials in the possession or control of Contractor, or any school, campus, or program operated by Contractor. Expenditures and/or activities for which Contractor may claim reimbursement shall not be accrued or claimed subsequent to receipt of such notice from Agency.
- JJ. Social Security Numbers:** Social Security numbers will not be provided by TEA as a part of this agreement. TEA is not requiring or requesting school districts or other grantees to provide Social Security numbers as a part of this agreement.
- KK. Student-identifying Information:** Contractor agrees that in executing tasks on behalf of TEA, Contractor will not use any student-identifying information in any way that violates the provisions of FERPA and will destroy or return all student-identifying information to TEA within thirty (30) days of project completion.

SCHEDULE #6A – cont. GENERAL PROVISIONS & ASSURANCES	TEXAS EDUCATION AGENCY Standard Application System School Years 2010-2013	<u>031-912</u> County-District No.
Texas Title I Priority Schools Grant		

LL. High-Risk Status, Special Conditions, and Enforcement Actions: Pursuant to the provisions in 34 CFR 80.12 and 74.14, a grantee may be identified by TEA as high-risk if the grantee has a history of unsatisfactory performance; is not financially stable; has a financial management system that does not meet federal financial management standards or the requirements in TEA's Financial Accounting and Reporting (FAR) module; has not conformed to terms and conditions of previous awards; or is otherwise not responsible. TEA may impose one or more special conditions or restrictions on a high-risk grantee, including payment on a reimbursement basis; withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given funding period; requiring additional, more detailed financial reports; additional project monitoring; requiring the grantee to obtain technical or management assistance; establishing additional prior approvals; or other conditions that may be legally available. A grantee identified as high-risk will be notified in writing by TEA of the special conditions imposed and the process for removing the high-risk status and special conditions.

Pursuant to the provisions in 34 CFR 80.43 and 74.62, if a grantee materially fails to comply with any term of an award, whether stated in a federal statute or regulation, an assurance, in a grant application, or elsewhere, TEA may take one or more of the following enforcement actions as appropriate in the circumstances: temporarily withhold cash payments pending correction of the deficiency or more severe enforcement action; disallow all or part of the cost of an activity or action not in compliance; wholly or partly suspend or terminate the current award; withhold further awards for the program; or take other remedies that may be legally available. If an enforcement action is imposed, the grantee will be notified in writing by TEA of the actions imposed and the process for remedying the noncompliance or removing the enforcement actions.

TEA reserves the right to not award a discretionary grant to a high-risk grantee or to a grantee that is materially non-compliant with the terms and conditions of another award.

Rev. 03/2010

The signing of Schedule #1 - General Information by applicant indicates acceptance of and compliance with all requirements described on this schedule.

SCHEDULE #6 B Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transactions	TEXAS EDUCATION AGENCY Standard Application System School Years 2010-2013	_____ 031-912 County-District No.
Texas Title I Priority Schools Grant		

This certification is required by the Department of Education regulations implementing Executive Order 12549, Debarment and Suspension, 34 CFR Part 85, for all lower tier transactions meeting the threshold and tier requirements stated at Section 85.11.

Terms defined: As used in these Provisions and Assurances

- "Covered Transaction"— A transaction under Federal non-procurement programs, which can be either a primary covered transaction or a lower tier covered transaction.
 - "Lower Tier Covered Transaction"— (1) Any transaction between a participant and a person other than a procurement contract for goods or services, regardless of type, under a primary covered transaction; (2) Any procurement contract for goods or services between a participant and a person, regardless of type, expected to equal or exceed the Federal procurement small purchase threshold of \$25,000; (3) Any procurement contract for goods or services between a participant and a person under a covered transaction, regardless of amount.
 - "Participant"— Any person who submits a proposal for, enters into, or reasonably may be expected to enter into a covered transaction, including an agent or representative of another participant.
 - "Principal"— An officer, director, owner, partner, principal investigator, or other person within a participant with management or supervisory responsibilities related to a covered transaction; or a consultant or other person, whether or not employed by the participant or paid with Federal funds, who (1) is in a position to handle Federal funds; (2) is in a position to influence or control the use of those funds; or (3) occupies a technical or professional position capable of substantially influencing the development or outcome of an activity required to perform the covered transaction.
 - "Excluded Parties List System (EPLS)"— The list maintained and disseminated by the General Services Administration (GSA) containing names and other information about persons who are ineligible.
 - "Debarment"— Action taken by a debarring official (Federal agency) to exclude a person (recipient) from participating in covered transactions.
 - "Suspension"— An action taken that immediately prohibits a person from participating in covered transactions for a temporary period, pending completion of an agency investigation and any judicial or administrative proceedings that may ensue.
 - "Ineligible" generally refers to a person who is either excluded or disqualified.
 - "Person"— Any individual, corporation, partnership, association, unit of government or legal entity, however organized, except: foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, and entities consisting wholly or partially of foreign governments or foreign governmental entities.
 - "Proposal"—A solicited or unsolicited bid, application, request, invitation to consider or similar communication by or on behalf of a person seeking to participate or to receive a benefit, directly or indirectly, in or under a covered transaction.
 - "Voluntarily Excluded"—A status of nonparticipation or limited participation in covered transactions assumed by a person pursuant to the terms of a settlement.
1. By signing SAS Schedule #1 and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
 2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
 3. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
 4. The terms "covered transaction", "debarred", "suspended", "ineligible", "lower tier covered transaction", "participant", "person", "primary covered transaction", "principal", "proposal", and "voluntarily excluded", as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
 5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

SCHEDULE #6B Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transactions	TEXAS EDUCATION AGENCY Standard Application System School Years 2010-2013 Required for all federal grants regardless of the dollar amount	<div style="text-align: center;"> <u>031-912</u> County-District No. </div>
Texas Title I Priority Schools Grant		

6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled ***Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion-Lower Tier Covered Transactions***, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may but is not required to, check the Non-procurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Certification

- (1) The prospective lower tier participant certifies, by signature on SAS Schedule #1 and by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.
- (2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

SCHEDULE #6E NCLB ACT PROVISIONS & ASSURANCES	TEXAS EDUCATION AGENCY Standard Application System School Years 2010-2013	031-912 County-District No.
Texas Title I Priority Schools Grant		

The following special provisions apply to all programs funded under the Elementary and Secondary Education Act, as amended by P. L. 107-110, No Child Left Behind (NCLB) Act of 2001. By signing Schedule #1 of this SAS, the applicant is assuring it is in compliance with the following provisions:

