Part 2: List of Required Fiscal-Related Attachments and Assurances			
For competitive applications, the application will not be reviewed and scored if any of the required attachments do not accompany the application when it is submitted. Applicants will not be permitted to submit required attachments, or any revisions to those required attachments, after the closing date of the grant. Attach all required attachments to the back of the application as an appendix.			
Proof of Nonprofit Status			
1 <input type="checkbox"/>	Required for all open-enrollment charter schools sponsored by a nonprofit organization: Check box to indicate that proof of nonprofit status is attached. (See Part 1: General and Fiscal Guidelines and Part 3: Schedule Instructions for acceptable proof.)		
Assurance of Financial Stability			
2 <input checked="" type="checkbox"/>	Required for all independent school districts, open-enrollment charter schools, and education service centers: Check box to indicate assurance that audit requirements have been met. All public school districts, open-enrollment charter schools, and education service centers must be in compliance with submitting the required annual audit for the immediate prior fiscal year to TEA in the time and manner requested by TEA, and the audit must be determined by the TEA Division of Financial Audits to be in compliance with the applicable audit standards. TEA reserves the right to ensure that all applicants are deemed by TEA to be financially stable at the initial time of preliminary selection for funding to receive a grant award. The TEA Division of Financial Audits will determine financial stability based on the required annual audit for the immediate prior fiscal year.		
Assurance of Submittal of Reviewer Information Form			
3 <input checked="" type="checkbox"/>	Required for all applicants: Check box to indicate assurance that reviewer information form will be submitted. All applicants are required to complete the Reviewer Information Form and to submit it online by Thursday, May 6, 2010 . Texas Title I Priority Schools Grant		
Schedule #4—Program Summary and Application Requirements		
Part 1: Grant Program Information;		
Summary of Program: Purpose and Goals		
<p>School Improvement Grants, authorized under section 1003(g) of Title I of the Elementary and Secondary Education Act of 1965 (Title I or ESEA) as amended by ARRA, are grants, through the Texas Education Agency, to local educational agencies (LEAs) for use in Title I schools identified for improvement, corrective action, or restructuring and other eligible campuses that demonstrate the greatest need for the funds and the strongest commitment to use the funds to provide adequate resources in order to raise substantially the achievement of their students so as to enable the schools to make adequate yearly progress and exit improvement status. Under the final requirements, as amended through the interim final requirements published in the Federal Register in January 2010 school improvement funds are to be focused on each State's "Tier I" and "Tier II" schools.</p> <p>Tier I schools are a State's persistently lowest-achieving Title I schools in improvement, corrective action, or restructuring and certain Title I eligible elementary schools that are as low achieving as the State's other Tier I schools. Tier II schools are a State's persistently-lowest achieving secondary schools that are eligible for, but do not receive, Title I, Part A funds and certain additional Title I eligible secondary schools that are as low achieving as the State's other Tier II schools or that have had a graduation rate below 60 percent over a number of years. An LEA may also use school improvement funds in Title I schools in improvement, corrective action, or restructuring that are not identified as persistently lowest-achieving schools and certain additional Title I eligible schools ("Tier III schools").</p> <p>In the Tier I and Tier II schools an LEA chooses to serve, the LEA must implement one of four school intervention models: turnaround model, restart model, school closure, or transformation model.</p>		
Allowable Activities		
<p>Tier I and Tier II Grantees</p> <ul style="list-style-type: none"> ■ Grantees must expend grant funds for the required activities delineated for the selected intervention model as defined in the final federal regulations. ■ Grantees may expend grant funds for the permissible activities delineated for the selected intervention model as defined in the final federal regulations. ■ Grantees may expend grant funds for other school improvement activities deemed needed to address identified needs not addressed by the intervention model selected. <p>Tier III Grantees</p> <ul style="list-style-type: none"> ■ Tier III grantees may select one of the four intervention models in the federal regulations or the state's Tier III Transformation Model. ■ If selecting one of the four models in the federal regulations, grantees must expend grant funds for the required activities delineated for the selected intervention model as defined in the final federal regulations. Grantees may expend grant funds for the permissible activities delineated for the selected intervention model as defined in the final federal regulations. ■ Grantees may expend grant funds for other school improvement activities deemed needed to address identified needs not addressed by the intervention model selected. <p>In addition, a Tier I, Tier II, Tier III grantee campus that has implemented, in whole or in part, either the Turnaround, Restart, or Transformation models within the last two years may continue or complete the implementation of the intervention model with the TTIPS grant funds. For example, if a grantee campus has replaced its principal within the last two years, the LEA/campus will not be required to hire another new principal. An LEA/campus that receives TTIPS SIG funds in accordance with this flexibility must fully implement the selected model as required by the final federal requirements. In other words, if the school had been implementing the model only in part, it must use the funds it receives to expand its implementation so that it fully complies with the federal regulatory requirements.</p> <p>The detailed required and permissible activities for each intervention model, as defined in the final federal regulations are listed on Schedule #4—Program Requirements and are incorporated by reference herein.</p>

Part 2: Statutory Requirements			
#	Requirement Description – Federal Statutory Requirements	Primary Component Where Described	
18	If the LEA/campus selects to implement the turnaround model , the campus may implement the following federal requirements. a. Any of the required and permissible activities under the transformation model; or b. A new school model (e.g., themed, dual language academy).	Program Assurances	
19	If the LEA/campus selects to implement the school closure model , the campus must implement the following requirement. a. Enroll the students who attended that school in other schools in the LEA that are higher achieving within reasonable proximity to the closed school and may include, but are not limited to, charter schools or new schools for which achievement data are not yet available. b. A grant for school closure is a one-year grant without the possibility of continued funding.	Program Assurances	
20	If the LEA/campus selects to implement the restart model , the campus must implement the following federal requirements. a. Convert or close and reopen the school under a charter school operator, a charter management organization (CMO), or an education management organization (EMO) that has been selected through a rigorous review process. A CMO is a non-profit organization that operates or manages charter schools by centralizing or sharing certain functions and resources among schools. An EMO is a for-profit or non-profit organization that provides "whole-school operation" services to an LEA. b. Enroll, within the grades it serves, any former student who wishes to attend the school.	Program Assurances	
21	If the LEA/campus selects to implement the transformation model , the campus must implement the following federal requirements. 1. Develop and increase teacher and school leader effectiveness. (A) Replace the principal who led the school prior to commencement of the transformation model; (B) Use rigorous, transparent, and equitable evaluation systems for teachers and principals that-- (1) Take into account data on student growth as a significant factor as well as other factors such as multiple observation-based assessments of performance and ongoing collections of professional practice reflective of student achievement and increased high school graduation rates; and (2) Are designed and developed with teacher and principal involvement; (C) Identify and reward school leaders, teachers, and other staff who, in implementing this model, have increased student achievement and high school graduation rates and identify and remove those who, after ample opportunities have been provided for them to improve their professional practice, have not done so; (D) Provide staff ongoing, high-quality, job-embedded professional development (e.g., regarding subject-specific pedagogy, instruction that reflects a deeper understanding of the community served by the school, or differentiated instruction) that is aligned with the school's comprehensive instructional program and	Program Assurances

Comprehensive instructional reform strategies. (A) Use data to identify and implement an instructional program that is research-based and vertically aligned from one grade to the next as well as aligned with State academic standards; and (B) Promote the continuous use of student data (such as from formative, interim, and summative assessments) to inform and differentiate instruction in order to meet the academic needs of individual students. 3. Increasing learning time and creating community-oriented schools. (A) Establish schedules and strategies that provide increased learning time; and (B) Provide ongoing mechanisms for family and community engagement. 4. Providing operational flexibility and sustained support. (A) Give the school sufficient operational flexibility (such as staffing, calendars/time, and budgeting) to implement fully a comprehensive approach to substantially improve student achievement outcomes and increase high school graduation rates; and (B) Ensure that the school receives ongoing, intensive technical assistance and related support from the LEA, the SEA, or a designated external lead partner organization (such as a school turnaround organization or an EMO).	Program Assurances	
22	An LEA may also implement other strategies to develop teachers' and school leaders' effectiveness, such as-- (A) Provide additional compensation to attract and retain staff with the skills necessary to meet the needs of the students in a transformation school; (B) Institute a system for measuring changes in instructional practices resulting from professional development; or (C) Ensure that the school is not required to accept a teacher without the mutual consent of the teacher and principal, regardless of the teacher's seniority. Program Assurances	
26	An LEA that has nine or more Tier I and Tier II schools is prohibited from implementing the transformation model in more than 50% of those schools.	Program Assurances	
By submitting the application and signing Schedule #1, the applicant is certifying that all requirements are met in these program narrative component descriptions and activities.			
Part 3: Statutory Assurances			
#	Statutory Assurance Description		
1	Applicant provides assurance that financial assistance provided under the grant program will supplement, and not supplant, the amount of state and local funds allocated to the campus.		
2	Applicant provides assurance that it will use its TTIPS Grant to implement fully and effectively an intervention in each Tier I and Tier II school that the LEA commits to serve consistent with the final federal requirements.		
3	Applicant provides assurance that it will establish annual goals for student achievement on the State's assessments in both reading/language arts and mathematics and measure progress on the leading indicators in section III of the final federal requirements in order to monitor each Tier I and Tier II school that it serves with school improvement funds, and establish goals (approved by the TEA) to hold accountable its Tier III schools that receive school improvement funds.		
4	Applicant provides assurance that it will, if it implements a restart model in a Tier I or Tier II school, include in its contract or agreement terms and provisions to hold the charter operator, charter management organization, or education management organization accountable for complying with the final federal requirements.		
5	Applicant provides assurance that it will report to the TEA the school-level data required under section III of the final federal requirements.		
6	Applicant provides assurance that it will participate in any evaluation of the grant conducted by the U.S. Department of Education, including its contractors, or the Texas Education Agency, including its contractors.		
Part 4: TEA Program Assurances			
#	TEA Assurance Description		
1	Before full implementation funds are made available, the grantee must demonstrate that all early implementation activities have been completed. Successful completion of the early implementation will be measured in the Quarterly Implementation Reports (QIR), the Model Selection and Description Report, and through participation in TEA technical assistance. a. The Model Selection and Description Report must be submitted to TEA no later than February 1, 2011 . This report may be submitted at any time prior to the deadline. Grantees must demonstrate successful completion of the following activities: i. Comprehensive Needs Assessment process. ii. Establish the grant budget by the required categories. iii. Identification and Selection of the intervention model. iv. Development of activities to implement selected intervention model. v. Development of Timeline of Grant Activities.

Part 4: TEA Program Assurances			
#	TEA Assurance Description		
2	The applicant provides assurance that the LEA will designate an individual or office with primary responsibilities for supporting the LEA/campus' school improvement efforts. This individual/office will have primary responsibility and authority for ensuring the effective implementation of the grant option approved by TEA; serve as the district liaison to TEA and those providing technical assistance and/or contracted service to the LEA/campus as part of the approved grant.		
3	The applicant provides assurance that a team from the grantee LEA/campus will attend and participate in grant orientation meetings, technical assistance meetings, other periodic meetings of grantees, the Texas School Improvement Conference, and sharing of best practices.		
4	For the LEAs selecting the TEA Designed Models the applicant provide assurances that it will participate in and make use of technical assistance and coaching support provided by TEA, SIRC, and/or its subcontractors.		
5	The applicant will establish or provide evidence of a system of formative assessment aligned to the Texas Essential Knowledge and Skills which provides robust, targeted data to evaluate the effectiveness of the LEA's curriculum and its alignment with instruction occurring on the campus; assesses progress on student groups' academic achievement at the campus level; and guide instructional decisions by teachers for individual students.		
6	The applicant will participate in a formative assessment of the LEA's capacity and commitment to carry out the grant intervention models.		
7	The applicant will provide access for onsite visits to the LEA and campus by TEA, SIRC and its contractors.		
8	The applicant, if selecting the Restart Model, agrees to contract only with CMO or EMO providers on the State's approved list of CMO and EMO providers.		
9	The applicant, if selecting the Turnaround Model or Transformation Model (Tiers I and Tiers II only) agrees to the participation of the campus principal or principal candidates in a formative assessment of their turnaround leadership capacity.		
10	If the LEA/Tier III campus selects to implement the transformation model , the campus assures That it will it implement the following federal requirements. 1. Develop and increase teacher and school leader effectiveness. A. Evaluate the effectiveness of the current principal and use the results of the evaluation to determine whether the principal should be replaced, be retained on the campus, or be provided leadership coaching or training. B. Identify and reward school leaders, teachers, and other staff who, in implementing this model, have increased student achievement and high school graduation rates and identify and remove those who, after ample opportunities have been provided for them to improve their professional practice, have not done so; C. Provide staff ongoing, high-quality, job-embedded professional development (e.g., regarding subject-specific pedagogy, instruction that reflects a deeper understanding of the community served by the school, or differentiated instruction) that is aligned with the school's comprehensive instructional program and designed with school staff to ensure they are equipped to facilitate effective teaching and learning and have the capacity to successfully implement school reform strategies; and D. Implement such strategies as financial incentives, increased opportunities for promotion and career growth, and more flexible work conditions that are designed to recruit, place, and retain staff with the skills necessary to meet the needs of the students in a transformation school based on rigorous, transparent, and equitable evaluation systems for teachers and principals: 1. Takes into account data on student growth as a factor as well as other factors such as multiple observation-based assessments of student performance and ongoing collections of professional practice reflective of student achievement and increased high school graduation rates; and 2. Are designed and developed and with teacher and principal involvement

10	2. Comprehensive instructional reform strategies. A. Use data to identify and implement an instructional program that is research-based and vertically aligned from one grade to the next as well as aligned with State academic standards; and B. Promote the continuous use of student data (such as from formative, interim, and summative assessments) to inform and differentiate instruction in order to meet the academic needs of individual students. 3. Increasing learning time and creating community-oriented schools. A. Establish schedules and strategies that provide increased learning time; and B. Provide ongoing mechanisms for family and community engagement. 4. Providing operational flexibility and sustained support. A. Give the school sufficient operational flexibility (such as staffing, calendars/time, and budgeting) to implement fully a comprehensive approach to substantially improve student achievement outcomes and increase high school graduation rates; and B. Ensure that the school receives ongoing, intensive technical assistance and related support from the LEA, the SEA, or a designated external lead partner organization (such as a school turnaround organization or an EMO).	
11	An LEA may also implement other strategies to develop teachers' and school leaders' effectiveness, such as-- (A) Provide additional compensation to attract and retain staff with the skills necessary to meet the needs of the students in a transformation school; (B) Institute a system for measuring changes in instructional practices resulting from professional development; or (C) Ensure that the school is not required to accept a teacher without the mutual consent of the teacher and principal, regardless of the teacher's seniority.	
12	An LEA may also implement comprehensive instructional reform strategies, such as-- (A) Conduct periodic reviews to ensure that the curriculum is being implemented with fidelity, is having the intended impact on student achievement, and is modified if ineffective; (B) Implement a school wide "response-to-intervention" model; (C) Provide additional supports and professional development to teachers and principals in order to implement effective strategies to support students with disabilities in the least restrictive environment and to ensure that limited English proficient students acquire language skills to master academic content; (D) Use and integrate technology-based supports and interventions as part of the instructional program; and (E) In secondary schools-- (1) Increase rigor by offering opportunities for students to enroll in advanced coursework (such as advanced Placement; International Baccalaureate; or science, technology, engineering, and mathematics courses, especially those that incorporate rigorous and relevant project-, inquiry-, or design-based contextual learning opportunities), early-college high schools, dual enrollment programs, or thematic learning academies that prepare students for college and careers, including by providing appropriate supports designed to ensure that low-achieving students can take advantage of these programs and coursework; (2) Improve student transition from middle to high school through summer transition programs or freshman academies; (3) Increase graduation rates through, for example, credit-recovery programs, re-engagement strategies, smaller learning communities, competency-based instruction and performance-based assessments, and acceleration of basic reading and mathematics skills; or (4) Establish early-warning systems to identify students who may be at risk of failing to achieve to high standards or graduate.

13	An LEA may also implement other strategies that extend learning time and create community-oriented schools, such as-- A. Partner with parents and parent organizations, faith- and community-based organizations, health clinics, other State or local agencies, and others to create safe school environments that meet students' social, emotional, and health needs; B. Extend or restructure the school day so as to add time for such strategies as advisory periods that build relationships between students, faculty, and other school staff; C. Implement approaches to improve school climate and discipline, such as implementing a system of positive behavioral supports or taking steps to eliminate bullying and student harassment; or D. Expand the school program to offer full-day kindergarten or pre-kindergarten.	
14	The LEA may also implement other strategies for providing operational flexibility and intensive support, such as-- A. Allow the school to be run under a new governance arrangement, such as a turnaround division within the LEA or SEA; or B. Implement a per-pupil school-based budget formula that is weighted based on student needs.	
15	The LEA/campus assures TEA that data to meet the following federal requirements will be available and reported as requested. a. Number of minutes within the school year. b. Average scale scores on State assessments in reading/language arts and in mathematics, by grade, for the "all students" group, for each achievement quartile, and for each subgroup. c. Number and percentage of students completing advanced coursework (e.g., AP/IB), early-college high schools, or dual enrollment classes. (High Schools Only) d. College enrollment rates. (High Schools Only) e. Teacher Attendance Rate f. Student Completion Rate g. Student Drop-Out Rate h. Locally developed competencies created to identify teacher strengths/weaknesses i. Types of support offered to teachers j. Types of on-going, job-embedded professional development for teachers k. Types of on-going, job-embedded professional development for administrators l. Texas Title I Priority Schools Grant
Schedule #4A—Program Abstract

Part 1: Grant Eligibility

☐ Tier I Eligible Campus
 ☐ Tier II Eligible Campus
 ☒ Tier III Eligible Campus

Identify which timeline the LEA/Campus the applicant will implement.

☐ Option 1: LEA/campus currently engaged in aggressive reform
☒ Option 2: LEA/campus in need of foundational technical assistance

Part 2: Grant Program Summary. Provide a brief overview of the program you plan to implement on the campus. Be sure to address fundamental issues such as your local program goals and objectives that align with the RFA purpose and goals, rationale for program design, etc. Address the specific gaps, barriers, or weaknesses to be addressed by the intervention model to be selected. A response to this question must be completed in the original submission regardless of whether the LEA/campus has selected an intervention model at this time or not.

Responses are limited to the space provided, front side only, with a font size no smaller than 9 point (Arial or Verdana).

