

## **Title I, Part A LEA School Improvement Stage 2**

### **Criteria**

LEA School Improvement—Stage 2 applies to a Title I, Part A LEA identified for Stage 1 School Improvement that subsequently misses AYP for the same indicator that resulted in Stage 1 SIP for three consecutive years.

### **Stage 2 Requirements:**

#### **Parent Notification**

The LEA must notify parents of the LEA's School Improvement Stage and the Indicator missed, and how the parent may become involved in improving the LEA. The parent notification may be met in several ways such as a letter, a memo, or a flyer sent home with the students, or in an LEA newsletter. A copy of the notification to parents must be provided to the Agency at the same time it is provided to parents.

#### **District Improvement Plan**

The LEA must implement the two year district improvement plan developed under Stage 1 and consider any additional information gleaned from following the district level intervention process (data analysis, needs assessment, planning, and monitoring).