- A. Each such program will be administered in accordance with all applicable statutes, regulations, program plans, and applications.
- B. The control of funds provided under each such program and title to property acquired with program funds will be in a public agency or in a nonprofit private agency, institution, organization, or Indian tribe, if the law authorizing the program provides for assistance to such entities.
- C. The public agency, nonprofit private agency, institution, or organization, or Indian tribe will administer such funds and property to the extent required by the authorizing statutes.
- D. The applicant will adopt and use proper methods of administering each such program, including the enforcement of any obligations imposed by law on agencies, institutions, organizations, and other recipients responsible for carrying out each program and the correction of deficiencies in program operations that are identified through audits, monitoring, or evaluation.
- E. The applicant will cooperate in carrying out any evaluation of each such program conducted by or for the Texas Education Agency, the Secretary of Education or other federal officials.
- F. The applicant will use such fiscal control and fund accounting procedures as will ensure proper disbursement of, and accounting for, federal funds paid to such applicant under each such program.
- G. The applicant will submit such reports to the Texas Education Agency (which shall make the reports available to the Governor) and the Secretary of Education, as the Texas Education Agency and the Secretary of Education may require to enable the Texas Education Agency and the Secretary of Education to perform their duties under each such program.
- H. The applicant will maintain such records, provide such information, and afford access to the records as the Agency (after consultation with the Governor) or the Secretary may find necessary to carry out the Agency's or the Secretary's duties.
- I. Before the application was submitted, the applicant afforded a reasonable opportunity for public comment on the application and has considered such comment.
- J. **Gun-Free Schools Act:** The local education agency assures that it is in compliance with Section 37.007(e) of the Texas Education Code, which requires expulsion of a student who brings to school or possesses at school a firearm as defined by 18 U.S.C. Section 2891 [pursuant to the requirements in P. L. 107-110, Section 4141(d)(1)]. In addition, the local educational agency certifies that it has a policy requiring referral to the criminal justice or juvenile delinquency system of any student who brings a firearm or weapon to school [P. L. 107-110, Section 4141(h)(1)].
- K. **Student Records Transfer:** The local educational agency shall ensure that a student's records and, if applicable, a student's Individualized education program as defined in section 602(11) of the Individuals with Disabilities Education Act, are transferred to a charter school upon the transfer of the student to the charter school, and to another public school upon the transfer of the student from a charter school to another public school, in accordance with applicable state law (P. L. 107-110, section 5208).
- L. **Consolidation of Administrative Funds:** A local educational agency, with the approval of TEA, may consolidate and use for the administration of one or more programs under the No Child Left Behind Act not more than the percentage, established in each program, of the total available for the local educational agency under those programs. A local educational agency that consolidates administrative funds shall not use any other funds under the programs included in the consolidation for administration for that fiscal year. Consolidated administrative funds shall be used for the administration of the programs covered and may be used for coordination of these programs with other federal and non-federal programs and for dissemination of information regarding model programs and practices.
- M. **Privacy of Assessment Results:** Any results from an individual assessment referred to in the No Child Left Behind Act of a student that become part of the education records of the student shall have the protections provided in section 444 of the General Education Provisions Act [P. L. 107-110, section 9523 and the Family Educational Rights and Privacy Act (FERPA) of 1975, as amended].

- N. School Prayer:** The local educational agency certifies that it is in compliance with Section 25.901 of the Texas Education Code. In addition, as a condition of receiving funds under the No Child Left Behind Act, the local educational agency certifies that no policy of the local educational agency prevents, or otherwise denies participation in, constitutionally protected prayer in public elementary schools and secondary schools, as detailed in the guidance provided by the U. S. Secretary of Education pertaining to such. The state educational agency shall report to the Secretary of Education each year a list of those local educational agencies that have not filed this assurance or against which complaints have been made to the State educational agency that the local educational agencies are not in compliance with this requirement (P. L. 107-110, section 9524(b)).
- O. Equal Access to Public Schools Facilities – Boy Scouts of America Equal Access Act:** No public elementary school, public secondary school or local educational agency that has a designated open forum or a limited public forum and that receives funds made available from the U. S. Department of Education shall deny equal access or a fair opportunity to meet, or to discriminate against, any group officially affiliated with the Boy Scouts of America, or any other youth group listed in Title 36 of the United States Code (as a patriotic society), that wishes to conduct a meeting within that designated open forum or limited public forum, including denying such access or opportunity or discriminating for reasons based on the membership or leadership criteria or oath of allegiance to God and country of the Boy Scouts of America or of the youth group listed in Title 36 of the United States Code (as a patriotic society). For the purposes of this section, an elementary school or secondary school has a limited public forum whenever the school involved grants an offering to, or opportunity for, one or more outside youth or community groups to meet on school premises or in school facilities before or after the hours during which attendance at the school is compulsory. Nothing in this section shall be construed to require any school, agency, or a school served by an agency to sponsor any group officially affiliated with the Boy Scouts of America, or any other youth group listed in Title 36 of the United States Code (as a patriotic society). Compliance with this provision will be enforced through rules and orders issued by the Office for Civil Rights. If the public school or agency does not comply with the rules or orders, no funds made available through the Department of Education shall be provided by a school that fails to comply with such rules or orders or to any agency or school served by an agency that fails to comply with such rules or orders (P. L. 107-110, section 9525).
- P. General Prohibitions:** None of the funds authorized under the No Child Left Behind Act shall be used to develop or distribute materials, or operate programs or courses of instruction directed at youth, that are designed to promote or encourage sexual activity, whether homosexual or heterosexual; to distribute or to aid in the distribution by any organization of legally obscene materials to minors on school grounds; to provide sex education or HIV-prevention education in schools that instruction is age appropriate and includes the health benefits of abstinence; or to operate a program of contraceptive distribution in schools (P. L. 107-110, section 9526).
- Q. Armed Forces Recruiter Access to Students and Student Recruiting Information:** In accordance with guidance issued by the U. S. Department of Education, each local educational agency receiving assistance under the No Child Left Behind Act shall provide, on a request made by military recruiters or an institution of higher education, access to secondary school students names, address, and telephone listings, upon prior written consent of a student or the parent of a student. A secondary school student or the parent of the student may request that the student's name, address, and telephone listing not be released without prior written parental consent, and the local educational or private nonprofit school shall notify parents of the option to make a request and shall comply with any request. Each local educational agency receiving assistance under the No Child Left Behind Act shall provide military recruiters the same access to secondary school students as is provided generally to post secondary educational institutions or to prospective employers of those students (P. L. 107-110, section 9528).
- R. Unsafe School Choice Option:** The local educational agency certifies that it shall establish and implement a policy requiring that a student attending a persistently dangerous public elementary school or secondary school, as determined by the Texas Education Agency, or who becomes a victim of a violent criminal offense, while in or on the grounds of a public elementary or secondary school that the student attends, be allowed to attend a safe public elementary or secondary school within the local educational agency, including a public charter school (P. L. 107-110, section 9532).
- S. Civil Rights:** Nothing in the No Child Left Behind Act shall be construed to permit discrimination on the basis of race, color, religion, sex (except as otherwise permitted under Title IX of the Education Amendments of 1972), national origin, or disability in any program funded under the No Child Left Behind Act (P. L. 107-110, section 9534).

- T. Student Privacy, Parental Access to Information, and Administration of Certain Physical Examinations to Minors:** The local educational agency assures that it is in compliance with Chapter 26 of the Texas Education Code concerning parental rights and responsibilities. In addition, the local educational agency receiving funds under the No Child Left Behind Act certifies that it shall develop and adopt policies, in consultation with parents, regarding certain rights of a parent to access and inspect information; student privacy; the administration of physical examinations or screenings (except for examinations or screenings required by state law); and the collection, disclosure, or use of personal information collected from students for the purpose of marketing or selling that information. The local educational agency also assures that it is in compliance with the requirements for annually notifying parents of such policies and specific events (P. L. 107-110, Title X, Part F, section 1061).
- U. Assurances related to the education of homeless children and youths:**
- (1) The LEA assures that each child of a homeless individual and each homeless youth shall have equal access to the same free, appropriate public education, including a public preschool education, as provided to other children and youth.
 - (2) The LEA assures that homeless children and youth are afforded the same free, appropriate public education as provided to other children and youth.
 - (3) The LEA assures that it will review and undertake steps to revise any laws, regulations, practices, or policies that may act as a barrier to the enrollment, attendance, or success in school of homeless children and youth.
 - (4) The LEA assures that it will not separate students from the mainstream school environment on the basis of homelessness alone.
 - (5) The LEA assures that homeless children and youth have access to the education and other services that they need to in order to meet the same challenging State student academic achievement standards to which all students are held.
- V. Definitions:** The following terms shall be defined as follows for programs authorized and carried out under the No Child Left Behind Act of 2001:
1. **Charter School:** An open enrollment charter school receiving federal funds of any type must meet the federal definition of a charter school as provided in P. L. 107-110, Section 5210(1). The term "charter school" means a school that:
 - (A) is created by a developer as a public school, or is adapted by a developer from an existing public school, and is **operated under public supervision and control;**
 - (B) operates in pursuit of a specific set of educational objectives determined by the school's developer and agreed to by the authorized public chartering agency [i.e., the State Board of Education (SBOE)];
 - (C) provides a program of elementary or secondary education, or both;
 - (D) is **nonsectarian in its programs, admissions policies, employment practices, and all other operations, and is not affiliated with a sectarian school or religious instruction;**
 - (E) **does not charge tuition;**
 - (F) **complies with the Age Discrimination Act of 1975, Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, section 504 of the Rehabilitation Act of 1973, and Part B of the Individuals with Disabilities Education Act;**
 - (G) is a school to which parents choose to send their children, and that **admits students on the basis of a lottery, if more students apply for admission than can be accommodated;**
 - (H) **agrees to comply with the same Federal and State audit requirements** as do other elementary schools and secondary schools in the State, unless such requirements are specifically waived for the purpose of this program;
 - (I) **meets all applicable** Federal, State, and local **health and safety requirements;**
 - (J) operates in accordance with State law; and
 - (K) has a written performance contract with the authorized public chartering agency in the State (i.e., SBOE) that includes a description of how student performance will be measured pursuant to State assessments that are required of other schools and pursuant to any other assessments mutually agreeable to the SBOE.
 2. **Community-Based Organization:** A public or private nonprofit organization of demonstrated effectiveness that is representative of a community or significant segment of a community and that provides educational or related services to individuals in the community.
 3. **Core Academic Subjects:** English, reading or language arts, mathematics, science, foreign languages, civics and government, economics, art, history, and geography.