Lamar Elementary School is focused and committed to significantly raising and maintaining the academic achievement of its 546 pre-kindergarten through 5th grade students to successfully reach AYP and to continue the TTIPS goals through full implementation of the Tier III Transformation Model. Lamar is already implementing some intervention strategies of the Tier III Transformation Model in a focused effort to address instructional issues in Mathematics and Reading/ELA, as well as the overall performance in academics of all English as a Second Language Learners (ESL/Bi-Lingual). The mobility of the school is extremely high: from 2004 to 2009, the mobility rate moved from 20% to 25%. To further document the need stated above to intervene with strategies for ELA, ELL, and Bi-Lingual the Hispanic population of Lamar currently stands at 10% growth (51.4% [2004] up to 59% [2009]). Data taken from state accountability tables for Lamar Elementary School shows that Mathematics and also Reading/English Language Arts performance of all students declined by a small percentage in the total students meeting standards; however, specific sub-groups indicate an alarming percentage. Also these gaps could cause failure to meet 2011 state and federal accountability standards.

Sub Group	Mathematics Standards Met	Chg In % Met Standards	Sub Group	Reading/ELA Standards Met	Chg In % Met Standards	(TEA Adequate Yearly Progress Campus Data Table [2008-2009])
Hispanic	73%	- 1%	Hispanic	84%	- 5%	
Spec. Ed.	60%	-25%	Spec. Ed.	75%	-10%	
Afr. Amer.	82%	-13%	Afr. Amer.	82%	- 1%	

Specific gaps/weaknesses in student academic performance have been previously identified through a standard needs assessment process used annually by the Leadership Team and administrative personnel. With the Tier III TTIPS Grant funding and associated program requirements, a more encompassing, comprehensive needs assessment process as well as on-going program evaluation processes will be utilized to facilitate the full implementation of the Transformation Model.

Strategies to develop and increase teacher and school leader effectiveness will include the development of rigorous, transparent and equitable evaluation instruments designed to align with the Lamar Elementary Tier III Transformation Model goals, the provision of and support in the use of specific, research-based professional development, and the use of teacher coaches, as well as the technical assistance provided through the Texas Transformation Project, implementation of a teacher/leader reward system, the removal of those who do not increase student achievement after school improvement program implementation is in place, and implementation of effective recruitment and retention strategies designed by the Lamar Elementary Transformation team and staff.

Strategies chosen for effective intervention reform will be selected to address specific gaps/weaknesses in student achievement as identified by the comprehensive needs assessment and ongoing program evaluation. Strategies will include the continuation and enhancement of Head Start, and Pre-K classes to address specific early childhood education focus which is to prepare the children for lifelong success in education; updating and expanding upon existing technology currently available to students; Response to Intervention (RTI) strategies by all staff as addressed in teacher and leader effectiveness through enriched staff development; language development addressed with specific programs, additional highly qualified teachers; classrooms as communities with improved classroom environments; Increased learning time with strong enrichment activities offered after school; and strong parental and community support providing academic and enrichment learning time.

Learning time will be increased adding in teacher relief from duty activities and utilizing current staff to assist in After School tutorials. Volunteers will be utilized from home and community to add to instruction, thus freeing up additional learning time for students and teachers learning time.

Upon receipt of the Tier III TTIPS Grant, Lamar Elementary will ensure on-going, technical and related support which will be fully utilized in implementation of, evaluation of, and completion of/sustainability of transformation strategies. Lamar Elementary is confident that they can meet the goals of the TTIPS Grant; however without the funding, the full implementation of strategies cannot be realized.

Part 1: Comprehensive Needs Assessment Cont.		
Section C: Process Responses are limited to the space provided, front side only, with a font size no smaller than 9 point (Arial or Verdana).		
Describe, in detail, the process the LEA and campus followed/will follow to identify the needs of the campus.		
<p>Lamar Elementary School will identify and recruit a variety of instructional staff, parents, community members, and administrative staff dedicated to the vision of educational excellence for all stakeholders to serve on the TTIPS Grant Transformation Team. Since Lamar School is an elementary campus, students will provide input but not be official team members. This team will be responsible for collecting, documenting, and analyzing accurate data from comprehensive needs assessment data sources. Data collection and analysis will be an ongoing process. All decisions impacting Lamar Elementary School improvement will be data-driven. Due consideration will be given by all participants to maintain confidentiality when appropriate.</p> <ul style="list-style-type: none"> • Student assessment data will be collected from a variety of most currently available sources to include but not limited to all Texas state assessment pieces, early childhood reading instruments and student coursework grades. Data collected will be used in choices made in needed professional development pertaining to research-based instructional practices, classroom management, and instructional supplementation to best impact student performance. Data will be used to identify student specific needs to be addressed by day-to-day planning, instruction and assessment preparation by all regarding instructional staff. Data will be used by the principal to best identify staff in need of assistance. The Transformation Team will use student data in decision making for school improvement of short and long term goal setting, in making the decision to implement intervention strategies, and in evaluating the effectiveness of the strategy implementation. • 425 PEIMS discipline records will be evaluated to determine specific student issues such as truancy, bullying, and repeated violations of the Student Code of Conduct at the Lamar Elementary School campus in order to best implement strategies to address these needs. Data will also be used to identify the needs of individual instructional staff members in need of a mentor and/or professional development with a focus on classroom management or student character education. • Student attendance data will be monitored daily by the campus attendance clerk for the purpose of determining possible intervention needs of specific students. Six-week, semester and annual student data (in addition to student academic progress) will be evaluated to determine needs for extended learning time opportunities. Staff attendance data will be used to determine a basic measure of employee job satisfaction or to identify possible needs for change in District Board Policy pertaining to the use of discretionary leave. • Lesson plans/curriculum documents will be audited a minimum of annually to determine alignment with the required state curriculum (the TEKS) and resulting data will be compared with state assessment results to identify changes needed in curriculum content or delivery. Audit information will provide data on delivery and assessment methods of instructional content of specific teachers. This data will be used to guide peer-coaching opportunities and as part of the teacher evaluation piece for the purpose of improving teacher quality. The process of auditing the curriculum will serve as an accountability measure of the actual use of recommended classroom practices obtained from professional development. Data will be used to identify teachers in need of more instructional assistance. • The Transformation Team will evaluate learning time data (regular school calendar, type of daily schedule, learning time minutes, bell-to-bell instructional practices, and current practices in place to assist chronically absent students and/or students struggling academically) and compare it to actual student academic performance. The school day which includes an extended day schedule will be evaluated to determine need for additional opportunities. Implementation of time for enrichment is needed, as well as extended learning time for the education of English Language Learners. • The Transformation Team will evaluate professional development data (number and type of trainings provided, progress in implementation of knowledge/practices obtained, number of staff participating, sources and delivery methods, and whether or not the professional development is research-based, or not) along with student academic performance to best determine need for future professional development to meet the goals of the Lamar Elementary School Tier III Transformation Model. • The existing Title 1 School/Parent compact activity data and numbers of participants will be evaluated by the Transformation team to determine new strategies and expansion goals that could be implemented to increase parent and community involvement with Lamar Elementary School. • Existing policy and procedure, budgetary data, and staffing etc., will be evaluated by the Transformation Team in making decisions that best impact implementation processes.

Texas Title I Priority Schools Grant Schedule #4B—Program Description		
Part 2: Project Management		
Section A: LEA (District) Capacity Responses are limited to one page each , front side only, with a font size no smaller than 9 point (Arial or Verdana).		
Capacity -- Describe the LEA's capacity to use grant funds to provide adequate resources and related services/support to the campus to implement, fully and effectively, the required activities of the school intervention model.		
<p>Lamar Elementary School is fully capable of using TTIPS Grant funds to provide adequate resources and related services/support to the campus to effectively implement the required activities of the Tier III Transformation Model. Pampa ISD has a six year record of "Superior" ratings from TEA's Financial Integrity Rating System of Texas (FIRST) for appropriately implementing and reporting on the use of State Compensatory Education funds as well as numerous Federal Title Program and Idea B funds at the campus and district levels. Lamar Elementary School is committed to making full use of awarded TTIPS Grant Funding. Lamar is also appropriately diligent in the selection of intervention strategies, their associated costs, the extensions of these costs over the 3 year period of the grant, and to the ability to maintain the effects of the interventions after the grant period ends to best meet the goals of sustained student academic success.</p> <p>1. Develop and Increase Teacher and School Leader Effectiveness: Choosing to utilize the flexibility offered through the Tier III Transformation Model, Lamar School has made the decision to not replace the principal in the first year of the TTIPS Grant program implementation. It will, however, use SIRC provided Principal/Leader Competency Review Processes to design an effective evaluation instrument for the principal. A similar process will be used to design a new evaluation instrument for teachers. Funding will be used to provide for the pay of substitute teachers while teachers and principal build the evaluation instruments. Funds will also be used for paying subs for teachers involved in the research and design of an equitable reward system for teachers and staff who have increased student achievement to pay for the reward system rewards. Funds will be used to provide additional, specific, and intensive professional development for those teachers who have not initially increased student achievement once the transformation model strategies have been put in place. Funds will be used for the provision of ongoing, high-quality, job-embedded professional development for all staff with a topic focus on research based instructional methods and management strategies to meet the targeted needs with a focus on language development (ELL and bilingual) for the Lamar student population. Funds will be used to pay the salary of the Campus Shepherd who will oversee and facilitate full implementation of the TTIPS Grant initiatives and directly influence the fidelity of the use of research-based instructional practices and curriculum. Funds will be use to pay for initiatives designed by teachers and the principal to recruit and retain quality staff. Funds will be used to send the principal, and teachers to Leadership academies and appropriate conferences for the specific purpose of improving administrative and teacher effectiveness. Funds will be used for the acquisition and training of instructional aids to help teachers meet the needs of academically unsuccessful students. Instructional aids will be hired with the intent to "grow" them into teachers for Lamar School by paying for tuition towards Bachelor or Masters level teaching degrees.</p> <p>2. Comprehensive Instructional Reform Strategies: Lamar Elementary will use funds to contract for comprehensive curriculum/lesson plan reviews documenting curriculum vertical and horizontal alignment with the TEKS, the use of strategies obtained from professional development, and evidence of the use of research based instructional and classroom management practices. Funds will initially pay for an outside contractor to conduct the audits. In addition, the contractor will teach the principal and instructional staff themselves on methods used to conduct valid curriculum audits and making use of the data obtained for use in subsequent years. Funds will be used to provide for teachers to assist teachers in learning integration of technology based instructional tools such as Mobis.</p> <p>3. Increasing Learning Time and Creating Community-Oriented Schools: Funds will be used in Year 1 of implementation for travel to other Texas school districts to provide information on different flexible and alternative daily schedules, school calendars and instruction. Funds will be used to implementation of strategies designed to accommodate the increased learning time opportunities. Funds will be used to provide for improved communication strategies with parents and the community as well as for training in language acquisition and parenting.</p> <p>4. Providing Operational Flexibility and Sustained Support. Funds will be used prudently in making staffing increases and in the implementation of intervention strategies in ways that can be continued after the grant period ends. Lamar Elementary will make concerted use of SIRC program recommendations and contacts and continue to use professional development and support services provided by Region 16 ESC. Lamar Elementary will continue to evaluate current practices and policy to facilitate full implementation of the transformation process.</p>

Texas Title I Priority Schools Grant Schedule #4B—Program Description		
Part 2: Project Management Cont.		
Section A: LEA (District) Capacity Responses are limited to one page each , front side only, with a font size no smaller than 9 point (Arial or Verdana).		
Partnership/Involvement of Others – Describe how the LEA/campus consulted with relevant stakeholders (students, staff, parents, community) regarding this application and proposed implementation of a school intervention model.		
<p>Upon first learning of the TTIPS Grant details, the Pampa ISD Superintendent and Federal Programs Director presented the information to the Pampa School Board of Trustees at the regularly scheduled April Board meeting. Grant program goals, Tier III school improvement option descriptions, available funding amounts, and potential impact on Pampa ISD students over the next 3 years and longer was discussed. The Board responded favorably to pursuit of the TTIP Grant at three Pampa ISD elementary schools. After presenting initial information to the Board, the Federal Programs Director and Region 16 ESC Title 1 staff discussed the grant with the pre-K through 5th grade campus principals and education teams. School improvement model options were discussed as well as potential funding amounts, possible intervention activities to best meet student needs, and the educational, human resources, and political, and fiscal implications of TTIPS Grant implementations. The Lamar Elementary School campus team responded positively and worked into the evening discussing options and making plans for writing the grant. The campus team members went back to their grade levels and provided details to peers. All were in agreement that changing status quo was the only way to reach the next level of student academic success at Lamar Elementary School. The team members went over the Critical Success Factors and Milestones and participated in brainstorming of possible intervention strategies with the teachers. The teachers were excited about participating in research-based change and of being included in the process of building new teacher and principal evaluation instruments.</p> <p>The next step saw a new Transformation Team assembled from volunteers wanting to make and see a positive difference in student success at the Lamar Elementary School Campus. They reviewed district student academic data and received further TTIPS Grant details from the Federal Programs Director. The Transformation Team was then able to use the data and grant information to make preliminary plans needed for the writing and eventual implementation of the TTIPS Grant. During the period in which the grant was being written, Central Administration was getting the information out to the public. They included information about the TTIPS Grant educational opportunities for students and the community at the numerous end-of-school student/parent banquets, with a newspaper article in the local newspaper-The Pampa News, and through information posted on the district web page at http://www.pampaisd.net. Students were included in the consultation process when the principal spoke at their daily morning assembly and gave an overview what the grant was and how it could be used to make change for the better at their school. Students provided a number of comments/requests that the principal said she would take into consideration in the decision making. The Pampa Board of Trustees received a second round of information at the May 2010 regularly scheduled board meeting. The superintendent was able to provide a more detailed description of what the TTIPS Tier III Transformation Model For School Improvement would look like at Pampa ISD Schools.</p>

Part 2: Project Management Cont.		
Section A: LEA (District) Capacity Responses are limited to one page each , front side only, with a font size no smaller than 9 point (Arial or Verdana).		
Resource Management – Describe how the LEA/campus will align other resources (federal, state, local, and community) with the school improvement intervention.		
<p>Lamar Elementary School will align the Tier III Transformation Program TTIPS Grant funding with other federal, state, and local funds.</p> <p>Pampa ISD currently receives Federal Idea B funding which is used for staffing a quality Special Education Program, Response to Intervention (RTI) implementation training and program strategies, and for the purchase of special equipment, supplies, and software used to meet the needs of special education students. Maintenance of Effort (MOE) will be maintained and Tier III Transformation Program TTIPS funding used to provide an accelerated instructional aid for reading and math classrooms, for an extended instructional day program, and for the provision of a review of professional development focused on effective RTI program practice implementation. TTIPS Grant will provide SIRC support specialist to assist SPED and general education teachers in best practices to meet the needs of SPED students in the regular classroom.</p> <p>Pampa ISD also receives federal Title funding. Title 1 funding is used to provide for highly qualified staff and instructional aides, Title II is used for professional development, and Title III is used to support the education of ESL students. TTIPS Grant funding will be used to supplement instructional staff and to provide additional targeted research-based, job-embedded professional development specifically chosen to meet the goals set by the grant program. TTIPS Grant funding will also be used extensively for the provision of interventions for ESL and bilingual students beyond services that can be provided through the limited Title III funding.</p> <p>Pampa ISD receives State Compensatory Education (SCE) Funding which is used for the education of At-Risk students. Since Lamar Elementary participates as a Title-I school-wide campus, SCE funding is used to extend the Title 1 program. TTIPS Grant will be used to supplement the only Head Start, and Early Head Start and pre-kindergarten programs in the whole school district with the 3 and 4 year-olds housed at the Lamar campus, and two day care centers. The program has recently expanded their facilities and staffing but is projected to out-grow capacity due to the increase of extended families in the community.</p>

Grant Project Manager Qualifications – Describe the qualifications of the person selected to be the project manager for this grant on the campus.		
<p>The project manager (District Shepherd) for the TTIPS Grant was selected by Lamar school based on the following qualifications:</p> <ol style="list-style-type: none"> 1. The Lamar District Shepherd has a diverse knowledge base which will allow them to more fully understand the unique needs of small-town West Texas communities, chapter 42 school district students, and school staff and the complexities involved in serving those needs. 2. The Lamar District Shepherd has a vested interest in seeing that the Tier III Transformation Program is fully and effectively implemented. Visible evidence of this commitment and dedication will enable the District Shepherd to actively generate a positive school culture in the face of sometimes difficult, but always positive change. 3. The Lamar District Shepherd has full access to the Superintendent and the Transformation Team and uses this access for effective, timely communication for the purpose of problem-solving, provision of technical assistance, and program evaluation. 4. The Lamar District Shepherd is knowledgeable about the details of running a school district central office, a school campus, and of departmental procedures and district legal and local policies which will be used to ensure appropriate and timely transformation activity implementation can occur with a minimum of difficulty. 5. The Lamar District Shepherd is knowledgeable about special education and bilingual education.

