Texas Title I Priority Schools Grant

Schedule #4—Program Summary and Application Requirements

Part 1: Grant Program Information;

Summary of Program: Purpose and Goals

School Improvement Grants, authorized under section 1003(g) of Title I of the Elementary and Secondary Education Act of 1965 (Title I or ESEA) as amended by ARRA, are grants, through the Texas Education Agency, to local educational agencies (LEAs) for use in Title I schools identified for improvement, corrective action, or restructuring and other eligible campuses that demonstrate the greatest need for the funds and the strongest commitment to use the funds to provide adequate resources in order to raise substantially the achievement of their students so as to enable the schools to make adequate yearly progress and exit improvement status. Under the final requirements, as amended through the interim final requirements published in the Federal Register in January 2010 school improvement funds are to be focused on each State's "Tier I" and "Tier II" schools.

Tier I schools are a State's persistently lowest-achieving Title I schools in improvement, corrective action, or restructuring and certain Title I eligible elementary schools that are as low achieving as the State's other Tier I schools. Tier II schools are a State's persistently-lowest achieving secondary schools that are eligible for, but do not receive, Title I, Part A funds and certain additional Title I eligible secondary schools that are as low achieving as the State's other Tier II schools or that have had a graduation rate below 60 percent over a number of years. An LEA may also use school improvement funds in Title I schools in improvement, corrective action, or restructuring that are not identified as persistently lowest-achieving schools and certain additional Title I eligible schools ("Tier III schools").

In the Tier I and Tier II schools an LEA chooses to serve, the LEA must implement one of four school intervention models: turnaround model, restart model, school closure, or transformation model.

Allowable Activities

Tier I and Tier II Grantees

- Grantees must expend grant funds for the required activities delineated for the selected intervention model as defined in the final federal regulations.
- Grantees may expend grant funds for the permissible activities delineated for the selected intervention model as defined in the final federal regulations.
- Grantees may expend grant funds for other school improvement activities deemed needed to address identified needs not addressed by the intervention model selected.

Tier III Grantees

- Tier III grantees may select one of the four intervention models in the federal regulations or the state's Tier III Transformation Model.
- If selecting one of the four models in the federal regulations, grantees must expend grant funds for the required activities delineated for the selected intervention model as defined in the final federal regulations. Grantees may expend grant funds for the permissible activities delineated for the selected intervention model as defined in the final federal regulations.
- Grantees may expend grant funds for other school improvement activities deemed needed to address identified needs not addressed by the intervention model selected.

In addition, a Tier I, Tier II, Tier III grantee campus that has implemented, in whole or in part, either the Turnaround, Restart, or Transformation models within the last two years may continue or complete the implementation of the intervention model with the TTIPS grant funds. For example, if a grantee campus has replaced its principal within the last two years, the LEA/campus will not be required to hire another new principal. An LEA/campus that receives TTIPS SIG funds in accordance with this flexibility must fully implement the selected model as required by the final federal requirements. In other words, if the school had been implementing the model only in part, it must use the funds it receives to expand its implementation so that it fully complies with the federal regulatory requirements.

The detailed required and permissible activities for each intervention model, as defined in the final federal regulations are listed on Schedule #4—Program Requirements and are incorporated by reference herein.

Section C: Process Responses are limited to the space provided, front side only, with a font size no smaller than 9 point (Arial or Verdana).		
Describe, in detail, the process the LEA and campus followed/will follow to identify the needs of the campus.		
<p>Our Campus Educational Improvement Council is comprised of parents, community members, teachers, counselors, and administrators. The CEIC meets monthly and makes recommendations to the administrative team. Our CEIC met to review and analyze the results of TAKS, TELPAS, ISIP (TPRI), ITBS and AYP. The CEIC also reviewed data from Region 16 Middle School campus snapshot, parent surveys, and teacher surveys. After analyzing the AYP data over the past three years, we discovered a lack of comparable achievement for our Special Education students, our Limited English Proficiency students, and our Hispanic population in both Math and Reading. The CEIC also reviewed and analyzed the longitudinal data from other state testing and norm referenced testing which supported the longitudinal data from the AYP results. The CEIC identified the need to make a concerted effort to improve special population achievement while maintaining/improving all other students' achievement.</p>

Sunray Middle CEIC has recommended select Option 2 for Tier III Transformational Model: Sunray Middle is in need of foundational technical assistance. Sunray Middle wishes to delay full implementation of the grant until receiving foundational technical assistance from TEA, SIRC and/or ESC 16. We hope to have the foundational technical assistance and their recommendations completed prior to January 2011 and are ready to fully implement the grant by that date.