4. Highly Qualified:

- (A) when used with respect to any public elementary school or secondary school teacher teaching in a State, means that–
- (i) the teacher has obtained full State certification as a teacher (including certification obtained through alternative routes to certification) or passed the State teacher licensing examination, and holds a license to teach in such State, except that when used with respect to any teacher teaching in a public charter school, the term means that the teacher meets the requirements set forth in the State's public charter school law; and
 - (ii) the teacher has not had certification or licensure requirements waived on an emergency, temporary, or provisional basis;
- (B) when used with respect to–
- (i) an elementary school teacher who is new to the profession, means that the teacher–
 - (I) holds at least a bachelor's degree; and
 - (II) has demonstrated, by passing a rigorous State test, subject knowledge and teaching skills in reading, writing, mathematics, and other areas of the basic elementary school curriculum (which may consist of passing a State-required certification or licensing test or tests in reading, writing, mathematics, and other areas of the basic elementary school curriculum); or
 - (ii) a middle or secondary school teacher who is new to the profession, means that the teacher holds at least a bachelor's degree and has demonstrated a high level of competency in each of the academic subjects in which the teacher teaches by–
 - (I) passing a rigorous State academic subject test in each of the academic subjects in which the teacher teaches (which may consist of a passing level of performance on a State-required certification or licensing test or tests in each of the academic subjects in which the teacher teaches); or
 - (II) successful completion, in each of the academic subjects in which the teacher teaches, of an academic major, a graduate degree, coursework equivalent to an undergraduate academic major, or advanced certification or credentialing; and
- (C) when used with respect to an elementary, middle, or secondary school teacher who is not new to the profession, means that the teacher holds at least a bachelor's degree and–
- (i) has met the applicable standard in clause (i) or (ii) of subparagraph (B), which includes an option for a test; or
 - (ii) demonstrates competence in all the academic subjects in which the teacher teaches based on a high objective uniform State standard of evaluation that–
 - (I) is set by the State for both grade appropriate academic subject matter knowledge and teaching skills;
 - (II) is aligned with challenging State academic content and student academic achievement standards and developed in consultation with core content specialists, teachers, principals, and school administrators;
 - (III) provides objective, coherent information about the teacher's attainment of core content knowledge in the academic subjects in which a teacher teaches;
 - (IV) is applied uniformly to all teachers in the same academic subject and the same grade level throughout the State;
 - (V) takes into consideration, but not be based primarily on, the time the teacher has been teaching in the academic subject;
 - (VI) is made available to the public upon request; and
 - (VII) may involve multiple, objective measures of teacher competency.

- 5. Parental Involvement:** The participation of parents in regular, two-way and meaningful communication involving student academic learning and other school activities, including ensuring:
- (A) that parents play an integral role in assisting their child's learning;
 - (B) that parents are encouraged to be actively involved in their child's education at school;
 - (C) that parents are full partners in their child's education and are included, as appropriate, in decision making and on advisory committees to assist in the education of their child; and
 - (D) the carrying out of other activities, such as those described in section 1118 of P. L. 107-110.

6. Professional Development Includes activities that:

- (A) improve and increase teachers' knowledge of the academic subjects the teachers teach, and enable teachers to become highly qualified;
- (B) are an integral part of broad schoolwide and districtwide educational improvement plans;
- (C) give teachers, principals, and administrators the knowledge and skills to provide the students with the opportunity to meet challenging State academic content standards and student academic achievement standards;
- (D) improve classroom management skills;
- (E) are high quality, sustained, intensive, and classroom-focused in order to have a positive and lasting impact on classroom instruction and the teacher's performance in the classroom and are not one-day or short-term workshops or conferences;
- (F) support the recruiting, hiring, and training of highly qualified teachers, including teachers who became highly qualified through State and local alternative routes to certification;
- (G) advance teacher understanding of effective instructional strategies that are:
- (H) based on scientifically based research (except for programs under Title II, Part D, Enhancing Education Through Technology of this Act); and
- (I) strategies for improving student academic achievement or substantially increasing the knowledge and teaching skills of teachers; and
- (J) are aligned with and directly related to State academic content standards, student academic achievement standards, and assessments and the curricula and programs tied to the standards;
- (K) are developed with extensive participation of teachers, principals, parents, and administrators of schools to be served under this Act;
- (L) are designed to give teachers of limited English proficient children, and other teachers and instructional staff, the knowledge and skills to provide instruction and appropriate language and academic support services to those children, including the appropriate use of curricula and assessments;
- (M) to the extent appropriate, provide training for teachers and principals in the use of technology so that technology and technology applications are effectively used in the classroom to improve teaching and learning in the curricula and core academic subjects in which the teachers teach;
- (N) as a whole, are regularly evaluated for their impact on increased teacher effectiveness and improved student academic achievement with the findings of the evaluations used to improve the quality of professional development;
- (O) provide instruction in methods of teaching children with special needs;
- (P) include instruction in the use of data and assessments to inform and instruct classroom practice;
- (Q) include instruction in ways that teachers, principals, pupil services personnel, and school administrators may work more effectively with parents; and
- (R) may include activities that:
 - (i) involve the forming of partnerships with institutions of higher education to establish school-based teacher training programs that provide prospective teachers and beginning teachers with an opportunity to work under the guidance of experienced teachers and college faculty;
 - (ii) create programs to enable paraprofessionals (assisting teachers employed by an LEA receiving assistance under Title I Part A) to obtain the education necessary for those paraprofessionals to become certified and licensed teachers; and
 - (iii) provide follow-up training to teachers who have participated in activities described previously in this definition that are designed to ensure that the knowledge and skills learned by the teachers are implemented in the classroom.

