

Navigation Instructions for 2012 Progress Report

- Use the main menu buttons (Introduction; Teaching and Learning; Educator Preparation and Development; Leadership, Administration and Instructional Support; Infrastructure; and Conclusions and Next Steps) to move from one major section of the report to another. Each of the main sections has its own Table of Contents except for Conclusions and Next Steps.
- When you get into a section's content and you want to return to the Section Table of Contents (TOC), then select the Section TOC in the upper right of the screen.
- Use the Report Home button in the upper right of the screen to move from a section TOC to the home page with all the major sections of the report (Introduction; Teaching and Learning; Educator Preparation and Development; Leadership, Administration and Instructional Support; Infrastructure; and Conclusions and Next Steps).
- To print the complete report, print as you would any PDF report.
