Part 2: List of Required Fiscal-Related Attachments and Assurances		
For competitive applications, the application will not be reviewed and scored if any of the required attachments do not accompany the application when it is submitted. Applicants will not be permitted to submit required attachments, or any revisions to those required attachments, after the closing date of the grant. Attach all required attachments to the back of the application as an appendix.		
1 <input type="checkbox"/>	Proof of Nonprofit Status	
	Required for all open-enrollment charter schools sponsored by a nonprofit organization: Check box to indicate that proof of nonprofit status is attached. (See Part 1: General and Fiscal Guidelines and Part 3: Schedule Instructions for acceptable proof.)	
2 <input checked="" type="checkbox"/>	Assurance of Financial Stability	
	Required for all independent school districts, open-enrollment charter schools, and education service centers: Check box to indicate assurance that audit requirements have been met. All public school districts, open-enrollment charter schools, and education service centers must be in compliance with submitting the required annual audit for the immediate prior fiscal year to TEA in the time and manner requested by TEA, and the audit must be determined by the TEA Division of Financial Audits to be in compliance with the applicable audit standards. TEA reserves the right to ensure that all applicants are deemed by TEA to be financially stable at the initial time of preliminary selection for funding to receive a grant award. The TEA Division of Financial Audits will determine financial stability based on the required annual audit for the immediate prior fiscal year.	
3 <input checked="" type="checkbox"/>	Assurance of Submittal of Reviewer Information Form	
	Required for all applicants: Check box to indicate assurance that reviewer information form will be submitted. All applicants are required to complete the Reviewer Information Form and to submit it online by Thursday, May 6, 2010 . (See Part 2: Program Guidelines, "Reviewer Information Form," for instructions on how to access and submit the form.)

Texas Title I Priority Schools Grant		
Schedule #4—Program Summary and Application Requirements		
Part 1: Grant Program Information;		
Summary of Program: Purpose and Goals		
<p>School Improvement Grants, authorized under section 1003(g) of Title I of the Elementary and Secondary Education Act of 1965 (Title I or ESEA) as amended by ARRA, are grants, through the Texas Education Agency, to local educational agencies (LEAs) for use in Title I schools identified for improvement, corrective action, or restructuring and other eligible campuses that demonstrate the greatest need for the funds and the strongest commitment to use the funds to provide adequate resources in order to raise substantially the achievement of their students so as to enable the schools to make adequate yearly progress and exit improvement status. Under the final requirements, as amended through the interim final requirements published in the Federal Register in January 2010 school improvement funds are to be focused on each State's "Tier I" and "Tier II" schools.</p> <p>Tier I schools are a State's persistently lowest-achieving Title I schools in improvement, corrective action, or restructuring and certain Title I eligible elementary schools that are as low achieving as the State's other Tier I schools. Tier II schools are a State's persistently-lowest achieving secondary schools that are eligible for, but do not receive, Title I, Part A funds and certain additional Title I eligible secondary schools that are as low achieving as the State's other Tier II schools or that have had a graduation rate below 60 percent over a number of years. An LEA may also use school improvement funds in Title I schools in improvement, corrective action, or restructuring that are not identified as persistently lowest-achieving schools and certain additional Title I eligible schools ("Tier III schools").</p> <p>In the Tier I and Tier II schools an LEA chooses to serve, the LEA must implement one of four school intervention models: turnaround model, restart model, school closure, or transformation model.</p>		
Allowable Activities		
<p>Tier I and Tier II Grantees</p> <ul style="list-style-type: none"> ■ Grantees must expend grant funds for the required activities delineated for the selected intervention model as defined in the final federal regulations. ■ Grantees may expend grant funds for the permissible activities delineated for the selected intervention model as defined in the final federal regulations. ■ Grantees may expend grant funds for other school improvement activities deemed needed to address identified needs not addressed by the intervention model selected. <p>Tier III Grantees</p> <ul style="list-style-type: none"> ■ Tier III grantees may select one of the four intervention models in the federal regulations or the state's Tier III Transformation Model. ■ If selecting one of the four models in the federal regulations, grantees must expend grant funds for the required activities delineated for the selected intervention model as defined in the final federal regulations. Grantees may expend grant funds for the permissible activities delineated for the selected intervention model as defined in the final federal regulations. ■ Grantees may expend grant funds for other school improvement activities deemed needed to address identified needs not addressed by the intervention model selected. <p>In addition, a Tier I, Tier II, Tier III grantee campus that has implemented, in whole or in part, either the Turnaround, Restart, or Transformation models within the last two years may continue or complete the implementation of the intervention model with the TTIPS grant funds. For example, if a grantee campus has replaced its principal within the last two years, the LEA/campus will not be required to hire another new principal. An LEA/campus that receives TTIPS SIG funds in accordance with this flexibility must fully implement the selected model as required by the final federal requirements. In other words, if the school had been implementing the model only in part, it must use the funds it receives to expand its implementation so that it fully complies with the federal regulatory requirements.</p> <p>The detailed required and permissible activities for each intervention model, as defined in the final federal regulations are listed on Schedule #4—Program Requirements and are incorporated by reference herein.</p>

#	Requirement Description – Federal Statutory Requirements	Primary Component Where Described	
18	If the LEA/campus selects to implement the turnaround model , the campus may implement the following federal requirements. a. Any of the required and permissible activities under the transformation model; or b. A new school model (e.g., themed, dual language academy).	Program Assurances	
19	If the LEA/campus selects to implement the school closure model , the campus must implement the following requirement. a. Enroll the students who attended that school in other schools in the LEA that are higher achieving within reasonable proximity to the closed school and may include, but are not limited to, charter schools or new schools for which achievement data are not yet available. b. A grant for school closure is a one-year grant without the possibility of continued funding.	Program Assurances	
20	If the LEA/campus selects to implement the restart model , the campus must implement the following federal requirements. a. Convert or close and reopen the school under a charter school operator, a charter management organization (CMO), or an education management organization (EMO) that has been selected through a rigorous review process. A CMO is a non-profit organization that operates or manages charter schools by centralizing or sharing certain functions and resources among schools. An EMO is a for-profit or non-profit organization that provides "whole-school operation" services to an LEA. b. Enroll, within the grades it serves, any former student who wishes to attend the school.	Program Assurances	
21	If the LEA/campus selects to implement the transformation model , the campus must implement the following federal requirements. 1. Develop and increase teacher and school leader effectiveness. (A) Replace the principal who led the school prior to commencement of the transformation model; (B) Use rigorous, transparent, and equitable evaluation systems for teachers and principals that-- (1) Take into account data on student growth as a significant factor as well as other factors such as multiple observation-based assessments of performance and ongoing collections of professional practice reflective of student achievement and increased high school graduation rates; and (2) Are designed and developed with teacher and principal involvement; (C) Identify and reward school leaders, teachers, and other staff who, in implementing this model, have increased student achievement and high school graduation rates and identify and remove those who, after ample opportunities have been provided for them to improve their professional practice, have not done so; (D) Provide staff ongoing, high-quality, job-embedded professional development (e.g., regarding subject-specific pedagogy, instruction that reflects a deeper understanding of the community served by the school, or differentiated instruction) that is aligned with the school's comprehensive instructional program and	Program Assurances

#	Requirement Description – Federal Statutory Requirements	Primary Component Where Described
25	The LEA may also implement other strategies for providing operational flexibility and intensive support, such as-- (A) Allow the school to be run under a new governance arrangement, such as a turnaround division within the LEA or SEA; or (B) Implement a per-pupil school-based budget formula that is weighted based on student needs.	Program Assurances
26	An LEA that has nine or more Tier I and Tier II schools is prohibited from implementing the transformation model in more than 50% of those schools.	Program Assurances
By submitting the application and signing Schedule #1, the applicant is certifying that all requirements are met in these program narrative component descriptions and activities.		
Part 3: Statutory Assurances		
#	Statutory Assurance Description	
1	Applicant provides assurance that financial assistance provided under the grant program will supplement, and not supplant, the amount of state and local funds allocated to the campus.	
2	Applicant provides assurance that it will use its TTIPS Grant to implement fully and effectively an intervention in each Tier I and Tier II school that the LEA commits to serve consistent with the final federal requirements.	
3	Applicant provides assurance that it will establish annual goals for student achievement on the State's assessments in both reading/language arts and mathematics and measure progress on the leading indicators in section III of the TEA's annual report, and establish goals (approved by the TEA) to hold accountable its Tier III schools that receive school improvement funds.	
4	Applicant provides assurance that it will, if it implements a restart model in a Tier I or Tier II school, include in its contract or agreement terms and provisions to hold the charter operator, charter management organization, or education management organization accountable for complying with the final federal requirements.	
5	Applicant provides assurance that it will report to the TEA the school-level data required under section III of the final federal requirements.	
6	Applicant provides assurance that it will participate in any evaluation of the grant conducted by the U.S. Department of Education, including its contractors, or the Texas Education Agency, including its contractors.	
Part 4: TEA Program Assurances

Identify which timeline the LEA/Campus the applicant will implement. <input type="checkbox"/> Option 1: LEA/campus currently engaged in aggressive reform <input checked="" type="checkbox"/> Option 2: LEA/campus in need of foundational technical assistance		
Part 2: Grant Program Summary. Provide a brief overview of the program you plan to implement on the campus. Be sure to address fundamental issues such as your local program goals and objectives that align with the RFA purpose and goals, rationale for program design, etc. Address the specific gaps, barriers, or weaknesses to be addressed by the intervention model to be selected. A response to this question must be completed in the original submission regardless of whether the LEA/campus has selected an intervention model at this time or not. Responses are limited to the space provided, front side only, with a font size no smaller than 9 point (Arial or Verdana).		
<p>Monte Alto Elementary will aggressively support all of the goals and objectives that are addressed through this project. Student success is the first and foremost goal of each educator as well as staff member at this district. Ensuring that students have all of the necessary tools to help them succeed is critical.</p> <p>In analyzing the data to address the comprehensive needs' assessment and to identify weaknesses, the committee and leadership observed certain areas that need to be addressed in order to fulfill and assure that all students will be successful. As a school, we must persist and persevere, and discontinue failing strategies that have been undertaken. Although the project is to be based on reading and math, the data indicated that reading was more of a weakness than the math. Third and fourth grade students do not score as well as the state and in the case of the third grade, the data indicates that students (on the first administration) have scored significantly lower in comparison to the state. The district has experienced tremendous student growth in the past two years. The district is a small rural school where everyone knows the students by name. With the growth that has occurred, many new families and students have moved into the district. The uniqueness of knowing every child is lost in this growth. Classrooms have been added, but each class size is larger than what it has been in the past. Approximately 42% of the student population is Limited English Proficient and approximately 94% of the campus is Economically Disadvantaged. This indicates to the leadership that students do not come to the learning environment with the educational tools at home that they need or other students that are not in either of these two categories. A restructuring of the Bilingual program will be initiated so that all students participate in English classes. The district has an early transition Bilingual program, but the data suggests that students are not exiting the Bilingual program as they should. Therefore, they are not able to transition into English in a timely manner. The district has met the Title III Annual Measurement</p> <p>The Monte Alto Elementary Campus will implement the TEA Designed Model for Transformation which is based on three principles:</p> <ol style="list-style-type: none"> 1) Improving student achievement and increasing college and career readiness by building the capacity of campus leaders and teachers 2) Improving campus climate through social and emotional supports 3) Utilizing district support to transform systems. <p>Key elements of the Transformation model include extensive training on using data and evaluation systems effectively, job embedded professional development models, comprehensive needs assessment and campus processes, Positive Behavior Support, utilization of community partners, and maximizing extended learning time. Technical assistance will include a professional service provider/case manager/ online professional development, ESC partners, and other resources and best practices. The School Improvement Resource Center will provide technical assistance to the campus during the project period.</p>

**Texas Title I Priority Schools Grant
Schedule #4B—Program Description**

Part 1: Comprehensive Needs Assessment Cont.

Section C: Process Responses are limited to the space provided, front side only, with a font size no smaller than 9 point (Arial or Verdana).

Describe, in detail, the process the LEA and campus followed/will follow to identify the needs of the campus.

The district used the five step CNA process provided by TEA. The purpose and outcome were reviewed. A committee to develop the CNA was developed. The types of data were considered and then a connection the District Improvement Plan and the Campus Improvement was established.

During the Comprehensive Needs Assessment, the campus team looked at the demographics of the campus. Currently 584 students are enrolled in PK-5. It was noted that 251 of the students are Limited English Proficient (LEP) and 554 (95%) are economically disadvantaged, and 272 are At-Risk. Thirty-Six students presently receive Special Education services. There are ninety-two students in the district.

When analyzing student achievement through the Texas Primary Reading Inventory (TPRI) Texas Assessment of Knowledge and Skills (TAKS) and the Texas Assessment of Basic Skills (TABSS) the committee listed the strengths and weaknesses of the campus. The findings of the analysis came to the conclusion that the campus would be needed for students not only to acquire basic knowledge and skills expected at their level, but also to prepare them for the 21st century.

The School Culture and Climate was discussed and it was determined that the campus team's trust among staff had faded over the past few years. Through interviews and a climate survey, it was noted that the staff had maintained the status quo and preferred to work in isolation. The committee quickly realized that the district would need to begin a plan to foster collaboration and trust among the faculty.

The organization follows the state's guidelines in hiring highly qualified staff. Human resources staff and campus personnel attend Job Fairs to assist with recruitment. It was determined that the campus has many teachers with less than five years of experience. It was also determined that the campus would lose some highly qualified experience teachers through retirement in the next few years. Many of the potential retirees will be hard to replace as they are from the community and know the culture and climate of the students and the parents. They also have been at the campus through many of its successes.

After completing the CNA for curriculum, instruction and assessment by using data from TPRI, TAKS, ITBS, lesson plans, and benchmarks, the committee found that there is a need for a curriculum to assist with the alignment of the English Language Arts Program across the grade levels. The tutorials and summer school program also need to be reevaluated as to how these programs can become more effective.

Teacher student ratio, accountability and restructuring of the day are needed to increase learning time.

After reviewing the school context and organization component of the CNA, the committee determined that the need for an assistant principal and a facilitator is evident due to increased student enrollment. These people would be able to assist the principal and provide support to students and teachers. In order for the students to receive guidance and have their needs met, another counselor is needed. An assistant will help ensure that the teaching and the learning are focused and that all staff is working towards the same goals in providing a quality education for all students.

Additional teaching staff will be needed in the area of English as a Second Language (ESL) and Special Education. Currently the ESL teacher services two campuses and two areas. (GT and ESL) Having a teacher that could concentrate on only the elementary campus would be a great addition to the program and would supplement what is being taught in the classroom. Having this ESL teacher would greatly improve student vocabulary and English skills.

To be able to connect students to real world experiences, the district needs to upgrade technology in the classroom. (projectors, interactive white boards, etc.) to facilitate and support the curriculum and instruction. Technical support is needed to ensure all technology is in place, working properly, and teachers receive ample training to effectively use the technology. A professional in the technology learning lab would be able to instruct and ensure students are proficient in the use of computer skills.

Part 2: Project Management		
Section A: LEA (District) Capacity Responses are limited to one page each , front side only, with a font size no smaller than 9 point (Arial or Verdana).		
Capacity -- Describe the LEA's capacity to use grant funds to provide adequate resources and related services/support to the campus to implement, fully and effectively, the required activities of the school intervention model.		
<p>The district is able to provide adequate resources and related services/support to the campus to implement, fully and effectively, the required activities of the school intervention model.</p> <p>The Federal Programs' Director has been at the district for over thirty years and is well aware of the campus and district needs and the culture and climate of the community as well as the school.</p> <p>The principal has been at the district for seven years. The school has been very successful in providing students with the necessary tools to be academically successful. The principal is a leader and is willing to make the necessary changes in order to bring student achievement levels at the state level and beyond.</p> <p>The teachers in the district are all highly qualified and many of the teachers are from the community which gives them a personal interest in the school and its success. The teachers in the third through fifth grades that teach reading and math are all experienced. Out of seventeen teachers in third through fifth grades, seven of these teachers have over ten years of experience. There is only one teacher that is a beginning teacher. Therefore, these teachers know what it takes to assist students in attaining academic success.</p> <p>Many of these teachers assume leadership roles in the district. They are well respected and are sought out by other teachers for assistance and mentorship.</p> <p>All of the participants of the grant are interested in strengthening the capacity of the instruction and are willing to persevere to reach the goals and objectives as set forth in this grant.</p> <p>The community is always willing to assist the campus administration and staff in any capacity that is needed. They are always available to assist the teachers and the students.</p> <p>The district relies heavily on state, federal and other outside funding in order to operate the district. Therefore, managing grants is an everyday occurrence. The staff understands that the district must adhere to the rules and regulations that are set forth by the requirements of each grant.</p> <p>The Federal Programs' Director will manage the grant and develop an action plan to address any deficiencies that may arise in carrying out the goals and objectives described. The district will look at the organizational aspect, the skills of the staff that will be carrying out the functions of the project, the quality and adequacy of support, and sustainability.</p> <p>The Federal Programs' Director will keep all stakeholders informed of any adjustments that may need to be made in order to carry out the functions of the project. Teachers and the principal will meet in order to determine needs and adjustments that may need to be made.</p>

Texas Title I Priority Schools Grant
Schedule #4B—Program Description

Part 2: Project Management Cont.

Section A: LEA (District) Capacity Responses are limited to *one page each*, front side only, with a font size no smaller than 9 point (Arial or Verdana).

Partnership/Involvement of Others – Describe how the LEA/campus consulted with relevant stakeholders (students, staff, parents, community) regarding this application and proposed implementation of a school intervention model.