7. Scientifically Based Research:

- (A) means research that involves the application of rigorous, systematic, and objective procedures to obtain reliable and valid knowledge relevant to education activities and programs; and
- (B) includes research that:
 - (i) employs systematic, empirical methods that draw on observation or experiment;
 - (ii) involves rigorous data analyses that are adequate to test the stated hypotheses and justify the general conclusions drawn;
 - (iii) relies on measurements or observational methods that provide reliable and valid data across evaluators and observers, across multiple measurements and observations, and across studies by the same or different investigators;

SCHEDULE #6E - cont. NCLB ACT PROVISIONS & ASSURANCES	TEXAS EDUCATION AGENCY Standard Application System School Years 2010-2013	<u>031-912</u> County-District No.
Texas Title I Priority Schools Grant		

- (iv) relies on measurements or observational methods that provide reliable and valid data across evaluators and observers, across multiple measurements and observations, and across studies by the same or different investigators;
- (v) is evaluated using experimental or quasi-experimental designs in which individuals, entities, programs, or activities are assigned to different conditions and with appropriate controls to evaluate the effects of the condition of interest, with a preference for random-assignment experiments, or other designs to the extent that those designs contain within-condition or across-condition controls;
- (vi) ensures that experimental studies are presented in sufficient detail and clarity to allow for replication or, at a minimum, offer the opportunity to build systematically on their findings; and
- (vii) has been accepted by a peer-reviewed journal or approved by a panel of independent experts through a comparably rigorous, objective, and scientific review.

8. Teacher Mentoring: Activities that—

- (A) consist of structured guidance and regular and ongoing support for teachers, especially beginning teachers, that—
 - (i) are designed to help the teachers continue to improve their practice of teaching and to develop their instructional skills; and part of an ongoing developmental induction process that—
 - (I) involves the assistance of an exemplary teacher and other appropriate individuals from a school, local educational agency, or institution of higher education; and
 - (II) may include coaching, classroom observation, team teaching, and reduced teaching loads; and
 - (III) may include the establishment of a partnership by a local educational agency with an institution of higher education.

9. Technology: State-of-the-art technology products and services.

W. ESEA Performance Goals, Indicators, and Performance Reporting: The LEA assures it has adopted the five performance goals and the related performance indicators established by the U. S. Department of Education and as submitted in the *Texas Consolidated State Application for Funds Under the No Child Left Behind Act*. The LEA also assures that it will develop and implement procedures for collecting data related to the performance indicators where such data is not already collected through the Academic Excellence Indicator System (AEIS) or PEIMS and that it will report such data to the Agency in the time and manner requested.

X. Transfer of School Disciplinary Records: The LEA assures it has a procedure in place to transfer disciplinary records, with respect to a suspension or expulsion, to any private or public elementary school or secondary school for any student who is enrolled or seeks, intends, or is instructed to enroll, on a full- or part-time basis, in the school. This requirement shall not apply to any disciplinary records with respect to a suspension or expulsion that are transferred from a private, parochial or other nonpublic school, person, institution, or other entity, that provides education below the college level (P. L. 107-110, section 4155).

Revised 03/03

The signing of Schedule #1 - General Information by applicant indicates acceptance of and compliance with all requirements described on this schedule.

SCHEDULE #6F PROGRAM-SPECIFIC PROVISIONS & ASSURANCES	TEXAS EDUCATION AGENCY Standard Application System School Year 2010-2013	<u>031-912</u> County-District No.
Texas Title I Priority Schools Grant		

Federal Statutory Requirements

- 1) The LEA must demonstrate that the LEA has analyzed the needs of each school and selected an intervention for each school.
- 2) The LEA must demonstrate that it has the capacity to use these grant funds to provide adequate resources and related support to each Tier campus identified in the LEA's application in order to implement, fully and effectively, the required activities of the school intervention model it has selected.
- 3) If the LEA is not applying to serve each Tier I school (through a separate application for each campus), the LEA must explain why it lacks capacity to serve each Tier I school.
- 4) The LEA must describe actions it has taken, or will take, to design and implement interventions consistent with the final federal requirements, including the services the campus will receive or the activities the campus will implement.
- 5) The LEA must describe actions it has taken, or will take, to recruit, screen, and select external providers, if applicable, to ensure their quality.
- 6) The LEA must describe actions it has taken, or will take, to align other resources with the interventions.
- 7) The LEA must describe actions it has taken, or will take, to modify its practices or policies, if necessary, to enable its schools to implement the interventions fully and effectively.
- 8) The LEA must describe actions it has taken, or will take, to sustain the reforms after the funding period ends.
- 9) The LEA must include a timeline delineating the steps it will take to implement the selected intervention in each campus.
- 10) The LEA must describe the annual goals for student achievement on the State's assessments in both reading/language arts and mathematics that it has established in order to monitor its Tier I and Tier II schools that receive school improvement funds.
- 11) As appropriate, the LEA must consult with relevant stakeholders regarding the LEA's application and implementation of school improvement models on its campus.
- 12) Applicant provides assurance that financial assistance provided under the grant program will supplement, and not supplant, the amount of state and local funds allocated to the campus.
- 13) Applicant provides assurance that it will use its School Improvement Grant to implement fully and effectively an intervention in each Tier I and Tier II school that the LEA commits to serve consistent with the final federal requirements.
- 14) Applicant provides assurance that it will establish annual goals for student achievement on the State's assessments in both reading/language arts and mathematics and measure progress on the leading indicators in section III of the final federal requirements in order to monitor each Tier I and Tier II school that it serves with school improvement funds, and establish goals (approved by the TEA) to hold accountable its Tier III schools that receive grant funds.
- 15) Applicant provides assurance that it will, if it implements a restart model in a Tier I or Tier II school, include in its contract or agreement terms and provisions to hold the charter operator, charter management organization (CMO), or education management organization (EMO) accountable for complying with the final federal requirements.
- 16) Applicant provides assurance that it will report to the TEA the school-level data required under section III of the final federal requirements.
- 17) If the LEA/campus selects to implement the **turnaround model**, the campus **must** implement the following federal requirements.
 - a. Replace the principal and grant the principal sufficient operational flexibility (including in staffing, calendars/time, and budgeting) to implement fully a comprehensive approach in order to substantially improve student achievement outcomes and increase high school graduation rates;
 - b. Using locally adopted competencies to measure the effectiveness of staff who can work within the turnaround environment to meet the needs of students;
 1. Screen all existing staff and rehire no more than 50 percent; and
 2. Select new staff.
 - c. Implement such strategies as financial incentives, increased opportunities for promotion and career growth, and more flexible work conditions that are designed to recruit, place, and retain staff with the skills necessary to meet the needs of the students in the turnaround school;
 - d. Provide staff ongoing, high-quality, job-embedded professional development that is aligned with the school's comprehensive instructional program and designed with school staff to ensure that they are equipped to facilitate effective teaching and learning and have the capacity to successfully implement school reform strategies;
 - e. Adopt a new governance structure, which may include, but is not limited to, requiring the school to report to a