LEA Support – Describe how the LEA will structure and implement an individual or office with responsibility for supporting the campus' school improvement efforts.		
<p>Lamar Elementary School will first provide for the physical needs of the District Shepherd by designating a secure work space with a computer, computer privileges (including access to PEIMS and student data), and telephone. The District Shepherd will be issued school identification, parking, and keys.</p> <p>The second provision for the District Shepherd will be new employee orientation training which includes a review of the staff handbook, the student handbook, including the Student Code of Conduct, pertinent Board policy and school procedures, and required notices pertaining to sexual harassment, blood borne pathogens, confidentiality, etc. All trainings serve to further acquaint the District Shepherd with details of the Lamar campus and elementary environment. The District Shepherd is introduced to the Pampa School Board and develops a working relationship with the school business manager.</p> <p>Before arrival of, during orientation with staff, and after the District Shepherd has formally committed to Lamar Elementary, the District Superintendent and Transformation Team have been communicating the role and responsibilities of the District Shepherd with all stakeholders through use of the local newspaper, the District/Campus web page, in parent meetings, staff meetings, and student gatherings. The District Shepherd begins to attend all Transformation Team meetings, professional development, and appropriate staff meetings and becomes an integral part of the Lamar educational transformation process.</p>

Section A: LEA (District) Capacity Responses are limited to one page each , front side only, with a font size no smaller than 9 point (Arial or Verdana).		
Program Continuation and Sustainability – Describe how the LEA will sustain the campus reforms after the funding period ends.		
<p>Lamar School has selected specific reform strategies to be utilized during their school transformation. In addition to selecting the strategies that meet the currently identified needs, the strategies have been selected so that the elements that contribute to meeting needs successfully are also sustainable.</p> <ul style="list-style-type: none"> • School Integrated Social Services – The school will appoint and train a school liaison for providing social service support information to parents and the community. That person will continue provision of that service after the grant period ends. • Comprehensive Needs Assessment Processes – Lamar School will continue to make use of the Comprehensive Needs Assessment processes to provide data essential for decision making pertaining to sustained student academic achievement. • Expanded/Updated Language Development is an important component sought in the reforms of the TTIPS grant. The diverse student population needs additional learning time, more teachers, a healthy school climate, and also parent/community involvement. The low student performance of Bilingual, ELL, and 89% of low socio-economic background will be addressed through improved teacher staff development; improved parent/community participation, and data-driven instruction decisions by teachers and leaders. Knowing what to do and how to teach these students in their particular sub-groups will best be sustained with a knowledgeable staff that is well versed in the needs of these special student populations. • Professional Development is an item that will be self-sustaining with granted funds. Teacher Leaders, Principal, Assistant Principal and also aides who are being educated to become certified, will ensure a cadre of professionals within the campus who will retain and maintain a large portion of the outstanding, job-embedded professional development planned with grant funds. The successful maintenance and retention of these staff members will ensure a continuum of program fidelity. • Family/Community Involvement strategies will include a self-development program for parents and family. It is predicted that this increase in adult education will provide a highly motivated and educated group of parents and grandparents who will feel more comfortable spending time on campus, conversing with educational staff and leaders, and taking a more hands-on and helping attitude towards assisting in their children's education, thus improving student learning time. • Increased Learning Time will be the result of a reformed staff using teaching and assessment methods in a timely and efficient manner. This reformation in teaching principles and methodology will alone prescribe an estimated one to two months of increased gain. Current staff will be organized for after school tutorials so that a smaller ratio of student to staff is realized in tutorials. While additional core subject time is sought, it is also believed that the after school program that is planned for enrichment activities will encourage all students to attend tutorials in the afternoon. • Increased personnel such as the Assistant Principal and the DLL – Spanish Reading Recovery trained teacher (Decumbriando la lectura) will be sustained from "Grow Your Own" teachers/administrators. Current teachers who are interested in becoming administrators will be encouraged to become well trained members of the leadership team. The methods and strategies of all vested personnel will provide a community throughout the campus that will build capacity for every educator in place. There will be a certain amount of attrition due to retirement and relocation that will provide sustainability for these positions. Plus, as the development of highly qualified staff occurs, phasing out of other requested personnel will become a fact. • Incentive and Rewards Programs for staff will come from savings realized by not having to train new staff because of increased teacher retention. Savings will also be realized from decreased staff absenteeism. • Technology Assistance will be sustained by applying for additional, external grant funding. Upon completion of the grant funding period, these needs will additionally be built into the budget for further sustenance. • Enhanced early childhood programs –Lamar Elementary in the Texas Panhandle, with the primary industry of oil and gas which is manned with non-skilled labor, does not lend itself to any quantity of high quality child care. The mobility rate of students at Lamar Elementary is 25%, however the increased average daily attendance realized with the enhancement of these programs would be used to sustain them. Instructional aides employed during the incentive/recruitment strategy will be fully trained to continue the programs. • Classrooms as Learning Communities will be sustained by improving learning time, training teachers to be aware of and use varied learning environments for all learners, and by allowing students to work at varied comprehension levels within the classrooms and small group settings.

External Providers -- Describe how the LEA will recruit, screen, and select external providers to ensure their quality.		
<p>Lamar Elementary School will use a clear, fair, well organized selection process that is open to public input for the selection of quality external service providers. Each external provider will be evaluated on knowledge, skills, and past record for successful provision of school improvement services. Each provider will be reviewed from the educational, organizational, legal, and financial perspectives. Pampa ISD will develop profiles of all available external providers and make selections based on the best matches to meet the specific needs identified through the comprehensive needs assessment. All selected providers must be willing and able to sign a contract which includes performance expectations and benchmarks which will be used as part of the ongoing formative and summative evaluation process in determining progress towards meeting transformation goals. Lamar Elementary will personally interview and approve the specific person to provide the service or services. Lamar Elementary will make use of the professional recommendations for external providers provided by the Texas Transformation Project support staff and the District Shepherd.</p>

Site Visits – If the intervention program includes site visits to other campuses successfully implementing the intervention model, describe the process for selecting the locations and the expected outcomes of the site visit.		
<p>Lamar Elementary School will only make site visits if intervention model strategy information is unavailable without travel. All effort will be made to first visit through the use of distance learning technology in order to conserve funding and time out of the classroom. Secondly, effort will be made to bring persons experienced in to Lamar Elementary school from other sites. If there is a specific need that can only be addressed through a site visit, sites will be selected:</p> <ul style="list-style-type: none"> • That are using research-based strategies that can be duplicated at Lamar Elementary School • That are recommended by the Texas Transformation Program Support personnel, Region 16 ESC staff, and/or the Pampa Elementary School District Shepherd • That are as close in proximity to Gray County, Texas as possible • That have student demographics and backgrounds similar to Lamar Elementary School • That have strategy information to meet several needs <p>The expected outcomes of site visits are that detailed information and first-hand knowledge of specific strategy implementations or practices that can be brought back to the school and incorporated into Lamar Elementary School transformation processes. It is expected that the implementation of the new strategies provide for new student academic successes that were not previously realized with other strategies.</p>

Part 3: Intervention Model		
Section B: Model Selection Process –Describe in detail:		
<ol style="list-style-type: none"> 1. The process the LEA and campus followed/will follow to select a school intervention model that aligns to the identified needs of the campus. 2. The timeline delineating the steps the campus will take to implement the selected intervention. 		
Responses are limited to five pages , front side only, with a font size no smaller than 9 point (Arial or Verdana).		
<ol style="list-style-type: none"> 1. The process Lamar School followed/will follow to select a school intervention model that aligns to the identified needs of the campus: Lamar School is identified as a Tier III School by TEA and has the choice of all four school improvement models. The Turnaround Model in which the campus principal and 50 percent of teachers are replaced was not selected due to the strong probability of replacing 50 percent (approximately 20) of teachers with highly qualified personnel is unlikely as Lamar School is located in the Texas Panhandle as the principle school district for miles around. The district administration and initial Transformation Project team decided to keep the existing principal due to student performance showing growth under the currently implemented school improvement strategies. The principal will participate in professional development designed to improve instructional leadership skills as well as be evaluated with the newly designed/aligned evaluation instrument developed with the assistance of the Texas Transformation Project support staff. The Closure Model was not selected due to the fact that Lamar Elementary School, one of four in Pampa ISD, is the only school in the community to house all the early Head Start, Head Start and pre-kindergarten. Also, the campus houses 550 students and absorbing those students into three other, already overcrowded campuses would create undue hardships for the district. The Restart Model under which the school begins new as a Charter School was not selected because it was thought that bringing in outside entities with little knowledge of the established community and unique needs to run the school would prove to be detrimental to a positive learning environment. The Tier III Transformation Model was selected because: <ul style="list-style-type: none"> o Lamar Elementary School was not required to replace the existing principal the first year of implementation (for the reasons stated previously in this schedule); o The model provided for the development of a transparent evaluation instrument to evaluate the effectiveness of the principal and teachers in meeting the transformation model goals; o The model required the development of recruitment/retention and reward/incentive strategies for staff; o The model provided for on-going, high-quality, job-embedded professional development that is aligned with Lamar Elementary School's comprehensive instructional program; o The model makes consistent use of data provided by ongoing comprehensive needs assessments in all school improvement decision making o The model is designed and implemented with teacher and principal involvement to meet the specific needs of Lamar Elementary School o The model provides for increased learning time; o The model provides for an expansion of parent/community-oriented school engagement o The model provides a sound starting point and a support system for improving upon school operational flexibility required for full, effective implementation of school reform; o The model provides for extensive opportunities for Lamar School to receive ongoing, intensive technical assistance and related support from Texas Transformation Project personnel, Regional Education Service Center personnel, the Lamar Elementary School District Shepherd, and Central Administration; and o The model allows Lamar Elementary School flexibility in the design, the implementation, and the evaluation of the school improvement program while receiving guidance from outside expertise which ensures a successful completion of the project.

Dept of Health and Human Services</i> . www.nichd.nih.gov/news/releases/051410-early-child-care.cfm?renderforprint=1	August 2011	May 2013 With continuation after grant period planned
1-A , 1C Improve Academic Performance Through the Use of Data Driven Instruction/ Ongoing Monitoring of Instruction	Improve Student Achievement in Reading/ELA through fidelity in the use of research-based instructional methods of classroom teachers	Effectiveness of classroom teacher directly impacts student academic performance. Teacher coaches and principal will document actual use of instructional methods and provide support to teachers in need of assistance.	Keller, B. "Coaching Teachers to Help Students Learn." <i>Education Week</i> . V27 n15 p 22-24, Dec 2007	January 2011	May 2013 With continuation after grant period planned
1-C Improve Academic Performance Through Ongoing Monitoring of Instruction	Improve Student Achievement in all academic subjects by improving the quality of principal effectiveness	Research indicates the importance of principal's work in positively impacting student learning because of their indirect influence on teachers' practices through the fostering of collaboration and communication around instruction.	Supovitz, J., Sirinides, P, May, H.; 2010 How Principals and Peers Influence Teaching and Learning; 2010 Educational Administration Quarterly, v46 n1 p31-56	January 2011	May 2013 With continuation after grant period planned

1-A. Improve Academic Performance Through the Use of Data Driven Instruction	Improve Student Achievement in Mathematics through full implementation of Response to Intervention (RTI)	RTI strategies will provide intervention strategies to students and prevent them from falling behind academically. This will result in meeting AYP and State accountability standards.	Reschly, D. (2007). <i>Response-to-intervention in prevention, disability identification and educational programming</i> . Paper presented at the annual meeting of the Midwest Symposium for Leadership in Behavior Disorders, Kansas City, Missouri.	January 2011	May 2013 With continuation after grant period planned
1-A Improve Academic Performance Through the Use of Data Driven Instruction	Improve Student Achievement in all subjects through the provision of high-quality, job-embedded professional development opportunities for instructional staff	Teachers who participated in the PD during implementation of a reform curriculum had approximately a one standard deviation advantage in their students' achievement over those who did not.	Doppelt, Y. et. Al.; 2009 Evaluating the Impact of a Facilitated Learning Community Approach to Professional Development on Teacher Practice and Student Achievement; Research in Science & Technological Education, v27 n3 p339-354	January 2011	July 2013 With continuation after grant period planned
1-B, 1-C Improve Academic Performance Through Curriculum Alignment; On-going Monitoring of Instruction	Improve Student Academic Achievement in all subjects through the use of the vertically/horizontally aligned (with the TEKS) C-Scope Curriculum by classroom teachers	The Texas Education Service Center Curriculum Collaborative (TESCCC) developed CSCOPE, a comprehensive, customized, user-friendly curriculum support system which encompasses resources for the implementation, monitors the curriculum and establishes an accountability process to ensure a quality implementation. (Response limited to one page each, font size no smaller than 9 pt, Arial or Verdana)		
Section A: Ongoing Monitoring/Continuous Improvement - Describe the LEA/campus' process for providing on-going monitoring of grant activities to ensure continuous improvement		
<p>Lamar Elementary School will implement an ongoing monitoring process of TTIPS Grant activities to ensure continuous improvement by collecting and using data to be used in decision making as determined by the 90 day action plans designed by the Transformation Team. The transformation team will work closely with the District Shepherd for Lamar Elementary School and the SIRC Support Specialist to ensure an effective monitoring system is put in place. Members of the Transformation team as well as school staff will be assigned specific monitoring and reporting duties. Each person assigned will be trained in accurate, valid methods of data collection and data reporting. All members of the Transformation Team will be fully trained in the process of data disaggregation and in the interpretation of the data. Designated teaming meetings will be scheduled in the campus activity calendar for the purpose of setting aside time for the data disaggregation and decision making. The transformation team will work closely with the District Shepherd and the SIRC Support Specialist when making intervention strategy selections to ensure that school improvement can result from the selections made. An accountability element will be incorporated into the on-going monitoring activities with the inclusion of reports to be made public to all stakeholders on the summative evaluation results of the 90 day action plan implementation and on the formative plans for the next 90 day action plan.</p> <p>Intervention strategies to be monitored will include those pertaining to:</p> <ul style="list-style-type: none"> • the progress of students (academic growth, discipline, attendance, participation in extra/co-curricular activities) • the evaluation of the effectiveness of the campus principal • the evaluations of the effectiveness of campus teachers as indicated by student assessment data • the progress of the leadership coaching for lead teachers and the principal • the reward system • the state of the professional development program • increased learning time • fidelity in the use of designated, aligned curriculum and research-based instructional practices by teachers • the progress towards and results of teacher coaching • the recruitment/retention system • the status of the parent/community involvement plan and the school support services project • review of the sufficiency of operational flexibility as compared to the current needs resulting from transformation program implementation • the levels of support being provided vs. what is needed during all phases of transformation program implementation

(Response limited to one page each, font size no smaller than 9 pt, Arial or Verdana)		
Section B: Formative Evaluation- Describe the LEA/campus' process for formative evaluation, including how the results of the evaluation will be used to improve the grant program		
<p>The purpose of formative evaluation during the Lamar School transformation process is to validate or ensure that the goals of the transformation are being achieved and to improve all aspects of the transformation, if necessary, by means of identification and subsequent remediation of problems. The Lamar Elem. Transformation team (which includes community members and parents), district shepherd, and SIRC support personnel will initially conduct summative evaluations on data provided by the comprehensive needs assessment to best determine the current status of school reform at the beginning of the grant period. The Transformation team, with assistance, will actively begin the formative evaluation processes to identify specific issues to be addressed. Prescriptive action plans will be put in place to address the purposes and objectives of the project. Quarterly communications pertaining to program implementation progress and any problems encountered will be provided to district administration. Formative evaluation will be conducted on the following project activities to identify program strengths, extent of recommendation implementation, weaknesses of project design-implementation and evaluation:</p> <p>Teacher and School Leader Effectiveness – Both teachers and the campus principal will be appraised for effectiveness in the use of intervention strategies and resulting improvement in student performance during the grant period through the use of new teacher/admin developed evaluation instruments and from student data. Student data will be analyzed for evidence of positive academic growth as the result of the administrations of individual teachers. Curriculum document audit information will provide data pertaining to fidelity in the use of research based instructional strategies and a vertically and horizontally aligned curriculum. Individual teachers will be evaluated on their student performance documented through assessment data and through ongoing teacher evaluation processes. The principal will be evaluated according to the successes or lack of successes of campus teachers as well as through information provided on growth in effectiveness resulting from SIRC leadership coaching. Formative evaluation of teacher and school leader effectiveness will be conducted on an ongoing basis by the Transformation Team.</p> <p>Professional Development and Instructional Reform Strategies- Teachers and other instructional staff will be the recipients of professional development specifically chosen by the Transformation Team to build capacity in identified content areas and targeted instructional strategies. Initially, teachers who are not contributing to growth in student achievement will be the recipients of additional prescriptive professional development and instructional support. Formative evaluation of the effectiveness of professional development will be conducted a minimum of bi-annually at the end of each semester by the Transformation Team.</p> <p>Recruitment, Placement, and Retention Plans – Student growth data, teacher evaluation data pertaining to professional practice reflective of student achievement, and teacher attrition data will be used to validate the intentions of the recruitment, placement, and retention interventions are being met. Formative evaluation of this plan will be conducted annually during the summer by the Transformation Team.</p> <p>Reward Plans – Increased student achievement data will be used to determine the effectiveness of teacher/administrator developed reward plans. Formative evaluation of this plan will be conducted annually during the summer by the Transformation Team.</p> <p>Increased Learning Time – Changes to the daily schedule/school calendar and student academic performance data will be evaluated to determine if the implementation of specific increased learning time strategies are working as intended. Formative evaluation of this plan will be conducted at the end of each 90 day action plan period until an optimum balance of learning time vs. student performance is realized. Formative evaluation of this plan will then be conducted at the end of each semester by the Transformation Team.</p> <p>Family and Community Engagement – The Title 1 Parent/School Compact will be evaluated along with participation numbers and parent survey data to determine need for additional or expanded parental involvement activities or to determine if change is needed in currently implemented activities or provisions. Family and community engagement will be evaluated for every 90 day action plan.</p> <p>Operational Flexibility – Staffing, school schedules and calendars, budgeting, policies and procedures, etc., will be formatively evaluated by the Transformation Team at the end of each semester the first year and annually thereafter to determine if Lamar Elem. School infrastructure and operations are adequately flexible to maximize the effectiveness of school transformation processes.</p> <p>Ongoing Technical Assistance and Related Support with Project Partners – The Transformation Team will use formal and informal input from Lamar Elementary School stakeholders as well as technical assistance documentation provided by the District Shepherd and SIRC support service personnel to evaluate the quality, type, and degree of collaboration in provision of the services and support provided. Formative evaluation processes will occur within the assessment of each 90 day action plan.</p>

Part 2: Process for Development of Performance Goals		
Describe the process to be implemented to develop the campus' performance goals. Include the groups participating in the development of the goals. Responses are limited to two pages , front side only, with a font size no smaller than 9 point (Arial or Verdana).		
Lamar School Performance Goals		
1. Improve Academic Performance –		
<p>► Improve Student Achievement in Reading/ELA/Mathematics/Science: Lamar Elementary School utilized the campus reading specialist, mathematics interventionist, all reading/ELA/math/science instructional staff and campus administration in the development of goals designed to improve academic performance in reading/ELA, math, and science. This group disaggregated most current state and local academic achievement to determine current performance. State and Federal accountability standards were reviewed and discussions were held pertaining to length of time until the standards were implemented, current status of intervention implementation and corresponding student results, and realistic goals to be met over the next three years. The Team decided that current transformation intervention implementations were insufficient for making acceptable, sustained gains in reading, math, and science. The Team then set rigorous annual goals to meet and/or surpass minimum competency standards to ensure all Lamar Elementary School teachers continue to provide excellence in reading instruction and all Lamar students excel in all three subjects.</p> <p>► K-2nd Early Literacy: Lamar Elementary School utilized the campus principal, kindergarten through 2nd grade teachers and reading interventionist in the development of goals designed to improve academic performance in K-2nd grade early literacy. This group disaggregated most current state and local academic achievement to determine current performance. State and Federal accountability standards for 3rd grade were reviewed and discussions were held pertaining to length of time until the new standards were implemented, current status of intervention implementation and corresponding student results, and realistic goals to be met over the next years. The team then set early literacy performance goals for the K-2nd grades to best provide a sound basis for advancement into higher grade levels.</p> <p>► Head Start 4 Year Old Students – Kindergarten Readiness: Lamar Elementary School utilized the campus principal, Head Start 4 Year Old Program teachers, and kindergarten teachers in the development of goals designed to increase the percentages of pre-kindergartners ready for kindergarten. Assessment data of kindergarten readiness was disaggregated to determine the current, baseline readiness percentages of students in the Head Start program this school year. The team then set progressively higher readiness percentage standards to best promote the provision of an effective of pre-kindergarten curriculum and instructional practices.</p>		
2. Increase the Use of Quality Data to Drive Instruction		
<p>► Increase amount of time Lamar Elementary School Staff spends collecting/disaggregating/ analyzing/communicating data used to drive instruction: Lamar Elementary School Teacher Team, parents, interventionists, campus principal and superintendent met to analyze collected documentation to determine current amounts of time staff spent on using data to drive instruction. Once a current baseline time amount was determined, The team discussed strategies to provide more time for collecting/disaggregating/analyzing and communicating data as it pertains to making instructional decisions. Estimates in additional time provided by intervention strategy implementation and the implementation schedule were used to set increasing goals for the next three years.</p> <p>► Increase fidelity in the use of a vertically/horizontally aligned curriculum: Lamar Elementary School utilized campus curriculum specialists, campus administration, parents, and Leadership team members to develop and set campus goals pertaining to increasing fidelity in the use of a vertically/horizontally aligned with-the-TEKS curriculum. The team made the decision to include this performance goal because they hold the belief that students learn what they are taught. The dedicated use of a quality, TEKS based curriculum by teachers ensures students are taught the correct content at an appropriate scope, depth, and complexity and in an optimum sequence. The team set the goals of based on data analysis of current use of an aligned curriculum provided from a comprehensive curriculum audit.</p> <p>► Improve small group reading instruction K-2: Lamar Elementary School utilized campus reading interventionist, the campus principal, and kindergarten through 2nd grade teachers in setting the goals pertaining to improving small group reading instruction in grades K-2. The Texas Primary Reading Inventory (TPRI) and Observation Surveys (OS) data was disaggregated to the current effectiveness of small group reading instruction for K-2nd grades. The team decided to data to form small instructional groupings and to then keep running records on student reading improvement.</p>		
3. Increase Leadership Effectiveness		
<p>► Increase On-going Documentation of Principal Effectiveness</p> <p>► Provide On-going Job Embedded Professional Development to the Principal</p> <p>► Provide time and tools to Principal for collaboration with/evaluation of teachers for the improvement of campus leadership</p> <p>Lamar Elementary School Teacher Team, parents, campus principal and superintendent met to discuss the topic of increasing leadership effectiveness. The team determined two options for increasing leadership capacity on the campus – increasing the</p>

