

Application for the School Transportation Allotment for Route Services

In this application, “school district,” and “district” mean a school district, county unit system, charter school, or other local education agency.

Use this application to request approval for your school district to submit route service information for transportation allotment purposes. The application must be completed before the first school year for which route service information will be reported.

Before completing this application, read the Texas Education Agency (TEA) *School Transportation Allotment Handbook*. The handbook prescribes requirements related to the transportation allotment and contains an explanation of the terms used in this application. It is available on the TEA [School Transportation Funding](#) web page.

Submit the completed application by email to Schtrans@tea.texas.gov