- new "turnaround office" in the LEA or SEA, hire a "turnaround leader" who reports directly to the Superintendent or Chief Academic Officer, or enter into a multi-year contract with the LEA or SEA to obtain added flexibility in exchange for greater accountability;
- f. Use data to identify and implement an instructional program that is research-based and vertically aligned from one grade to the next as well as aligned with State academic standards;
 - g. Promote the continuous use of student data (such as from formative, interim, and summative assessments) to inform and differentiate instruction in order to meet the academic needs of individual students;
 - h. Establish schedules and implement strategies that provide increased learning time (as defined in this notice); and
 - i. Provide appropriate social-emotional and community-oriented services and supports for students.
- 18) If the LEA/campus selects to implement the **turnaround model**, the campus **may** implement the following federal requirements.
1. Any of the required and permissible activities under the transformation model; or
 2. A new school model (e.g., themed, dual language academy).
- 19) If the LEA/campus selects to implement the school **closure model**, the campus **must** implement the following requirement.
- a. Enroll the students who attended that school in other schools in the LEA that are higher achieving within reasonable proximity to the closed school and may include, but are not limited to, charter schools or new schools for which achievement data are not yet available.
 - b. A grant for school closure is a one-year grant without the possibility of continued funding.
- 20) If the LEA/campus selects to implement the **restart model**, the campus **must** implement the following federal requirements.
- a. Convert or close and reopen the school under a charter school operator, a charter management organization (CMO), or an education management organization (EMO) that has been selected through a rigorous review process. A CMO is a non-profit organization that operates or manages charter schools by centralizing or sharing certain functions and resources among schools. An EMO is a for-profit or non-profit organization that provides "whole-school operation" services to an LEA.
 - b. Enroll, within the grades it serves, any former student who wishes to attend the school.
- 21) If the LEA/campus selects to implement the **transformation model**, the campus **must** implement the following federal requirements.
1. Develop and increase teacher and school leader effectiveness.
 - (A) Replace the principal who led the school prior to commencement of the transformation model;
 - (B) Use rigorous, transparent, and equitable evaluation systems for teachers and principals that--
 - (1) Take into account data on student growth as a significant factor as well as other factors such as multiple observation-based assessments of performance and ongoing collections of professional practice reflective of student achievement and increased high school graduation rates; and
 - (2) Are designed and developed with teacher and principal involvement;
 - (C) Identify and reward school leaders, teachers, and other staff who, in implementing this model, have increased student achievement and high school graduation rates and identify and remove those who, after ample opportunities have been provided for them to improve their professional practice, have not done so;
 - (D) Provide staff ongoing, high-quality, job-embedded professional development (e.g., regarding subject-specific pedagogy, instruction that reflects a deeper understanding of the community served by the school, or differentiated instruction) that is aligned with the school's comprehensive instructional program and designed with school staff to ensure they are equipped to facilitate effective teaching and learning and have the capacity to successfully implement school reform strategies; and
 - (E) Implement such strategies as financial incentives, increased opportunities for promotion and career growth, and more flexible work conditions that are designed to recruit, place, and retain staff with the skills necessary to meet the needs of the students in a transformation school.
 2. Comprehensive instructional reform strategies.
 - (A) Use data to identify and implement an instructional program that is research-based and vertically aligned from one grade to the next as well as aligned with State academic standards; and
 - (B) Promote the continuous use of student data (such as from formative, interim, and summative assessments) to inform and differentiate instruction in order to meet the academic needs of

individual students.

3. Increasing learning time and creating community-oriented schools.
 - (A) Establish schedules and strategies that provide increased learning time; and
 - (B) Provide ongoing mechanisms for family and community engagement.
4. Providing operational flexibility and sustained support.
 - (A) Give the school sufficient operational flexibility (such as staffing, calendars/time, and budgeting) to implement fully a comprehensive approach to substantially improve student achievement outcomes and increase high school graduation rates; and
 - (B) Ensure that the school receives ongoing, intensive technical assistance and related support from the LEA, the SEA, or a designated external lead partner organization (such as a school turnaround organization or an EMO).
- 22) An LEA **may** also implement other strategies to develop teachers' and school leaders' effectiveness, such as--
 - (A) Provide additional compensation to attract and retain staff with the skills necessary to meet the needs of the students in a transformation school;
 - (B) Institute a system for measuring changes in instructional practices resulting from professional development; or
 - (C) Ensure that the school is not required to accept a teacher without the mutual consent of the teacher and principal, regardless of the teacher's seniority.
- 23) An LEA **may** also implement comprehensive instructional reform strategies, such as--
 - (A) Conduct periodic reviews to ensure that the curriculum is being implemented with fidelity, is having the intended impact on student achievement, and is modified if ineffective;
 - (B) Implement a schoolwide "response-to-intervention" model;
 - (C) Provide additional supports and professional development to teachers and principals in order to implement effective strategies to support students with disabilities in the least restrictive environment and to ensure that limited English proficient students acquire language skills to master academic content;
 - (D) Use and integrate technology-based supports and interventions as part of the instructional program; and
 - (E) In secondary schools--
 - (1) Increase rigor by offering opportunities for students to enroll in advanced coursework (such as Advanced Placement; International Baccalaureate; or science, technology, engineering, and mathematics courses, especially those that incorporate rigorous and relevant project-, inquiry-, or design-based contextual learning opportunities), early-college high schools, dual enrollment programs, or thematic learning academies that prepare students for college and careers, including by providing appropriate supports designed to ensure that low-achieving students can take advantage of these programs and coursework;
 - (2) Improve student transition from middle to high school through summer transition programs or freshman academies;
 - (3) Increase graduation rates through, for example, credit-recovery programs, re-engagement strategies, smaller learning communities, competency-based instruction and performance-based assessments, and acceleration of basic reading and mathematics skills; or
 - (4) Establish early-warning systems to identify students who may be at risk of failing to achieve to high standards or graduate.
- 24) An LEA **may** also implement other strategies that extend learning time and create community-oriented schools, such as--

- (A) Partner with parents and parent organizations, faith- and community-based organizations, health clinics, other State or local agencies, and others to create safe school environments that meet students' social, emotional, and health needs;
- (B) Extend or restructure the school day so as to add time for such strategies as advisory periods that build relationships between students, faculty, and other school staff;
- (C) Implement approaches to improve school climate and discipline, such as implementing a system of positive behavioral supports or taking steps to eliminate bullying and student harassment; or
- (D) Expand the school program to offer full-day kindergarten or pre-kindergarten.
- 25) The LEA **may** also implement other strategies for providing operational flexibility and intensive support, such as--
- (A) Allow the school to be run under a new governance arrangement, such as a turnaround division within the LEA or SEA; or
- (B) Implement a per-pupil school-based budget formula that is weighted based on student needs.

Statutory Program Assurances

- 1) Applicant provides assurance that financial assistance provided under the grant program will supplement, and not supplant, the amount of state and local funds allocated to the campus.
- 2) Applicant provides assurance that it will use its School Improvement Grant to implement fully and effectively an intervention in each Tier I and Tier II school that the LEA commits to serve consistent with the final federal requirements.
- 3) Applicant provides assurance that it will establish annual goals for student achievement on the State's assessments in both reading/language arts and mathematics and measure progress on the leading indicators in section III of the final federal requirements in order to monitor each Tier I and Tier II school that it serves with school improvement funds, and establish goals (approved by the TEA) to hold accountable its Tier III schools that receive school improvement funds.
- 4) Applicant provides assurance that it will, if it implements a restart model in a Tier I or Tier II school, include in its contract or agreement terms and provisions to hold the charter operator, charter management organization, or education management organization accountable for complying with the final federal requirements.
- 5) Applicant provides assurance that it will report to the TEA the school-level data required under section III of the final federal requirements.
- 6) Applicant provides assurance that it will participate in any evaluation of the grant conducted by the U.S. Department of Education, including its contractors, or the Texas Education Agency, including its contractors.

TEA Program Assurances

1. Before full implementation funds are made available, the grantee must demonstrate that all early implementation activities have been completed. Successful completion of the early implementation will be measured in the **Quarterly Implementation Reports**, the **Model Selection and Description Report**, and through participation in TEA technical assistance. Copies of the above named reports can be found on the TTIPS website at the following link: http://www.tea.state.tx.us/index4.aspx?id=7354&menu_id=798
 - a. The Model Selection and Description Report must be submitted to TEA no later than **February 1, 2011**. This report may be submitted at any time prior to the deadline. Grantees must demonstrate successful completion of the following activities:
 - i. Comprehensive Needs Assessment process.
 - ii. Establish the grant budget by the required categories.
 - iii. Identification and Selection of the intervention model.
 - iv. Development of activities to implement selected intervention model.
 - v. Development of Timeline of Grant Activities.
- 2) The applicant provides assurance that the LEA will designate an individual or office with primary responsibilities for supporting the LEA/campus' school improvement efforts. This individual/office will have primary responsibility and authority for ensuring the effective implementation of the grant option approved by TEA; serve as the district liaison to TEA and those providing technical assistance and/or contracted service to the LEA/campus as part of the approved grant.
- 3) The applicant provides assurance that a team from the grantee LEA/campus will attend and participate in grant orientation meetings, technical assistance meetings, other periodic meetings of grantees, the Texas School Improvement Conference, and sharing of best practices.