It is important that all stakeholders understand the project that is being undertaken by the elementary school. As transformation is a serious issue, it is important that all stakeholders understand the project that it to be implemented by the school.

In doing so, the committee took the approach that all stakeholders should be involved so that each and everyone would have a voice into the goals and objectives that are stated in this project.

First of all, teachers were informed about the grant. It was discussed as to why the school qualified and the transformation that must occur in order to achieve the academic success that is needed. The Site-Based Committee assisted in the writing of the grant and conducted meetings with their colleagues to discuss the situation and the best way to transform so that student success would improve.

The staff members were informed of the grant and the proposals that were being made to achieve goals and objectives. The staff was able to voice their opinion on the issues.

Parents were informed about the application at various parent meetings. Parents were invited to attend the meetings that were held during the writing of this application and were asked to voice their opinions as to the transformation that needs to take place by the campus leadership. As parents are an integral piece of this project, it is imperative to the district leadership that parents understand the implementation of the school intervention model. The parents were willing to assist in any capacity that they might be needed in order to assure that all students achieve.

Teachers/Staff: The teachers will be fully committed to attending all of the professional development that is required to provide cognitive instruction for all of the students. The professional development will be of high quality and will be determined according to the weaknesses that are occurring in instruction and the delivery of instruction. The teachers will come back to their classrooms and implement the activities and strategies necessary to ensure success for their students. They do complete all professional development activities that have been asked of them and this has been completed with fidelity.

Parents: The parents of the students at the campus as well as the district are very committed to assist in any way they can so that their child/children can get the quality education that will give them a head start to ensuring academic success and college readiness. The parents tutor their children and assist the teachers in any way that is needed. Also, the parents attend school functions and parent/teacher conferences so that they are aware of all initiatives that are being undertaken by the district.

Principal: The principal is very much aware that transformation is needed in order to improve academic success. The principal is more than willing to comply with the requirements of the grant as set forth for the leadership to be the focus of assisting teachers and students in all aspects of teaching and learning.

Central Office Personnel: The Federal Programs' Director will be consulted for the development, design, planning and implementation of the project. All regulations that are applicable to the project will be applied at the campus.

The Community: As the school district is the focus of the community, the community stakeholders are very committed to providing the necessary tools to ensure that all students are academically successful. The community stakeholders attend public meetings and make it very well known that they care deeply about the education of all students.

The Project Coordinator working with the Project Director and the Principal will carry out the day to day operations of the grant and will develop procedures for initiating the activities associated with the project. The Project Director will collaborate with the Monte Alto ISD business office to ensure proper and efficient administration of the grant award. Procedures for ensuring feedback and continuous improvement will be implemented and monitored on a continuous basis. The Project Director and the business manager will assure that all funds are expended properly and in accordance with the activities as outlined in the project. The Project Director and the Project Coordinator will interact with the grant participants on a regular basis so that all stated objectives and goals are implemented. The principal will be an integral part in assuring that all teachers are fulfilling their requirements per grant specifics. The Project Director will provide written reports during the project period on the activity/progress of the goals and objectives. Through these reports and meetings with teachers and the principal, adjustments or modifications will be made to the pro as necessary if so determined.</p> <p>The Project Director will assist the principal in assuring that all of the requirements for leadership training and opportunities are conducted and attended by the principal. The Project Director will be the "support" for the principal and will assist in determining if the principal and the campus are progressing according to the plan set forth in the grant.</p> <p>Adjustments will be made if they are needed so as to ensure that the principal can provide the leadership necessary. The principal's role in this project is crucial to the success of the grant. The Project Director will serve as the mentor to assist the principal in the challenges that may arise during the timeframe set forth in the grant.</p> <p>The Project Coordinator (hired by the grant will assist in the day to day operation.</p> <p>The business manager and Federal Programs Director work very closely together in managing the many grant the district has. During this project, the Federal Programs' Director (Project Director) and the business manager will meet weekly to ensure that the budget is being spent correctly.</p> <p>The Project Manager will meet weekly with the principal and project coordinator.</p>

Texas Title I Priority Schools Grant
Schedule #4B--Program Description

Part 2: Project Management Cont.

Section A: LEA (District) Capacity Responses are limited to *one page each*, front side only, with a font size no smaller than 9 point (Arial or Verdana).

Resource Management - Describe how the LEA/campus will align other resources (federal, state, local, and community) with the school improvement intervention.

The district receives a large portion of its budget from state and federal resources. The district has some local and community resources, but both are extremely limited.

Therefore, it is imperative that the district take these federal and state resources and use them in an efficient manner so that all aspects of the project are carried out correctly.

There will be frequent communication and coordination with all stakeholders of the grant with regards to the progress of the goals and objectives. If problems are encountered during the implementation of the grant activities, they will immediately be addressed and remedied and adjustments will occur.

The state and federal resources will continue to be the basis for the educational initiatives for the campus. Through the additional support from the improvement grant, the district will be able to more fully carry out supplemental initiatives and activities that make the difference in students' learning.

The project manager will monitor all budget expenditures. All requests will come to the project director. They will be approved and sent to the business office. The district accounting department monitors all program expenditures and provides a monthly budget printout. The project director has access to budget balances and can therefore monitor expenditures and provides monthly expenditures on a daily basis. The Project Manager will meet weekly with the business manager and go over budget items, requests and expenditures. If any corrections need to be made, they will be handled in a timely and exact manner.

Part of the grant funds will be used for professional development. The funds will also be used to pay teachers to attend to attend these trainings.

Part of the budget will be for technology. In order to provide teachers with the proper tools for technology, we will need to replace computers that are outdated as well as other technology equipment. The use of technology will provide students with the latest mode of learning and should help them to be more engaged in the tasks they are undertaking.

A portion of the budget will be used for general supplies, reading materials, testing materials, and other instructional materials for the classroom. A library will be provided in each classroom so that students have access to different types of literature on a daily basis.

A portion of the budget will be used so that teachers and administrators can attend conferences in and out of the state as well as local trainings.

Section A: LEA (District) Capacity Responses are limited to <i>one page each</i> , front side only, with a font size no smaller than 9 point (Arial or Verdana).		
Grant Project Manager Qualifications – Describe the qualifications of the person selected to be the project manager for this grant on the campus.		
<p>The grant manager has eight years of experience in writing grants, implementing, submitting reports, and evaluating grants and projects such as this improvement initiative. The Project Director is familiar with the components required by the established timelines. The Project administrator taught in the classroom for over twenty-five years, served as a campus administrator for four years, and is presently serving as a district administrator. The Project Director holds both Bachelor's and Master's degree in education and has been in the educational field for over thirty-six years.</p> <p>The Project Director is very familiar with implementing proposed activities, progress reports and final evaluation reports. The Project Director has been in the district for over thirty-five years. She is very familiar with the needs and the culture of the community.</p> <p>The grant coordinator hired through this project will be an experienced applicant with extensive grant implementation experience.</p> <p>The principal at the campus level has assisted the project manager in many different state, federal, local and private grants. The principal has been in administration for over ten years. She is highly experience in requirement that have to be met. The principal is very much aware that timelines, goals, and deadlines must be met.</p> <p>The teachers at the district have also been involved in many different grants. They understand that requirements of a grant have to be met and they must be done with fidelity. They are devoted to making this project work. They want to be a part of improvement in achievement for all students and are willing to make the commitment to carry out this project in a timely and consistent manner.</p>

Part 2: Project Management Cont.

Section A: LEA (District) Capacity Responses are limited to **one page each**, front side only, with a font size no smaller than 9 point (Arial or Verdana).

LEA Support – Describe how the LEA will structure and implement an individual or office with responsibility for supporting the campus' school improvement efforts.

The Federal Programs' Director also serves many other programs and capacities to the school. Therefore, the district will have the responsibility for all of the guidelines that are to be implemented during the campus's school improvement efforts. The Federal Programs' Director has a secretary that is very knowledgeable about funding issues, timelines, deadlines, and other initiatives that are necessary to carry out the aspects of a particular program.

It is imperative to this project that the people that will be handling the operation of the grant know exactly what to do, when it needs to be completed, and following the guidelines as set forth in the grant.

The Grant Coordinator will report daily to the Federal Programs' Director so that any problems that might arise will be handled immediately.

Daily briefings/meetings will also be held with the principal so that the principal understands just exactly what is supposed to be occurring in this project. The principal will have an assistant to assist with walk-throughs, monitoring lesson plans, reviewing assessment data, and other situations that may need to be addressed.

As transformation is a huge undertaking, it becomes imperative that all parties involved understand what the goals and objectives are in this school improvement effort.

A transformation team will be in place. This team will consist of district administrators, campus administrators, teachers, students, parents, and community members. This team will meet at least four times a year to assess the project and to determine if the needs of the students are being met so that the end result is academic success. The transformation team members will be assigned the task of creating a plan to work and communicate with stakeholders prior to and during implementing the transformation. The district will announce changes and anticipated actions publicly; communicate urgency of rapid improvement, and signal the need for dramatic change.

The district will engage parents and the community in the implementation process. Having the support of both groups is integral to the success of the project. The district realizes that some stakeholders will be resistant to change. The district along with the transformation team will help stakeholders overcome the resistance to change and will facilitate the process so that people will accept the change and understand the necessity of the school improvement transformation that is needed at the campus level.

Program Continuation and Sustainability – Describe how the LEA will sustain the campus reforms after the funding period ends.		
<p>The district has made many strides in providing teachers with the instructional tools necessary in order for students to experience academic success. The goal of the district is to have all TAKS results at the state level or higher.</p> <p>The base that will be provided through this grant should carry the district to the levels of accountability that is being sought.</p> <p>The district has numerous other resources. The staff is very willing to assist in any way that is needed. The administration realizes that a tremendous amount of work is needed in order to carry out the activities for success. The administration is dedicated to the district and will work as long or as much that is needed in order for students to succeed.</p> <p>The district receives funds from many outside sources as well as at the local level. Federal and state money is an integral portion of the school's budget. The community is committed to doing its part to assist the school district to provide resources necessary for the students to reach academic success and improvement.</p> <p>The district will aggressively pursue outside funding sources both at the federal and state level as well as private foundations/resources so that this program can be continued.</p>

External Providers -- Describe how the LEA will recruit, screen, and select external providers to ensure their quality.		
<p>The district will screen all external providers to assure that the service and information provided to the campus is of high quality and relevant to the issues being addressed.</p> <p>The campus principal along with the Project Coordinator and Project Director will interview providers that are potential presenters and consultants. This will be done prior to bringing them in to educate the teachers on different topics.</p> <p>The School Improvement Resource Center will be a valid source of technical assistance for the campus during the period of this grant. The SIRC is highly respected in the field of educational reform and comes with a wealth of knowledge and information in which the campus can benefit.</p> <p>The Regional Service Center is also a primary source that the district uses for curriculum and instruction. Their proven methodologies and trainings are of high quality and research-based. They will be a major educational source for the district.</p> <p>Other external providers will be chosen based on qualifications and validity of their services. The district will submit Request for Proposals as outlined in the district's policy. These RFP's will design and designate what the district is wanting the external partner to provide. The district will develop a transparent selection criteria and procedures.</p> <p>The proposals will be reviewed, due diligence will be conducted and then providers will be selected based on the quality and feasibility of the proposals.</p>

Site Visits – If the intervention program includes site visits to other campuses successfully implementing the intervention model, describe the process for selecting the locations and the expected outcomes of the site visit.		
<p>There is always room for improvement. When the district/campus hears of another campus that is highly successful, they often wonder what they are doing that the district is not doing. Therefore, the best way to improve something is to find out what is working for one campus.</p> <p>The campus would look for a successful campus that has the similar demographics as the campus. Then the Project Coordinator would make arrangements for the principal and a selected group of teachers to attend a site-visit to the campus to gather information on proven techniques. Also, visiting the classrooms and analyzing teacher and student activities would be of great benefit for the teachers and principal.</p> <p>The principal would set up a networking system with other principals to discuss issues that may arise on their campus. This would allow for new and innovative ideas to assist them in improving academic achievement on the campus.</p> <p>Teachers will visit exemplary schools with populations similar to our campus.</p> <p>Teachers who visit another campus will come back to share with other teachers. The teachers attending these campuses will bring back the best practices that they observed while visiting another campus.</p> <p>Teachers will be sure to bring back at least one idea and/or strategy that was very effective and will implement this one idea/strategy within the grade level and if successful will share with the rest of the campus</p>

Part 3: Intervention Model		
Section B: Model Selection Process –Describe in detail: 1. The process the LEA and campus followed/will follow to select a school intervention model that aligns to the identified needs of the campus. 2. The timeline delineating the steps the campus will take to implement the selected intervention.		
Responses are limited to <i>five pages</i>, front side only, with a font size no smaller than 9 point (Arial or Verdana).		
<p>After analyzing assessment data, the findings show a need in the areas of reading and math. Although both areas show weakness, reading needs more academic emphasis.</p> <p>In order to improve academic performance in the areas of reading and math, the staff will use data to drive instruction. First of all, staff development will take place to ensure that the staff is not only familiar with but has internalized the Texas Essential Knowledge and Skills. (TEKS) The campus staff will continue to work on curriculum and vertical alignment to start closing the gaps in learning.</p> <p>The district is eligible for the grant as a Tier III campus. Therefore, the district has chosen the Transformation Model for Intervention. There are many positive things going on at the campus level. But there are also gaps in learning that need to be addressed immediately to ensure student success. Areas of weaknesses are being determined through the Comprehensive Needs' Assessment that was conducted by a campus committee. In order to achieve the intended results, (state average or above on TAKS) the district determined that transformation will begin immediately</p> <p>Analyzing data can be an overwhelming task. It was determined through interviews and surveys, that many of the teachers are unsure as to determining which data is needed and how much or how little data is to be used. Therefore, it was determined that extensive training in using data and evaluation systems effectively must be provided. Teachers do use data but to what extent is it being implemented?</p> <p>First of all, transformation will begin at the top. In order to increase leadership effectiveness, the principal will attend leadership trainings. Also, conducting networking sessions with other principals will be beneficial to the principal as the campus presently has only one administrator. In conducting the evaluation of the principal, it was determined that the principal needs to receive leadership coaching and professional development rather than replacement.</p> <p>Due to student growth, the need for a facilitator/assistant principal is needed in order to provide locally developed appraisal walk-throughs in each teacher's classroom. The Master Teacher Program will be encouraged to all teachers so that there will be lateral leadership. The campus will use teacher mentors for any new staff member, whether this will be a teacher new to the profession or to the campus. The campus will develop staff development so that there will be "teachers teaching teachers" through embedded staff development and providing teachers time for peer observations.</p> <p>Presently all instructional staff is highly-qualified. The district will continue to aggressively recruit and screen all applicants so that this trend continues. The district will look to hire experienced teachers who have experienced and accomplished student success in their area of expertise.</p> <p>Because of the location of the district, the need for Bilingual teachers is evident. Presently all PK-5th grade teachers are certified in Bilingual Education. The district will continue to hire only Bilingual teachers with certification.</p> <p>Staff development will take place based on the gaps observed in the data analysis. Collaborative teaming (whether it be by grade level, vertical, or by teaching field) will take place in order to begin establishing the trust among the staff. Teachers will share strategies, gain support from one another and begin bringing synergy and cohesiveness to the organization.</p> <p>To achieve improvement in reading and math, staff development will take place to ensure that the new staff is not only familiar with the TEKS, but has internalized them. The staff will continue to work on curriculum and vertical alignment to start closing the gaps in the learning. Based on TPRI/TEJAS LEE, benchmarks and formal and informal teacher assessments, it is apparent that there is a need for fluency, building vocabulary development and comprehension.</p> <p>In the area of math, the data reflects the need to be based on objectives from the TAKS that are the</p>

Teachers will assess learning frequently using standards-based classroom assessments. Informal daily progress monitoring will take place while a formal progress monitoring will occur every two weeks.</p> <p>The Bilingual program was evaluated, and it was determined that there is a need for realignment of the campus Bilingual program. The district's Bilingual program is based on early transition. It was determined that the transition to English needs to be begun at an earlier time than the current transition. As the student population is approximately 42% LEP, it is imperative that the program and curriculum be aligned so that students are ready to take the TAKS tests in English by the sixth grade. All teachers are required to be certified in Bilingual education. This will continue as there is a tremendous need for these teachers in the classroom.</p> <p>A pull out program for students that have recently entered the country will be provided so that they receive intensive Spanish/English vocabulary development.</p> <p>To improve student achievement and increase college and career readiness, the organization will work on the building of lateral leadership by encouraging the Master Teacher Program. These teachers will use their expertise to fully develop each student's capabilities so that they will be better prepared to enter a college program or are ready to develop their chosen career.</p> <p>Staff development on analyzing, interpreting and using data effectively will be provided. Collaborative teaming (whether it be by grade level, vertically or by teaching field) will take place in order to start establishing the trust among the staff, to share strategies, gain support from one another, and start developing the synergy and cohesiveness needed to help improve our campus climate and achieve student success. Time will also be provided to visit other schools similar to the campus and similar to the campus demographics of the students and analyze successful strategies being used and reflect on what they are doing in comparison to what is being done on the Monte Alto Elementary campus. The end result is to gather ideas and strategies and bring them back to the campus to incorporate with the teaching practices that are presently being used.</p> <p>To achieve improvement in reading and math, the campus will receive training on analyzing, interpreting, and utilizing data effectively. This will provide feedback to inform teachers and help them improve their classroom instruction and be able to make informed decisions and help make sure students don't fall through the cracks. The data will also guide professional development activities as well as instruction.</p> <p>The organization will conduct a school climate survey for staff, students, and parents to help begin work on building a positive climate and improving communication among all stakeholders.</p> <p>Some of the activities that will take place in order to increase parent and community involvement include the following:</p> <ul style="list-style-type: none"> • Literacy nights • Invite parents to school to engage them in their child's learning • Establish and encourage a Parent Volunteer Program • Room Mothers to assist the teacher

