<b>SUBJECT:</b>	<b>House Bill 3 (HB 3) Implementation: College, Career, or Military Readiness CTE, Incentives for High School Models, and High School Equivalency</b>
<b>CATEGORY:</b>	<b>Funding Implications</b>
<b>NEXT STEPS:</b>	<b>Share with appropriate staff</b>

This letter is to inform you of the College, Career, or Military Readiness (CCMR) sections established under HB 3. These sections of the bill provide funding for Career and Technical Education and Technology Applications, incentivize innovative high school models, and provide a subsidy to the Texas Workforce Commission for high school equivalency exams. Additional information about these sections of the bill are described below. Please share this information with your counselors, administrators, fiscal staff, PEIMS coordinators, and teachers.

### Career and Technical Education and Technology Applications Funding

- Goes into effect in the 2019-2020 school year
  - HB 3 funds high school CTE and Tech Apps courses taught in the middle school in grades 7 and 8.
    - This does not include funding to teach middle school students the College and Career Readiness (CCR) TEKS.
      - Districts deliver these TEKS either as add-ons to established courses or in stand alone courses such as *Career Investigations* and *College and Career Readiness*.
        - Investigating Careers, Adopted 2015.
        - College and Career Readiness
    - Technology Applications – including all high school computer science and related courses in CTE funding (whether offered in high school or down to 7<sup>th</sup> grade)
    - Requires at least 55% of funds to be spent on CTE (funding can now support CTE down to grade 7)
    - Summer CTE grant program: \$5 million to provide access to CTE over the summer
      - Grant applications will be released in fall of 2019

### Innovative High School Models

- Goes into effect in the 2019-2020 school year
  - New formula funding has been added to support the **P-TECH** and **New Tech** high school models
    - For each student enrolled in a P-TECH or New Tech high school, a district will receive \$50

**Subsidy for High School Equivalency**

- Provides a subsidy for TEA to transfer to the Texas Workforce Commission to provide high school equivalency examinations for individuals who are 21 and older