Texas Title I Priority Schools Grant		

- 4) For LEAs selecting the TEA Designed Model, the applicant must participate in and make use of technical assistance and coaching support provided by TEA, SIRC, and/or its subcontractors.
- 5) The applicant will establish or provide evidence of a system of formative assessment aligned to the Texas Essential Knowledge and Skills which provides robust, targeted data to evaluate the effectiveness of the LEA's curriculum and its alignment with instruction occurring on the campus; assesses progress on student groups' academic achievement at the campus level; and guide instructional decisions by teachers for individual students.
- 6) The applicant will participate in a formative assessment of the LEA's capacity and commitment to carry out the grant intervention models.
- 7) The applicant will provide access for onsite visits to the LEA and campus by TEA, SIRC and its contractors.
- 8) The applicant, if selecting the Restart Model, agrees to contract only with CMO or EMO providers on the State's approved list of CMO and EMO providers.
- 9) The applicant, if selecting the Turnaround Model or Transformation Model (Tiers I and Tiers II only) agrees to the participation of the campus principal or principal candidates in a formative assessment of their turnaround leadership capacity.
- 10) If the LEA/Tier III campus selects to implement the **transformation model**, the campus assures that it will implement the following federal requirements.
 1. Develop and increase teacher and school leader effectiveness.
 - A. Evaluate the effectiveness of the current principal and use the results of the evaluation to determine whether the principal should be replaced, be retained on the campus, or be provided leadership coaching or training.
 - B. Identify and reward school leaders, teachers, and other staff who, in implementing this model, have increased student achievement and high school graduation rates and identify and remove those who, after ample opportunities have been provided for them to improve their professional practice, have not done so;
 - C. Provide staff ongoing, high-quality, job-embedded professional development (e.g., regarding subject-specific pedagogy, instruction that reflects a deeper understanding of the community served by the school, or differentiated instruction) that is aligned with the school's comprehensive instructional program and designed with school staff to ensure they are equipped to facilitate effective teaching and learning and have the capacity to successfully implement school reform strategies; and
 - D. Implement such strategies as financial incentives, increased opportunities for promotion and career growth, and more flexible work conditions that are designed to recruit, place, and retain staff with the skills necessary to meet the needs of the students in a transformation school based on rigorous, transparent, and equitable evaluation systems for teachers and principals:
 1. Takes into account data on student growth as a factor as well as other factors such as multiple observation-based assessments of student performance and ongoing collections of professional practice reflective of student achievement and increased high school graduation rates; and
 2. Are designed and developed with teacher and principal involvement
 2. Comprehensive instructional reform strategies.
 - A. Use data to identify and implement an instructional program that is research-based and vertically aligned from one grade to the next as well as aligned with State academic standards; and
 - B. Promote the continuous use of student data (such as from formative, interim, and summative assessments) to inform and differentiate instruction in order to meet the academic needs of individual students.
 3. Increasing learning time and creating community-oriented schools.
 - A. Establish schedules and strategies that provide increased learning time; and
 - B. Provide ongoing mechanisms for family and community engagement.
 4. Providing operational flexibility and sustained support.
 - A. Give the school sufficient operational flexibility (such as staffing, calendars/time, and budgeting) to implement fully a comprehensive approach to substantially improve student achievement outcomes and increase high school graduation rates; and
 - B. Ensure that the school receives ongoing, intensive technical assistance and related support from the LEA, the SEA, or a designated external lead partner organization (such as a school turnaround organization or an EMO).
- 11) An LEA may also implement other strategies to develop teachers' and school leaders' effectiveness, such as--
 - A. Provide additional compensation to attract and retain staff with the skills necessary to meet the needs of the students in a transformation school;
 - B. Institute a system for measuring changes in instructional practices resulting from professional development; or
 - C. Ensure that the school is not required to accept a teacher without the mutual consent of the teacher and principal, regardless of the teacher's seniority.

- Allow the school to be run under a new governance arrangement, such as a turnaround division within the LEA or SEA; or
 - Implement a per-pupil school-based budget formula that is weighted based on student needs.
- 15) The LEA/campus assures TEA that data to meet the following federal requirements will be available and reported as requested.
- Number of minutes within the school year.
 - Average scale scores on State assessments in reading/language arts and in mathematics, by grade, for the "all students" group, for each achievement quartile, and for each subgroup.
 - Number and percentage of students completing advanced coursework (e.g., AP/IB), early-college high schools, or dual enrollment classes. (High Schools Only)
 - College enrollment rates. (High Schools Only)
 - Teacher Attendance Rate
 - Student Completion Rate
 - Student Drop-Out Rate
 - Locally developed competencies created to identify teacher strengths/weaknesses
 - Types of support offered to teachers
 - Types of on-going, job-embedded professional development for teachers
 - Types of on-going, job-embedded professional development for administrators
 - Strategies to increase parent/community involvement
 - Strategies which increase student learning time

SCHEDULE #6F PROGRAM-SPECIFIC PROVISIONS & ASSURANCES	TEXAS EDUCATION AGENCY Standard Application System School Year 2010-2013	031-912 County-District No.
Texas Title I Priority Schools Grant		

By submitting the application for American Recovery and Reinvestment Act (ARRA) funds (P.L. 111-5), the applicant agrees to comply with the following provisions and assurances for all programs authorized in Division A of the ARRA, Title I School Improvement Grant (SIG). The applicant understands that failure to comply with one or more of these provisions and assurances may result in the Texas Education Agency (TEA) taking one or more enforcement actions authorized in Title 34 of the Code of Federal Regulations (CFR) §§ 74.62 and 80.43.

In addition to the standard terms of award, all funding provided under the Recovery Act will be subject to the provisions, assurances and conditions for American Recovery and Reinvestment Act of 2009 (ARRA or Recovery Act).

Terms defined:

RECIPIENT – The term “recipient” means a State and includes the Texas Education Agency (TEA). It also includes any entity that applies for and receives a grant directly from the federal government.

RECOVERY FUNDS –The term “recovery funds” means any funds that are made available from appropriations made under the Recovery Act.

RECOVERY ACT – the American Recovery and Reinvestment Act (ARRA) of 2009 (P.L. 111-5)

STIMULUS FUNDS – The term “stimulus funds” means any funds that are made available from appropriations under the Recovery Act; the term may be used interchangeably with “recovery funds.”

GRANTEE – the subrecipient of TEA and applicant of funds.

A. One-Time Funding: Unless otherwise specified, ARRA funding is considered one-time funding that is expected to be temporary. Grantees should expend funds in ways that do not result in unsustainable continuing commitments after the funding expires. Grantees must move rapidly, while using prudent grant management practices, to develop plans for using funds, consistent with the ARRA’s reporting and accountability requirements, and promptly begin spending funds to help drive the nation’s economic recovery. All ARRA funds must be separately accounted for and tracked in their obligation, expenditure, and reporting.

B. Period of Availability and Encumbrances/Obligations: Unless otherwise specified in the Notice of Grant Award (NOGA), all funds are effective from the beginning date specified on the Notice of Grant Award (NOGA) through June 30, 2013. Carryover of funds will not be available beyond that date. Unobligated/unexpended funds will be returned to the Department of Treasury. The paragraph in the General Provisions pertaining to Encumbrances and Obligations applies as follows:

All encumbrances shall occur on or between the beginning and ending dates of the contract. All goods must be received and services rendered and subsequently liquidated (recorded as an expenditure or accounts payable) within the contract dates. In no manner shall encumbrances be considered or reflected as accounts payable or as expenditures. Obligations that are liquidated and recognized as expenditures must meet the allowable cost principles in OMB Circular A-87, A-21, or A-122 (as applicable) and program rules, regulations, and guidelines contained elsewhere. When an obligation is made is defined in 34 CFR 76.707.