<p>A variety of clubs will be set up so that students will have access to a variety of activities before school, at lunch and after school. Parents will be encouraged to assist with the activities. Some of the activities that will be planned consist of the following:</p> <ul style="list-style-type: none"> *Reading Club *Garden Club *Chess Club *Music Club <p>These types of activities will give the students an outlet and a change from the academic rigor of school. As the district in a remote rural area, the school district is the center of the community. There are no grocery stores, movie houses, restaurants, library or other forms of entertainment or business for the students to enjoy. School is it. Therefore, it is imperative that the district provides as much fun learning opportunities as possible.</p> <p>Students do have access to the library and can check out books. Through this program, the library could offer extended hours so that students would have more access to the library.</p> <p>The campus assures that the school will receive ongoing technical assistance and related support from SIRC and Region I Education Service Center. These two organizations will be integral partners in carrying out the activities for improvement as set forth in the goals and objectives.</p> <p>The campus will promote and create true "learning communities" that promote team-based work that will form the basis for the school improvement. It will not be working as an independent person relying only on oneself, but instead interdependent among each other.</p> <p>The district sets a forth a vision and mission that all students can learn and should be taken to their fullest potential. The school will have an attitude of "we will do" instead of "we believe we can do". Changing attitudes and behaviors is not an easy task. But in some cases it will be necessary in order to reach the goals set forth and to achieve student improvement. Teachers and the leadership must buy into the plan. If a teacher is not accomplishing the goals set out in this project, then that particular teacher will need to be dealt with by the leadership. This can range from a growth plan, shift in assignment or possible termination.</p> <p>School Climate is multi-dimensional and influences many individual, individual students, parents school personnel, and the community.</p> <p>School climate can influence an individual and impact the educational environment as Friebieg (1998) notes "school climate can be a positive influence on the health of the learning environment or a significant barrier to learning.(p.22)</p> <p>The district will propose a School Climate Survey in order determine the significant impact of the following factors:</p> <ul style="list-style-type: none"> *achievement motivation *fairness *order and discipline *parent involvement *sharing of resources *student interpersonal relationships *student-teacher relationships <p style="text-align: right;">(Haynes, Emmons & Comer 1993)</p>

<p>The leadership of the organization will also be examined to assure that the leaders of the district are doing everything possible to assist the principal and the teachers at the campus. It is extremely important that the leadership of the district is totally dedicated and totally committed to excellence for the campus and will provide the resources (tangible and intangible) that is needed to increase student achievement and improvement.</p> <p>The leadership must be totally focused on the missions, vision, values and goals. The leadership will involve fidelity to the improvement process and will help to improve the campus leadership by helping to develop other leaders.</p> <p>Building trust relationships among staff is imperative to student success. Schools that do not have trust among their staff and students virtually have no chance of showing improvement in either reading or mathematics. ((Blankstein, 2010, p. 67)</p> <p>The campus will develop relational trust by initiating the following:</p> <ol style="list-style-type: none"> 1. Listening to the employee 2. Principal communicates expectations to staff 3. Confront immediately inappropriate behaviors 4. Assure that all staff understands the rules 5. Engage staff on a voluntary basis at first so as to gain their support and build capacity (Blankstein, 2010) <p>The district will initiate the following objectives to help build a positive school climate:</p> <ul style="list-style-type: none"> • Increase parental involvement • Implementation of Character Education • Use of violence prevention and conflict resolution curriculum • Peer mediation • Prevention of bullying • Teacher and principal treat students fairly and with respect • Assure a safe and secure environment at school <p>The district will expend money and time on building trust among the staff. Before learning improvement can occur, the staff must have that safe feeling that they do count and that their opinions are noted and relevant. The district would propose to reduce the number of student disciplinary referrals. Student behavior is the main factor for disruptions in the classroom. Classroom management will need to improve and this factor will become a strong point for professional development. The campus will be involved in miniretreats and conferences so that areas of classroom management can be a focused objective. These types of professional development will assist teachers in learning to work cohesively becoming interdependent and not independent.</p>

<p>Parental involvement will be increased at the elementary campus. The parents will be encouraged to join to Parent Volunteer Program so that they can assist the teacher and the students in various aspects of educating their children. Parents are an integral part to the child's learning process.</p> <p>Classes would be set up for parents so that they could attend sessions including (but not limited to) the following:</p> <ul style="list-style-type: none"> *Parenting techniques *What is means to be a parent *How to be a good parent * Teen pregnancy * Literacy skills *Computer skills * How to read data and the relevance of data *College readiness for students *Bullying *Volunteer program <p>In discussing this project with parents, they felt that many times they were not wanted or needed in the school. The leadership and teachers will remedy this by holding parent outreach meetings and conferences so that parents can feel that they are a part of the school and that their input and assistance are needed. The campus will host various meetings for parents as well as providing classes for them to attend. A parent conference will be held at the district for all parents.</p> <p>The district will hire a parent liaison so that parents feel that they have support and assistance with any situations that might arise. This liaison would be their first line of communication and will be invaluable to the parents, teachers and leadership in helping to assure that parents feel welcomed and needed.</p> <p>The campus and the district have been a Recognized campus and district for the past two years. The elementary campus has always received a Recognized status. The district and campus have always met Adequate Yearly Progress (AYP).</p> <p>Teachers that meet the goals will be rewarded with some type of incentive to reward them for their efforts. Also, those teachers who have 95% or more of their students pass reading and/or math, will receive an extra incentive for their expanded efforts. Excellent teachers are a major factor behind successful student performance. Therefore, the district would like to provide an extra incentive to teachers to improve student performance.</p> <p>The district feels that with courageous leadership, innovative methods of intervention and instruction, passion for student learning, and total dedication for student improvement the students will thrive and succeed and be taken even to higher levels. The attitude will change from I think we can do it to FAILURE IS NOT AN OPTION!</p>

Schedule #4B—Program Description**

Part 4: Waiver Requests

Applicants must check the waivers in which the LEA/campus intends to implement.

- ☐ Extending the period of availability of school improvement funds.
This waiver extends the "life" of the funds for two additional years; allowing the state to fund the grant period for three years to the LEA on behalf of the eligible campus, as long as the campus meets the requirements of implementation of the grant program.

Note: Since TEA has requested and received a waiver of the period of availability of these school improvement grant funds, this waiver automatically applies to all LEAs in the State and must be checked.

- ☐ "Starting over" in the school improvement timeline for Tier I and Tier II Title I participating schools implementing a turnaround or restart model.
Under this waiver, the LEA with an eligible Tier I or Tier II campus implementing the turnaround model or restart model may have their School Improvement status reset regardless of the actual AYP status and other school improvement interventions, such as School Choice and Supplemental Education Services (SES) would not be applicable. This waiver allows the campus two years to effectively implement the selected turnaround or restart model of reform without additional statutory school improvement interventions being required.
- ☐ Implementing a school wide program in a Tier I or Tier II Title I participating school that does not meet the 40 percent poverty eligibility threshold.
This waiver allows a Tier I Title I campus that otherwise does not qualify to operate a Schoolwide program to do so in order to implement the Tier I reform model selected.

Section B: Formative Evaluation- Describe the LEA/campus' process for formative evaluation, including how the results of the evaluation will be used to improve the grant program		
<p>The formative evaluation will pay special attention to the delivery and intervention system in place, but not exclusively. In the formative evaluation, the district will analyze the intervention logic, the outcomes, the results and the impact on student learning.</p> <p>The formative evaluation will involve many different tasks:</p> <ul style="list-style-type: none"> • Identification of evaluation goals, planning data collection • Contribute to the methodologies being used • Make value judgments • Generate evaluation findings <p>The formative evaluation involves an ongoing cycle of data gather and analysis. The formative evaluation will provide a picture of the project as it unfolds. The formative evaluation that will be conducted can help determine whether or not the transformation initiatives being implemented are successful. The quality, type and degree of participatory involvement of the principal, teachers and when appropriate parents: Climate survey, staff, and parent meetings</p> <p>The quality, type and level of professional development that is provided to the instructional staff will be evaluated for effectiveness and success in the methods to be developed. Survey data will be used to determine the effectiveness of the particular trainings that are being conducted and attended by the teachers and the principal. Evaluation forms for these trainings will be an invaluable tool to determine if teachers and the principal feel that the professional development that they attended is worthwhile and useful for the classroom and student success. Sign-in sheets and evaluations of the trainings will be kept to document trainings attended by each teacher, principal, staff, students and parents. Evaluation sheets will be used and reviewed to receive feedback on the quality and necessity of the trainings. The quality, type and level of curriculum that is utilized will be evaluated and analyzed by the Project Director. The professional development resources will be reviewed to determine the degree of alignment of these resources to the Monte Alto Elementary curriculum needs. The quality, type and level of instruction will be evaluated using the following instruments: PDAS, principal/facilitator walk-throughs, benchmark testing, and ultimately TAKS results.</p> <p>The quality, type and level of instructional materials provided for the targeted population will be evaluated and analyzed by the principal and teachers to ensure that the materials are indeed assisting students in meeting the goals and objectives. Documentation related to the instructional materials will be reviewed. Teachers and staff will provide feedback as to the effectiveness of each type of instructional material that is being provided and utilized in the classroom.</p> <p>The formal evaluative evaluation will consist of the TAKS results. The district is expecting to see an increase in the TAKS scores in the areas of reading and math. Goals and objectives have been set through the grant instrument. The elementary school expects to meet the progressive reform goals as set out by the grant.</p>

Section C: Qualitative and Quantitative Data Collection Methods- Describe the LEA/campus' process for data collection methods to be implemented and 1) how the data will be disaggregated; 2) used to improve instruction; and 3) obtain continuous improvement results		
<p>The campus will work with SIRC for technical assistance and data collection.</p> <p>Qualitative: The Project Director, project coordinator, principal, assistant principal and the facilitator will make classroom visits and provide documentation to teachers. This will be immediate so that teachers can correct any situation that might arise. There will be weekly meetings with the elementary school staff to discuss problems, concerns or adjustments that may need to be made. Surveys and interviews will be held with teachers and students to gather information and feedback as to how the project is progressing. If it is determined that a teacher is in need of assistance, the coordinator and principal will begin implementing strategies to assist the teacher so that student achievement increases.</p> <p>Quantitative: The district will determine the academic level of each student. Teachers will conduct progress monitoring every two weeks for students in the form of formative assessments. Daily assessment will be conducted so that teachers have intervened immediately and provide intervention strategies to that particular student.</p> <p>Grade reports will be reviewed for each grading period and at the end of the year to see how many students are passing their courses. Attendance reports will be reviewed by teachers and administrators to determine if attendance is increasing or decreasing. Discipline referrals will be reviewed and documented to determine the nature, number and increase or decrease of referrals.</p> <p>There will be time provided for analyzing benchmark data and analyzing at academic performance by subgroups to be sure all students are addressed. Teachers will be able to share their ideas or successes in their classrooms to assist their peers go back into the classroom and address the lesson using a different approach. By looking at data as a whole, by objectives and/or by subgroups, teachers can make informed decisions on the amount of tutorial time needed, flexible grouping, and align homework based on students' needs.</p> <p>The teachers and the principal will meet on a weekly basis to monitor the progress of each student. Also, after each benchmark the principal, coordinator, and the Project Director will analyze benchmark data to determine whether or not students are progressing in a manner that will ensure that the goals of the project are going to be met at the end of the project period.</p>

Part 2: Process for Development of Performance Goals		
Describe the process to be implemented to develop the campus' performance goals. Include the groups participating in the development of the goals. Responses are limited to <i>two</i> pages, front side only, with a font size no smaller than 9 point (Arial or Verdana).		
<p>The Elementary Site Based Committee and the administrators met to discuss the purpose of the grant and the reasons the elementary campus qualified for the grant. Site Based Members divided into teams of two to work on the comprehensive needs assessment. Each team worked on a different principle. The teams came back to report and reflect on their findings. Based on the findings, the committee came to the conclusion that the areas of weakness were reading and math.</p> <p>Other areas of concerns were improving the school climate which would come about by addressing the following areas:</p> <ul style="list-style-type: none"> *instilling trust among the staff *building lateral leadership *working on character education <p>A staff meeting was held to inform the stakeholders on the progress of the work that had taken place and some of the activities and initiatives that would need to take place to begin the transformation process in order to assist students and achieve academic improvement and prepare them for the Twenty First Century Learning. The committee regrouped to continue working on the Critical Success Factors and activities that would need to take place in order to achieve these milestones.</p> <p>The committee met with their peers to discuss possible performance goals for the campus. The teachers were able to give their opinions and perspective as far as what goal would be feasible for each grade level. These findings were taken into consideration by the committee.</p> <p>Meetings were held with parents/community members to discuss the school improvement project. Parents and community members were informed of the project and why the campus qualified for the grant. The parents and community voiced their opinions as to the performance goals that should be set forth by the committee.</p> <p>The committee then took all information into consideration to determine the goals and the timelines. Data was analyzed for the past three years to get an idea of how the campus had done previously. The goals for each area were determined and a timeline was established. The goals need to be measurable and quantifiable. The committee had to be assured that the goals were attainable. The goals that are set forth for student improvement are based on past data and current capabilities and are realistic. All stakeholders must realize that the campus must focus on the outcome and not the process for reaching each milestone. A timeframe for completion was also set forth.</p> <p>The committee reviewed past data, new circumstances and processes that can be modified to improve results. In other words—What can be done differently from last year? How can we evaluate that we are on target to meeting the goals? Evaluation of all programs will be conducted and adjustments will be made as necessary. The committee determined that there would need to be some adjustments from last year. The adjustments can be pursuing more quality professional development, shift in teacher assignments, and/or curriculum changes. In other words—If we do what we have done before, we will probably get the same results.</p>

Part 2: Process for Development of Performance Goals		
Describe the process to be implemented to develop the campus' performance goals. Include the groups participating in the development of the goals. Responses are limited to two pages , front side only, with a font size no smaller than 9 point (Arial or Verdana).		
<p>In analyzing the data, it was determined that the campus does need improvement in reading and math. It appeared that the most crucial area is reading. Therefore, the goal setting began with the reading. It was determined that the TAKS reading scores had decreased from the prior year. The committee studied all of the factors that may have influenced the decrease in the results. From this point, the committee came up with a goal for the improvement in reading results by determining what was realistic and attainable. The past data has shown that the campus had done much better prior to the last year. Therefore, the practices and strategies that were implemented last year need to be analyzed and adjustments need to be made.</p> <p>While the drop in math was not as significant as the reading, it was still apparent that adjustments needed to be made in order to improve student performance. The largest drop appeared in the third grade. The fourth and fifth grade classes did meet or exceed the state average. So the next task was to determine what was different from prior years. What would we need to do differently in order to achieve the desired result?</p> <p>The committee came to the conclusion that a shift in personnel assignments might be necessary to fulfill school improvement at this grade level. Also, assuring that all students that failed would need to attend an extended day tutorial.</p> <p>Once goals were determined, they were written. All staff members will know exactly what the goals are and what needs to be done in order to achieve these goals. The committee realizes the importance of monitoring student progress constantly so that the goals set forth can be achieved.</p>

SCHEDULE #6A GENERAL PROVISIONS & ASSURANCES	TEXAS EDUCATION AGENCY Standard Application System School Years 2010-2013	108915 County-District No.
Texas Title I Priority Schools Grant		

Statement of provisions and assurances for the program(s) in this application:

A. Terms defined: As used in these Provisions and Assurances,

- Contract means the entire document, and all of TEA's attachments, appendices, schedules (including but not limited to the General Provisions and the Special Provisions), amendments and extensions of or to the Standard Contract;
- Agency or TEA means the Texas Education Agency;
- Contractor means the party or parties to this contract other than Agency; including its or their officers, directors, employees, agents, representatives, consultants and subcontractors, and subcontractors' officers, directors, employees, agents, representatives and consultants;
- Project Administrator means the person representing Agency or Contractor, as indicated by the contract, for the purposes of administering the contract project;
- Contract Project means the purpose intended to be achieved through the contract of which these Provisions and Assurances are a part;
- Applicant means the same as Contractor;
- SAS means the Standard Application System of which the application document is a part;
- "Application" means the entire package submitted by the Applicant including the schedules contained in the application and so indicated on the General Information page of the application package;
- Amendment means an application that is revised in budget categories and/or in program activities. It includes both the original application and any subsequent amendments; or extensions thereto;
- Works means all tangible or intangible material, products, ideas, documents or works of authorship prepared or created by Contractor for or on behalf of TEA at any time after the beginning date of the Contract (Works includes but is not limited to computer software, data, information, images, illustrations, designs, graphics, drawings, educational materials, assessment forms, testing materials, logos, trademarks, patentable materials, etc.); and,
- Intellectual Property Rights means the worldwide intangible legal rights or interests evidenced by or embodied in: (a) any idea, design, concept, method, process, technique, apparatus, invention, discovery, or improvement, including any patents, trade secrets, and know-how; (b) any work of authorship, including any copyrights, moral rights or neighboring rights; (c) any trademark, service mark, trade dress, trade name, or other indicia of source or origin; (d) domain name registrations; and (e) any other similar rights. The Intellectual Property Rights of a party include all worldwide intangible legal rights or interests that the party may have acquired by assignment or license with the right to grant sublicenses.
- Grant means the same as Contract;
- Grantee means the same as Contractor;
- Grantor means the same as Agency; and
- DCC means the Document Control Center of Agency.