- L. Financial Management and Accounting:** Grantee assures it will maintain a financial management system that complies with federal standards established in 34 CFR 80.20 and 74.21 and that provides for accurate, current, and complete disclosure of the financial results of each grant project. The financial management system records will identify adequately the source and application of funds and will contain information pertaining to grant awards, authorizations, obligations, unobligated balances, assets, outlays (i.e., expenditures), income, and interest. Fiscal control and accounting procedures will permit the tracing of funds to a level of expenditure adequate to establish that funds have been used in accordance with the approved grant application. The applicant agrees to maintain effective control over and accountability for all funds, property, and other assets. Public school districts, open enrollment charter schools, and regional education service centers in Texas must comply with the accounting requirements in the Financial Accounting and Reporting (FAR) module of the *Financial Accountability System Resource Guide*, Texas Education Agency (34 CFR 74.21; 34 CFR 80.20; TEA *Financial Accountability System Resource Guide*).

- O. Records Retention:** Contractor shall maintain its records and accounts in a manner which shall assure a full accounting for all funds received and expended by Contractor in connection with the contract project. These records and accounts shall be retained by Contractor and made available for programmatic or financial audit by Agency and by others authorized by law or regulation to make such an audit for a period of not less than five years from the date of completion of the contract project or the date of the receipt by Agency of Contractor's final claim for payment or final expenditure report in connection with this contract, whichever is later. If an audit has been announced, the records shall be retained until such audit has been completed.
- Contractor understands that acceptance of funds under this contract acts as acceptance of the authority of the State Auditor's office, or any successor agency, to conduct an audit or investigation in connection with those funds. Contractor further agrees to cooperate fully with the State Auditor's Office or its successor in the conduct of the audit or investigation, including providing all records requested. Contractor will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Contractor and the requirements to cooperate is included in any subcontract it awards.

Agency shall be responsible for reporting to the proper authorities any failure by Contractor to comply with the foregoing laws and regulations coming to Agency's attention, and may deny payment or recover payments made by Agency to Contractor in the event of Contractor's failure so to comply.
- R. Intellectual Property Ownership:** Contractor agrees that all Works are, upon creation, works made for hire and the sole property of TEA. If the Works are, under applicable law, not considered works made for hire, Contractor hereby assigns to TEA all worldwide ownership of all rights, including the Intellectual Property Rights, in the Works, without the necessity of any further consideration, and TEA can obtain and hold in its own name all such rights to the Works. Contractor agrees to maintain written agreements with all officers, directors, employees, agents, representatives and subcontractors engaged by Contractor for the Contract Project, granting Contractor rights sufficient to support the performance and grant of rights to TEA by Contractor. Copies of such agreements shall be provided to TEA promptly upon request.

- V. Capital Outlay:** If Contractor purchases capital outlay (furniture and/or equipment) to accomplish the objective(s) of the project, title will remain with Contractor for the period of the contract. Any amount over this limit must come from local funding sources. Applicant must recover funds at a lesser rate if local policy amounts are less than the maximum allowed by the state. Out-of-state travel may not exceed the federal government rate for the locale. Travel allowances are not allowable costs.
- Y. Funds for Religious Worship, Instruction:** No funds will be used to pay for religious worship, instruction, or proselytization, or for any equipment or supplies for such, or for any construction, remodeling, repair, operation, or maintenance of any facility or part of a facility to be used for religious worship, instruction, or proselytization (34 CFR 76.532 and P. The grantee has a continuing obligation to make disclosures through the term of the contract. Failure to comply with State Board of Education Operating Rule 4.3 is grounds for canceling the grant.
- AA. Submission of Audit Reports to TEA:** Grantees which are public school districts and open enrollment charter schools agree to submit the required annual audit report, including the reporting package required under OMB Circular A-133, if an audit is required to be conducted in accordance with OMB Circular A-133, to the TEA Division of School Financial Audits in the time and manner requested by the Agency.