<p>leadership effectiveness of the principal and though the development of teacher leaders. The current principal evaluation instrument, previous evaluation ratings, the time typically spent devoted to principal evaluation, and previously attended professional development records were analyzed to set goals for increasing time for the on-going documentation of principal effectiveness and for the provision of more leadership focused professional development for the principal over the next three years. The team then discussed the status of and need for staff interested in leadership roles over the next three years and goals were set for providing time and tools for the principal to work with as a mentor/facilitator of teachers identified/interested in building capacity as campus teacher-leaders.</p> <p>4. Increase Learning Time</p> <ul style="list-style-type: none"> ► Increase learning time for students on the Lamar Elementary campus as evidenced by building walk-throughs ► Increase Provision of Time for Staff Collaborative Planning <p>Lamar Elementary School Teacher Team, parents, campus principal and superintendent met to evaluate the current state of learning time for students and for staff on campus. The school daily schedule, the master schedule, and the annual school calendar were evaluated and baseline learning time amounts were determined. Goals were set from this data for the purpose of increasing learning time for students during the regular school day, during Saturday School, and during breaks and Summer if needed. The daily and master schedule will be altered to provide for additional time for teaming, job embedded professional development, and teacher coach discussions. Goals were set to provide for increased time over the three year period.</p> <p>5. Increase Parent/Stakeholder Involvement</p> <ul style="list-style-type: none"> ► Increase Ongoing Parent/Community Opportunities for Input and Involvement at Lamar Elementary School ► Increase the Provision of Accessible Community Support/Student Support Services <p>Lamar Elementary School Teacher Team, parents, the principal and the superintendent used parental involvement records, the Title I Parent/School Compact, and documentation on the current existence of student support services to determine status of parent involvement at the Lamar Elementary campus. Consideration was given to the unique needs of a small, rural community and the students it raises. The team set progressive goals to provide for additional opportunities for parental involvement and associated input as well as to increase the availability of community support/student support services.</p> <p>6. Improve School Climate</p> <ul style="list-style-type: none"> ► Increase Attendance ► Decrease Discipline Referrals ► Increase Involvement in Extra/Co-Curricular Activities <p>Lamar Elementary School Teacher Team, parents, the principal, the superintendent, and Co-/Extra-Curricular activity sponsors used PEIMS student records pertaining to student attendance and discipline, and participation rosters for co-/extra-curricular activity participation to determine baseline data on students at the Lamar Elementary campus as the first step in setting "improvement of school climate" goals. Strategies, implementation timelines, and expected implementation results were discussed before the team set rigorous goals for increasing attendance and participation in co-/extra-curricular activities and decreasing disciplinary incidences over the three year period of the grant.</p> <p>7. Increase Teacher Quality</p> <ul style="list-style-type: none"> ► Develop and/or Evaluate-Update Locally Developed Teacher Evaluation Instrument ► Increase Teacher Attendance at Job Embedded Professional Development <p>Lamar Elementary School Teacher Team, parents, the principal, the superintendent collected documentation on the currently adopted, used teacher evaluation instrument, overall campus performance as perceived by administration on teacher evaluation performance, and professional development records with attendance/participation rates to determine current status/effectiveness of strategies in place to increase teacher quality. The team determined that there was no formal Recruitment/Retention or Reward System plans in place and that baseline data/status would start at zero and build from there. The team determined that a new, locally developed teacher evaluation instrument would provide for increased accountability of teachers in striving/working toward excellence. The team also determined that increasing the attendance of teachers at job-embedded, research-based professional development would best provide the venue to teachers in obtaining information and practices that build capacity towards excellence in all phases of the classroom. The team used these discussions and baseline information to set goals for increasing teacher quality over the next three years.</p> <ul style="list-style-type: none"> ► Design/Implement/Evaluate Recruitment/Retention and Reward Systems Strategy Plans <p>Lamar Elementary School Teacher Team, parents, the principal, the superintendent, and all staff discussed the program assurances set forth in the TTIPS grant for the design/implementation/evaluation of recruitment/retention/reward systems plans. These intervention strategies were new to the Lamar team and members presented varied opinions on the use of and implications of the implementation of these plans. The team determined that there were ways to put the plans in place and that the goals of rewarding performing staff and recruiting/retaining staff could be met successfully. It was also determined that there were numerous opportunities to provide for these plans through equitable, non-monetary methods satisfactory to all stakeholders. The team was able to then set performance goals for these two plans over the next three years.</p>

- Project Administrator means the person representing Agency or Contractor, as indicated by the contract, for the purposes of administering the contract project;
- Contract Project means the purpose intended to be achieved through the contract of which these Provisions and Assurances are a part;
- Applicant means the same as Contractor;
- SAS means the Standard Application System of which the application document is a part;
- "Application" means the entire package submitted by the Applicant including the schedules contained in the application and so indicated on the General Information page of the application package;
- Amendment means an application that is revised in budget categories and/or in program activities. It includes both the original application and any subsequent amendments; or extensions thereto;
- Works means all tangible or intangible material, products, ideas, documents or works of authorship prepared or created by Contractor for or on behalf of TEA at any time after the beginning date of the Contract (Works includes but is not limited to computer software, data, information, images, illustrations, designs, graphics, drawings, educational materials, assessment forms, testing materials, logos, trademarks, patentable materials, etc.); and,
- Intellectual Property Rights means the worldwide intangible legal rights or interests evidenced by or embodied in: (a) any idea, design, concept, method, process, technique, apparatus, invention, discovery, or improvement, including any patents, trade secrets, and know-how; (b) any work of authorship, including any copyrights, moral rights or neighboring rights; (c) any trademark, service mark, trade dress, trade name, or other indicia of source or origin; (d) domain name registrations; and (e) any other similar rights. The Intellectual Property Rights of a party include all worldwide intangible legal rights or interests that the party may have acquired by assignment or license with the right to grant sublicenses.
- Grant means the same as Contract;
- Grantee means the same as Contractor;
- Grantor means the same as Agency; and
- DCC means the Document Control Center of Agency.

B. Contingency: This contract is executed by Agency subject to the availability of funds appropriated by legislative act for the purposes stated. All amendments and/or extensions or subsequent contracts entered into for the same or continued purposes are executed contingent upon the availability of appropriated funds. Notwithstanding any other provision in this contract or any other document, this contract is void upon appropriated funds becoming unavailable. In addition, this contract may be terminated by Agency at any time for any reason upon notice to Contractor. Expenditures and/or activities for which Contractor may claim reimbursement shall not be accrued or claimed subsequent to receipt of such notice from Agency. This contract may be extended or otherwise amended only by formal written amendment properly executed by both Agency and Contractor. No other agreement, written or oral, purporting to alter or amend this contract shall be valid.

C. Contractor's Application: Furnished to Agency in response to a request for application, is incorporated in this contract by reference for all necessary purposes. It is specifically provided, however, that the provisions of this contract shall prevail in all cases of conflict arising from the terms of Contractor's application whether such application is a written part of this contract or is attached as a separate document.

D. Requirements, Terms, Conditions, and Assurances: Which are stated in the Request for Application, in response to which Applicant is submitting this application, are incorporated herein by reference for all purposes although the current General Provisions shall prevail in the event of conflict. The instructions to the Standard Application System, as well as the General and Fiscal Guidelines and Program Guidelines, are incorporated herein by reference.

- E. Signature Authority; Final Expression; Superseding Document:** Applicant certifies that the person signing this application has been properly delegated this authority. The Contract represents the final and complete expression of the terms of agreement between the parties. The Contract supersedes any previous understandings or negotiations between the parties. Any representations, oral statements, promises or warranties that differ from the Contract shall have no force or effect. The Contract may be modified, amended or extended only by formal written amendment properly executed by both TEA and Contractor.
- F. State of Texas Laws:** In the conduct of the contract project, Contractor shall be subject to Texas State Board of Education and Commissioner rules pertaining to this contract and the contract project and to the laws of the State of Texas governing this contract and the contract project. This contract constitutes the entire agreement between Agency and Contractor for the accomplishment of the contract project. This contract shall be interpreted according to the laws of the State of Texas except as may be otherwise provided for in this contract.
- G. Monitoring:** Desk reviews or on-site monitoring reviews may be conducted by Agency to determine compliance with the approved application and the applicable statute(s), law(s), regulations, and guidelines.
- H. Sanctions for Failure to Perform or for Noncompliance:** If Contractor, in Agency's sole determination, fails or refuses for any reason to comply with or perform any of its obligations under this contract, Agency may impose such sanctions as it may deem appropriate. This includes but is not limited to the withholding of payments to Contractor until Contractor complies; the cancellation, termination, or suspension of this contract in whole or in part; and the seeking of other remedies as may be provided by this contract or by law. Any cancellation, termination, or suspension of this contract, if imposed, shall become effective at the close of business on the day of Contractor's receipt of written notice thereof from Agency.
- I. Contract Cancellation, etc.:** If this contract is canceled, terminated, or suspended by Agency prior to its expiration date, the reasonable monetary value of services properly performed by Contractor pursuant to this contract prior to such cancellation, termination or suspension shall be determined by Agency and paid to Contractor as soon as reasonably possible.
- J. Indemnification:**
For local educational agencies (LEAs), regional education service centers (ESCs), and institutions of higher education (IHEs) and state agencies: Contractor, to the extent permitted by law, shall hold Agency harmless from and shall indemnify Agency against any and all claims, demands, and causes of action of whatever kind or nature asserted by any third party and occurring or in any way incident to, arising from, or in connection with, any acts of Contractor, its agents, employees, and subcontractors, done in the conduct of the contract project.
For all other grantees, subgrantees, contractors, and subcontractors, including nonprofit organizations and for-profit businesses: Contractor shall hold Agency harmless from and shall indemnify Agency against any and all claims, demands, and causes of action of whatever kind or nature asserted by any third party and occurring or in any way incident to, arising from, or in connection with, any acts of Contractor, its agents, employees, and subcontractors, done in the conduct of the contract project.
- K. Encumbrances/Obligations:** All encumbrances/obligations shall occur on or between the beginning and ending dates of the contract. All goods must be received and all services rendered and subsequently liquidated (recorded as an expenditure or accounts payable) within the contract dates. In no manner shall encumbrances be considered or reflected as accounts payable or as expenditures, and an encumbrance cannot be considered an expenditure or accounts payable until the goods have been received and the services have been rendered. Obligations that are liquidated and recognized as expenditures must meet the allowable cost principles in OMB Circular A-87, A-21, or A-122 (as applicable) and program rules, regulations, and guidelines contained elsewhere. This applies to all grant programs, including state and federal, discretionary and formula.

- L. Financial Management and Accounting:** Grantee assures it will maintain a financial management system that complies with federal standards established in 34 CFR 80.20 and 74.21 and that provides for accurate, current, and complete disclosure of the financial results of each grant project. The financial management system records will identify adequately the source and application of funds and will contain information pertaining to grant awards, authorizations, obligations, unobligated balances, assets, outlays (i.e., expenditures), income, and interest. Fiscal control and accounting procedures will permit the tracing of funds to a level of expenditure adequate to establish that funds have been used in accordance with the approved grant application. The applicant agrees to maintain effective control over and accountability for all funds, property, and other assets. Public school districts, open enrollment charter schools, and regional education service centers in Texas must comply with the accounting requirements in the Financial Accounting and Reporting (FAR) module of the *Financial Accountability System Resource Guide*, Texas Education Agency (34 CFR 74.21; 34 CFR 80.20; TEA *Financial Accountability System Resource Guide*).
- M. Expenditure Reports:** Contractor shall submit expenditure reports in the time and manner requested by Agency as specified in the instructions to the Standard Application System (SAS) which are incorporated by reference. Unless otherwise specified, Interim reports are due to TEA within 15 days after the end of each reporting period. Unless otherwise specified, the final expenditure report is due within 30 days after the ending date of the grant. Revised expenditure reports, where the grantee is claiming additional expenditures beyond that originally requested, must be submitted within 60 days after the ending date of the grant, or as specified in the applicable Program Guidelines.
- N. Refunds Due to TEA:** If Agency determines that Agency is due a refund of money paid to Contractor pursuant to this contract, Contractor shall pay the money due to Agency within 30 days of Contractor's receipt of written notice that such money is due to Agency. If Contractor fails to make timely payment, Agency may obtain such money from Contractor by any means permitted by law, including but not limited to offset, counterclaim, cancellation, termination, suspension, total withholding, and/or disapproval of all or any subsequent applications for said funds.
- O. Records Retention:** Contractor shall maintain its records and accounts in a manner which shall assure a full accounting for all funds received and expended by Contractor in connection with the contract project. These records and accounts shall be retained by Contractor and made available for programmatic or financial audit by Agency and by others authorized by law or regulation to make such an audit for a period of not less than five years from the date of completion of the contract project or the date of the receipt by Agency of Contractor's final claim for payment or final expenditure report in connection with this contract, whichever is later. If an audit has been announced, the records shall be retained until such audit has been completed.
- Contractor understands that acceptance of funds under this contract acts as acceptance of the authority of the State Auditor's office, or any successor agency, to conduct an audit or investigation in connection with those funds. Contractor further agrees to cooperate fully with the State Auditor's Office or its successor in the conduct of the audit or investigation, including providing all records requested. Contractor will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Contractor and the requirements to cooperate is included in any subcontract it awards.
- P. Time and Effort Recordkeeping:** For those personnel whose salaries are prorated between or among different funding sources, time and effort records will be maintained by Applicant that will confirm the services provided within each funding source. Applicant must adjust payroll records and expenditures based on this documentation. This requirement applies to all projects, regardless of funding source, unless otherwise specified. For federally funded projects, time and effort records must be in accordance with the requirements in the applicable OMB cost principles.
- Q. Forms, Assurances, and Reports:** Contractor shall timely make and file with the proper authorities all forms, assurances and reports required by federal laws and regulations. Agency shall be responsible for reporting to the proper authorities any failure by Contractor to comply with the foregoing laws and regulations coming to Agency's attention, and may deny payment or recover payments made by Agency to Contractor in the event of Contractor's failure so to comply.
- R. Intellectual Property Ownership:** Contractor agrees that all Works are, upon creation, works made for hire and the sole property of TEA. If the Works are, under applicable law, not considered works made for hire, Contractor hereby assigns to TEA all worldwide ownership of all rights, including the Intellectual Property Rights, in the Works, without the necessity of any further consideration, and TEA can obtain and hold in its own name all such rights to the Works. Contractor agrees to maintain written agreements with all officers, directors, employees, agents, representatives and subcontractors engaged by Contractor for the Contract Project, granting Contractor rights sufficient to support the performance and grant of rights to TEA by Contractor. Copies of such agreements shall be provided to TEA promptly upon request.

SCHEDULE #6A – cont. GENERAL PROVISIONS & ASSURANCES	TEXAS EDUCATION AGENCY Standard Application System School Years 2010-2013	 <u>090-904</u> County-District No.
Texas Title I Priority Schools Grant		

Contractor warrants that (i) it has the authority to grant the rights herein granted, (ii) it has not assigned or transferred any right, title, or interest to the Works or Intellectual Property Rights that would conflict with its obligations under the Contract, and Contractor will not enter into any such agreements, and (iii) the Works will be original and will not infringe any intellectual property rights of any other person or entity. These warranties will survive the termination of the Contract. If any preexisting rights are embodied in the Works, Contractor grants to TEA the irrevocable, perpetual, non-exclusive, worldwide, royalty-free right and license to (i) use, execute, reproduce, display, perform, distribute copies of, and prepare derivative works based upon such preexisting rights and any derivative works thereof and (ii) authorize others to do any or all of the foregoing. Contractor agrees to notify TEA on delivery of the Works if they include any such preexisting rights. On request, Contractor will provide TEA with documentation indicating a third party's written approval for Contractor to use any preexisting rights that may be embodied or reflected in the Works.

For School Districts and Nonprofit Organizations: The foregoing Intellectual Property Ownership provisions apply to any school districts, nonprofit organizations, and their employees, agents, representatives, consultants and subcontractors. If a school district or nonprofit organization or any of its subcontractor(s) wish to obtain a license agreement to use, advertise, offer for sale, sell, distribute, publicly display, publicly perform or reproduce the Works, or make derivative works from the Works, then express written permission must first be obtained from the TEA Copyright Office.

For Education Service Centers (ESCs): The foregoing Intellectual Property Ownership provisions apply to an Education Service Center (ESC) and its employees, agents, representatives, consultants, and subcontractors. If an ESC or any of its subcontractor(s) wish to obtain a license agreement to use, advertise, offer for sale, sell, distribute, publicly display, publicly perform or reproduce the Works, or make derivative works from the Works, then express written permission must first be obtained from the TEA Copyright Office.

For Colleges and Universities: The foregoing Intellectual Property Ownership provisions apply to any colleges and universities and their employees, agents, representatives, consultants, and subcontractors; provided, that for all Works and derivative works created or conceived by colleges or universities under the Contract, they are granted a non-exclusive, non-transferable, royalty-free license to use the Works for their own academic and educational purposes only. The license for academic and educational purposes specifically excludes advertising, offering for sale, selling, distributing, publicly displaying, publicly performing, or reproducing the Works, or making derivative works from the Works that are created or conceived under this Contract and colleges and universities and their employees, agents, representatives, consultants, and subcontractors are prohibited from engaging in these uses and activities with regard to the Works unless the prior express written permission of the TEA Copyright Office is obtained.