B. Contingency: This contract is executed by Agency subject to the availability of funds appropriated by legislative act for the purposes stated. All amendments and/or extensions or subsequent contracts entered into for the same or continued purposes are executed contingent upon the availability of appropriated funds. Notwithstanding any other provision in this contract or any other document, this contract is void upon appropriated funds becoming unavailable. In addition, this contract may be terminated by Agency at any time for any reason upon notice to Contractor. Expenditures and/or activities for which Contractor may claim reimbursement shall not be accrued or claimed subsequent to receipt of such notice from Agency. This contract may be extended or otherwise amended only by formal written amendment properly executed by both Agency and Contractor. No other agreement, written or oral, purporting to alter or amend this contract shall be valid.

C. Contractor's Application: Furnished to Agency in response to a request for application, is incorporated in this contract by reference for all necessary purposes. It is specifically provided, however, that the provisions of this contract shall prevail in all cases of conflict arising from the terms of Contractor's application whether such application is a written part of this contract or is attached as a separate document.

D. Requirements, Terms, Conditions, and Assurances: Which are stated in the Request for Application, in response to which Applicant is submitting this application, are incorporated herein by reference for all purposes although the current General Provisions shall prevail in the event of conflict. The instructions to the Standard Application System, as well as the General and Fiscal Guidelines and Program Guidelines, are incorporated herein by reference.

- E. Signature Authority; Final Expression; Superseding Document:** Applicant certifies that the person signing this application has been properly delegated this authority. The Contract represents the final and complete expression of the terms of agreement between the parties. The Contract supersedes any previous understandings or negotiations between the parties. Any representations, oral statements, promises or warranties that differ from the Contract shall have no force or effect. The Contract may be modified, amended or extended only by formal written amendment properly executed by both TEA and Contractor.
- F. State of Texas Laws:** In the conduct of the contract project, Contractor shall be subject to Texas State Board of Education and Commissioner rules pertaining to this contract and the contract project and to the laws of the State of Texas governing this contract and the contract project. This contract constitutes the entire agreement between Agency and Contractor for the accomplishment of the contract project. This contract shall be interpreted according to the laws of the State of Texas except as may be otherwise provided for in this contract.
- G. Monitoring:** Desk reviews or on-site monitoring reviews may be conducted by Agency to determine compliance with the approved application and the applicable statute(s), law(s), regulations, and guidelines.
- H. Sanctions for Failure to Perform or for Noncompliance:** If Contractor, in Agency's sole determination, fails or refuses for any reason to comply with or perform any of its obligations under this contract, Agency may impose such sanctions as it may deem appropriate. This includes but is not limited to the withholding of payments to Contractor until Contractor complies; the cancellation, termination, or suspension of this contract in whole or in part; and the seeking of other remedies as may be provided by this contract or by law. Any cancellation, termination, or suspension of this contract, if imposed, shall become effective at the close of business on the day of Contractor's receipt of written notice thereof from Agency.
- I. Contract Cancellation, etc.:** If this contract is canceled, terminated, or suspended by Agency prior to its expiration date, the reasonable monetary value of services properly performed by Contractor pursuant to this contract prior to such cancellation, termination or suspension shall be determined by Agency and paid to Contractor as soon as reasonably possible.
- J. Indemnification:**
For local educational agencies (LEAs), regional education service centers (ESCs), and institutions of higher education (IHEs) and state agencies: Contractor, to the extent permitted by law, shall hold Agency harmless from and shall indemnify Agency against any and all claims, demands, and causes of action of whatever kind or nature asserted by any third party and occurring or in any way incident to, arising from, or in connection with, any acts of Contractor, its agents, employees, and subcontractors, done in the conduct of the contract project.
For all other grantees, subgrantees, contractors, and subcontractors, including nonprofit organizations and for-profit businesses: Contractor shall hold Agency harmless from and shall indemnify Agency against any and all claims, demands, and causes of action of whatever kind or nature asserted by any third party and occurring or in any way incident to, arising from, or in connection with, any acts of Contractor, its agents, employees, and subcontractors, done in the conduct of the contract project.
- K. Encumbrances/Obligations and Liquidations:** All encumbrances/obligations shall occur on or between the beginning and ending dates of the contract. All goods must be received and all services rendered between the beginning and ending dates of the contract. The contractor must liquidate (record as an expenditure) all obligations (encumbrances) incurred under the contract no later than 30 days after the ending date of the contract, to coincide with the submission of the final expenditure report, due 30 days after the ending date of the contract. In no manner shall encumbrances be considered or reflected as accounts payable or as expenditures, and an encumbrance cannot be considered an expenditure or accounts payable until the goods have been received and the services have been rendered. Obligations that are liquidated and recognized as expenditures must meet the allowable cost principles in OMB Circular A-87, A-21, or A-122 (as applicable) and program rules, regulations, and guidelines contained elsewhere. This applies to all grant programs, including state and federal, discretionary and formula.

- L. Financial Management and Accounting:** Grantee assures it will maintain a financial management system that complies with federal standards established in 34 CFR 80.20 and 74.21 and that provides for accurate, current, and complete disclosure of the financial results of each grant project. The financial management system records will identify adequately the source and application of funds and will contain information pertaining to grant awards, authorizations, obligations, unobligated balances, assets, outlays (i.e., expenditures), income, and interest. Fiscal control and accounting procedures will permit the tracing of funds to a level of expenditure adequate to establish that funds have been used in accordance with the approved grant application. The applicant agrees to maintain effective control over and accountability for all funds, property, and other assets. Public school districts, open enrollment charter schools, and regional education service centers in Texas must comply with the accounting requirements in the Financial Accounting and Reporting (FAR) module of the *Financial Accountability System Resource Guide*, Texas Education Agency (34 CFR 74.21; 34 CFR 80.20; TEA *Financial Accountability System Resource Guide*).
- M. Expenditure Reports:** Contractor shall submit expenditure reports in the time and manner requested by Agency as specified in the instructions to the Standard Application System (SAS) which are incorporated by reference. Unless otherwise specified, interim reports are due to TEA within 15 days after the end of each reporting period. Unless otherwise specified, the final expenditure report is due within 30 days after the ending date of the grant. Revised expenditure reports, where the grantee is claiming additional expenditures beyond that originally requested, must be submitted within 60 days after the ending date of the grant, or as specified in the applicable Program Guidelines.
- N. Refunds Due to TEA:** If Agency determines that Agency is due a refund of money paid to Contractor pursuant to this contract, Contractor shall pay the money due to Agency within 30 days of Contractor's receipt of written notice that such money is due to Agency. If Contractor fails to make timely payment, Agency may obtain such money from Contractor by any means permitted by law, including but not limited to offset, counterclaim, cancellation, termination, suspension, total withholding, and/or disapproval of all or any subsequent applications for said funds.
- O. Records Retention:** Contractor shall maintain its records and accounts in a manner which shall assure a full accounting for all funds received and expended by Contractor in connection with the contract project. These records and accounts shall be retained by Contractor and made available for programmatic or financial audit by Agency and by others authorized by law or regulation to make such an audit for a period of not less than five years from the date of completion of the contract project or the date of the receipt by Agency of Contractor's final claim for payment or final expenditure report in connection with this contract, whichever is later. If an audit has been announced, the records shall be retained until such audit has been completed.
- Contractor understands that acceptance of funds under this contract acts as acceptance of the authority of the State Auditor's office, or any successor agency, to conduct an audit or investigation in connection with those funds. Contractor further agrees to cooperate fully with the State Auditor's Office or its successor in the conduct of the audit or investigation, including providing all records requested. Contractor will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Contractor and the requirements to cooperate is included in any subcontract it awards.
- P. Time and Effort Recordkeeping:** For those personnel whose salaries are prorated between or among different funding sources, time and effort records will be maintained by Applicant that will confirm the services provided within each funding source. Applicant must adjust payroll records and expenditures based on this documentation. This requirement applies to all projects, regardless of funding source, unless otherwise specified. For federally funded projects, time and effort records must be in accordance with the requirements in the applicable OMB cost principles.
- Q. Forms, Assurances, and Reports:** Contractor shall timely make and file with the proper authorities all forms, assurances and reports required by federal laws and regulations. Agency shall be responsible for reporting to the proper authorities any failure by Contractor to comply with the foregoing laws and regulations coming to Agency's attention, and may deny payment or recover payments made by Agency to Contractor in the event of Contractor's failure so to comply.
- R. Intellectual Property Ownership:** Contractor agrees that all Works are, upon creation, works made for hire and the sole property of TEA. If the Works are, under applicable law, not considered works made for hire, Contractor hereby assigns to TEA all worldwide ownership of all rights, including the Intellectual Property Rights, in the Works, without the necessity of any further consideration, and TEA can obtain and hold in its own name all such rights to the Works. Contractor agrees to maintain written agreements with all officers, directors, employees, agents, representatives and subcontractors engaged by Contractor for the Contract Project, granting Contractor rights sufficient to support the performance and grant of rights to TEA by Contractor. Copies of such agreements shall be provided to TEA promptly upon request.

Texas Title I Priority Schools Grant

Contractor warrants that (i) it has the authority to grant the rights herein granted, (ii) it has not assigned or transferred any right, title, or interest to the Works or Intellectual Property Rights that would conflict with its obligations under the Contract, and Contractor will not enter into any such agreements, and (iii) the Works will be original and will not infringe any intellectual property rights of any other person or entity. These warranties will survive the termination of the Contract. If any preexisting rights are embodied in the Works, Contractor grants to TEA the irrevocable, perpetual, non-exclusive, worldwide, royalty-free right and license to (i) use, execute, reproduce, display, perform, distribute copies of, and prepare derivative works based upon such preexisting rights and any derivative works thereof and (ii) authorize others to do any or all of the foregoing. Contractor agrees to notify TEA on delivery of the Works if they include any such preexisting rights. On request, Contractor will provide TEA with documentation indicating a third party's written approval for Contractor to use any preexisting rights that may be embodied or reflected in the Works.

For School Districts and Nonprofit Organizations: The foregoing Intellectual Property Ownership provisions apply to any school districts, nonprofit organizations, and their employees, agents, representatives, consultants and subcontractors. If a school district or nonprofit organization or any of its subcontractor(s) wish to obtain a license agreement to use, advertise, offer for sale, sell, distribute, publicly display, publicly perform or reproduce the Works, or make derivative works from the Works, then express written permission must first be obtained from the TEA Copyright Office.

For Education Service Centers (ESCs): The foregoing Intellectual Property Ownership provisions apply to an Education Service Center (ESC) and its employees, agents, representatives, consultants, and subcontractors. If an ESC or any of its subcontractor(s) wish to obtain a license agreement to use, advertise, offer for sale, sell, distribute, publicly display, publicly perform or reproduce the Works, or make derivative works from the Works, then express written permission must first be obtained from the TEA Copyright Office.

For Colleges and Universities: The foregoing Intellectual Property Ownership provisions apply to any colleges and universities and their employees, agents, representatives, consultants, and subcontractors; provided, that for all Works and derivative works created or conceived by colleges or universities under the Contract, they are granted a non-exclusive, non-transferable, royalty-free license to use the Works for their own academic and educational purposes only. The license for academic and educational purposes specifically excludes advertising, offering for sale, selling, distributing, publicly displaying, publicly performing, or reproducing the Works, or making derivative works from the Works that are created or conceived under this Contract and colleges and universities and their employees, agents, representatives, consultants, and subcontractors are prohibited from engaging in these uses and activities with regard to the Works unless the prior express written permission of the TEA Copyright Office is obtained.

- S. Unfair Business Practices: Unfair Business Practices:** By signing this Contract, Contractor, if other than a state agency, certifies that Contractor, within the preceding 12 months, has not been found guilty, in a judicial or state agency administrative proceeding, of unfair business practices. Contractor, if other than a state agency, also certifies that no officer of its company has, within the preceding 12 months, served as an officer in another company which has been found, in a judicial or state agency administrative proceeding, to be guilty of unfair business practices.

Contractor, whether a state agency or not a state agency, certifies that no funds provided under this Contract shall be used to purchase supplies, equipment, or services from any companies found to be guilty of unfair business practices within 12 months from the determination of guilt.

- T. Subcontracting:** Contractor shall not assign or subcontract any of its rights or responsibilities under this contract, except as may be otherwise provided for in this application, without prior formal written amendment to this contract properly executed by both Agency and Contractor.
- U. Use of Consultants:** Notwithstanding any other provision of this application, Applicant shall not use or pay any consultant in the conduct of this application if the services to be rendered by any such consultant can be provided by Applicant's employees.
- V. Capital Outlay:** If Contractor purchases capital outlay (furniture and/or equipment) to accomplish the objective(s) of the project, title will remain with Contractor for the period of the contract. Agency reserves the right to transfer capital outlay items for contract noncompliance during the contract period or as needed after the ending date of the contract. This provision applies to any and all furniture and/or equipment regardless of unit price and how the item is classified in Contractor's accounting record.

Texas Title I Priority Schools Grant		

W. Agency Property (terms): In the event of loss, damage or destruction of any property owned by or loaned by Agency while in the custody or control of Contractor, its employees, agents, consultants or subcontractors, Contractor shall indemnify Agency and pay to Agency the full value of or the full cost of repair or replacement of such property, whichever is the greater, within 30 days of Contractor's receipt of written notice of Agency's determination of the amount due. This applies whether the property is developed or purchased by Contractor pursuant to this contract or is provided by Agency to Contractor for use in the contract project. If Contractor fails to make timely payment, Agency may obtain such money from Contractor by any means permitted by law, including but not limited to offset or counterclaim against any money otherwise due to Contractor by Agency.

X. Travel Costs: Amounts authorized for maximum recovery for travel and per diem costs against any state or federal funding source are restricted to those amounts which are approved in the State of Texas Appropriations Bill in effect for the particular funding period. Any amount over this limit must come from local funding sources. Applicant must recover funds at a lesser rate if local policy amounts are less than the maximum allowed by the state. Out-of-state travel may not exceed the federal government rate for the locale. Travel allowances are not allowable costs.

Y. Funds for Religious Worship, Instruction: No funds will be used to pay for religious worship, instruction, or proselytization, or for any equipment or supplies for such, or for any construction, remodeling, repair, operation, or maintenance of any facility or part of a facility to be used for religious worship, instruction, or proselytization (34 CFR 76.532 and P. L. 107-110, section 9505).

Z. Disclosure of Gifts and Campaign Contributions: The grantee shall file disclosures of gifts and campaign contributions as required by State Board of Education Operating Rule 4.3, which is incorporated as if set out in full. The grantee has a continuing obligation to make disclosures through the term of the contract. Failure to comply with State Board of Education Operating Rule 4.3 is grounds for canceling the grant.

AA. Submission of Audit Reports to TEA: Grantees which are public school districts and open enrollment charter schools agree to submit the required annual audit report, including the reporting package required under OMB Circular A-133, if an audit is required to be conducted in accordance with OMB Circular A-133, to the TEA Division of School Financial Audits in the time and manner requested by the Agency.

Grantees which are **nonprofit organizations (other than charter schools) and universities/colleges** that expend \$500,000 or more total in federal awards in any fiscal year and are thus required to conduct a Single Audit or program-specific audit in accordance with the requirements in OMB Circular A-133, agree to submit a copy of such audit to TEA when the schedule of findings and questioned costs disclosed audit findings relating to any federal awards provided by TEA. A copy of such audit shall also be submitted to TEA if the summary schedule of prior audit findings reported the status of any audit findings relating to any federal awards provided by TEA.

A **nonprofit organization or university/college** grantee shall provide written notification to TEA that an audit was conducted in accordance with OMB Circular A-133 when the schedule of findings and questioned costs disclosed no audit findings related to any federal awards provided by TEA or when the summary schedule of prior audit findings did not report on the status of any prior audit findings related to any federal awards provided by TEA. Nonprofit organizations (other than charter schools) and universities/colleges shall submit the audit report to the TEA Division of Discretionary Grants. Audit reports must be submitted to TEA within 30 days of receipt of the report from the auditor. Failure to submit a copy of the audit to TEA could result in a reduction of funds paid to the grantee, a refund to TEA, termination of the grant, and/or ineligibility to receive additional grant awards from TEA.

BB. Federal Rules, Laws, and Regulations That Apply to all Federal Programs: Contractor shall be subject to and shall abide by all federal laws, rules and regulations pertaining to the contract project, including but not limited to:

1. **Americans With Disabilities Act**, P. L. 101-336, 42 U.S.C. sec. 12101, and the regulations effectuating its provisions contained in 28 CFR Parts 35 and 36, 29 CFR Part 1630, and 47 CFR Parts 0 and 64;
2. **Title VI of the Civil Rights Act of 1964**, as amended (prohibition of discrimination by race, color, or national origin), and the regulations effectuating its provisions contained in 34 CFR Part 100;
3. **Title IX of the Education Amendments of 1972**, as amended (prohibition of sex discrimination in educational institutions) and the regulations effectuating its provisions contained in 34 CFR Part 106, if Contractor is an educational institution;
4. **Section 504 of the Rehabilitation Act of 1973**, as amended (nondiscrimination on the basis of handicapping condition), and the regulations effectuating its provisions contained in 34 CFR Part 104 and 105;

SCHEDULE #6A – cont. GENERAL PROVISIONS & ASSURANCES	TEXAS EDUCATION AGENCY Standard Application System School Years 2010-2013	108915 County-District No.