- A **nonprofit organization or university/college** grantee shall provide written notification to TEA that an audit was conducted in accordance with OMB Circular A-133 when the schedule of findings and questioned costs disclosed no audit findings related to any federal awards provided by TEA or when the summary schedule of prior audit findings did not report on the status of any prior audit findings related to any federal awards provided by TEA. Nonprofit organizations (other than charter schools) and universities/colleges shall submit the audit report to the TEA Division of Discretionary Grants. Audit reports must be submitted to TEA within 30 days of receipt of the report from the auditor. Failure to submit a copy of the audit to TEA could result in a reduction of funds paid to the grantee, a refund to TEA, termination of the grant, and/or ineligibility to receive additional grant awards from TEA.
- BB. Federal Rules, Laws, and Regulations That Apply to all Federal Programs:** Contractor shall be subject to and shall abide by all federal laws, rules and regulations pertaining to the contract project, including but not limited to:

- I. Before the application was submitted, the applicant afforded a reasonable opportunity for public comment on the application and has considered such comment.
- J. **Gun-Free Schools Act:** The local education agency assures that it is in compliance with Section 37.007(e) of the Texas Education Code, which requires expulsion of a student who brings to school or possesses at school a firearm as defined by 18 U.S.C. Section 2891 [pursuant to the requirements in P. L. 107-110, Section 4141(d)(1)]. In addition, the local educational agency certifies that it has a policy requiring referral to the criminal justice or juvenile delinquency system of any student who brings a firearm or weapon to school [P. The applicant understands that failure to comply with one or more of these provisions and assurances may result in the Texas Education Agency (TEA) taking one or more enforcement actions authorized in Title 34 of the Code of Federal Regulations (CFR) §§ 74.62 and 80.43.

In addition to the standard terms of award, all funding provided under the Recovery Act will be subject to the provisions, assurances and conditions for American Recovery and Reinvestment Act of 2009 (ARRA or Recovery Act).

Terms defined:

RECIPIENT – The term “recipient” means a State and includes the Texas Education Agency (TEA). It also includes any entity that applies for and receives a grant directly from the federal government.

RECOVERY FUNDS –The term “recovery funds” means any funds that are made available from appropriations made under the Recovery Act.

RECOVERY ACT – the American Recovery and Reinvestment Act (ARRA) of 2009 (P.L. 111-5)

STIMULUS FUNDS – The term “stimulus funds” means any funds that are made available from appropriations under the Recovery Act; the term may be used interchangeably with “recovery funds.”

GRANTEE – the subrecipient of TEA and applicant of funds.

A. One-Time Funding: Unless otherwise specified, ARRA funding is considered one-time funding that is expected to be temporary. Grantees should expend funds in ways that do not result in unsustainable continuing commitments after the funding expires. Grantees must move rapidly, while using prudent grant management practices, to develop plans for using funds, consistent with the ARRA’s reporting and accountability requirements, and promptly begin spending funds to help drive the nation’s economic recovery. All ARRA funds must be separately accounted for and tracked in their obligation, expenditure, and reporting.

B. Period of Availability and Encumbrances/Obligations: Unless otherwise specified in the Notice of Grant Award (NOGA), all funds are effective from the beginning date specified on the Notice of Grant Award (NOGA) through June 30, 2013. Carryover of funds will not be available beyond that date. Unobligated/unexpended funds will be returned to the Department of Treasury. The paragraph in the General Provisions pertaining to Encumbrances and Obligations applies as follows:

All encumbrances shall occur on or between the beginning and ending dates of the contract. All goods must be received and services rendered and subsequently liquidated (recorded as an expenditure or accounts payable) within the contract dates. In no manner shall encumbrances be considered or reflected as accounts payable or as expenditures. Obligations that are liquidated and recognized as expenditures must meet the allowable cost principles in OMB Circular A-87, A-21, or A-122 (as applicable) and program rules, regulations, and guidelines contained elsewhere. When an obligation is made is defined in 34 CFR 76.707.