- S. Unfair Business Practices:** By signing this Contract, Contractor, if other than a state agency, certifies that Contractor, within the preceding 12 months, has not been found guilty, in a judicial or state agency administrative proceeding, of unfair business practices. Contractor, if other than a state agency, also certifies that no officer of its company has, within the preceding 12 months, served as an officer in another company which has been found, in a judicial or state agency administrative proceeding, to be guilty of unfair business practices.

Contractor, whether a state agency or not a state agency, certifies that no funds provided under this Contract shall be used to purchase supplies, equipment, or services from any companies found to be guilty of unfair business practices within 12 months from the determination of guilt.

- T. Subcontracting:** Contractor shall not assign or subcontract any of its rights or responsibilities under this contract, except as may be otherwise provided for in this application, without prior formal written amendment to this contract properly executed by both Agency and Contractor.
- U. Use of Consultants:** Notwithstanding any other provision of this application, Applicant shall not use or pay any consultant in the conduct of this application if the services to be rendered by any such consultant can be provided by Applicant's employees.
- V. Capital Outlay:** If Contractor purchases capital outlay (furniture and/or equipment) to accomplish the objective(s) of the project, title will remain with Contractor for the period of the contract. Agency reserves the right to transfer capital outlay items for contract noncompliance during the contract period or as needed after the ending date of the contract. This provision applies to any and all furniture and/or equipment regardless of unit price and how the item is classified in Contractor's accounting record.

Texas Title I Priority Schools Grant		

W. Agency Property (terms): In the event of loss, damage or destruction of any property owned by or loaned by Agency while in the custody or control of Contractor, its employees, agents, consultants or subcontractors, Contractor shall indemnify Agency and pay to Agency the full value of or the full cost of repair or replacement of such property, whichever is the greater, within 30 days of Contractor's receipt of written notice of Agency's determination of the amount due. This applies whether the property is developed or purchased by Contractor pursuant to this contract or is provided by Agency to Contractor for use in the contract project. If Contractor fails to make timely payment, Agency may obtain such money from Contractor by any means permitted by law, including but not limited to offset or counterclaim against any money otherwise due to Contractor by Agency.

X. Travel Costs: Amounts authorized for maximum recovery for travel and per diem costs against any state or federal funding source are restricted to those amounts which are approved in the State of Texas Appropriations Bill in effect for the particular funding period. Any amount over this limit must come from local funding sources. Applicant must recover funds at a lesser rate if local policy amounts are less than the maximum allowed by the state. Out-of-state travel may not exceed the federal government rate for the locale. Travel allowances are not allowable costs.

Y. Funds for Religious Worship, Instruction: No funds will be used to pay for religious worship, instruction, or proselytization, or for any equipment or supplies for such, or for any construction, remodeling, repair, operation, or maintenance of any facility or part of a facility to be used for religious worship, instruction, or proselytization (34 CFR 76.532 and P. L. 107-110, section 9505).

Z. Disclosure of Gifts and Campaign Contributions: The grantee shall file disclosures of gifts and campaign contributions as required by State Board of Education Operating Rule 4.3, which is incorporated as if set out in full. The grantee has a continuing obligation to make disclosures through the term of the contract. Failure to comply with State Board of Education Operating Rule 4.3 is grounds for canceling the grant.

AA. Submission of Audit Reports to TEA: Grantees which are public school districts and open enrollment charter schools agree to submit the required annual audit report, including the reporting package required under OMB Circular A-133, if an audit is required to be conducted in accordance with OMB Circular A-133, to the TEA Division of School Financial Audits in the time and manner requested by the Agency.

Grantees which are **nonprofit organizations (other than charter schools) and universities/colleges** that expend \$500,000 or more total in federal awards in any fiscal year and are thus required to conduct a Single Audit or program-specific audit in accordance with the requirements in OMB Circular A-133, agree to submit a copy of such audit to TEA when the schedule of findings and questioned costs disclosed audit findings relating to any federal awards provided by TEA. A copy of such audit shall also be submitted to TEA if the summary schedule of prior audit findings reported the status of any audit findings relating to any federal awards provided by TEA.

A **nonprofit organization or university/college** grantee shall provide written notification to TEA that an audit was conducted in accordance with OMB Circular A-133 when the schedule of findings and questioned costs disclosed no audit findings related to any federal awards provided by TEA or when the summary schedule of prior audit findings did not report on the status of any prior audit findings related to any federal awards provided by TEA. Nonprofit organizations (other than charter schools) and universities/colleges shall submit the audit report to the TEA Division of Discretionary Grants. Audit reports must be submitted to TEA within 30 days of receipt of the report from the auditor. Failure to submit a copy of the audit to TEA could result in a reduction of funds paid to the grantee, a refund to TEA, termination of the grant, and/or ineligibility to receive additional grant awards from TEA.

BB. Federal Rules, Laws, and Regulations That Apply to all Federal Programs: Contractor shall be subject to and shall abide by all federal laws, rules and regulations pertaining to the contract project, including but not limited to:

1. **Americans With Disabilities Act**, P. L. 101-336, 42 U.S.C. sec. 12101, and the regulations effectuating its provisions contained in 28 CFR Parts 35 and 36, 29 CFR Part 1630, and 47 CFR Parts 0 and 64;
2. **Title VI of the Civil Rights Act of 1964**, as amended (prohibition of discrimination by race, color, or national origin), and the regulations effectuating its provisions contained in 34 CFR Part 100;
3. **Title IX of the Education Amendments of 1972**, as amended (prohibition of sex discrimination in educational institutions) and the regulations effectuating its provisions contained in 34 CFR Part 106, if Contractor is an educational institution;
4. **Section 504 of the Rehabilitation Act of 1973**, as amended (nondiscrimination on the basis of handicapping condition), and the regulations effectuating its provisions contained in 34 CFR Part 104 and 105;

SCHEDULE #6A – cont. GENERAL PROVISIONS & ASSURANCES	TEXAS EDUCATION AGENCY Standard Application System School Years 2010-2013	090-904 County-District No.
Texas Title I Priority Schools Grant		

5. the **Age Discrimination Act of 1975**, as amended (prohibition of discrimination on basis of age), and any regulations issued thereunder, including the provisions contained in 34 CFR Part 110;
6. the **Family Educational Rights and Privacy Act (FERPA) of 1975**, as amended (ensures access to educational records for students and parents while protecting the privacy of such records), and any regulations issued thereunder, including **Privacy Rights of Parents and Students** (34 CFR Part 99), if Contractor is an educational institution (20 USC 1232g);
7. Section 509 of H.R. 5233 as incorporated by reference in P. L. 99-500 and P. L. 99-591 (**prohibition against the use of federal grant funds to influence legislation pending before Congress**);
8. **Pro-Children Act of 2001**, which states that no person shall permit smoking within any indoor facility owned or leased or contracted and utilized for the provision of routine or regular kindergarten, elementary, or secondary education or library services to children [P. L. 107-110, Section 4303(a)]. In addition, no person shall permit smoking within any indoor facility (or portion of such a facility) owned or leased or contracted and utilized for the provision of regular or routine health care or day care or early childhood development (Head Start) services [P. L. 107-110, Section 4303(b)(1)]. Any failure to comply with a prohibition in this Act shall be considered to be a violation of this Act and any person subject to such prohibition who commits such violation may be liable to the United States for a civil penalty, as determined by the Secretary of Education (P. L. 107-110, Section 4303(e)(1)).
9. **Fair Labor Standards Act (29 USC 207), Davis Bacon Act (40 USC 276(a), and Contract Work Hours and Safety Standards Act (40 USC 327 et seq.)**, as applicable, and their implementing regulations in 29 CFR 500-899, 29 CFR Parts 1,3,5, and 7, and 29 CFR Parts 5 and 1926, respectively.
10. **Buy America Act:** Contractor certifies that it is in compliance with the Buy America Act in that each end product purchased under any federally funded supply contract exceeding \$2,500 is considered to have been substantially produced or manufactured in the United States. End products exempt from this requirement are those for which the cost would be unreasonable, products manufactured in the U. S. that are not of satisfactory quality, or products for which the agency head determines that domestic preference would be inconsistent with the public interest. Contractor also certifies that documentation will be maintained that documents compliance with this requirement (FAR 25.1-2).
11. P.L. 103-227, Title X, Miscellaneous Provisions of the GOALS 2000: Educate America Act; P.L. 103-382, Title XIV, General Provisions of the Elementary and Secondary Education Act, as amended; and General Education Provisions Act, as amended.

CC. Federal Regulations Applicable to All Federal Programs:

1. **For Local Educational Agencies (LEAs):** 28 CFR 35 Subparts A-E, 28 CFR 36 Subparts C & D, Appendix A, 29 CFR 1630, 34 CFR 75 or 76 as applicable, 77, 79, 80, 81, 82, 85, 97, 98, 99, 104, 47 CFR 0 and 64, and OMB Circulars A-87 (Cost Principles), A-133 (Audits), and A-102 (Uniform Administrative Requirements);
2. **For Education Service Centers (ESCs):** 28 CFR 35 Subparts A-E, 28 CFR 36 Subparts C & D, Appendix A, 29 CFR 1630, 34 CFR 75 or 76 as applicable, 77, 79, 80, 81, 82, 85, 97, 98, 99, 104, 47 CFR 0 and 64, and OMB Circulars A-87 (Cost Principles), A-133 (Audits), and A-102 (Uniform Administrative Requirements);
3. **For Institutions of Higher Education (IHEs):** 28 CFR 35 Subparts A-E, 28 CFR 36 Subparts C & D, Appendix A, 29 CFR 1630, 34 CFR 74, 77, 79, 81, 82, 85, 86, 97, 98, 99, 104, 47 CFR 0 and 64, and OMB Circulars A-21 (Cost Principles), A-133 (Audits), and A-110 (Uniform Administrative Requirements);
4. **For Nonprofit Organizations:** 28 CFR 35 Subparts A-E, 28 CFR 36 Subparts C & D, Appendix A, 29 CFR 1630, 34 CFR 74, 77, 79, 81, 82, 85, 97, 98, 99, 104, 47 CFR 0 and 64, and OMB Circulars A-122 (Cost Principles), A-133 (Audits), and A-110 (Uniform Administrative Requirements);
5. **For State Agencies:** 28 CFR 35 Subparts A-E, 28 CFR 36 Subparts C & D, Appendix A, 29 CFR 1630, 34 CFR 76, 80, 81, 82, 85, 97, 98, 99, 104, 47 CFR 0 and 64, OMB Circulars A-87 (Cost Principles), A-133 (Audits), and A-102 (Uniform Administrative Requirements); and
6. **For Commercial (for-profit) Organizations:** 29 CFR 1630 and 48 CFR Part 31.

DD. General Education Provisions Act (GEPA), as Amended, Applicable to All Federal Programs Funded or Administered Through or By the U. S. Department of Education:

1. **Participation in Planning:** Applicant will provide reasonable opportunities for the participation by teachers, parents, and other interested parties, organizations, and individuals in the planning for and operation of each program described in this application (20 USC 1232(e)).

SCHEDULE #6A – cont. GENERAL PROVISIONS & ASSURANCES	TEXAS EDUCATION AGENCY Standard Application System School Years 2010-2013	<u>090-904</u> County-District No.
Texas Title I Priority Schools Grant		

2. **Availability of Information:** Any application, evaluation, periodic program plan, or report relating to each program described in this application will be made readily available to parents and other members of the general public (20 USC 1232(e)).
 3. **Sharing of Information:** Contractor certifies that it has adopted effective procedures for acquiring and disseminating to teachers and administrators participating in each program described in this application significant information from educational research, demonstrations, and similar projects, and for adopting, where appropriate, promising educational practices developed through such projects (20 USC 1232(e)).
 4. **Prohibition of Funds for Busing:** The applicant certifies that no federal funds (except for funds appropriated specifically for this purpose) will be used for the transportation of students or teachers (or for the purchase of equipment for such transportation) in order to overcome racial imbalance in any school or school system, or for the transportation of students or teachers (or for the purchase of equipment for such transportation) in order to carry out a plan of racial desegregation of any school or school system (20 USC 1228).
 5. **Direct Financial Benefit:** Contractor certifies that funds expended under any federal program will not be used to acquire equipment (including computer software) in any instance in which such acquisition results in a direct financial benefit to any organization representing the interests of the purchasing entity or its employees or any affiliate of such an organization [20 USC 1232(b)(8)].
- EE. Payment for Services:** Payment for service(s) described in this Contract is contingent upon satisfactory completion of the service(s). Satisfaction will be determined by TEA's Project Administrator, in his sole discretion but in accordance with reasonable standards and upon advice of his superiors in TEA, if necessary.
- FF. Family Code Applicability:** By signing this Contract, Contractor, if other than a state agency, certifies that under Section 231.006, Family Code, that Contractor is not ineligible to receive payment under this Contract and acknowledges that this Contract may be terminated and payment may be withheld if this certification is inaccurate. TEA reserves the right to terminate this Contract if Contractor is found to be ineligible to receive payment. If Contractor is found to be ineligible to receive payment and the Contract is terminated, Contractor is liable to TEA for attorney's fees, the costs necessary to complete the Contract, including the cost of advertising and awarding a second contract, and any other damages or relief provided by law or equity.
- GG. Interpretation:** In the case of conflicts arising in the interpretation of wording and/or meaning of various sections, parts, Appendices, General Provisions, Special Provisions, Exhibits, and Attachments or other documents, the TEA Contract and its General Provisions, Appendices and Special Provisions shall take precedence over all other documents which are a part of this contract.
- HH. Registered Lobbyists:** No state or federal funds transferred to a contractor/grantee may be used to hire a registered lobbyist.
- II. Test Administration and Security:** This contract is executed by Agency subject to assurance by Contractor that it has at all times been and shall remain in full compliance with Title 19, Texas Administrative Code Chapter 101, and all requirements and procedures for maintaining test security specified in any test administration materials in the possession or control of Contractor, or any school, campus, or program operated by Contractor. Notwithstanding any other provision in this contract or any other document, this contract is void upon notice by Agency, in its sole discretion, that Contractor or any school, campus, or program operated by Contractor has at any time committed a material violation of Title 19, Texas Administrative Code Chapter 101, or any requirement or procedure for maintaining test security specified in any test administration materials in the possession or control of Contractor, or any school, campus, or program operated by Contractor. Expenditures and/or activities for which Contractor may claim reimbursement shall not be accrued or claimed subsequent to receipt of such notice from Agency.
- JJ. Social Security Numbers:** Social Security numbers will not be provided by TEA as a part of this agreement. TEA is not requiring or requesting school districts or other grantees to provide Social Security numbers as a part of this agreement.
- KK. Student-identifying Information:** Contractor agrees that in executing tasks on behalf of TEA, Contractor will not use any student-identifying information in any way that violates the provisions of FERPA and will destroy or return all student-identifying information to TEA within thirty (30) days of project completion.

LL. High-Risk Status, Special Conditions, and Enforcement Actions: Pursuant to the provisions in 34 CFR 80.12 and 74.14, a grantee may be identified by TEA as high-risk if the grantee has a history of unsatisfactory performance; is not financially stable; has a financial management system that does not meet federal financial management standards or the requirements in TEA's Financial Accounting and Reporting (FAR) module; has not conformed to terms and conditions of previous awards; or is otherwise not responsible. TEA may impose one or more special conditions or restrictions on a high-risk grantee, including payment on a reimbursement basis; withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given funding period; requiring additional, more detailed financial reports; additional project monitoring; requiring the grantee to obtain technical or management assistance; establishing additional prior approvals; or other conditions that may be legally available. A grantee identified as high-risk will be notified in writing by TEA of the special conditions imposed and the process for removing the high-risk status and special conditions.

Pursuant to the provisions in 34 CFR 80.43 and 74.62, if a grantee materially fails to comply with any term of an award, whether stated in a federal statute or regulation, an assurance, in a grant application, or elsewhere, TEA may take one or more of the following enforcement actions as appropriate in the circumstances: temporarily withhold cash payments pending correction of the deficiency or more severe enforcement action; disallow all or part of the cost of an activity or action not in compliance; wholly or partly suspend or terminate the current award; withhold further awards for the program; or take other remedies that may be legally available. If an enforcement action is imposed, the grantee will be notified in writing by TEA of the actions imposed and the process for remedying the noncompliance or removing the enforcement actions.

TEA reserves the right to not award a discretionary grant to a high-risk grantee or to a grantee that is materially non-compliant with the terms and conditions of another award.

Rev. 03/2010

The signing of Schedule #1 - General Information by applicant indicates acceptance of and compliance with all requirements described on this schedule.

SCHEDULE #6 B Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transactions	TEXAS EDUCATION AGENCY Standard Application System School Years 2010-2013	090-904 County-District No.
Texas Title I Priority Schools Grant		

This certification is required by the Department of Education regulations implementing Executive Order 12549, Debarment and Suspension, 34 CFR Part 85, for all lower tier transactions meeting the threshold and tier requirements stated at Section 85.11.