5. the **Age Discrimination Act of 1975**, as amended (prohibition of discrimination on basis of age), and any regulations issued thereunder, including the provisions contained in 34 CFR Part 110;
6. the **Family Educational Rights and Privacy Act (FERPA) of 1975**, as amended (ensures access to educational records for students and parents while protecting the privacy of such records), and any regulations issued thereunder, including **Privacy Rights of Parents and Students** (34 CFR Part 99), if Contractor is an educational institution (20 USC 1232g);
7. Section 509 of H.R. 5233 as incorporated by reference in P. L. 99-500 and P. L. 99-591 (**prohibition against the use of federal grant funds to influence legislation pending before Congress**);
8. **Pro-Children Act of 2001**, which states that no person shall permit smoking within any indoor facility owned or leased or contracted and utilized for the provision of routine or regular kindergarten, elementary, or secondary education or library services to children [P. L. 107-110, Section 4303(a)]. In addition, no person shall permit smoking within any indoor facility (or portion of such a facility) owned or leased or contracted and utilized for the provision of regular or routine health care or day care or early childhood development (Head Start) services [P. L. 107-110, Section 4303(b)(1)]. Any failure to comply with a prohibition in this Act shall be considered to be a violation of this Act and any person subject to such prohibition who commits such violation may be liable to the United States for a civil penalty, as determined by the Secretary of Education (P. L. 107-110, Section 4303(e)(1)).
9. **Fair Labor Standards Act (29 USC 207), Davis Bacon Act (40 USC 276(a), and Contract Work Hours and Safety Standards Act (40 USC 327 et seq.)**, as applicable, and their implementing regulations in 29 CFR 500-899, 29 CFR Parts 1,3,5, and 7, and 29 CFR Parts 5 and 1926, respectively.
10. **Buy America Act:** Contractor certifies that it is in compliance with the Buy America Act in that each end product purchased under any federally funded supply contract exceeding \$2,500 is considered to have been substantially produced or manufactured in the United States. End products exempt from this requirement are those for which the cost would be unreasonable, products manufactured in the U. S. that are not of satisfactory quality, or products for which the agency head determines that domestic preference would be inconsistent with the public interest. Contractor also certifies that documentation will be maintained that documents compliance with this requirement (FAR 25.1-.2).
11. P.L. 103-227, Title X, Miscellaneous Provisions of the GOALS 2000: Educate America Act; P.L. 103-382, Title XIV, General Provisions of the Elementary and Secondary Education Act, as amended; and General Education Provisions Act, as amended.
12. **Prohibition of Text Messaging and E-mailing while Driving during Official Federal Grant Business:** Personnel funded from federal grants and their subcontractors and subgrantees are prohibited from text messaging while driving an organization-owned vehicle, or while driving their own privately owned vehicle during official grant business, or from using organization-supplied electronic equipment to text message or e-mail while driving. Recipients must comply with these conditions under Executive Order 13513, "Federal Leadership On Reducing Text Messaging While Driving," October 1, 2009 (pursuant to provisions attached to federal grants funded by the U.S. Department of Education).

4. **For Nonprofit Organizations:** 28 CFR 35 Subparts A-E, 28 CFR 36 Subparts C & D, Appendix A, 29 CFR 1630, 34 CFR 74, 77, 79, 81, 82, 85, 97, 98, 99, 104, 47 CFR 0 and 64, and OMB Circulars A-122 (Cost Principles), A-133 (Audits), and A-110 (Uniform Administrative Requirements);
5. **For State Agencies:** 28 CFR 35 Subparts A-E, 28 CFR 36 Subparts C & D, Appendix A, 29 CFR 1630, 34 CFR 76, 80, 81, 82, 85, 97, 98, 99, 104, 47 CFR 0 and 64, OMB Circulars A-87 (Cost Principles), A-133 (Audits), and A-102 (Uniform Administrative Requirements); and
6. **For Commercial (for-profit) Organizations:** 29 CFR 1630 and 48 CFR Part 31.

DD. General Education Provisions Act (GEPA), as Amended, Applicable to All Federal Programs Funded or Administered Through or By the U. S. Department of Education:

1. **Participation in Planning:** Applicant will provide reasonable opportunities for the participation by teachers, parents, and other interested parties, organizations, and individuals in the planning for and operation of each program described in this application (20 USC 1232(e)).

SCHEDULE #6A – cont. GENERAL PROVISIONS & ASSURANCES	TEXAS EDUCATION AGENCY Standard Application System School Years 2010-2013	108915 County-District No.
Texas Title I Priority Schools Grant		

2. **Availability of Information:** Any application, evaluation, periodic program plan, or report relating to each program described in this application will be made readily available to parents and other members of the general public (20 USC 1232(e)).
 3. **Sharing of Information:** Contractor certifies that it has adopted effective procedures for acquiring and disseminating to teachers and administrators participating in each program described in this application significant information from educational research, demonstrations, and similar projects, and for adopting, where appropriate, promising educational practices developed through such projects (20 USC 1232(e)).
 4. **Prohibition of Funds for Busing:** The applicant certifies that no federal funds (except for funds appropriated specifically for this purpose) will be used for the transportation of students or teachers (or for the purchase of equipment for such transportation) in order to overcome racial imbalance in any school or school system, or for the transportation of students or teachers (or for the purchase of equipment for such transportation) in order to carry out a plan of racial desegregation of any school or school system (20 USC 1228).
 5. **Direct Financial Benefit:** Contractor certifies that funds expended under any federal program will not be used to acquire equipment (including computer software) in any instance in which such acquisition results in a direct financial benefit to any organization representing the interests of the purchasing entity or its employees or any affiliate of such an organization [20 USC 1232(b)(8)].
- EE. Payment for Services:** Payment for service(s) described in this Contract is contingent upon satisfactory completion of the service(s). Satisfaction will be determined by TEA's Project Administrator, in his sole discretion but in accordance with reasonable standards and upon advice of his superiors in TEA, if necessary.
- FF. Family Code Applicability:** By signing this Contract, Contractor, if other than a state agency, certifies that under Section 231.006, Family Code, that Contractor is not ineligible to receive payment under this Contract and acknowledges that this Contract may be terminated and payment may be withheld if this certification is inaccurate. TEA reserves the right to terminate this Contract if Contractor is found to be ineligible to receive payment. If Contractor is found to be ineligible to receive payment and the Contract is terminated, Contractor is liable to TEA for attorney's fees, the costs necessary to complete the Contract, including the cost of advertising and awarding a second contract, and any other damages or relief provided by law or equity.
- GG. Interpretation:** In the case of conflicts arising in the interpretation of wording and/or meaning of various sections, parts, Appendices, General Provisions, Special Provisions, Exhibits, and Attachments or other documents, the TEA Contract and its General Provisions, Appendices and Special Provisions shall take precedence over all other documents which are a part of this contract.
- HH. Registered Lobbyists:** No state or federal funds transferred to a contractor/grantee may be used to hire a registered lobbyist.
- II. Test Administration and Security:** This contract is executed by Agency subject to assurance by Contractor that it has at all times been and shall remain in full compliance with Title 19, Texas Administrative Code Chapter 101, and all requirements and procedures for maintaining test security specified in any test administration materials in the possession or control of Contractor, or any school, campus, or program operated by Contractor. Notwithstanding any other provision in this contract or any other document, this contract is void upon notice by Agency, in its sole discretion, that Contractor or any school, campus, or program operated by Contractor has at any time committed a material violation of Title 19, Texas Administrative Code Chapter 101, or any requirement or procedure for maintaining test security specified in any test administration materials in the possession or control of Contractor, or any school, campus, or program operated by Contractor. Expenditures and/or activities for which Contractor may claim reimbursement shall not be accrued or claimed subsequent to receipt of such notice from Agency.
- JJ. Social Security Numbers:** Social Security numbers will not be provided by TEA as a part of this agreement. TEA is not requiring or requesting school districts or other grantees to provide Social Security numbers as a part of this agreement.
- KK. Student-identifying Information:** Contractor agrees that in executing tasks on behalf of TEA, Contractor will not use any student-identifying information in any way that violates the provisions of FERPA and will destroy or return all student-identifying information to TEA within thirty (30) days of project completion.

SCHEDULE #6A – cont. GENERAL PROVISIONS & ASSURANCES	TEXAS EDUCATION AGENCY Standard Application System School Years 2010-2013	108915 County-District No.
Texas Title I Priority Schools Grant		

LL. High-Risk Status, Special Conditions, and Enforcement Actions: Pursuant to the provisions in 34 CFR 80.12 and 74.14, a grantee may be identified by TEA as high-risk if the grantee has a history of unsatisfactory performance; is not financially stable; has a financial management system that does not meet federal financial management standards or the requirements in TEA's Financial Accounting and Reporting (FAR) module; has not conformed to terms and conditions of previous awards; or is otherwise not responsible. TEA may impose one or more special conditions or restrictions on a high-risk grantee, including payment on a reimbursement basis; withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given funding period; requiring additional, more detailed financial reports; additional project monitoring; requiring the grantee to obtain technical or management assistance; establishing additional prior approvals; or other conditions that may be legally available. A grantee identified as high-risk will be notified in writing by TEA of the special conditions imposed and the process for removing the high-risk status and special conditions.

Pursuant to the provisions in 34 CFR 80.43 and 74.62, if a grantee materially fails to comply with any term of an award, whether stated in a federal statute or regulation, an assurance, in a grant application, or elsewhere, TEA may take one or more of the following enforcement actions as appropriate in the circumstances: temporarily withhold cash payments pending correction of the deficiency or more severe enforcement action; disallow all or part of the cost of an activity or action not in compliance; wholly or partly suspend or terminate the current award; withhold further awards for the program; or take other remedies that may be legally available. If an enforcement action is imposed, the grantee will be notified in writing by TEA of the actions imposed and the process for remedying the noncompliance or removing the enforcement actions.

TEA reserves the right to not award a discretionary grant to a high-risk grantee or to a grantee that is materially non-compliant with the terms and conditions of another award.

Rev. 03/2010

The signing of Schedule #1 - General Information by applicant indicates acceptance of and compliance with all requirements described on this schedule.

SCHEDULE #6 B Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transactions	TEXAS EDUCATION AGENCY Standard Application System School Years 2010-2013	<div style="text-align: center;"> <u>108915</u> County-District No. </div>
Texas Title I Priority Schools Grant		

This certification is required by the Department of Education regulations implementing Executive Order 12549, Debarment and Suspension, 34 CFR Part 85, for all lower tier transactions meeting the threshold and tier requirements stated at Section 85.11.

Terms defined: As used in these Provisions and Assurances

- "Covered Transaction"— A transaction under Federal non-procurement programs, which can be either a primary covered transaction or a lower tier covered transaction.
 - "Lower Tier Covered Transaction"— (1) Any transaction between a participant and a person other than a procurement contract for goods or services, regardless of type, under a primary covered transaction; (2) Any procurement contract for goods or services between a participant and a person, regardless of type, expected to equal or exceed the Federal procurement small purchase threshold of \$25,000; (3) Any procurement contract for goods or services between a participant and a person under a covered transaction, regardless of amount.
 - "Participant"— Any person who submits a proposal for, enters into, or reasonably may be expected to enter into a covered transaction, including an agent or representative of another participant.
 - "Principal"— An officer, director, owner, partner, principal investigator, or other person within a participant with management or supervisory responsibilities related to a covered transaction; or a consultant or other person, whether or not employed by the participant or paid with Federal funds, who (1) is in a position to handle Federal funds; (2) is in a position to influence or control the use of those funds; or (3) occupies a technical or professional position capable of substantially influencing the development or outcome of an activity required to perform the covered transaction.
 - "Excluded Parties List System (EPLS)"— The list maintained and disseminated by the General Services Administration (GSA) containing names and other information about persons who are ineligible.
 - "Debarment"— Action taken by a debarring official (Federal agency) to exclude a person (recipient) from participating in covered transactions.
 - "Suspension"— An action taken that immediately prohibits a person from participating in covered transactions for a temporary period, pending completion of an agency investigation and any judicial or administrative proceedings that may ensue.
 - "Ineligible" generally refers to a person who is either excluded or disqualified.
 - "Person"— Any individual, corporation, partnership, association, unit of government or legal entity, however organized, except: foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, and entities consisting wholly or partially of foreign governments or foreign governmental entities.
 - "Proposal"—A solicited or unsolicited bid, application, request, invitation to consider or similar communication by or on behalf of a person seeking to participate or to receive a benefit, directly or indirectly, in or under a covered transaction.
 - "Voluntarily Excluded"—A status of nonparticipation or limited participation in covered transactions assumed by a person pursuant to the terms of a settlement.
1. By signing SAS Schedule #1 and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
 2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
 3. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
 4. The terms "covered transaction", "debarred", "suspended", "ineligible", "lower tier covered transaction", "participant", "person", "primary covered transaction", "principal", "proposal", and "voluntarily excluded", as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
 5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

SCHEDULE #6B Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transactions	TEXAS EDUCATION AGENCY Standard Application System School Years 2010-2013 Required for all federal grants regardless of the dollar amount	<div style="text-align: center;"> <u>108915</u> County-District No. </div>
Texas Title I Priority Schools Grant		

6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled ***Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion-Lower Tier Covered Transactions***, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may but is not required to, check the Non-procurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Certification

- (1) The prospective lower tier participant certifies, by signature on SAS Schedule #1 and by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.
- (2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

SCHEDULE #6C. Lobbying Certification	TEXAS EDUCATION AGENCY Standard Application System School Years 2010-2013 Required for all federally funded grants greater than \$100,000.	<u>108915</u> County-District No.
Texas Title I Priority Schools Grant		

Submission of this certification covers all federal programs in this application, is required by the U. S. Department of Education and Section 1352, Title 31, of the United States Code, and is a prerequisite for making or entering into a subgrant or subcontract over \$100,000 with any organization. (Read instructions for this schedule for further information.)

The applicant certifies by signature on Schedule #1 - General Information, to the best of his or her knowledge and belief, that:

- (1) No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the making of any federal grant, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal grant or cooperative agreement.
- (2) If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form - LLL, "Disclosure of Lobbying Activities," in accordance with its instructions. (See **Schedule #6D - Disclosure of Lobbying Activities.**)
- (3) The applicant shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subgrants, contracts under grants and cooperative agreements, and subcontracts) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact on which the U. S. Department of Education and the Texas Education Agency relied when they made or entered into this grant or contract. Any organization that fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

SCHEDULE #6E NCLB ACT PROVISIONS & ASSURANCES	Standard Application System School Years 2010-2013	 _____ 108915County-District No.
Texas Title I Priority Schools Grant		

The following special provisions apply to all programs funded under the Elementary and Secondary Education Act, as amended by P. L. 107-110, No Child Left Behind (NCLB) Act of 2001. By signing Schedule #1 of this SAS, the applicant is assuring it is in compliance with the following provisions:

- A. Each such program will be administered in accordance with all applicable statutes, regulations, program plans, and applications.
- B. The control of funds provided under each such program and title to property acquired with program funds will be in a public agency or in a nonprofit private agency, institution, organization, or Indian tribe, if the law authorizing the program provides for assistance to such entities.
- C. The public agency, nonprofit private agency, institution, or organization, or Indian tribe will administer such funds and property to the extent required by the authorizing statutes.
- D. The applicant will adopt and use proper methods of administering each such program, including the enforcement of any obligations imposed by law on agencies, institutions, organizations, and other recipients responsible for carrying out each program and the correction of deficiencies in program operations that are identified through audits, monitoring, or evaluation.
- E. The applicant will cooperate in carrying out any evaluation of each such program conducted by or for the Texas Education Agency, the Secretary of Education or other federal officials.
- F. The applicant will use such fiscal control and fund accounting procedures as will ensure proper disbursement of, and accounting for, federal funds paid to such applicant under each such program.
- G. The applicant will submit such reports to the Texas Education Agency (which shall make the reports available to the Governor) and the Secretary of Education, as the Texas Education Agency and the Secretary of Education may require to enable the Texas Education Agency and the Secretary of Education to perform their duties under each such program.
- H. The applicant will maintain such records, provide such information, and afford access to the records as the Agency (after consultation with the Governor) or the Secretary may find necessary to carry out the Agency's or the Secretary's duties.
- I. Before the application was submitted, the applicant afforded a reasonable opportunity for public comment on the application and has considered such comment.
- J. **Gun-Free Schools Act:** The local education agency assures that it is in compliance with Section 37.007(e) of the Texas Education Code, which requires expulsion of a student who brings to school or possesses at school a firearm as defined by 18 U.S.C. Section 2891 [pursuant to the requirements in P. L. 107-110, Section 4141(d)(1)]. In addition, the local educational agency certifies that it has a policy requiring referral to the criminal justice or juvenile delinquency system of any student who brings a firearm or weapon to school [P. L. 107-110, Section 4141(h)(1)].
- K. **Student Records Transfer:** The local educational agency shall ensure that a student's records and, if applicable, a student's individualized education program as defined in section 602(11) of the Individuals with Disabilities Education Act, are transferred to a charter school upon the transfer of the student to the charter school, and to another public school upon the transfer of the student from a charter school to another public school, in accordance with applicable state law (P. L. 107-110, section 5208).
- L. **Consolidation of Administrative Funds:** A local educational agency, with the approval of TEA, may consolidate and use for the administration of one or more programs under the No Child Left Behind Act not more than the percentage, established in each program, of the total available for the local educational agency under those programs. A local educational agency that consolidates administrative funds shall not use any other funds under the programs included in the consolidation for administration for that fiscal year. Consolidated administrative funds shall be used for the administration of the programs covered and may be used for coordination of these programs with other federal and non-federal programs and for dissemination of information regarding model programs and practices.
- M. **Privacy of Assessment Results:** Any results from an individual assessment referred to in the No Child Left Behind Act of a student that become part of the education records of the student shall have the protections provided in section 444 of the General Education Provisions Act [P. L. 107-110, section 9523 and the Family Educational Rights and Privacy Act (FERPA) of 1975, as amended].