SCHEDULE #6F PROGRAM-SPECIFIC PROVISIONS & ASSURANCES	TEXAS EDUCATION AGENCY Standard Application System School Year 2010-2013	 031-912 County-District No.
Texas Title I Priority Schools Grant		

C. Compliance with Other Provisions and Assurances: All provisions and assurances stated in the General Provisions, Certification Regarding Debarment and Suspension, Lobbying Certification and Disclosure of Lobbying, No Child Left Behind Act (NCLB) Special Provisions and Assurances, and all other program-specific provisions and assurances apply unless they conflict or are superseded by the following terms and conditions implementing the American Recovery and Reinvestment Act of 2009 (ARRA) requirements below. This includes compliance with Title VI of the Civil Rights Act of 1964; Section 504 of the Rehabilitation Act of 1973; Title IX of the Education Amendments of 1972; the Age Discrimination Act of 1975; and all other nondiscrimination provisions. It also includes Title VII of the Civil Rights Act of 1964 (prohibiting race, color, national origin, religion, and sex discrimination in employment; the Americans with Disabilities Act (prohibiting disability discrimination in employment and in services provided by entities receiving federal funds); as well as any other applicable civil rights laws. **By submitting this application, the applicant agrees to comply with all such provisions and assurances.**

D. Compliance with Other Program Statutes: The applicant agrees to comply with the authorizing program statutes, regulations, non-regulatory guidelines, and other guidance in the implementation of the programs receiving funding under ARRA. This includes compliance with comparability; supplement, not supplant; maintenance of effort (MOE); equitable participation for private nonprofit school students and teachers; and all other program-specific provisions and requirements. All such are hereby incorporated by reference.

E. DUNS Number: All entities receiving any federal funds, including ARRA funds, are required to have a DUNS (Dunn & Bradstreet) number. The DUNS number serves as the grantee organization's unique identifier for reporting federal funds received and expended. TEA must use this same DUNS number to report grant awards and expenditures for subrecipients under ARRA to the website specifically provided for in ARRA – <http://www.FederalReporting.gov/>. The assignment of a DUNS number is a condition of award of ARRA funds and must be validated by TEA prior to issuing a NOGA for ARRA funds. (Section 1512[c][4] of ARRA and the federal Office of Management and Budget (OMB) to comply with the Federal Funding Accountability and Transparency Act [FFATA], P.L. 109-282. OMB adopted the DUNS number as the "unique identifier" required for reporting under FFATA).

F. Central Contractor Registration (CCR): All grantees receiving ARRA funds, as well as any other federal funds, are required to register and maintain current registration with the Central Contractor Registration (CCR) database at <http://www.ccr.gov>. Registration in CCR is a condition of award of ARRA funds and must be validated by TEA prior to issuing a NOGA for ARRA funds.

G. ARRA Reporting Requirements: The federal Office of Management and Budget (OMB) has issued guidance related to reporting the use of ARRA funds to the various websites. The definition of terms and data elements, as well as any specific instructions for reporting, including required formats, are provided in separate guidance issued by the TEA.

The Texas Education Agency as a direct recipient of funds is required to report certain information at certain intervals throughout the grant period as required in Section 1512 of ARRA. In order to meet the reporting requirements, grantees will be required to provide certain information to TEA. By submitting this application, the grantee agrees to provide information in the form, time, and manner requested so that TEA can meet its reporting requirements and deadlines.

- 1. Separate Tracking and Monitoring of ARRA Funds:** ARRA funds must be separately tracked and monitored independently of any non-Recovery Act funding. Grantees must submit certain information to TEA in order for TEA to comply with quarterly reporting requirements established in Section 1512 of the Recovery Act. Recovery Act-related reporting requirements are incorporated as a special condition of this award.

3. **Quarterly Reporting for ARRA:** Not later than 10 calendar days after the end of each calendar quarter, TEA and any other **direct** recipient of ARRA funds must report to the U.S. Department of Education with regard to recovery funds received in accordance with number 4 below (Section 1512[c]). (A "direct recipient" is a state agency or any entity that applies for and receives funds **directly** from a federal government agency.) TEA must obtain certain information from grantees in order to comply with this reporting requirement. By submitting this application, the grantee agrees to submit information to TEA in the time, form, and manner requested.

4. **Data Elements for Quarterly Reporting for ARRA:** In accordance with Section 1512(c) of ARRA and the Federal Funding Accountability and Transparency Act of 2006 (Public Law 109-282), TEA is required to provide quarterly reports to the U.S. Department of Education or through a central government-wide portal (<http://www.FederalReporting.gov>). The information adopted by OMB contains the following data elements: submitting this application, the grantee agrees to submit the information to TEA in the time, form, and manner requested. The information may change pending final adoption by OMB.

For each grant that equals or exceeds \$25,000 in total grant award amount:

- a. The grantee organization's DUNS number (TEA will need to collect this information from grantees)
- b. The grant award number (i.e., NOGA ID number) assigned by TEA (TEA will have this information on file)
- c. The legal name of the grantee organization (as registered in the Central Contractor Registration (CCR), if registered) (TEA will have this information on file provided it is the same legal name on file with TEA)
- d. The physical location (street address) (as listed in the CCR, if registered) (TEA will have this information on file provided it is the same street address on file with TEA)
- e. The (federal) Congressional district number
- f. The grantee organization type (i.e., independent school district, nonprofit organization, etc) (TEA will have this information on file)
- g. The total amount of the grant award (TEA will have this information on file)
- h. The total amount paid to the grantee as of date of report (TEA will have this information on file)
- i. The physical location (street address) of the primary place of performance of the grant (TEA will have this information on file provided it is the same address on file with TEA.)
- j. An evaluation (i.e., status report) of the completion status of the project or activity (for example, Not Started; Less than 50% Completed; Completed 50% or More; Fully Completed) (It is not clear at this time whether this information will need to be collected from the grantees. TEA will notify the grantee in the event status information needs to be collected.)
- k. An estimate of the number of jobs created and the number of jobs retained by the project or activity and a brief description of the types of those jobs (i.e., job titles) (TEA will need to collect this information from grantees.)
- l. The names and total compensation of the five most highly compensated officers of the grantee organization if the organization in its preceding year received 80% or more of its annual gross revenues in Federal awards and \$25,000,000 or more in annual gross revenues from Federal awards and the public does not have access to information about the compensation of senior executives. (It is not known at this time whether this data element will be required once the data elements are finalized by OMB. If it is required in the final data elements, TEA will need to collect this information from the grantees.)

For grants that equal less than \$25,000 in total grant award amount or for grantees that in the previous tax year had gross income under \$300,000, amounts will be reported in the aggregate according to the following:

- a. The total number of grants awarded less than \$25,000 (TEA will have this information file)
- b. The total award (aggregate) amount for all grants less than \$25,000 (TEA will have this information on file)
- c. The total (aggregate) amount paid to grantees for all grants less than \$25,000 as of date of report (TEA will have this information on file)

5. **Posting the Information on Public Website:** Not later than 30 days after the end of each calendar quarter, each federal agency, including the U.S. Department of Education, shall make the information in those reports publicly available by posting the information on the designated public website (Section 1512[d]). Grantees will not be required to post information on the public website unless they apply for and receive other ARRA grants directly from a federal government agency.

Once OMB adopts the final data reporting elements and TEA receives specific instructions for reporting, TEA will provide subsequent guidance to grantees related to required reporting information.

H. Electronic Drawdown of ARRA Funds from TEA and Use of FAR Fund Codes: Recipients will draw down ARRA funds on an award-specific basis. **Pooling of ARRA award funds with other funds for drawdown or other purposes is not permitted.** Recipients must account for each ARRA award separately by referencing the assigned FAR (Financial Accounting and Resource) fund code for each award.