Terms defined: As used in these Provisions and Assurances

- "Covered Transaction"— A transaction under Federal non-procurement programs, which can be either a primary covered transaction or a lower tier covered transaction.
 - "Lower Tier Covered Transaction"— (1) Any transaction between a participant and a person other than a procurement contract for goods or services, regardless of type, under a primary covered transaction; (2) Any procurement contract for goods or services between a participant and a person, regardless of type, expected to equal or exceed the Federal procurement small purchase threshold of \$25,000; (3) Any procurement contract for goods or services between a participant and a person under a covered transaction, regardless of amount.
 - "Participant"— Any person who submits a proposal for, enters into, or reasonably may be expected to enter into a covered transaction, including an agent or representative of another participant.
 - "Principal"— An officer, director, owner, partner, principal investigator, or other person within a participant with management or supervisory responsibilities related to a covered transaction; or a consultant or other person, whether or not employed by the participant or paid with Federal funds, who (1) is in a position to handle Federal funds; (2) is in a position to influence or control the use of those funds; or (3) occupies a technical or professional position capable of substantially influencing the development or outcome of an activity required to perform the covered transaction.
 - "Excluded Parties List System (EPLS)"— The list maintained and disseminated by the General Services Administration (GSA) containing names and other information about persons who are ineligible.
 - "Debarment"— Action taken by a debarring official (Federal agency) to exclude a person (recipient) from participating in covered transactions.
 - "Suspension"— An action taken that immediately prohibits a person from participating in covered transactions for a temporary period, pending completion of an agency investigation and any judicial or administrative proceedings that may ensue.
 - "Ineligible" generally refers to a person who is either excluded or disqualified.
 - "Person"— Any individual, corporation, partnership, association, unit of government or legal entity, however organized, except: foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, and entities consisting wholly or partially of foreign governments or foreign governmental entities.
 - "Proposal"—A solicited or unsolicited bid, application, request, invitation to consider or similar communication by or on behalf of a person seeking to participate or to receive a benefit, directly or indirectly, in or under a covered transaction.
 - "Voluntarily Excluded"—A status of nonparticipation or limited participation in covered transactions assumed by a person pursuant to the terms of a settlement.
1. By signing SAS Schedule #1 and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
 2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
 3. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
 4. The terms "covered transaction", "debarred", "suspended", "ineligible", "lower tier covered transaction", "participant", "person", "primary covered transaction", "principal", "proposal", and "voluntarily excluded", as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
 5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

SCHEDULE #6B Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transactions	TEXAS EDUCATION AGENCY Standard Application System School Years 2010-2013 Required for all federal grants regardless of the dollar amount	_____ 090-904 County-District No.
Texas Title I Priority Schools Grant		

6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled ***Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion-Lower Tier Covered Transactions***, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may but is not required to, check the Non-procurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Certification

- (1) The prospective lower tier participant certifies, by signature on SAS Schedule #1 and by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.
- (2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

SCHEDULE #6E NCLB ACT PROVISIONS & ASSURANCES	Standard Application System School Years 2010-2013	 <u>090-904</u> County-District No.
Texas Title I Priority Schools Grant		

The following special provisions apply to all programs funded under the Elementary and Secondary Education Act, as amended by P. L. 107-110, No Child Left Behind (NCLB) Act of 2001. By signing Schedule #1 of this SAS, the applicant is assuring it is in compliance with the following provisions:

- A. Each such program will be administered in accordance with all applicable statutes, regulations, program plans, and applications.
- B. The control of funds provided under each such program and title to property acquired with program funds will be in a public agency or in a nonprofit private agency, institution, organization, or Indian tribe, if the law authorizing the program provides for assistance to such entities.
- C. The public agency, nonprofit private agency, institution, or organization, or Indian tribe will administer such funds and property to the extent required by the authorizing statutes.
- D. The applicant will adopt and use proper methods of administering each such program, including the enforcement of any obligations imposed by law on agencies, institutions, organizations, and other recipients responsible for carrying out each program and the correction of deficiencies in program operations that are identified through audits, monitoring, or evaluation.
- E. The applicant will cooperate in carrying out any evaluation of each such program conducted by or for the Texas Education Agency, the Secretary of Education or other federal officials.
- F. The applicant will use such fiscal control and fund accounting procedures as will ensure proper disbursement of, and accounting for, federal funds paid to such applicant under each such program.
- G. The applicant will submit such reports to the Texas Education Agency (which shall make the reports available to the Governor) and the Secretary of Education, as the Texas Education Agency and the Secretary of Education may require to enable the Texas Education Agency and the Secretary of Education to perform their duties under each such program.
- H. The applicant will maintain such records, provide such information, and afford access to the records as the Agency (after consultation with the Governor) or the Secretary may find necessary to carry out the Agency's or the Secretary's duties.
- I. Before the application was submitted, the applicant afforded a reasonable opportunity for public comment on the application and has considered such comment.
- J. **Gun-Free Schools Act:** The local education agency assures that it is in compliance with Section 37.007(e) of the Texas Education Code, which requires expulsion of a student who brings to school or possesses at school a firearm as defined by 18 U.S.C. Section 2891 [pursuant to the requirements in P. L. 107-110, Section 4141(d)(1)]. In addition, the local educational agency certifies that it has a policy requiring referral to the criminal justice or juvenile delinquency system of any student who brings a firearm or weapon to school [P. L. 107-110, Section 4141(h)(1)].
- K. **Student Records Transfer:** The local educational agency shall ensure that a student's records and, if applicable, a student's individualized education program as defined in section 602(11) of the Individuals with Disabilities Education Act, are transferred to a charter school upon the transfer of the student to the charter school, and to another public school upon the transfer of the student from a charter school to another public school, in accordance with applicable state law (P. L. 107-110, section 5208).
- L. **Consolidation of Administrative Funds:** A local educational agency, with the approval of TEA, may consolidate and use for the administration of one or more programs under the No Child Left Behind Act not more than the percentage, established in each program, of the total available for the local educational agency under those programs. A local educational agency that consolidates administrative funds shall not use any other funds under the programs included in the consolidation for administration for that fiscal year. Consolidated administrative funds shall be used for the administration of the programs covered and may be used for coordination of these programs with other federal and non-federal programs and for dissemination of information regarding model programs and practices.
- M. **Privacy of Assessment Results:** Any results from an individual assessment referred to in the No Child Left Behind Act of a student that become part of the education records of the student shall have the protections provided in section 444 of the General Education Provisions Act [P. L. 107-110, section 9523 and the Family Educational Rights and Privacy Act (FERPA) of 1975, as amended].

SCHEDULE #6E – cont. NCLB ACT PROVISIONS & ASSURANCES	TEXAS EDUCATION AGENCY Standard Application System School Years 2010-2013	090-904 County-District No.
Texas Title I Priority Schools Grant		

- N. School Prayer:** The local educational agency certifies that it is in compliance with Section 25.901 of the Texas Education Code. In addition, as a condition of receiving funds under the No Child Left Behind Act, the local educational agency certifies that no policy of the local educational agency prevents, or otherwise denies participation in, constitutionally protected prayer in public elementary schools and secondary schools, as detailed in the guidance provided by the U. S. Secretary of Education pertaining to such. The state educational agency shall report to the Secretary of Education each year a list of those local educational agencies that have not filed this assurance or against which complaints have been made to the State educational agency that the local educational agencies are not in compliance with this requirement (P. L. 107-110, section 9524(b)).
- O. Equal Access to Public Schools Facilities – Boy Scouts of America Equal Access Act:** No public elementary school, public secondary school or local educational agency that has a designated open forum or a limited public forum and that receives funds made available from the U. S. Department of Education shall deny equal access or a fair opportunity to meet, or to discriminate against, any group officially affiliated with the Boy Scouts of America, or any other youth group listed in Title 36 of the United States Code (as a patriotic society), that wishes to conduct a meeting within that designated open forum or limited public forum, including denying such access or opportunity or discriminating for reasons based on the membership or leadership criteria or oath of allegiance to God and country of the Boy Scouts of America or of the youth group listed in Title 36 of the United States Code (as a patriotic society). For the purposes of this section, an elementary school or secondary school has a limited public forum whenever the school involved grants an offering to, or opportunity for, one or more outside youth or community groups to meet on school premises or in school facilities before or after the hours during which attendance at the school is compulsory. Nothing in this section shall be construed to require any school, agency, or a school served by an agency to sponsor any group officially affiliated with the Boy Scouts of America, or any other youth group listed in Title 36 of the United States Code (as a patriotic society). Compliance with this provision will be enforced through rules and orders issued by the Office for Civil Rights. If the public school or agency does not comply with the rules or orders, no funds made available through the Department of Education shall be provided by a school that fails to comply with such rules or orders or to any agency or school served by an agency that fails to comply with such rules or orders (P. L. 107-110, section 9525).
- P. General Prohibitions:** None of the funds authorized under the No Child Left Behind Act shall be used to develop or distribute materials, or operate programs or courses of instruction directed at youth, that are designed to promote or encourage sexual activity, whether homosexual or heterosexual; to distribute or to aid in the distribution by any organization of legally obscene materials to minors on school grounds; to provide sex education or HIV-prevention education in schools that instruction is age appropriate and includes the health benefits of abstinence; or to operate a program of contraceptive distribution in schools (P. L. 107-110, section 9526).
- Q. Armed Forces Recruiter Access to Students and Student Recruiting Information:** In accordance with guidance issued by the U. S. Department of Education, each local educational agency receiving assistance under the No Child Left Behind Act shall provide, on a request made by military recruiters or an institution of higher education, access to secondary school students names, address, and telephone listings, upon prior written consent of a student or the parent of a student. A secondary school student or the parent of the student may request that the student's name, address, and telephone listing not be released without prior written parental consent, and the local educational or private nonprofit school shall notify parents of the option to make a request and shall comply with any request. Each local educational agency receiving assistance under the No Child Left Behind Act shall provide military recruiters the same access to secondary school students as is provided generally to post secondary educational institutions or to prospective employers of those students (P. L. 107-110, section 9528).
- R. Unsafe School Choice Option:** The local educational agency certifies that it shall establish and implement a policy requiring that a student attending a persistently dangerous public elementary school or secondary school, as determined by the Texas Education Agency, or who becomes a victim of a violent criminal offense, while in or on the grounds of a public elementary or secondary school that the student attends, be allowed to attend a safe public elementary or secondary school within the local educational agency, including a public charter school (P. L. 107-110, section 9532).
- S. Civil Rights:** Nothing in the No Child Left Behind Act shall be construed to permit discrimination on the basis of race, color, religion, sex (except as otherwise permitted under Title IX of the Education Amendments of 1972), national origin, or disability in any program funded under the No Child Left Behind Act (P. L. 107-110, section 9534).

- T. Student Privacy, Parental Access to Information, and Administration of Certain Physical Examinations to Minors:** The local educational agency assures that it is in compliance with Chapter 26 of the Texas Education Code concerning parental rights and responsibilities. In addition, the local educational agency receiving funds under the No Child Left Behind Act certifies that it shall develop and adopt policies, in consultation with parents, regarding certain rights of a parent to access and inspect information; student privacy; the administration of physical examinations or screenings (except for examinations or screenings required by state law); and the collection, disclosure, or use of personal information collected from students for the purpose of marketing or selling that information. The local educational agency also assures that it is in compliance with the requirements for annually notifying parents of such policies and specific events (P. L. 107-110, Title X, Part F, section 1061).
- U. Assurances related to the education of homeless children and youths:**
- (1) The LEA assures that each child of a homeless individual and each homeless youth shall have equal access to the same free, appropriate public education, including a public preschool education, as provided to other children and youth.
 - (2) The LEA assures that homeless children and youth are afforded the same free, appropriate public education as provided to other children and youth.
 - (3) The LEA assures that it will review and undertake steps to revise any laws, regulations, practices, or policies that may act as a barrier to the enrollment, attendance, or success in school of homeless children and youth.
 - (4) The LEA assures that it will not separate students from the mainstream school environment on the basis of homelessness alone.
 - (5) The LEA assures that homeless children and youth have access to the education and other services that they need in order to meet the same challenging State student academic achievement standards to which all students are held.
- V. Definitions:** The following terms shall be defined as follows for programs authorized and carried out under the No Child Left Behind Act of 2001:
1. **Charter School:** An open enrollment charter school receiving federal funds of any type must meet the federal definition of a charter school as provided in P. L. 107-110, Section 5210(1). The term "charter school" means a school that:
 - (A) is created by a developer as a public school, or is adapted by a developer from an existing public school, and is **operated under public supervision and control;**
 - (B) operates in pursuit of a specific set of educational objectives determined by the school's developer and agreed to by the authorized public chartering agency [i.e., the State Board of Education (SBOE)];
 - (C) provides a program of elementary or secondary education, or both;
 - (D) is **nonsectarian in its programs, admissions policies, employment practices, and all other operations, and is not affiliated with a sectarian school or religious instruction;**
 - (E) **does not charge tuition;**
 - (F) **complies with the Age Discrimination Act of 1975, Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, section 504 of the Rehabilitation Act of 1973, and Part B of the Individuals with Disabilities Education Act;**
 - (G) is a school to which parents choose to send their children, and that **admits students on the basis of a lottery, if more students apply for admission than can be accommodated;**
 - (H) **agrees to comply with the same Federal and State audit requirements** as do other elementary schools and secondary schools in the State, unless such requirements are specifically waived for the purpose of this program;
 - (I) **meets all applicable Federal, State, and local health and safety requirements;**
 - (J) operates in accordance with State law; and
 - (K) has a written performance contract with the authorized public chartering agency in the State (i.e., SBOE) that includes a description of how student performance will be measured pursuant to State assessments that are required of other schools and pursuant to any other assessments mutually agreeable to the SBOE.
 2. **Community-Based Organization:** A public or private nonprofit organization of demonstrated effectiveness that is representative of a community or significant segment of a community and that provides educational or related services to individuals in the community.
 3. **Core Academic Subjects:** English, reading or language arts, mathematics, science, foreign languages, civics and government, economics, art, history, and geography.

4. Highly Qualified:

- (A) when used with respect to any public elementary school or secondary school teacher teaching in a State, means that–
- (i) the teacher has obtained full State certification as a teacher (including certification obtained through alternative routes to certification) or passed the State teacher licensing examination, and holds a license to teach in such State, except that when used with respect to any teacher teaching in a public charter school, the term means that the teacher meets the requirements set forth in the State's public charter school law; and
 - (ii) the teacher has not had certification or licensure requirements waived on an emergency, temporary, or provisional basis;
- (B) when used with respect to–
- (i) an elementary school teacher who is new to the profession, means that the teacher–
 - (I) holds at least a bachelor's degree; and
 - (II) has demonstrated, by passing a rigorous State test, subject knowledge and teaching skills in reading, writing, mathematics, and other areas of the basic elementary school curriculum (which may consist of passing a State-required certification or licensing test or tests in reading, writing, mathematics, and other areas of the basic elementary school curriculum); or
 - (ii) a middle or secondary school teacher who is new to the profession, means that the teacher holds at least a bachelor's degree and has demonstrated a high level of competency in each of the academic subjects in which the teacher teaches by–
 - (I) passing a rigorous State academic subject test in each of the academic subjects in which the teacher teaches (which may consist of a passing level of performance on a State-required certification or licensing test or tests in each of the academic subjects in which the teacher teaches); or
 - (II) successful completion, in each of the academic subjects in which the teacher teaches, of an academic major, a graduate degree, coursework equivalent to an undergraduate academic major, or advanced certification or credentialing; and
- (C) when used with respect to an elementary, middle, or secondary school teacher who is not new to the profession, means that the teacher holds at least a bachelor's degree and–
- (i) has met the applicable standard in clause (i) or (ii) of subparagraph (B), which includes an option for a test; or
 - (ii) demonstrates competence in all the academic subjects in which the teacher teaches based on a high objective uniform State standard of evaluation that–
 - (I) is set by the State for both grade appropriate academic subject matter knowledge and teaching skills;
 - (II) is aligned with challenging State academic content and student academic achievement standards and developed in consultation with core content specialists, teachers, principals, and school administrators;
 - (III) provides objective, coherent information about the teacher's attainment of core content knowledge in the academic subjects in which a teacher teaches;
 - (IV) is applied uniformly to all teachers in the same academic subject and the same grade level throughout the State;
 - (V) takes into consideration, but not be based primarily on, the time the teacher has been teaching in the academic subject;
 - (VI) is made available to the public upon request; and
 - (VII) may involve multiple, objective measures of teacher competency.

- 5. Parental Involvement:** The participation of parents in regular, two-way and meaningful communication involving student academic learning and other school activities, including ensuring:
- (A) that parents play an integral role in assisting their child's learning;
 - (B) that parents are encouraged to be actively involved in their child's education at school;
 - (C) that parents are full partners in their child's education and are included, as appropriate, in decision making and on advisory committees to assist in the education of their child; and
 - (D) the carrying out of other activities, such as those described in section 1118 of P. L. 107-110.

6. Professional Development includes activities that:

- (A) improve and increase teachers' knowledge of the academic subjects the teachers teach, and enable teachers to become highly qualified;
- (B) are an integral part of broad schoolwide and districtwide educational improvement plans;
- (C) give teachers, principals, and administrators the knowledge and skills to provide the students with the opportunity to meet challenging State academic content standards and student academic achievement standards;
- (D) improve classroom management skills;
- (E) are high quality, sustained, intensive, and classroom-focused in order to have a positive and lasting impact on classroom instruction and the teacher's performance in the classroom and are not one-day or short-term workshops or conferences;
- (F) support the recruiting, hiring, and training of highly qualified teachers, including teachers who became highly qualified through State and local alternative routes to certification;
- (G) advance teacher understanding of effective instructional strategies that are:
- (H) based on scientifically based research (except for programs under Title II, Part D, Enhancing Education Through Technology of this Act); and
- (I) strategies for improving student academic achievement or substantially increasing the knowledge and teaching skills of teachers; and
- (J) are aligned with and directly related to State academic content standards, student academic achievement standards, and assessments and the curricula and programs tied to the standards;
- (K) are developed with extensive participation of teachers, principals, parents, and administrators of schools to be served under this Act;
- (L) are designed to give teachers of limited English proficient children, and other teachers and instructional staff, the knowledge and skills to provide instruction and appropriate language and academic support services to those children, including the appropriate use of curricula and assessments;
- (M) to the extent appropriate, provide training for teachers and principals in the use of technology so that technology and technology applications are effectively used in the classroom to improve teaching and learning in the curricula and core academic subjects in which the teachers teach;
- (N) as a whole, are regularly evaluated for their impact on increased teacher effectiveness and improved student academic achievement with the findings of the evaluations used to improve the quality of professional development;
- (O) provide instruction in methods of teaching children with special needs;
- (P) include instruction in the use of data and assessments to inform and instruct classroom practice;
- (Q) include instruction in ways that teachers, principals, pupil services personnel, and school administrators may work more effectively with parents; and
- (R) may include activities that:
 - (i) involve the forming of partnerships with institutions of higher education to establish school-based teacher training programs that provide prospective teachers and beginning teachers with an opportunity to work under the guidance of experienced teachers and college faculty;
 - (ii) create programs to enable paraprofessionals (assisting teachers employed by an LEA receiving assistance under Title I Part A) to obtain the education necessary for those paraprofessionals to become certified and licensed teachers; and
 - (iii) provide follow-up training to teachers who have participated in activities described previously in this definition that are designed to ensure that the knowledge and skills learned by the teachers are implemented in the classroom.

7. Scientifically Based Research:

- (A) means research that involves the application of rigorous, systematic, and objective procedures to obtain reliable and valid knowledge relevant to education activities and programs; and
- (B) includes research that:
 - (i) employs systematic, empirical methods that draw on observation or experiment;
 - (ii) involves rigorous data analyses that are adequate to test the stated hypotheses and justify the general conclusions drawn;
 - (iii) relies on measurements or observational methods that provide reliable and valid data across evaluators and observers, across multiple measurements and observations, and across studies by the same or different investigators;

- (iv) relies on measurements or observational methods that provide reliable and valid data across evaluators and observers, across multiple measurements and observations, and across studies by the same or different investigators;
- (v) is evaluated using experimental or quasi-experimental designs in which individuals, entities, programs, or activities are assigned to different conditions and with appropriate controls to evaluate the effects of the condition of interest, with a preference for random-assignment experiments, or other designs to the extent that those designs contain within-condition or across-condition controls;
- (vi) ensures that experimental studies are presented in sufficient detail and clarity to allow for replication or, at a minimum, offer the opportunity to build systematically on their findings; and
- (vii) has been accepted by a peer-reviewed journal or approved by a panel of independent experts through a comparably rigorous, objective, and scientific review.