Texas Title I Priority Schools Grant		

- N. School Prayer:** The local educational agency certifies that it is in compliance with Section 25.901 of the Texas Education Code. In addition, as a condition of receiving funds under the No Child Left Behind Act, the local educational agency certifies that no policy of the local educational agency prevents, or otherwise denies participation in, constitutionally protected prayer in public elementary schools and secondary schools, as detailed in the guidance provided by the U. S. Secretary of Education pertaining to such. The state educational agency shall report to the Secretary of Education each year a list of those local educational agencies that have not filed this assurance or against which complaints have been made to the State educational agency that the local educational agencies are not in compliance with this requirement (P. L. 107-110, section 9524(b)).
- O. Equal Access to Public Schools Facilities – Boy Scouts of America Equal Access Act:** No public elementary school, public secondary school or local educational agency that has a designated open forum or a limited public forum and that receives funds made available from the U. S. Department of Education shall deny equal access or a fair opportunity to meet, or to discriminate against, any group officially affiliated with the Boy Scouts of America, or any other youth group listed in Title 36 of the United States Code (as a patriotic society), that wishes to conduct a meeting within that designated open forum or limited public forum, including denying such access or opportunity or discriminating for reasons based on the membership or leadership criteria or oath of allegiance to God and country of the Boy Scouts of America or of the youth group listed in Title 36 of the United States Code (as a patriotic society). For the purposes of this section, an elementary school or secondary school has a limited public forum whenever the school involved grants an offering to, or opportunity for, one or more outside youth or community groups to meet on school premises or in school facilities before or after the hours during which attendance at the school is compulsory. Nothing in this section shall be construed to require any school, agency, or a school served by an agency to sponsor any group officially affiliated with the Boy Scouts of America, or any other youth group listed in Title 36 of the United States Code (as a patriotic society). Compliance with this provision will be enforced through rules and orders issued by the Office for Civil Rights. If the public school or agency does not comply with the rules or orders, no funds made available through the Department of Education shall be provided by a school that fails to comply with such rules or orders or to any agency or school served by an agency that fails to comply with such rules or orders (P. L. 107-110, section 9525).
- P. General Prohibitions:** None of the funds authorized under the No Child Left Behind Act shall be used to develop or distribute materials, or operate programs or courses of instruction directed at youth, that are designed to promote or encourage sexual activity, whether homosexual or heterosexual; to distribute or to aid in the distribution by any organization of legally obscene materials to minors on school grounds; to provide sex education or HIV-prevention education in schools that instruction is age appropriate and includes the health benefits of abstinence; or to operate a program of contraceptive distribution in schools (P. L. 107-110, section 9526).
- Q. Armed Forces Recruiter Access to Students and Student Recruiting Information:** In accordance with guidance issued by the U. S. Department of Education, each local educational agency receiving assistance under the No Child Left Behind Act shall provide, on a request made by military recruiters or an institution of higher education, access to secondary school students names, address, and telephone listings, upon prior written consent of a student or the parent of a student. A secondary school student or the parent of the student may request that the student's name, address, and telephone listing not be released without prior written parental consent, and the local educational or private nonprofit school shall notify parents of the option to make a request and shall comply with any request. Each local educational agency receiving assistance under the No Child Left Behind Act shall provide military recruiters the same access to secondary school students as is provided generally to post secondary educational institutions or to prospective employers of those students (P. L. 107-110, section 9528).
- R. Unsafe School Choice Option:** The local educational agency certifies that it shall establish and implement a policy requiring that a student attending a persistently dangerous public elementary school or secondary school, as determined by the Texas Education Agency, or who becomes a victim of a violent criminal offense, while in or on the grounds of a public elementary or secondary school that the student attends, be allowed to attend a safe public elementary or secondary school within the local educational agency, including a public charter school (P. L. 107-110, section 9532).
- S. Civil Rights:** Nothing in the No Child Left Behind Act shall be construed to permit discrimination on the basis of race, color, religion, sex (except as otherwise permitted under Title IX of the Education Amendments of 1972), national origin, or disability in any program funded under the No Child Left Behind Act (P. L. 107-110, section 9534).

- T. Student Privacy, Parental Access to Information, and Administration of Certain Physical Examinations to Minors:** The local educational agency assures that it is in compliance with Chapter 26 of the Texas Education Code concerning parental rights and responsibilities. In addition, the local educational agency receiving funds under the No Child Left Behind Act certifies that it shall develop and adopt policies, in consultation with parents, regarding certain rights of a parent to access and inspect information; student privacy; the administration of physical examinations or screenings (except for examinations or screenings required by state law); and the collection, disclosure, or use of personal information collected from students for the purpose of marketing or selling that information. The local educational agency also assures that it is in compliance with the requirements for annually notifying parents of such policies and specific events (P. L. 107-110, Title X, Part F, section 1061).
- U. Assurances related to the education of homeless children and youths:**
- (1) The LEA assures that each child of a homeless individual and each homeless youth shall have equal access to the same free, appropriate public education, including a public preschool education, as provided to other children and youth.
 - (2) The LEA assures that homeless children and youth are afforded the same free, appropriate public education as provided to other children and youth.
 - (3) The LEA assures that it will review and undertake steps to revise any laws, regulations, practices, or policies that may act as a barrier to the enrollment, attendance, or success in school of homeless children and youth.
 - (4) The LEA assures that it will not separate students from the mainstream school environment on the basis of homelessness alone.
 - (5) The LEA assures that homeless children and youth have access to the education and other services that they need to in order to meet the same challenging State student academic achievement standards to which all students are held.
- V. Definitions:** The following terms shall be defined as follows for programs authorized and carried out under the No Child Left Behind Act of 2001:
1. **Charter School:** An open enrollment charter school receiving federal funds of any type must meet the federal definition of a charter school as provided in P. L. 107-110, Section 5210(1). The term "charter school" means a school that:
 - (A) is created by a developer as a public school, or is adapted by a developer from an existing public school, and is **operated under public supervision and control;**
 - (B) operates in pursuit of a specific set of educational objectives determined by the school's developer and agreed to by the authorized public chartering agency [i.e., the State Board of Education (SBOE)];
 - (C) provides a program of elementary or secondary education, or both;
 - (D) is **nonsectarian in its programs, admissions policies, employment practices, and all other operations, and is not affiliated with a sectarian school or religious instruction;**
 - (E) **does not charge tuition;**
 - (F) **complies with the Age Discrimination Act of 1975, Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, section 504 of the Rehabilitation Act of 1973, and Part B of the Individuals with Disabilities Education Act;**
 - (G) is a school to which parents choose to send their children, and that **admits students on the basis of a lottery, if more students apply for admission than can be accommodated;**
 - (H) **agrees to comply with the same Federal and State audit requirements** as do other elementary schools and secondary schools in the State, unless such requirements are specifically waived for the purpose of this program;
 - (I) **meets all applicable** Federal, State, and local **health and safety requirements;**
 - (J) operates in accordance with State law; and
 - (K) has a written performance contract with the authorized public chartering agency in the State (i.e., SBOE) that includes a description of how student performance will be measured pursuant to State assessments that are required of other schools and pursuant to any other assessments mutually agreeable to the SBOE.
 2. **Community-Based Organization:** A public or private nonprofit organization of demonstrated effectiveness that is representative of a community or significant segment of a community and that provides educational or related services to individuals in the community.
 3. **Core Academic Subjects:** English, reading or language arts, mathematics, science, foreign languages, civics and government, economics, art, history, and geography.

4. Highly Qualified:

- (A) when used with respect to any public elementary school or secondary school teacher teaching in a State, means that–
 - (i) the teacher has obtained full State certification as a teacher (including certification obtained through alternative routes to certification) or passed the State teacher licensing examination, and holds a license to teach in such State, except that when used with respect to any teacher teaching in a public charter school, the term means that the teacher meets the requirements set forth in the State's public charter school law; and
 - (ii) the teacher has not had certification or licensure requirements waived on an emergency, temporary, or provisional basis;
- (B) when used with respect to–
 - (i) an elementary school teacher who is new to the profession, means that the teacher–
 - (I) holds at least a bachelor's degree; and
 - (II) has demonstrated, by passing a rigorous State test, subject knowledge and teaching skills in reading, writing, mathematics, and other areas of the basic elementary school curriculum (which may consist of passing a State-required certification or licensing test or tests in reading, writing, mathematics, and other areas of the basic elementary school curriculum); or
 - (ii) a middle or secondary school teacher who is new to the profession, means that the teacher holds at least a bachelor's degree and has demonstrated a high level of competency in each of the academic subjects in which the teacher teaches by–
 - (I) passing a rigorous State academic subject test in each of the academic subjects in which the teacher teaches (which may consist of a passing level of performance on a State-required certification or licensing test or tests in each of the academic subjects in which the teacher teaches); or
 - (II) successful completion, in each of the academic subjects in which the teacher teaches, of an academic major, a graduate degree, coursework equivalent to an undergraduate academic major, or advanced certification or credentialing; and
- (C) when used with respect to an elementary, middle, or secondary school teacher who is not new to the profession, means that the teacher holds at least a bachelor's degree and–
 - (i) has met the applicable standard in clause (i) or (ii) of subparagraph (B), which includes an option for a test; or
 - (ii) demonstrates competence in all the academic subjects in which the teacher teaches based on a high objective uniform State standard of evaluation that–
 - (I) is set by the State for both grade appropriate academic subject matter knowledge and teaching skills;
 - (II) is aligned with challenging State academic content and student academic achievement standards and developed in consultation with core content specialists, teachers, principals, and school administrators;
 - (III) provides objective, coherent information about the teacher's attainment of core content knowledge in the academic subjects in which a teacher teaches;
 - (IV) is applied uniformly to all teachers in the same academic subject and the same grade level throughout the State;
 - (V) takes into consideration, but not be based primarily on, the time the teacher has been teaching in the academic subject;
 - (VI) is made available to the public upon request; and
 - (VII) may involve multiple, objective measures of teacher competency.

- 5. Parental Involvement:** The participation of parents in regular, two-way and meaningful communication involving student academic learning and other school activities, including ensuring:
- (A) that parents play an integral role in assisting their child's learning;
 - (B) that parents are encouraged to be actively involved in their child's education at school;
 - (C) that parents are full partners in their child's education and are included, as appropriate, in decision making and on advisory committees to assist in the education of their child; and
 - (D) the carrying out of other activities, such as those described in section 1118 of P. L. 107-110.

6. Professional Development includes activities that:

- (A) improve and increase teachers' knowledge of the academic subjects the teachers teach, and enable teachers to become highly qualified;
- (B) are an integral part of broad schoolwide and districtwide educational improvement plans;
- (C) give teachers, principals, and administrators the knowledge and skills to provide the students with the opportunity to meet challenging State academic content standards and student academic achievement standards;
- (D) improve classroom management skills;
- (E) are high quality, sustained, intensive, and classroom-focused in order to have a positive and lasting impact on classroom instruction and the teacher's performance in the classroom and are not one-day or short-term workshops or conferences;
- (F) support the recruiting, hiring, and training of highly qualified teachers, including teachers who became highly qualified through State and local alternative routes to certification;
- (G) advance teacher understanding of effective instructional strategies that are:
- (H) based on scientifically based research (except for programs under Title II, Part D, Enhancing Education Through Technology of this Act); and
- (I) strategies for improving student academic achievement or substantially increasing the knowledge and teaching skills of teachers; and
- (J) are aligned with and directly related to State academic content standards, student academic achievement standards, and assessments and the curricula and programs tied to the standards;
- (K) are developed with extensive participation of teachers, principals, parents, and administrators of schools to be served under this Act;
- (L) are designed to give teachers of limited English proficient children, and other teachers and instructional staff, the knowledge and skills to provide instruction and appropriate language and academic support services to those children, including the appropriate use of curricula and assessments;
- (M) to the extent appropriate, provide training for teachers and principals in the use of technology so that technology and technology applications are effectively used in the classroom to improve teaching and learning in the curricula and core academic subjects in which the teachers teach;
- (N) as a whole, are regularly evaluated for their impact on increased teacher effectiveness and improved student academic achievement with the findings of the evaluations used to improve the quality of professional development;
- (O) provide instruction in methods of teaching children with special needs;
- (P) include instruction in the use of data and assessments to inform and instruct classroom practice;
- (Q) include instruction in ways that teachers, principals, pupil services personnel, and school administrators may work more effectively with parents; and
- (R) may include activities that:
 - (i) involve the forming of partnerships with institutions of higher education to establish school-based teacher training programs that provide prospective teachers and beginning teachers with an opportunity to work under the guidance of experienced teachers and college faculty;
 - (ii) create programs to enable paraprofessionals (assisting teachers employed by an LEA receiving assistance under Title I Part A) to obtain the education necessary for those paraprofessionals to become certified and licensed teachers; and
 - (iii) provide follow-up training to teachers who have participated in activities described previously in this definition that are designed to ensure that the knowledge and skills learned by the teachers are implemented in the classroom.

7. Scientifically Based Research:

- (A) means research that involves the application of rigorous, systematic, and objective procedures to obtain reliable and valid knowledge relevant to education activities and programs; and
- (B) includes research that:
 - (i) employs systematic, empirical methods that draw on observation or experiment;
 - (ii) involves rigorous data analyses that are adequate to test the stated hypotheses and justify the general conclusions drawn;
 - (iii) relies on measurements or observational methods that provide reliable and valid data across evaluators and observers, across multiple measurements and observations, and across studies by the same or different investigators;

- (iv) relies on measurements or observational methods that provide reliable and valid data across evaluators and observers, across multiple measurements and observations, and across studies by the same or different investigators;
- (v) is evaluated using experimental or quasi-experimental designs in which individuals, entities, programs, or activities are assigned to different conditions and with appropriate controls to evaluate the effects of the condition of interest, with a preference for random-assignment experiments, or other designs to the extent that those designs contain within-condition or across-condition controls;
- (vi) ensures that experimental studies are presented in sufficient detail and clarity to allow for replication or, at a minimum, offer the opportunity to build systematically on their findings; and
- (vii) has been accepted by a peer-reviewed journal or approved by a panel of independent experts through a comparably rigorous, objective, and scientific review.

8. Teacher Mentoring: Activities that-

- (A) consist of structured guidance and regular and ongoing support for teachers, especially beginning teachers, that-
 - (i) are designed to help the teachers continue to improve their practice of teaching and to develop their instructional skills; and part of an ongoing developmental induction process that-
 - (I) involves the assistance of an exemplary teacher and other appropriate individuals from a school, local educational agency, or institution of higher education; and
 - (II) may include coaching, classroom observation, team teaching, and reduced teaching loads; and
 - (III) may include the establishment of a partnership by a local educational agency with an institution of higher education.

9. Technology: State-of-the-art technology products and services.

W. ESEA Performance Goals, Indicators, and Performance Reporting: The LEA assures it has adopted the five performance goals and the related performance indicators established by the U. S. Department of Education and as submitted in the *Texas Consolidated State Application for Funds Under the No Child Left Behind Act*. The LEA also assures that it will develop and implement procedures for collecting data related to the performance indicators where such data is not already collected through the Academic Excellence Indicator System (AEIS) or PEIMS and that it will report such data to the Agency in the time and manner requested.

X. Transfer of School Disciplinary Records: The LEA assures it has a procedure in place to transfer disciplinary records, with respect to a suspension or expulsion, to any private or public elementary school or secondary school for any student who is enrolled or seeks, intends, or is instructed to enroll, on a full- or part-time basis, in the school. This requirement shall not apply to any disciplinary records with respect to a suspension or expulsion that are transferred from a private, parochial or other nonpublic school, person, institution, or other entity, that provides education below the college level (P. L. 107-110, section 4155).

Revised 03/03

The signing of Schedule #1 - General Information by applicant indicates acceptance of and compliance with all requirements described on this schedule.