I. Availability of Records: The applicant agrees to make all financial and programmatic records available in detail for inspection by TEA auditors, local independent auditors, and the offices described below.

1. **Examination of Records:** The Comptroller General of the United States and any of its employees, contractors, agents, representatives, or designees, may examine any records related to obligations and use by any state or local government of funds made available under ARRA. (Section 901[b]).
2. **Access of Government Accountability Office (GAO):** Each contract and each subcontract awarded using funds made available under ARRA shall provide that the Comptroller General of the United States and his representatives are authorized to examine any records of the contractor or any of its subcontractors, or any State or local agency administering such contract, that directly pertain to, and involve transactions relating to, the contract or subcontract and to interview any officer or employee of the contractor or any of its subcontractors, or of any State or local government agency administering the contract, regarding such transactions (Section 902).
3. **Reviews by Inspector General:** The Inspector general of the U.S. Department of Education shall review, as appropriate, any concerns raised by the public about specific investments using funds made available in this Act. Any findings of such reviews shall be relayed immediately to the Secretary of Education. In addition, the findings of such reviews, along with any audits conducted by any Inspector general of ARRA funds, shall be posted on the inspector general's website and linked to the recovery.gov website, except that portions of reports may be redacted to the extent the portions would disclose information that is protected from public disclosure under sections 552 and 552a of Title 5, United States Code (Section 1514).
4. **Access of Offices of Inspector General to Certain Records and Employees:** With respect to each contract or grant awarded using ARRA funds, any representative of an Inspector General of the U.S. Department of Education or other appropriate federal agency is authorized to examine any records of the contractor or grantee, any of its subcontractors or subgrantees, or any State or local agency administering such contract, that pertain to, and involve transactions relating to, the contract, subcontract, grant, or subgrant, and to interview any officer or employee of the contractor, grantee, subgrantee, or agency regarding such transactions (Section 1515).
5. **Recovery Accountability and Transparency Board:** Section 1521 of the ARRA establishes the Recovery Accountability and Transparency Board to coordinate and conduct oversight of ARRA funds to prevent fraud, waste, and abuse. The Board shall submit "flash reports" on potential management and funding problems that require immediate attention; quarterly reports; and annual reports to the President and Congress, including the Committees on Appropriations of the Senate and House of Representatives, summarizing the findings on the use of ARRA funds. The Board may conduct its own independent audits and reviews of ARRA funds. All reports shall be made publicly available on the www.recovery.gov website established by the Board. See paragraphs J and K below with regard to reports of suspected fraud or abuse (Sections 1523 and 1524).

6. Recovery Independent Advisory Panel: Section 1541 of the ARRA establishes the Recovery Independent Advisory Panel to make recommendations to the Recovery Accountability and Transparency Board on action the Board could take to prevent fraud, waste, and abuse relating to ARRA funds.

J. Disclosure of Fraud or Misconduct: Each grantee awarded funds made available under the ARRA shall promptly refer to the USDE Office of Inspector General any credible evidence that a principal, employee, agent, contractor, subrecipient, subcontractor, or other person has submitted a false claim under the False Claims Act or has committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving those funds.

K. Protection for Whistleblowers: Section 1553 of the ARRA provides protection for State and local government and contractor whistleblowers. Any employee of any employer receiving ARRA funds may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing, including a disclosure made in the ordinary course of an employee's duties, to the Recovery Accountability and Transparency Board, an Inspector general, the U. S. Comptroller General, a member of Congress, a State or federal regulatory or law enforcement agency, a person with supervisory authority over the employee (or such other person working for the employer who has the authority to investigate, discover, or terminate misconduct), a court or grand jury, the head of a federal agency, or their representatives, information that the employee reasonably believes is evidence of (1) gross mismanagement of an agency contract or grant relating to ARRA funds; (2) a gross waste of ARRA funds; (3) a substantial and specific danger to public health or safety related to the implementation or use of ARRA funds; (4) an abuse of authority related to the implementation or use of ARRA funds; or (5) a violation of law, rule, or regulation related to an agency contract (including the competition for or negotiation of a contract), or grant, awarded or issued relating to ARRA funds. A person who believes that he or she has been subjected to a reprisal may submit a complaint regarding the reprisal to the inspector general for the appropriate federal agency (in most cases, the U.S. Department of Education).

L. Use of Funds: The grantee agrees to comply with the applicable federal cost principles in the obligation and expenditure of ARRA funds as identified in the General Provisions and Assurances as well as other limitations or restrictions and expenditures identified therein. The grantee also agrees to the following:

- 1. Consolidation of ARRA Administrative Funds:** Due to the significant reporting requirements under ARRA, **it is not known at this time whether grantees may consolidate ARRA administrative funds with other NCLB consolidated administrative funds.** TEA will issue further guidance with regard to this provision once guidance is provided by the U.S. Department of Education. If ARRA funds are permitted to be consolidated with other NCLB consolidated administrative funds, grantees must still be able to report the types and number of jobs that were created or saved with ARRA funds.
- 2. Combining ARRA funds on a Schoolwide Program.** ARRA funds are permitted to be used on a Title I Part A schoolwide Campus/Program, funds may be combined with other funding sources, but grantees still must be able to identify precisely the items of obligation and expenditure for ARRA reporting. You must also be able to report the types and number of jobs that were created or saved with ARRA funds.
- 3. Special Contracting Provisions:** To the maximum extent possible, contracts funded under the ARRA shall be awarded as fixed-price contracts through the use of competitive procedures. A summary of any new contract awarded with ARRA funds that is not fixed-price and not awarded using competitive procedures shall be posted in a special section of the www.recovery.gov website established by the Recovery Accountability and Transparency Board (Section 1554).

4. **Use of Funds for Certain Expenditures Prohibited:** ARRA funds shall not be used for any casino or other gambling establishment, aquarium, zoo, golf course, or swimming pool (Section 1604).
5. **Use of Funds for Construction Prohibited:** Unless specifically authorized in the applicable program statute, regulations, guidelines, Request for Application (RFA), TEA Standard Application System (SAS), the approved grant application, or other written authorization, none of the ARRA additional formula funds shall be used for construction, remodeling, or renovation.
6. **Buy American - Use of American Iron, Steel, and Manufactured Goods:** If construction is allowed and approved pursuant to the previous paragraph pertaining to "Use of Funds for Construction Prohibited", none of the funds may be used for the construction, alteration, maintenance, or repair of a public building or public work unless all of the iron, steel, and manufactured goods used in the project are produced in the United States unless waived by the Secretary of Education (Section 1605).
7. **Wage Rate Requirements for Contracted Laborers and Mechanics- Compliance with the Davis-Bacon Act:** Subject to further clarification issued by the Office of Management and Budget, and notwithstanding any other provision of law and in a manner consistent with other provisions of ARRA, all laborers and mechanics employed by contractors and subcontractors on projects funded directly by or assisted in whole or in part by and through the Federal Government pursuant to this award shall be paid wages at rates not less than those prevailing on projects of a character similar in the locality as determined by the Secretary of Labor in accordance with subchapter IV of chapter 31 of title 40, United States Code. With respect to the labor standards specified in this section, the Secretary of Labor shall have the authority and functions set forth in Reorganization Plan Numbered 14 of 1950 (64 Stat. 1267; 5 U.S.C. App.) and section 3145 of title 40, United States Code (Section 1606).

M. Compliance with OMB Circular A-133 Audits and Schedule of Expenditures of Federal Awards:
 Grantees agree to separately identify the expenditures for each grant award funded under ARRA as required by Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations" and to comply with all other provisions of the Single Audit Act and OMB Circular A-133.

The signing of Schedule #1 - General Information by applicant indicates acceptance of and compliance with all requirements described on this schedule