8. Teacher Mentoring: Activities that-

- (A) consist of structured guidance and regular and ongoing support for teachers, especially beginning teachers, that-
 - (i) are designed to help the teachers continue to improve their practice of teaching and to develop their instructional skills; and part of an ongoing developmental induction process that-
 - (I) involves the assistance of an exemplary teacher and other appropriate individuals from a school, local educational agency, or institution of higher education; and
 - (II) may include coaching, classroom observation, team teaching, and reduced teaching loads; and
 - (III) may include the establishment of a partnership by a local educational agency with an institution of higher education.

9. Technology: State-of-the-art technology products and services.

W. ESEA Performance Goals, Indicators, and Performance Reporting: The LEA assures it has adopted the five performance goals and the related performance indicators established by the U. S. Department of Education and as submitted in the *Texas Consolidated State Application for Funds Under the No Child Left Behind Act*. The LEA also assures that it will develop and implement procedures for collecting data related to the performance indicators where such data is not already collected through the Academic Excellence Indicator System (AEIS) or PEIMS and that it will report such data to the Agency in the time and manner requested.

X. Transfer of School Disciplinary Records: The LEA assures it has a procedure in place to transfer disciplinary records, with respect to a suspension or expulsion, to any private or public elementary school or secondary school for any student who is enrolled or seeks, intends, or is instructed to enroll, on a full- or part-time basis, in the school. This requirement shall not apply to any disciplinary records with respect to a suspension or expulsion that are transferred from a private, parochial or other nonpublic school, person, institution, or other entity, that provides education below the college level (P. L. 107-110, section 4155).

Revised 03/03

The signing of Schedule #1 - General Information by applicant indicates acceptance of and compliance with all requirements described on this schedule.

Federal Statutory Requirements

- 1) The LEA must demonstrate that the LEA has analyzed the needs of each school and selected an intervention for each school.
- 2) The LEA must demonstrate that it has the capacity to use these grant funds to provide adequate resources and related support to each Tier campus identified in the LEA's application in order to implement, fully and effectively, the required activities of the school intervention model it has selected.
- 3) If the LEA is not applying to serve each Tier I school (through a separate application for each campus), the LEA must explain why it lacks capacity to serve each Tier I school.
- 4) The LEA must describe actions it has taken, or will take, to design and implement interventions consistent with the final federal requirements, including the services the campus will receive or the activities the campus will implement.
- 5) The LEA must describe actions it has taken, or will take, to recruit, screen, and select external providers, if applicable, to ensure their quality.
- 6) The LEA must describe actions it has taken, or will take, to align other resources with the interventions.
- 7) The LEA must describe actions it has taken, or will take, to modify its practices or policies, if necessary, to enable its schools to implement the interventions fully and effectively.
- 8) The LEA must describe actions it has taken, or will take, to sustain the reforms after the funding period ends.
- 9) The LEA must include a timeline delineating the steps it will take to implement the selected intervention in each campus.
- 10) The LEA must describe the annual goals for student achievement on the State's assessments in both reading/language arts and mathematics that it has established in order to monitor its Tier I and Tier II schools that receive school improvement funds.
- 11) As appropriate, the LEA must consult with relevant stakeholders regarding the LEA's application and implementation of school improvement models on its campus.
- 12) Applicant provides assurance that financial assistance provided under the grant program will supplement, and not supplant, the amount of state and local funds allocated to the campus.
- 13) Applicant provides assurance that it will use its School Improvement Grant to implement fully and effectively an intervention in each Tier I and Tier II school that the LEA commits to serve consistent with the final federal requirements.
- 14) Applicant provides assurance that it will establish annual goals for student achievement on the State's assessments in both reading/language arts and mathematics and measure progress on the leading indicators in section III of the final federal requirements in order to monitor each Tier I and Tier II school that it serves with school improvement funds, and establish goals (approved by the TEA) to hold accountable its Tier III schools that receive grant funds.
- 15) Applicant provides assurance that it will, if it implements a restart model in a Tier I or Tier II school, include in its contract or agreement terms and provisions to hold the charter operator, charter management organization (CMO), or education management organization (EMO) accountable for complying with the final federal requirements.
- 16) Applicant provides assurance that it will report to the TEA the school-level data required under section III of the final federal requirements.
- 17) If the LEA/campus selects to implement the **turnaround model**, the campus **must** implement the following federal requirements.
 - a. Replace the principal and grant the principal sufficient operational flexibility (including in staffing, calendars/time, and budgeting) to implement fully a comprehensive approach in order to substantially improve student achievement outcomes and increase high school graduation rates;
 - b. Using locally adopted competencies to measure the effectiveness of staff who can work within the turnaround environment to meet the needs of students;
 1. Screen all existing staff and rehire no more than 50 percent; and
 2. Select new staff.
 - c. Implement such strategies as financial incentives, increased opportunities for promotion and career growth, and more flexible work conditions that are designed to recruit, place, and retain staff with the skills necessary to meet the needs of the students in the turnaround school;
 - d. Provide staff ongoing, high-quality, job-embedded professional development that is aligned with the school's comprehensive instructional program and designed with school staff to ensure that they are equipped to facilitate effective teaching and learning and have the capacity to successfully implement school reform strategies;
 - e. Adopt a new governance structure, which may include, but is not limited to, requiring the school to report to a

new "turnaround office" in the LEA or SEA, hire a "turnaround leader" who reports directly to the Superintendent or Chief Academic Officer, or enter into a multi-year contract with the LEA or SEA to obtain added flexibility in exchange for greater accountability;

- f. Use data to identify and implement an instructional program that is research-based and vertically aligned from one grade to the next as well as aligned with State academic standards;
 - g. Promote the continuous use of student data (such as from formative, interim, and summative assessments) to inform and differentiate instruction in order to meet the academic needs of individual students;
 - h. Establish schedules and implement strategies that provide increased learning time (as defined in this notice); and
 - i. Provide appropriate social-emotional and community-oriented services and supports for students.
- 18) If the LEA/campus selects to implement the **turnaround model**, the campus **may** implement the following federal requirements.
1. Any of the required and permissible activities under the transformation model; or
 2. A new school model (e.g., themed, dual language academy).
- 19) If the LEA/campus selects to implement the school **closure model**, the campus **must** implement the following requirement.
- a. Enroll the students who attended that school in other schools in the LEA that are higher achieving within reasonable proximity to the closed school and may include, but are not limited to, charter schools or new schools for which achievement data are not yet available.
 - b. A grant for school closure is a one-year grant without the possibility of continued funding.
- 20) If the LEA/campus selects to implement the **restart model**, the campus **must** implement the following federal requirements.
- a. Convert or close and reopen the school under a charter school operator, a charter management organization (CMO), or an education management organization (EMO) that has been selected through a rigorous review process. A CMO is a non-profit organization that operates or manages charter schools by centralizing or sharing certain functions and resources among schools. An EMO is a for-profit or non-profit organization that provides "whole-school operation" services to an LEA.
 - b. Enroll, within the grades it serves, any former student who wishes to attend the school.
- 21) If the LEA/campus selects to implement the **transformation model**, the campus **must** implement the following federal requirements.
1. Develop and increase teacher and school leader effectiveness.
 - (A) Replace the principal who led the school prior to commencement of the transformation model;
 - (B) Use rigorous, transparent, and equitable evaluation systems for teachers and principals that--
 - (1) Take into account data on student growth as a significant factor as well as other factors such as multiple observation-based assessments of performance and ongoing collections of professional practice reflective of student achievement and increased high school graduation rates; and
 - (2) Are designed and developed with teacher and principal involvement;
 - (C) Identify and reward school leaders, teachers, and other staff who, in implementing this model, have increased student achievement and high school graduation rates and identify and remove those who, after ample opportunities have been provided for them to improve their professional practice, have not done so;
 - (D) Provide staff ongoing, high-quality, job-embedded professional development (e.g., regarding subject-specific pedagogy, instruction that reflects a deeper understanding of the community served by the school, or differentiated instruction) that is aligned with the school's comprehensive instructional program and designed with school staff to ensure they are equipped to facilitate effective teaching and learning and have the capacity to successfully implement school reform strategies; and
 - (E) Implement such strategies as financial incentives, increased opportunities for promotion and career growth, and more flexible work conditions that are designed to recruit, place, and retain staff with the skills necessary to meet the needs of the students in a transformation school.
 2. Comprehensive instructional reform strategies.
 - (A) Use data to identify and implement an instructional program that is research-based and vertically aligned from one grade to the next as well as aligned with State academic standards; and
 - (B) Promote the continuous use of student data (such as from formative, interim, and summative assessments) to inform and differentiate instruction in order to meet the academic needs of

individual students.

3. Increasing learning time and creating community-oriented schools.
 - (A) Establish schedules and strategies that provide increased learning time; and
 - (B) Provide ongoing mechanisms for family and community engagement.
4. Providing operational flexibility and sustained support.
 - (A) Give the school sufficient operational flexibility (such as staffing, calendars/time, and budgeting) to implement fully a comprehensive approach to substantially improve student achievement outcomes and increase high school graduation rates; and
 - (B) Ensure that the school receives ongoing, intensive technical assistance and related support from the LEA, the SEA, or a designated external lead partner organization (such as a school turnaround organization or an EMO).
- 22) An LEA **may** also implement other strategies to develop teachers' and school leaders' effectiveness, such as--
 - (A) Provide additional compensation to attract and retain staff with the skills necessary to meet the needs of the students in a transformation school;
 - (B) Institute a system for measuring changes in instructional practices resulting from professional development; or
 - (C) Ensure that the school is not required to accept a teacher without the mutual consent of the teacher and principal, regardless of the teacher's seniority.
- 23) An LEA **may** also implement comprehensive instructional reform strategies, such as--
 - (A) Conduct periodic reviews to ensure that the curriculum is being implemented with fidelity, is having the intended impact on student achievement, and is modified if ineffective;
 - (B) Implement a schoolwide "response-to-intervention" model;
 - (C) Provide additional supports and professional development to teachers and principals in order to implement effective strategies to support students with disabilities in the least restrictive environment and to ensure that limited English proficient students acquire language skills to master academic content;
 - (D) Use and integrate technology-based supports and interventions as part of the instructional program; and
 - (E) In secondary schools--
 - (1) Increase rigor by offering opportunities for students to enroll in advanced coursework (such as Advanced Placement; International Baccalaureate; or science, technology, engineering, and mathematics courses, especially those that incorporate rigorous and relevant project-, inquiry-, or design-based contextual learning opportunities), early-college high schools, dual enrollment programs, or thematic learning academies that prepare students for college and careers, including by providing appropriate supports designed to ensure that low-achieving students can take advantage of these programs and coursework;
 - (2) Improve student transition from middle to high school through summer transition programs or freshman academies;
 - (3) Increase graduation rates through, for example, credit-recovery programs, re-engagement strategies, smaller learning communities, competency-based instruction and performance-based assessments, and acceleration of basic reading and mathematics skills; or
 - (4) Establish early-warning systems to identify students who may be at risk of failing to achieve to high standards or graduate.
- 24) An LEA **may** also implement other strategies that extend learning time and create community-oriented schools, such as--

Texas Title I Priority Schools Grant		

- (A) Partner with parents and parent organizations, faith- and community-based organizations, health clinics, other State or local agencies, and others to create safe school environments that meet students' social, emotional, and health needs;
 - (B) Extend or restructure the school day so as to add time for such strategies as advisory periods that build relationships between students, faculty, and other school staff;
 - (C) Implement approaches to improve school climate and discipline, such as implementing a system of positive behavioral supports or taking steps to eliminate bullying and student harassment; or
 - (D) Expand the school program to offer full-day kindergarten or pre-kindergarten.
- 25) The LEA **may** also implement other strategies for providing operational flexibility and intensive support, such as--
- (A) Allow the school to be run under a new governance arrangement, such as a turnaround division within the LEA or SEA; or
 - (B) Implement a per-pupil school-based budget formula that is weighted based on student needs.

Statutory Program Assurances

- 1) Applicant provides assurance that financial assistance provided under the grant program will supplement, and not supplant, the amount of state and local funds allocated to the campus.
- 2) Applicant provides assurance that it will use its School Improvement Grant to implement fully and effectively an intervention in each Tier I and Tier II school that the LEA commits to serve consistent with the final federal requirements.
- 3) Applicant provides assurance that it will establish annual goals for student achievement on the State's assessments in both reading/language arts and mathematics and measure progress on the leading indicators in section III of the final federal requirements in order to monitor each Tier I and Tier II school that it serves with school improvement funds, and establish goals (approved by the TEA) to hold accountable its Tier III schools that receive school improvement funds.
- 4) Applicant provides assurance that it will, if it implements a restart model in a Tier I or Tier II school, include in its contract or agreement terms and provisions to hold the charter operator, charter management organization, or education management organization accountable for complying with the final federal requirements.
- 5) Applicant provides assurance that it will report to the TEA the school-level data required under section III of the final federal requirements.
- 6) Applicant provides assurance that it will participate in any evaluation of the grant conducted by the U.S. Department of Education, including its contractors, or the Texas Education Agency, including its contractors.

TEA Program Assurances

1. Before full implementation funds are made available, the grantee must demonstrate that all early implementation activities have been completed. Successful completion of the early implementation will be measured in the **Quarterly Implementation Reports**, the **Model Selection and Description Report**, and through participation in TEA technical assistance. Copies of the above named reports can be found on the TTIPS website at the following link: http://www.tea.state.tx.us/index4.aspx?id=7354&menu_id=798
 - a. The Model Selection and Description Report must be submitted to TEA no later than **February 1, 2011**. This report may be submitted at any time prior to the deadline. Grantees must demonstrate successful completion of the following activities:
 - i. Comprehensive Needs Assessment process.
 - ii. Establish the grant budget by the required categories.
 - iii. Identification and Selection of the intervention model.
 - iv. Development of activities to implement selected intervention model.
 - v. Development of Timeline of Grant Activities.
- 2) The applicant provides assurance that the LEA will designate an individual or office with primary responsibilities for supporting the LEA/campus' school improvement efforts. This individual/office will have primary responsibility and authority for ensuring the effective implementation of the grant option approved by TEA; serve as the district liaison to TEA and those providing technical assistance and/or contracted service to the LEA/campus as part of the approved grant.
- 3) The applicant provides assurance that a team from the grantee LEA/campus will attend and participate in grant orientation meetings, technical assistance meetings, other periodic meetings of grantees, the Texas School Improvement Conference, and sharing of best practices.

SCHEDULE #6F PROGRAM-SPECIFIC PROVISIONS & ASSURANCES	TEXAS EDUCATION AGENCY Standard Application System School Year 2010-2013	<u>090-904</u> County-District No.
Texas Title I Priority Schools Grant		

- 4) For LEAs selecting the TEA Designed Model, the applicant must participate in and make use of technical assistance and coaching support provided by TEA, SIRC, and/or its subcontractors.
- 5) The applicant will establish or provide evidence of a system of formative assessment aligned to the Texas Essential Knowledge and Skills which provides robust, targeted data to evaluate the effectiveness of the LEA's curriculum and its alignment with instruction occurring on the campus; assesses progress on student groups' academic achievement at the campus level; and guide instructional decisions by teachers for individual students.
- 6) The applicant will participate in a formative assessment of the LEA's capacity and commitment to carry out the grant intervention models.
- 7) The applicant will provide access for onsite visits to the LEA and campus by TEA, SIRC and its contractors.
- 8) The applicant, if selecting the Restart Model, agrees to contract only with CMO or EMO providers on the State's approved list of CMO and EMO providers.
- 9) The applicant, if selecting the Turnaround Model or Transformation Model (Tiers I and Tiers II only) agrees to the participation of the campus principal or principal candidates in a formative assessment of their turnaround leadership capacity.
- 10) If the LEA/Tier III campus selects to implement the **transformation model**, the campus assures that it will implement the following federal requirements.
 1. Develop and increase teacher and school leader effectiveness.
 - A. Evaluate the effectiveness of the current principal and use the results of the evaluation to determine whether the principal should be replaced, be retained on the campus, or be provided leadership coaching or training.
 - B. Identify and reward school leaders, teachers, and other staff who, in implementing this model, have increased student achievement and high school graduation rates and identify and remove those who, after ample opportunities have been provided for them to improve their professional practice, have not done so;
 - C. Provide staff ongoing, high-quality, job-embedded professional development (e.g., regarding subject-specific pedagogy, instruction that reflects a deeper understanding of the community served by the school, or differentiated instruction) that is aligned with the school's comprehensive instructional program and designed with school staff to ensure they are equipped to facilitate effective teaching and learning and have the capacity to successfully implement school reform strategies; and
 - D. Implement such strategies as financial incentives, increased opportunities for promotion and career growth, and more flexible work conditions that are designed to recruit, place, and retain staff with the skills necessary to meet the needs of the students in a transformation school based on rigorous, transparent, and equitable evaluation systems for teachers and principals:
 1. Takes into account data on student growth as a factor as well as other factors such as multiple observation-based assessments of student performance and ongoing collections of professional practice reflective of student achievement and increased high school graduation rates; and
 2. Are designed and developed and with teacher and principal involvement
 2. Comprehensive instructional reform strategies.
 - A. Use data to identify and implement an instructional program that is research-based and vertically aligned from one grade to the next as well as aligned with State academic standards; and
 - B. Promote the continuous use of student data (such as from formative, interim, and summative assessments) to inform and differentiate instruction in order to meet the academic needs of individual students.
 3. Increasing learning time and creating community-oriented schools.
 - A. Establish schedules and strategies that provide increased learning time; and
 - B. Provide ongoing mechanisms for family and community engagement.
 4. Providing operational flexibility and sustained support.
 - A. Give the school sufficient operational flexibility (such as staffing, calendars/time, and budgeting) to implement fully a comprehensive approach to substantially improve student achievement outcomes and increase high school graduation rates; and
 - B. Ensure that the school receives ongoing, intensive technical assistance and related support from the LEA, the SEA, or a designated external lead partner organization (such as a school turnaround organization or an EMO).
- 11) An LEA **may** also implement other strategies to develop teachers' and school leaders' effectiveness, such as--
 - A. Provide additional compensation to attract and retain staff with the skills necessary to meet the needs of the students in a transformation school;
 - B. Institute a system for measuring changes in instructional practices resulting from professional development; or
 - C. Ensure that the school is not required to accept a teacher without the mutual consent of the teacher and principal, regardless of the teacher's seniority.