SCHEDULE #6F PROGRAM-SPECIFIC PROVISIONS & ASSURANCES	TEXAS EDUCATION AGENCY Standard Application System School Year 2010-2013	 <u>108915</u> County-District No.
Texas Title I Priority Schools Grant		

Federal Statutory Requirements

- 1) The LEA must demonstrate that the LEA has analyzed the needs of each school and selected an intervention for each school.
- 2) The LEA must demonstrate that it has the capacity to use these grant funds to provide adequate resources and related support to each Tier campus identified in the LEA's application in order to implement, fully and effectively, the required activities of the school intervention model it has selected.
- 3) If the LEA is not applying to serve each Tier I school (through a separate application for each campus), the LEA must explain why it lacks capacity to serve each Tier I school.
- 4) The LEA must describe actions it has taken, or will take, to design and implement interventions consistent with the final federal requirements, including the services the campus will receive or the activities the campus will implement.
- 5) The LEA must describe actions it has taken, or will take, to recruit, screen, and select external providers, if applicable, to ensure their quality.
- 6) The LEA must describe actions it has taken, or will take, to align other resources with the interventions.
- 7) The LEA must describe actions it has taken, or will take, to modify its practices or policies, if necessary, to enable its schools to implement the interventions fully and effectively.
- 8) The LEA must describe actions it has taken, or will take, to sustain the reforms after the funding period ends.
- 9) The LEA must include a timeline delineating the steps it will take to implement the selected intervention in each campus.
- 10) The LEA must describe the annual goals for student achievement on the State's assessments in both reading/language arts and mathematics that it has established in order to monitor its Tier I and Tier II schools that receive school improvement funds.
- 11) As appropriate, the LEA must consult with relevant stakeholders regarding the LEA's application and implementation of school improvement models on its campus.
- 12) Applicant provides assurance that financial assistance provided under the grant program will supplement, and not supplant, the amount of state and local funds allocated to the campus.
- 13) Applicant provides assurance that it will use its School Improvement Grant to implement fully and effectively an intervention in each Tier I and Tier II school that the LEA commits to serve consistent with the final federal requirements.
- 14) Applicant provides assurance that it will establish annual goals for student achievement on the State's assessments in both reading/language arts and mathematics and measure progress on the leading indicators in section III of the final federal requirements in order to monitor each Tier I and Tier II school that it serves with school improvement funds, and establish goals (approved by the TEA) to hold accountable its Tier III schools that receive grant funds.
- 15) Applicant provides assurance that it will, if it implements a restart model in a Tier I or Tier II school, include in its contract or agreement terms and provisions to hold the charter operator, charter management organization (CMO), or education management organization (EMO) accountable for complying with the final federal requirements.
- 16) Applicant provides assurance that it will report to the TEA the school-level data required under section III of the final federal requirements.
- 17) If the LEA/campus selects to implement the **turnaround model**, the campus **must** implement the following federal requirements.
 - a. Replace the principal and grant the principal sufficient operational flexibility (including in staffing, calendars/time, and budgeting) to implement fully a comprehensive approach in order to substantially improve student achievement outcomes and increase high school graduation rates;
 - b. Using locally adopted competencies to measure the effectiveness of staff who can work within the turnaround environment to meet the needs of students;
 1. Screen all existing staff and rehire no more than 50 percent; and
 2. Select new staff.
 - c. Implement such strategies as financial incentives, increased opportunities for promotion and career growth, and more flexible work conditions that are designed to recruit, place, and retain staff with the skills necessary to meet the needs of the students in the turnaround school;
 - d. Provide staff ongoing, high-quality, job-embedded professional development that is aligned with the school's comprehensive instructional program and designed with school staff to ensure that they are equipped to facilitate effective teaching and learning and have the capacity to successfully implement school reform strategies;
 - e. Adopt a new governance structure, which may include, but is not limited to, requiring the school to report to a

Texas Title I Priority Schools Grant

- new "turnaround office" in the LEA or SEA, hire a "turnaround leader" who reports directly to the Superintendent or Chief Academic Officer, or enter into a multi-year contract with the LEA or SEA to obtain added flexibility in exchange for greater accountability;
- f. Use data to identify and implement an instructional program that is research-based and vertically aligned from one grade to the next as well as aligned with State academic standards;
 - g. Promote the continuous use of student data (such as from formative, interim, and summative assessments) to inform and differentiate instruction in order to meet the academic needs of individual students;
 - h. Establish schedules and implement strategies that provide increased learning time (as defined in this notice); and
 - i. Provide appropriate social-emotional and community-oriented services and supports for students.
- 18) If the LEA/campus selects to implement the **turnaround model**, the campus **may** implement the following federal requirements.
1. Any of the required and permissible activities under the transformation model; or
 2. A new school model (e.g., themed, dual language academy).
- 19) If the LEA/campus selects to implement the school **closure model**, the campus **must** implement the following requirement.
- a. Enroll the students who attended that school in other schools in the LEA that are higher achieving within reasonable proximity to the closed school and may include, but are not limited to, charter schools or new schools for which achievement data are not yet available.
 - b. A grant for school closure is a one-year grant without the possibility of continued funding.
- 20) If the LEA/campus selects to implement the **restart model**, the campus **must** implement the following federal requirements.
- a. Convert or close and reopen the school under a charter school operator, a charter management organization (CMO), or an education management organization (EMO) that has been selected through a rigorous review process. A CMO is a non-profit organization that operates or manages charter schools by centralizing or sharing certain functions and resources among schools. An EMO is a for-profit or non-profit organization that provides "whole-school operation" services to an LEA.
 - b. Enroll, within the grades it serves, any former student who wishes to attend the school.
- 21) If the LEA/campus selects to implement the **transformation model**, the campus **must** implement the following federal requirements.
1. Develop and increase teacher and school leader effectiveness.
 - (A) Replace the principal who led the school prior to commencement of the transformation model;
 - (B) Use rigorous, transparent, and equitable evaluation systems for teachers and principals that--
 - (1) Take into account data on student growth as a significant factor as well as other factors such as multiple observation-based assessments of performance and ongoing collections of professional practice reflective of student achievement and increased high school graduation rates; and
 - (2) Are designed and developed with teacher and principal involvement;
 - (C) Identify and reward school leaders, teachers, and other staff who, in implementing this model, have increased student achievement and high school graduation rates and identify and remove those who, after ample opportunities have been provided for them to improve their professional practice, have not done so;
 - (D) Provide staff ongoing, high-quality, job-embedded professional development (e.g., regarding subject-specific pedagogy, instruction that reflects a deeper understanding of the community served by the school, or differentiated instruction) that is aligned with the school's comprehensive instructional program and designed with school staff to ensure they are equipped to facilitate effective teaching and learning and have the capacity to successfully implement school reform strategies; and
 - (E) Implement such strategies as financial incentives, increased opportunities for promotion and career growth, and more flexible work conditions that are designed to recruit, place, and retain staff with the skills necessary to meet the needs of the students in a transformation school.
 2. Comprehensive instructional reform strategies.
 - (A) Use data to identify and implement an instructional program that is research-based and vertically aligned from one grade to the next as well as aligned with State academic standards; and
 - (B) Promote the continuous use of student data (such as from formative, interim, and summative assessments) to inform and differentiate instruction in order to meet the academic needs of

individual students.

3. Increasing learning time and creating community-oriented schools.
 - (A) Establish schedules and strategies that provide increased learning time; and
 - (B) Provide ongoing mechanisms for family and community engagement.
4. Providing operational flexibility and sustained support.
 - (A) Give the school sufficient operational flexibility (such as staffing, calendars/time, and budgeting) to implement fully a comprehensive approach to substantially improve student achievement outcomes and increase high school graduation rates; and
 - (B) Ensure that the school receives ongoing, intensive technical assistance and related support from the LEA, the SEA, or a designated external lead partner organization (such as a school turnaround organization or an EMO).
- 22) An LEA **may** also implement other strategies to develop teachers' and school leaders' effectiveness, such as--
 - (A) Provide additional compensation to attract and retain staff with the skills necessary to meet the needs of the students in a transformation school;
 - (B) Institute a system for measuring changes in instructional practices resulting from professional development; or
 - (C) Ensure that the school is not required to accept a teacher without the mutual consent of the teacher and principal, regardless of the teacher's seniority.
- 23) An LEA **may** also implement comprehensive instructional reform strategies, such as--
 - (A) Conduct periodic reviews to ensure that the curriculum is being implemented with fidelity, is having the intended impact on student achievement, and is modified if ineffective;
 - (B) Implement a schoolwide "response-to-intervention" model;
 - (C) Provide additional supports and professional development to teachers and principals in order to implement effective strategies to support students with disabilities in the least restrictive environment and to ensure that limited English proficient students acquire language skills to master academic content;
 - (D) Use and integrate technology-based supports and interventions as part of the instructional program; and
 - (E) In secondary schools--
 - (1) Increase rigor by offering opportunities for students to enroll in advanced coursework (such as Advanced Placement; International Baccalaureate; or science, technology, engineering, and mathematics courses, especially those that incorporate rigorous and relevant project-, inquiry-, or design-based contextual learning opportunities), early-college high schools, dual enrollment programs, or thematic learning academies that prepare students for college and careers, including by providing appropriate supports designed to ensure that low-achieving students can take advantage of these programs and coursework;
 - (2) Improve student transition from middle to high school through summer transition programs or freshman academies;
 - (3) Increase graduation rates through, for example, credit-recovery programs, re-engagement strategies, smaller learning communities, competency-based instruction and performance-based assessments, and acceleration of basic reading and mathematics skills; or
 - (4) Establish early-warning systems to identify students who may be at risk of failing to achieve to high standards or graduate.
- 24) An LEA **may** also implement other strategies that extend learning time and create community-oriented schools, such as--

SCHEDULE #6F PROGRAM-SPECIFIC PROVISIONS & ASSURANCES	TEXAS EDUCATION AGENCY Standard Application System School Year 2010-2013	108915 County-District No.
Texas Title I Priority Schools Grant		

- (A) Partner with parents and parent organizations, faith- and community-based organizations, health clinics, other State or local agencies, and others to create safe school environments that meet students' social, emotional, and health needs;
 - (B) Extend or restructure the school day so as to add time for such strategies as advisory periods that build relationships between students, faculty, and other school staff;
 - (C) Implement approaches to improve school climate and discipline, such as implementing a system of positive behavioral supports or taking steps to eliminate bullying and student harassment; or
 - (D) Expand the school program to offer full-day kindergarten or pre-kindergarten.
- 25) The LEA **may** also implement other strategies for providing operational flexibility and intensive support, such as--
- (A) Allow the school to be run under a new governance arrangement, such as a turnaround division within the LEA or SEA; or
 - (B) Implement a per-pupil school-based budget formula that is weighted based on student needs.

Statutory Program Assurances

- 1) Applicant provides assurance that financial assistance provided under the grant program will supplement, and not supplant, the amount of state and local funds allocated to the campus.
- 2) Applicant provides assurance that it will use its School Improvement Grant to implement fully and effectively an intervention in each Tier I and Tier II school that the LEA commits to serve consistent with the final federal requirements.
- 3) Applicant provides assurance that it will establish annual goals for student achievement on the State's assessments in both reading/language arts and mathematics and measure progress on the leading indicators in section III of the final federal requirements in order to monitor each Tier I and Tier II school that it serves with school improvement funds, and establish goals (approved by the TEA) to hold accountable its Tier III schools that receive school improvement funds.
- 4) Applicant provides assurance that it will, if it implements a restart model in a Tier I or Tier II school, include in its contract or agreement terms and provisions to hold the charter operator, charter management organization, or education management organization accountable for complying with the final federal requirements.
- 5) Applicant provides assurance that it will report to the TEA the school-level data required under section III of the final federal requirements.
- 6) Applicant provides assurance that it will participate in any evaluation of the grant conducted by the U.S. Department of Education, including its contractors, or the Texas Education Agency, including its contractors.

TEA Program Assurances

1. Before full implementation funds are made available, the grantee must demonstrate that all early implementation activities have been completed. Successful completion of the early implementation will be measured in the **Quarterly Implementation Reports**, the **Model Selection and Description Report**, and through participation in TEA technical assistance. Copies of the above named reports can be found on the TTIPS website at the following link: http://www.tea.state.tx.us/index4.aspx?id=7354&menu_id=798
 - a. The Model Selection and Description Report must be submitted to TEA no later than **February 1, 2011**. This report may be submitted at any time prior to the deadline. Grantees must demonstrate successful completion of the following activities:
 - i. Comprehensive Needs Assessment process.
 - ii. Establish the grant budget by the required categories.
 - iii. Identification and Selection of the intervention model.
 - iv. Development of activities to implement selected intervention model.
 - v. Development of Timeline of Grant Activities.
- 2) The applicant provides assurance that the LEA will designate an individual or office with primary responsibilities for supporting the LEA/campus' school improvement efforts. This individual/office will have primary responsibility and authority for ensuring the effective implementation of the grant option approved by TEA; serve as the district liaison to TEA and those providing technical assistance and/or contracted service to the LEA/campus as part of the approved grant.
- 3) The applicant provides assurance that a team from the grantee LEA/campus will attend and participate in grant orientation meetings, technical assistance meetings, other periodic meetings of grantees, the Texas School Improvement Conference, and sharing of best practices.

- 4) For LEAs selecting the TEA Designed Model, the applicant must participate in and make use of technical assistance and coaching support provided by TEA, SIRC, and/or its subcontractors.
- 5) The applicant will establish or provide evidence of a system of formative assessment aligned to the Texas Essential Knowledge and Skills which provides robust, targeted data to evaluate the effectiveness of the LEA's curriculum and its alignment with instruction occurring on the campus; assesses progress on student groups' academic achievement at the campus level; and guide instructional decisions by teachers for individual students.
- 6) The applicant will participate in a formative assessment of the LEA's capacity and commitment to carry out the grant intervention models.
- 7) The applicant will provide access for onsite visits to the LEA and campus by TEA, SIRC and its contractors.
- 8) The applicant, if selecting the Restart Model, agrees to contract only with CMO or EMO providers on the State's approved list of CMO and EMO providers.
- 9) The applicant, if selecting the Turnaround Model or Transformation Model (Tiers I and Tiers II only) agrees to the participation of the campus principal or principal candidates in a formative assessment of their turnaround leadership capacity.
- 10) If the LEA/Tier III campus selects to implement the transformation model, the campus assures that it will it implement the following federal requirements.
 1. Develop and increase teacher and school leader effectiveness.
 - A. Evaluate the effectiveness of the current principal and use the results of the evaluation to determine whether the principal should be replaced, be retained on the campus, or be provided leadership coaching or training.
 - B. Identify and reward school leaders, teachers, and other staff who, in implementing this model, have increased student achievement and high school graduation rates and identify and remove those who, after ample opportunities have been provided for them to improve their professional practice, have not done so;
 - C. Provide staff ongoing, high-quality, job-embedded professional development (e.g., regarding subject-specific pedagogy, instruction that reflects a deeper understanding of the community served by the school, or differentiated instruction) that is aligned with the school's comprehensive instructional program and designed with school staff to ensure they are equipped to facilitate effective teaching and learning and have the capacity to successfully implement school reform strategies; and
 - D. Implement such strategies as financial incentives, increased opportunities for promotion and career growth, and more flexible work conditions that are designed to recruit, place, and retain staff with the skills necessary to meet the needs of the students in a transformation school based on rigorous, transparent, and equitable evaluation systems for teachers and principals:
 1. Takes into account data on student growth as a factor as well as other factors such as multiple observation-based assessments of student performance and ongoing collections of professional practice reflective of student achievement and increased high school graduation rates; and
 2. Are designed and developed and with teacher and principal involvement
 2. Comprehensive instructional reform strategies.
 - A. Use data to identify and implement an instructional program that is research-based and vertically aligned from one grade to the next as well as aligned with State academic standards; and
 - B. Promote the continuous use of student data (such as from formative, interim, and summative assessments) to inform and differentiate instruction in order to meet the academic needs of individual students.
 3. Increasing learning time and creating community-oriented schools.
 - A. Establish schedules and strategies that provide increased learning time; and
 - B. Provide ongoing mechanisms for family and community engagement.
 4. Providing operational flexibility and sustained support.
 - A. Give the school sufficient operational flexibility (such as staffing, calendars/time, and budgeting) to implement fully a comprehensive approach to substantially improve student achievement outcomes and increase high school graduation rates; and
 - B. Ensure that the school receives ongoing, intensive technical assistance and related support from the LEA, the SEA, or a designated external lead partner organization (such as a school turnaround organization or an EMO).
- 11) An LEA **may** also implement other strategies to develop teachers' and school leaders' effectiveness, such as--
 - A. Provide additional compensation to attract and retain staff with the skills necessary to meet the needs of the students in a transformation school;
 - B. Institute a system for measuring changes in instructional practices resulting from professional development; or
 - C. Ensure that the school is not required to accept a teacher without the mutual consent of the teacher and principal, regardless of the teacher's seniority.

- 12) An LEA **may** also implement comprehensive instructional reform strategies, such as--
- Conduct periodic reviews to ensure that the curriculum is being implemented with fidelity, is having the intended impact on student achievement, and is modified if ineffective;
 - Implement a school wide "response-to-intervention" model;
 - Provide additional supports and professional development to teachers and principals in order to implement effective strategies to support students with disabilities in the least restrictive environment and to ensure that limited English proficient students acquire language skills to master academic content;
 - Use and integrate technology-based supports and interventions as part of the instructional program; and
 - In secondary schools--
 - Increase rigor by offering opportunities for students to enroll in advanced coursework (such as advanced Placement; International Baccalaureate; or science, technology, engineering, and mathematics courses, especially those that incorporate rigorous and relevant project-, inquiry-, or design-based contextual learning opportunities), early-college high schools, dual enrollment programs, or thematic learning academies that prepare students for college and careers, including by providing appropriate supports designed to ensure that low-achieving students can take advantage of these programs and coursework;
 - Improve student transition from middle to high school through summer transition programs or freshman academies;
 - Increase graduation rates through, for example, credit-recovery programs, re-engagement strategies, smaller learning communities, competency-based instruction and performance-based assessments, and acceleration of basic reading and mathematics skills; or
 - Establish early-warning systems to identify students who may be at risk of failing to achieve to high standards or graduate.
- 13) An LEA **may** also implement other strategies that extend learning time and create community-oriented schools, such as--
- Partner with parents and parent organizations, faith- and community-based organizations, health clinics, other State or local agencies, and others to create safe school environments that meet students' social, emotional, and health needs;
 - Extend or restructure the school day so as to add time for such strategies as advisory periods that build relationships between students, faculty, and other school staff;
 - Implement approaches to improve school climate and discipline, such as implementing a system of positive behavioral supports or taking steps to eliminate bullying and student harassment; or
 - Expand the school program to offer full-day kindergarten or pre-kindergarten.
- 14) The LEA may also implement other strategies for providing operational flexibility and intensive support, such as--
- Allow the school to be run under a new governance arrangement, such as a turnaround division within the LEA or SEA; or
 - Implement a per-pupil school-based budget formula that is weighted based on student needs.
- 15) The LEA/campus assures TEA that data to meet the following federal requirements will be available and reported as requested.
- Number of minutes within the school year.
 - Average scale scores on State assessments in reading/language arts and in mathematics, by grade, for the "all students" group, for each achievement quartile, and for each subgroup.
 - Number and percentage of students completing advanced coursework (e.g., AP/IB), early-college high schools, or dual enrollment classes. (High Schools Only)
 - College enrollment rates. (High Schools Only)
 - Teacher Attendance Rate
 - Student Completion Rate
 - Student Drop-Out Rate
 - Locally developed competencies created to identify teacher strengths/weaknesses
 - Types of support offered to teachers
 - Types of on-going, job-embedded professional development for teachers
 - Types of on-going, job-embedded professional development for administrators
 - Strategies to increase parent/community involvement
 - Strategies which increase student learning time

Texas Title I Priority Schools Grant		

By submitting the application for American Recovery and Reinvestment Act (ARRA) funds (P.L. 111-5), the applicant agrees to comply with the following provisions and assurances for all programs authorized in Division A of the ARRA, Title I School Improvement Grant (SIG). The applicant understands that failure to comply with one or more of these provisions and assurances may result in the Texas Education Agency (TEA) taking one or more enforcement actions authorized in Title 34 of the Code of Federal Regulations (CFR) §§ 74.62 and 80.43.

In addition to the standard terms of award, all funding provided under the Recovery Act will be subject to the provisions, assurances and conditions for American Recovery and Reinvestment Act of 2009 (ARRA or Recovery Act).

Terms defined:

RECIPIENT – The term “recipient” means a State and includes the Texas Education Agency (TEA). It also includes any entity that applies for and receives a grant directly from the federal government.

RECOVERY FUNDS – The term “recovery funds” means any funds that are made available from appropriations made under the Recovery Act.

RECOVERY ACT – the American Recovery and Reinvestment Act (ARRA) of 2009 (P.L. 111-5)

STIMULUS FUNDS – The term “stimulus funds” means any funds that are made available from appropriations under the Recovery Act; the term may be used interchangeably with “recovery funds.”

GRANTEE – the subrecipient of TEA and applicant of funds.

A. One-Time Funding: Unless otherwise specified, ARRA funding is considered one-time funding that is expected to be temporary. Grantees should expend funds in ways that do not result in unsustainable continuing commitments after the funding expires. Grantees must move rapidly, while using prudent grant management practices, to develop plans for using funds, consistent with the ARRA’s reporting and accountability requirements, and promptly begin spending funds to help drive the nation’s economic recovery. All ARRA funds must be separately accounted for and tracked in their obligation, expenditure, and reporting.

B. Period of Availability and Encumbrances/Obligations: Unless otherwise specified in the Notice of Grant Award (NOGA), all funds are effective from the beginning date specified on the Notice of Grant Award (NOGA) through June 30, 2013. Carryover of funds will not be available beyond that date. Unobligated/unexpended funds will be returned to the Department of Treasury. The paragraph in the General Provisions pertaining to Encumbrances and Obligations applies as follows:

All encumbrances shall occur on or between the beginning and ending dates of the contract. All goods must be received and services rendered and subsequently liquidated (recorded as an expenditure or accounts payable) within the contract dates. In no manner shall encumbrances be considered or reflected as accounts payable or as expenditures. Obligations that are liquidated and recognized as expenditures must meet the allowable cost principles in OMB Circular A-87, A-21, or A-122 (as applicable) and program rules, regulations, and guidelines contained elsewhere. When an obligation is made is defined in 34 CFR 76.707.

C. Compliance with Other Provisions and Assurances: All provisions and assurances stated in the General Provisions, Certification Regarding Debarment and Suspension, Lobbying Certification and Disclosure of Lobbying, No Child Left Behind Act (NCLB) Special Provisions and Assurances, and all other program-specific provisions and assurances apply unless they conflict or are superseded by the following terms and conditions implementing the American Recovery and Reinvestment Act of 2009 (ARRA) requirements below. This includes compliance with Title VI of the Civil Rights Act of 1964; Section 504 of the Rehabilitation Act of 1973; Title IX of the Education Amendments of 1972; the Age Discrimination Act of 1975; and all other nondiscrimination provisions. It also includes Title VII of the Civil Rights Act of 1964 (prohibiting race, color, national origin, religion, and sex discrimination in employment; the Americans with Disabilities Act (prohibiting disability discrimination in employment and in services provided by entities receiving federal funds); as well as any other applicable civil rights laws. **By submitting this application, the applicant agrees to comply with all such provisions and assurances.**

D. Compliance with Other Program Statutes: The applicant agrees to comply with the authorizing program statutes, regulations, non-regulatory guidelines, and other guidance in the implementation of the programs receiving funding under ARRA. This includes compliance with comparability; supplement, not supplant; maintenance of effort (MOE); equitable participation for private nonprofit school students and teachers; and all other program-specific provisions and requirements. All such are hereby incorporated by reference.

E. DUNS Number: All entities receiving any federal funds, including ARRA funds, are required to have a DUNS (Dunn & Bradstreet) number. The DUNS number serves as the grantee organization's unique identifier for reporting federal funds received and expended. TEA must use this same DUNS number to report grant awards and expenditures for subrecipients under ARRA to the website specifically provided for in ARRA – <http://www.FederalReporting.gov/>. The assignment of a DUNS number is a condition of award of ARRA funds and must be validated by TEA prior to issuing a NOGA for ARRA funds. (Section 1512[c][4] of ARRA and the federal Office of Management and Budget (OMB) to comply with the Federal Funding Accountability and Transparency Act [FFATA], P.L. 109-282. OMB adopted the DUNS number as the "unique identifier" required for reporting under FFATA).

F. Central Contractor Registration (CCR): All grantees receiving ARRA funds, as well as any other federal funds, are required to register and maintain current registration with the Central Contractor Registration (CCR) database at <http://www.ccr.gov>. Registration in CCR is a condition of award of ARRA funds and must be validated by TEA prior to issuing a NOGA for ARRA funds.

G. ARRA Reporting Requirements: The federal Office of Management and Budget (OMB) has issued guidance related to reporting the use of ARRA funds to the various websites. The definition of terms and data elements, as well as any specific instructions for reporting, including required formats, are provided in separate guidance issued by the TEA.

The Texas Education Agency as a direct recipient of funds is required to report certain information at certain intervals throughout the grant period as required in Section 1512 of ARRA. In order to meet the reporting requirements, grantees will be required to provide certain information to TEA. By submitting this application, the grantee agrees to provide information in the form, time, and manner requested so that TEA can meet its reporting requirements and deadlines.

- 1. Separate Tracking and Monitoring of ARRA Funds:** ARRA funds must be separately tracked and monitored independently of any non-Recovery Act funding. Grantees must submit certain information to TEA in order for TEA to comply with quarterly reporting requirements established in Section 1512 of the Recovery Act. Recovery Act-related reporting requirements are incorporated as a special condition of this award.

3. **Quarterly Reporting for ARRA:** Not later than 10 calendar days after the end of each calendar quarter, TEA and any other **direct** recipient of ARRA funds must report to the U.S. Department of Education with regard to recovery funds received in accordance with number 4 below (Section 1512[c]). (A "direct recipient" is a state agency or any entity that applies for and receives funds **directly** from a federal government agency.) TEA must obtain certain information from grantees in order to comply with this reporting requirement. By submitting this application, the grantee agrees to submit information to TEA in the time, form, and manner requested.
4. **Data Elements for Quarterly Reporting for ARRA:** In accordance with Section 1512(c) of ARRA and the Federal Funding Accountability and Transparency Act of 2006 (Public Law 109-282), TEA is required to provide quarterly reports to the U.S. Department of Education or through a central government-wide portal (<http://www.FederalReporting.gov>). The information adopted by OMB contains the following data elements: submitting this application, the grantee agrees to submit the information to TEA in the time, form, and manner requested. The information may change pending final adoption by OMB.

For each grant that equals or exceeds \$25,000 in total grant award amount:

- a. The grantee organization's DUNS number (TEA will need to collect this information from grantees)
- b. The grant award number (i.e., NOGA ID number) assigned by TEA (TEA will have this information on file)
- c. The legal name of the grantee organization (as registered in the Central Contractor Registration (CCR), if registered) (TEA will have this information on file provided it is the same legal name on file with TEA)
- d. The physical location (street address) (as listed in the CCR, if registered) (TEA will have this information on file provided it is the same street address on file with TEA)
- e. The (federal) Congressional district number
- f. The grantee organization type (i.e., independent school district, nonprofit organization, etc) (TEA will have this information on file)
- g. The total amount of the grant award (TEA will have this information on file)
- h. The total amount paid to the grantee as of date of report (TEA will have this information on file)
- i. The physical location (street address) of the primary place of performance of the grant (TEA will have this information on file provided it is the same address on file with TEA.)
- j. An evaluation (i.e., status report) of the completion status of the project or activity (for example, Not Started; Less than 50% Completed; Completed 50% or More; Fully Completed) (It is not clear at this time whether this information will need to be collected from the grantees. TEA will notify the grantee in the event status information needs to be collected.)
- k. An estimate of the number of jobs created and the number of jobs retained by the project or activity and a brief description of the types of those jobs (i.e., job titles) (TEA will need to collect this information from grantees.)
- l. The names and total compensation of the five most highly compensated officers of the grantee organization if the organization in its preceding year received 80% or more of its annual gross revenues in Federal awards and \$25,000,000 or more in annual gross revenues from Federal awards and the public does not have access to information about the compensation of senior executives. (It is not known at this time whether this data element will be required once the data elements are finalized by OMB. If it is required in the final data elements, TEA will need to collect this information from the grantees.)

For grants that equal less than \$25,000 in total grant award amount or for grantees that in the previous tax year had gross income under \$300,000, amounts will be reported in the aggregate according to the following:

- a. The total number of grants awarded less than \$25,000 (TEA will have this information file)
- b. The total award (aggregate) amount for all grants less than \$25,000 (TEA will have this information on file)
- c. The total (aggregate) amount paid to grantees for all grants less than \$25,000 as of date of report (TEA will have this information on file)

5. **Posting the Information on Public Website:** Not later than 30 days after the end of each calendar quarter, each federal agency, including the U.S. Department of Education, shall make the information in those reports publicly available by posting the information on the designated public website (Section 1512[d]). Grantees will not be required to post information on the public website unless they apply for and receive other ARRA grants directly from a federal government agency.

Once OMB adopts the final data reporting elements and TEA receives specific instructions for reporting, TEA will provide subsequent guidance to grantees related to required reporting information.

H. Electronic Drawdown of ARRA Funds from TEA and Use of FAR Fund Codes: Recipients will draw down ARRA funds on an award-specific basis. **Pooling of ARRA award funds with other funds for drawdown or other purposes is not permitted.** Recipients must account for each ARRA award separately by referencing the assigned FAR (Financial Accounting and Resource) fund code for each award.

I. Availability of Records: The applicant agrees to make all financial and programmatic records available in detail for inspection by TEA auditors, local independent auditors, and the offices described below.

1. **Examination of Records:** The Comptroller General of the United States and any of its employees, contractors, agents, representatives, or designees, may examine any records related to obligations and use by any state or local government of funds made available under ARRA. (Section 901[b]).
2. **Access of Government Accountability Office (GAO):** Each contract and each subcontract awarded using funds made available under ARRA shall provide that the Comptroller General of the United States and his representatives are authorized to examine any records of the contractor or any of its subcontractors, or any State or local agency administering such contract, that directly pertain to, and involve transactions relating to, the contract or subcontract and to interview any officer or employee of the contractor or any of its subcontractors, or of any State or local government agency administering the contract, regarding such transactions (Section 902).
3. **Reviews by Inspector General:** The inspector general of the U.S. Department of Education shall review, as appropriate, any concerns raised by the public about specific investments using funds made available in this Act. Any findings of such reviews shall be relayed immediately to the Secretary of Education. In addition, the findings of such reviews, along with any audits conducted by any inspector general of ARRA funds, shall be posted on the inspector general's website and linked to the recovery.gov website, except that portions of reports may be redacted to the extent the portions would disclose information that is protected from public disclosure under sections 552 and 552a of Title 5, United States Code (Section 1514).
4. **Access of Offices of Inspector General to Certain Records and Employees:** With respect to each contract or grant awarded using ARRA funds, any representative of an Inspector General of the U.S. Department of Education or other appropriate federal agency is authorized to examine any records of the contractor or grantee, any of its subcontractors or subgrantees, or any State or local agency administering such contract, that pertain to, and involve transactions relating to, the contract, subcontract, grant, or subgrant, and to interview any officer or employee of the contractor, grantee, subgrantee, or agency regarding such transactions (Section 1515).
5. **Recovery Accountability and Transparency Board:** Section 1521 of the ARRA establishes the Recovery Accountability and Transparency Board to coordinate and conduct oversight of ARRA funds to prevent fraud, waste, and abuse. The Board shall submit "flash reports" on potential management and funding problems that require immediate attention; quarterly reports; and annual reports to the President and Congress, including the Committees on Appropriations of the Senate and House of Representatives, summarizing the findings on the use of ARRA funds. The Board may conduct its own independent audits and reviews of ARRA funds. All reports shall be made publicly available on the www.recovery.gov website established by the Board. See paragraphs J and K below with regard to reports of suspected fraud or abuse (Sections 1523 and 1524).

6. **Recovery Independent Advisory Panel:** Section 1541 of the ARRA establishes the Recovery Independent Advisory Panel to make recommendations to the Recovery Accountability and Transparency Board on action the Board could take to prevent fraud, waste, and abuse relating to ARRA funds.

J. Disclosure of Fraud or Misconduct: Each grantee awarded funds made available under the ARRA shall promptly refer to the USDE Office of Inspector General any credible evidence that a principal, employee, agent, contractor, subrecipient, subcontractor, or other person has submitted a false claim under the False Claims Act or has committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving those funds.

K. Protection for Whistleblowers: Section 1553 of the ARRA provides protection for State and local government and contractor whistleblowers. Any employee of any employer receiving ARRA funds may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing, including a disclosure made in the ordinary course of an employee's duties, to the Recovery Accountability and Transparency Board, an inspector general, the U. S. Comptroller General, a member of Congress, a State or federal regulatory or law enforcement agency, a person with supervisory authority over the employee (or such other person working for the employer who has the authority to investigate, discover, or terminate misconduct), a court or grand jury, the head of a federal agency, or their representatives, information that the employee reasonably believes is evidence of (1) gross mismanagement of an agency contract or grant relating to ARRA funds; (2) a gross waste of ARRA funds; (3) a substantial and specific danger to public health or safety related to the implementation or use of ARRA funds; (4) an abuse of authority related to the implementation or use of ARRA funds; or (5) a violation of law, rule, or regulation related to an agency contract (including the competition for or negotiation of a contract), or grant, awarded or issued relating to ARRA funds. A person who believes that he or she has been subjected to a reprisal may submit a complaint regarding the reprisal to the inspector general for the appropriate federal agency (in most cases, the U.S. Department of Education).

L. Use of Funds: The grantee agrees to comply with the applicable federal cost principles in the obligation and expenditure of ARRA funds as identified in the General Provisions and Assurances as well as other limitations or restrictions and expenditures identified therein. The grantee also agrees to the following:

1. **Consolidation of ARRA Administrative Funds:** Due to the significant reporting requirements under ARRA, **it is not known at this time whether grantees may consolidate ARRA administrative funds with other NCLB consolidated administrative funds.** TEA will issue further guidance with regard to this provision once guidance is provided by the U.S. Department of Education. If ARRA funds are permitted to be consolidated with other NCLB consolidated administrative funds, grantees must still be able to report the types and number of jobs that were created or saved with ARRA funds.
2. **Combining ARRA funds on a Schoolwide Program.** ARRA funds are permitted to be used on a Title I Part A schoolwide Campus/Program, funds may be combined with other funding sources, but grantees still must be able to identify precisely the items of obligation and expenditure for ARRA reporting. You must also be able to report the types and number of jobs that were created or saved with ARRA funds.
3. **Special Contracting Provisions:** To the maximum extent possible, contracts funded under the ARRA shall be awarded as fixed-price contracts through the use of competitive procedures. A summary of any new contract awarded with ARRA funds that is not fixed-price and not awarded using competitive procedures shall be posted in a special section of the www.recovery.gov website established by the Recovery Accountability and Transparency Board (Section 1554).

4. **Use of Funds for Certain Expenditures Prohibited:** ARRA funds shall not be used for any casino or other gambling establishment, aquarium, zoo, golf course, or swimming pool (Section 1604).
5. **Use of Funds for Construction Prohibited:** Unless specifically authorized in the applicable program statute, regulations, guidelines, Request for Application (RFA), TEA Standard Application System (SAS), the approved grant application, or other written authorization, none of the ARRA additional formula funds shall be used for construction, remodeling, or renovation.
6. **Buy American - Use of American Iron, Steel, and Manufactured Goods:** If construction is allowed and approved pursuant to the previous paragraph pertaining to "Use of Funds for Construction Prohibited", none of the funds may be used for the construction, alteration, maintenance, or repair of a public building or public work unless all of the iron, steel, and manufactured goods used in the project are produced in the United States unless waived by the Secretary of Education (Section 1605).
7. **Wage Rate Requirements for Contracted Laborers and Mechanics- Compliance with the Davis-Bacon Act:** Subject to further clarification issued by the Office of Management and Budget, and notwithstanding any other provision of law and in a manner consistent with other provisions of ARRA, all laborers and mechanics employed by contractors and subcontractors on projects funded directly by or assisted in whole or in part by and through the Federal Government pursuant to this award shall be paid wages at rates not less than those prevailing on projects of a character similar in the locality as determined by the Secretary of Labor in accordance with subchapter IV of chapter 31 of title 40, United States Code. With respect to the labor standards specified in this section, the Secretary of Labor shall have the authority and functions set forth in Reorganization Plan Numbered 14 of 1950 (64 Stat. 1267; 5 U.S.C. App.) and section 3145 of title 40, United States Code (Section 1606).

M. Compliance with OMB Circular A-133 Audits and Schedule of Expenditures of Federal Awards:

Grantees agree to separately identify the expenditures for each grant award funded under ARRA as required by Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations" and to comply with all other provisions of the Single Audit Act and OMB Circular A-133.

The signing of Schedule #1 - General Information by applicant indicates acceptance of and compliance with all requirements described on this schedule