- 14) The LEA may also implement other strategies for providing operational flexibility and intensive support, such as--
- Allow the school to be run under a new governance arrangement, such as a turnaround division within the LEA or SEA; or
 - Implement a per-pupil school-based budget formula that is weighted based on student needs.
- 15) The LEA/campus assures TEA that data to meet the following federal requirements will be available and reported as requested.
- Number of minutes within the school year.
 - Average scale scores on State assessments in reading/language arts and in mathematics, by grade, for the "all students" group, for each achievement quartile, and for each subgroup.
 - Number and percentage of students completing advanced coursework (e.g., AP/IB), early-college high schools, or dual enrollment classes. (High Schools Only)
 - College enrollment rates. (High Schools Only)
 - Teacher Attendance Rate
 - Student Completion Rate
 - Student Drop-Out Rate
 - Locally developed competencies created to identify teacher strengths/weaknesses
 - Types of support offered to teachers
 - Types of on-going, job-embedded professional development for teachers
 - Types of on-going, job-embedded professional development for administrators
 - Strategies to increase parent/community involvement
 - Strategies which increase student learning time

 SCHEDULE #6F PROGRAM-SPECIFIC PROVISIONS & ASSURANCES	TEXAS EDUCATION AGENCY Standard Application System School Year 2010-2013	<u>090-904</u> County-District No.
Texas Title I Priority Schools Grant		

By submitting the application for American Recovery and Reinvestment Act (ARRA) funds (P.L. 111-5), the applicant agrees to comply with the following provisions and assurances for all programs authorized in Division A of the ARRA, Title I School Improvement Grant (SIG). The applicant understands that failure to comply with one or more of these provisions and assurances may result in the Texas Education Agency (TEA) taking one or more enforcement actions authorized in Title 34 of the Code of Federal Regulations (CFR) §§ 74.62 and 80.43.

In addition to the standard terms of award, all funding provided under the Recovery Act will be subject to the provisions, assurances and conditions for American Recovery and Reinvestment Act of 2009 (ARRA or Recovery Act).

Terms defined:

RECIPIENT – The term “recipient” means a State and includes the Texas Education Agency (TEA). It also includes any entity that applies for and receives a grant directly from the federal government.

RECOVERY FUNDS – The term “recovery funds” means any funds that are made available from appropriations made under the Recovery Act.

RECOVERY ACT – the American Recovery and Reinvestment Act (ARRA) of 2009 (P.L. 111-5)

STIMULUS FUNDS – The term “stimulus funds” means any funds that are made available from appropriations under the Recovery Act; the term may be used interchangeably with “recovery funds.”

GRANTEE – the subrecipient of TEA and applicant of funds.

A. One-Time Funding: Unless otherwise specified, ARRA funding is considered one-time funding that is expected to be temporary. Grantees should expend funds in ways that do not result in unsustainable continuing commitments after the funding expires. Grantees must move rapidly, while using prudent grant management practices, to develop plans for using funds, consistent with the ARRA’s reporting and accountability requirements, and promptly begin spending funds to help drive the nation’s economic recovery. All ARRA funds must be separately accounted for and tracked in their obligation, expenditure, and reporting.

B. Period of Availability and Encumbrances/Obligations: Unless otherwise specified in the Notice of Grant Award (NOGA), all funds are effective from the beginning date specified on the Notice of Grant Award (NOGA) through June 30, 2013. Carryover of funds will not be available beyond that date. Unobligated/unexpended funds will be returned to the Department of Treasury. The paragraph in the General Provisions pertaining to Encumbrances and Obligations applies as follows:

All encumbrances shall occur on or between the beginning and ending dates of the contract. All goods must be received and services rendered and subsequently liquidated (recorded as an expenditure or accounts payable) within the contract dates. In no manner shall encumbrances be considered or reflected as accounts payable or as expenditures. Obligations that are liquidated and recognized as expenditures must meet the allowable cost principles in OMB Circular A-87, A-21, or A-122 (as applicable) and program rules, regulations, and guidelines contained elsewhere. When an obligation is made is defined in 34 CFR 76.707.

 SCHEDULE #6F PROGRAM-SPECIFIC PROVISIONS & ASSURANCES	TEXAS EDUCATION AGENCY Standard Application System School Year 2010-2013	090-904 County-District No.
Texas Title I Priority Schools Grant		

C. Compliance with Other Provisions and Assurances: All provisions and assurances stated in the General Provisions, Certification Regarding Debarment and Suspension, Lobbying Certification and Disclosure of Lobbying, No Child Left Behind Act (NCLB) Special Provisions and Assurances, and all other program-specific provisions and assurances apply unless they conflict or are superseded by the following terms and conditions implementing the American Recovery and Reinvestment Act of 2009 (ARRA) requirements below. This includes compliance with Title VI of the Civil Rights Act of 1964; Section 504 of the Rehabilitation Act of 1973; Title IX of the Education Amendments of 1972; the Age Discrimination Act of 1975; and all other nondiscrimination provisions. It also includes Title VII of the Civil Rights Act of 1964 (prohibiting race, color, national origin, religion, and sex discrimination in employment; the Americans with Disabilities Act (prohibiting disability discrimination in employment and in services provided by entities receiving federal funds); as well as any other applicable civil rights laws. **By submitting this application, the applicant agrees to comply with all such provisions and assurances.**

D. Compliance with Other Program Statutes: The applicant agrees to comply with the authorizing program statutes, regulations, non-regulatory guidelines, and other guidance in the implementation of the programs receiving funding under ARRA. This includes compliance with comparability; supplement, not supplant; maintenance of effort (MOE); equitable participation for private nonprofit school students and teachers; and all other program-specific provisions and requirements. All such are hereby incorporated by reference.

E. DUNS Number: All entities receiving any federal funds, including ARRA funds, are required to have a DUNS (Dunn & Bradstreet) number. The DUNS number serves as the grantee organization's unique identifier for reporting federal funds received and expended. TEA must use this same DUNS number to report grant awards and expenditures for subrecipients under ARRA to the website specifically provided for in ARRA – <http://www.FederalReporting.gov/>. The assignment of a DUNS number is a condition of award of ARRA funds and must be validated by TEA prior to issuing a NOGA for ARRA funds. (Section 1512[c][4] of ARRA and the federal Office of Management and Budget (OMB) to comply with the Federal Funding Accountability and Transparency Act [FFATA], P.L. 109-282. OMB adopted the DUNS number as the "unique identifier" required for reporting under FFATA).

F. Central Contractor Registration (CCR): All grantees receiving ARRA funds, as well as any other federal funds, are required to register and maintain current registration with the Central Contractor Registration (CCR) database at <http://www.ccr.gov>. Registration in CCR is a condition of award of ARRA funds and must be validated by TEA prior to issuing a NOGA for ARRA funds.

G. ARRA Reporting Requirements: The federal Office of Management and Budget (OMB) has issued guidance related to reporting the use of ARRA funds to the various websites. The definition of terms and data elements, as well as any specific instructions for reporting, including required formats, are provided in separate guidance issued by the TEA.

The Texas Education Agency as a direct recipient of funds is required to report certain information at certain intervals throughout the grant period as required in Section 1512 of ARRA. In order to meet the reporting requirements, grantees will be required to provide certain information to TEA. By submitting this application, the grantee agrees to provide information in the form, time, and manner requested so that TEA can meet its reporting requirements and deadlines.

- 1. Separate Tracking and Monitoring of ARRA Funds:** ARRA funds must be separately tracked and monitored independently of any non-Recovery Act funding. Grantees must submit certain information to TEA in order for TEA to comply with quarterly reporting requirements established in Section 1512 of the Recovery Act. Recovery Act-related reporting requirements are incorporated as a special condition of this award.

3. **Quarterly Reporting for ARRA:** Not later than 10 calendar days after the end of each calendar quarter, TEA and any other **direct** recipient of ARRA funds must report to the U.S. Department of Education with regard to recovery funds received in accordance with number 4 below (Section 1512[c]). (A "direct recipient" is a state agency or any entity that applies for and receives funds **directly** from a federal government agency.) TEA must obtain certain information from grantees in order to comply with this reporting requirement. By submitting this application, the grantee agrees to submit information to TEA in the time, form, and manner requested.

4. **Data Elements for Quarterly Reporting for ARRA:** In accordance with Section 1512(c) of ARRA and the Federal Funding Accountability and Transparency Act of 2006 (Public Law 109-282), TEA is required to provide quarterly reports to the U.S. Department of Education or through a central government-wide portal (<http://www.FederalReporting.gov>). The information adopted by OMB contains the following data elements: submitting this application, the grantee agrees to submit the information to TEA in the time, form, and manner requested. The information may change pending final adoption by OMB.

For each grant that equals or exceeds \$25,000 in total grant award amount:

- The grantee organization's DUNS number (TEA will need to collect this information from grantees)
- The grant award number (i.e., NOGA ID number) assigned by TEA (TEA will have this information on file)
- The legal name of the grantee organization (as registered in the Central Contractor Registration (CCR), if registered) (TEA will have this information on file provided it is the same legal name on file with TEA)
- The physical location (street address) (as listed in the CCR, if registered) (TEA will have this information on file provided it is the same street address on file with TEA)
- The (federal) Congressional district number
- The grantee organization type (i.e., independent school district, nonprofit organization, etc) (TEA will have this information on file)
- The total amount of the grant award (TEA will have this information on file)
- The total amount paid to the grantee as of date of report (TEA will have this information on file)
- The physical location (street address) of the primary place of performance of the grant (TEA will have this information on file provided it is the same address on file with TEA.)
- An evaluation (i.e., status report) of the completion status of the project or activity (for example, Not Started; Less than 50% Completed; Completed 50% or More; Fully Completed) (It is not clear at this time whether this information will need to be collected from the grantees. TEA will notify the grantee in the event status information needs to be collected.)
- An estimate of the number of jobs created and the number of jobs retained by the project or activity and a brief description of the types of those jobs (i.e., job titles) (TEA will need to collect this information from grantees.)
- The names and total compensation of the five most highly compensated officers of the grantee organization if the organization in its preceding year received 80% or more of its annual gross revenues in Federal awards and \$25,000,000 or more in annual gross revenues from Federal awards and the public does not have access to information about the compensation of senior executives. (It is not known at this time whether this data element will be required once the data elements are finalized by OMB. If it is required in the final data elements, TEA will need to collect this information from the grantees.)

For grants that equal less than \$25,000 in total grant award amount or for grantees that in the previous tax year had gross income under \$300,000, amounts will be reported in the aggregate according to the following:

- The total number of grants awarded less than \$25,000 (TEA will have this information file)
- The total award (aggregate) amount for all grants less than \$25,000 (TEA will have this information on file)
- The total (aggregate) amount paid to grantees for all grants less than \$25,000 as of date of report (TEA will have this information on file)

5. **Posting the Information on Public Website:** Not later than 30 days after the end of each calendar quarter, each federal agency, including the U.S. Department of Education, shall make the information in those reports publicly available by posting the information on the designated public website (Section 1512[d]). Grantees will not be required to post information on the public website unless they apply for and receive other ARRA grants directly from a federal government agency.

Once OMB adopts the final data reporting elements and TEA receives specific instructions for reporting, TEA will provide subsequent guidance to grantees related to required reporting information.

H. Electronic Drawdown of ARRA Funds from TEA and Use of FAR Fund Codes: Recipients will draw down ARRA funds on an award-specific basis. **Pooling of ARRA award funds with other funds for drawdown or other purposes is not permitted.** Recipients must account for each ARRA award separately by referencing the assigned FAR (Financial Accounting and Resource) fund code for each award.

I. Availability of Records: The applicant agrees to make all financial and programmatic records available in detail for inspection by TEA auditors, local independent auditors, and the offices described below.

1. **Examination of Records:** The Comptroller General of the United States and any of its employees, contractors, agents, representatives, or designees, may examine any records related to obligations and use by any state or local government of funds made available under ARRA. (Section 901[b]).
2. **Access of Government Accountability Office (GAO):** Each contract and each subcontract awarded using funds made available under ARRA shall provide that the Comptroller General of the United States and his representatives are authorized to examine any records of the contractor or any of its subcontractors, or any State or local agency administering such contract, that directly pertain to, and involve transactions relating to, the contract or subcontract and to interview any officer or employee of the contractor or any of its subcontractors, or of any State or local government agency administering the contract, regarding such transactions (Section 902).
3. **Reviews by Inspector General:** The inspector general of the U.S. Department of Education shall review, as appropriate, any concerns raised by the public about specific investments using funds made available in this Act. Any findings of such reviews shall be relayed immediately to the Secretary of Education. In addition, the findings of such reviews, along with any audits conducted by any inspector general of ARRA funds, shall be posted on the inspector general's website and linked to the recovery.gov website, except that portions of reports may be redacted to the extent the portions would disclose information that is protected from public disclosure under sections 552 and 552a of Title 5, United States Code (Section 1514).
4. **Access of Offices of Inspector General to Certain Records and Employees:** With respect to each contract or grant awarded using ARRA funds, any representative of an Inspector General of the U.S. Department of Education or other appropriate federal agency is authorized to examine any records of the contractor or grantee, any of its subcontractors or subgrantees, or any State or local agency administering such contract, that pertain to, and involve transactions relating to, the contract, subcontract, grant, or subgrant, and to interview any officer or employee of the contractor, grantee, subgrantee, or agency regarding such transactions (Section 1515).
5. **Recovery Accountability and Transparency Board:** Section 1521 of the ARRA establishes the Recovery Accountability and Transparency Board to coordinate and conduct oversight of ARRA funds to prevent fraud, waste, and abuse. The Board shall submit "flash reports" on potential management and funding problems that require immediate attention; quarterly reports; and annual reports to the President and Congress, including the Committees on Appropriations of the Senate and House of Representatives, summarizing the findings on the use of ARRA funds. The Board may conduct its own independent audits and reviews of ARRA funds. All reports shall be made publicly available on the www.recovery.gov website established by the Board. See paragraphs J and K below with regard to reports of suspected fraud or abuse (Sections 1523 and 1524).

6. **Recovery Independent Advisory Panel:** Section 1541 of the ARRA establishes the Recovery Independent Advisory Panel to make recommendations to the Recovery Accountability and Transparency Board on action the Board could take to prevent fraud, waste, and abuse relating to ARRA funds.

J. Disclosure of Fraud or Misconduct: Each grantee awarded funds made available under the ARRA shall promptly refer to the USDE Office of Inspector General any credible evidence that a principal, employee, agent, contractor, subrecipient, subcontractor, or other person has submitted a false claim under the False Claims Act or has committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving those funds.

K. Protection for Whistleblowers: Section 1553 of the ARRA provides protection for State and local government and contractor whistleblowers. Any employee of any employer receiving ARRA funds may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing, including a disclosure made in the ordinary course of an employee's duties, to the Recovery Accountability and Transparency Board, an inspector general, the U. S. Comptroller General, a member of Congress, a State or federal regulatory or law enforcement agency, a person with supervisory authority over the employee (or such other person working for the employer who has the authority to investigate, discover, or terminate misconduct), a court or grand jury, the head of a federal agency, or their representatives, information that the employee reasonably believes is evidence of (1) gross mismanagement of an agency contract or grant relating to ARRA funds; (2) a gross waste of ARRA funds; (3) a substantial and specific danger to public health or safety related to the implementation or use of ARRA funds; (4) an abuse of authority related to the implementation or use of ARRA funds; or (5) a violation of law, rule, or regulation related to an agency contract (including the competition for or negotiation of a contract), or grant, awarded or issued relating to ARRA funds. A person who believes that he or she has been subjected to a reprisal may submit a complaint regarding the reprisal to the inspector general for the appropriate federal agency (in most cases, the U.S. Department of Education).

L. Use of Funds: The grantee agrees to comply with the applicable federal cost principles in the obligation and expenditure of ARRA funds as identified in the General Provisions and Assurances as well as other limitations or restrictions and expenditures identified therein. The grantee also agrees to the following:

1. **Consolidation of ARRA Administrative Funds:** Due to the significant reporting requirements under ARRA, **it is not known at this time whether grantees may consolidate ARRA administrative funds with other NCLB consolidated administrative funds.** TEA will issue further guidance with regard to this provision once guidance is provided by the U.S. Department of Education. If ARRA funds are permitted to be consolidated with other NCLB consolidated administrative funds, grantees must still be able to report the types and number of jobs that were created or saved with ARRA funds.
2. **Combining ARRA funds on a Schoolwide Program.** ARRA funds are permitted to be used on a Title I Part A schoolwide Campus/Program, funds may be combined with other funding sources, but grantees still must be able to identify precisely the items of obligation and expenditure for ARRA reporting. You must also be able to report the types and number of jobs that were created or saved with ARRA funds.
3. **Special Contracting Provisions:** To the maximum extent possible, contracts funded under the ARRA shall be awarded as fixed-price contracts through the use of competitive procedures. A summary of any new contract awarded with ARRA funds that is not fixed-price and not awarded using competitive procedures shall be posted in a special section of the www.recovery.gov website established by the Recovery Accountability and Transparency Board (Section 1554).

4. **Use of Funds for Certain Expenditures Prohibited:** ARRA funds shall not be used for any casino or other gambling establishment, aquarium, zoo, golf course, or swimming pool (Section 1604).
5. **Use of Funds for Construction Prohibited:** Unless specifically authorized in the applicable program statute, regulations, guidelines, Request for Application (RFA), TEA Standard Application System (SAS), the approved grant application, or other written authorization, none of the ARRA additional formula funds shall be used for construction, remodeling, or renovation.
6. **Buy American - Use of American Iron, Steel, and Manufactured Goods:** If construction is allowed and approved pursuant to the previous paragraph pertaining to "Use of Funds for Construction Prohibited", none of the funds may be used for the construction, alteration, maintenance, or repair of a public building or public work unless all of the iron, steel, and manufactured goods used in the project are produced in the United States unless waived by the Secretary of Education (Section 1605).
7. **Wage Rate Requirements for Contracted Laborers and Mechanics- Compliance with the Davis-Bacon Act:** Subject to further clarification issued by the Office of Management and Budget, and notwithstanding any other provision of law and in a manner consistent with other provisions of ARRA, all laborers and mechanics employed by contractors and subcontractors on projects funded directly by or assisted in whole or in part by and through the Federal Government pursuant to this award shall be paid wages at rates not less than those prevailing on projects of a character similar in the locality as determined by the Secretary of Labor in accordance with subchapter IV of chapter 31 of title 40, United States Code. With respect to the labor standards specified in this section, the Secretary of Labor shall have the authority and functions set forth in Reorganization Plan Numbered 14 of 1950 (64 Stat. 1267; 5 U.S.C. App.) and section 3145 of title 40, United States Code (Section 1606).

M. Compliance with OMB Circular A-133 Audits and Schedule of Expenditures of Federal Awards:
 Grantees agree to separately identify the expenditures for each grant award funded under ARRA as required by Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations" and to comply with all other provisions of the Single Audit Act and OMB Circular A-133.

The signing of Schedule #1 - General Information by applicant indicates acceptance of and compliance with all requirements described on this schedule
